BIRMINGHAM CITY COUNCIL

PUBLIC REPORT

Report to:	Licensing Sub Committee C
Report of:	Assistant Director of Regulation & Enforcement
Date of Meeting:	Wednesday 8th May 2019
Subject:	Licensing Act 2003 Premises Licence – Grant
Premises:	Pure Gold, 359 – 361 Olton Boulevard East, Acocks Green, Birmingham, B27 7DP
Ward affected:	Acocks Green
Contact Officer:	Bhupinder Nandhra, Senior Licensing Officer, 0121 303 9896, licensing@birmingham.gov.uk

1. Purpose of report:

To consider representations that have been made in respect of an application for a Premises Licence which initially sought to permit the Sale of Alcohol (for consumption both on and off the premises), the provision of late night refreshment and the provision of regulated entertainment consisting of live music, recorded music, the performances of dance and anything of a similar description. The times for these licensable activities are stated in the application form.

The applicant has agreed to amend the application and is now seeking to permit the Sale of Alcohol (for consumption both on and off the premises) to operate from 8:00pm until 4:00am (Sunday to Wednesday) and 8:00pm until 6:00am (Thursday to Saturday).

The provision of Regulated Entertainment consisting of live music, recorded music, performances of dance and anything of a similar description, to operate indoors only, from 8:00pm until 4:00am (Sunday to Wednesday) and 8:00pm until 6:00am (Thursday to Saturday).

The provision of Late Night Refreshment, to operate indoors only, from 11:00pm until 4:00am (Sunday to Wednesday) and 11:00pm until 6:00am (Thursday to Saturday).

Premises to remain open to the public from 8:00pm until 4:00am (Sunday to Wednesday) and 8:00pm until 6:00am (Thursday to Saturday).

2. Recommendation:

To consider the representations that have been made and to determine the application.

3. Brief Summary of Report:

An application for a Premises Licence was received on 14th March 2019, in respect of Pure Gold, 359 – 361 Olton Boulevard East, Acocks Green, Birmingham, B27 7DP.

Representations have been received from West Midlands Police, Environmental Health and Birmingham City Council Licensing Enforcement as responsible authorities and from other persons.

4. Compliance Issues:
4.1 Consistency with relevant Council Policies, Plans or Strategies:
<p>The report complies with the City Council's Statement of Licensing Policy and the Council's Corporate Plan to improve the standard of all licensed persons, premises and vehicles in the City.</p>
5. Relevant background/chronology of key events:
<p>Romans Leisure Ltd applied on 14th March 2019 for the grant of a Premises Licence for Pure Gold, 359 – 361 Olton Boulevard East, Acocks Green, Birmingham, B27 7DP.</p> <p>Representations have been received from West Midlands Police, Environmental Health and Birmingham City Council Licensing Enforcement, as responsible authorities. See Appendices 1 - 3.</p> <p>Representations have been received from other persons, including a representation in support of the application, which is attached at Appendix 96. See Appendices 4 - 96.</p> <p>The application is attached at Appendix 97.</p> <p>Site Location Plans at Appendix 98.</p> <p>When carrying out its licensing functions, a licensing authority must have regard to Birmingham City Council's Statement of Licensing Policy and the Guidance issued by the Secretary of State under s182 of the Licensing Act 2003. The Licensing Authority is also required to take such steps as it considers appropriate for the promotion of the licensing objectives, which are:-</p> <ol style="list-style-type: none"> The prevention of crime and disorder; Public safety; The prevention of public nuisance; and The protection of children from harm.
6. List of background documents:
<p>Copies of the representations as detailed in Appendices 1- 96</p> <p>Application Form, Appendix 97</p> <p>Site Location Plans, Appendix 98</p>
7. Options available
<p>To Grant the licence in accordance with the application.</p> <p>To Reject the application.</p> <p>To Grant the licence subject to conditions modified to such an extent as considered appropriate.</p> <p>Exclude from the licence any of the licensable activities to which the application relates.</p> <p>Refuse to specify a person in the licence as the premises supervisor.</p>

Subject: Pure Gold - licence application

Dear Licensing,

West Midlands Police have received the application for a new premise licence for Pure Gold, 359-361 Olton Boulevard East, Acocks Green. B27 7DP. The application seeks to allow Live music, recorded music, dance, alcohol and late night refreshment, Sunday to Wednesday from 12 midday to 4am and then Thurs to Saturday from 12 midday until 6am, with the same opening hours to the public.

Having looked at the application it appears that they wish to be a lap dancing club, although through the provisions of this application they would be able to do anything. Having checked with the local neighbourhood team and through looking at the site, it can be seen that the nearest residential property sits at a minimum 20m from the premises, in fact the premise backs onto the gardens of a number of premises. There is an expanse of residential properties in the immediate vicinity of the location, with residential properties in Gospel Lane, Osprey Road, Grattidge Road all within metres of the premises.

The hours of operation would also cause a substantial increase in the potential for noise nuisance and anti social behaviour for the local residents. Prior to this application the premise was a restaurant with substantially different hours and so would not have caused or had the potential to cause the level of issues this premise could. The licence allows it to trade as anything with very long hours and hours that go late thorough the nights and into the early morning. even if it did not get an SEV licence as this would be subject to a different application, they would be permitted to do a series of nude event/adult entertainment through the year and then for the rest operate as a very late night premises, with all the provisions to become a nightclub. This means that the risk of crime and disorder, anti-social behaviour and noise is a real concern.

I have seen communication from the applicant and a local councillor which has resulted in the hours being amended for opening, so that they would open later. This still has the potential to impact on children, the area is heavily residential and so not unfeasible to have children out playing especially during the summer months when it is lighter and warmer, and so there is still the risk to children in the area.

I also aware that the proposed DPS and licence holder also runs another premises in Norwich which is still running, which poses questions around the day to day control of these premises.

Due to the nature of the application, the hours and provisions applied for West Midlands Police formally object to this application and seek a formal hearing

Kind regards

To:	Licensing Section	Date: 11th April 2019
From:	Paul R Samms, Environmental Protection Officer Environmental Health, 40 Moat Lane, Birmingham, B5 5BD	
CC:		Ref:
Subject:	Application for Premises License – Licensing Act 2003 Address – Pure Gold, 359-361 Olton Boulevard East, Birmingham, B27 7DP	

I, Paul R Samms, as a representative of Environmental Health, formally raise a representation on the above application.

My representation(s) concern the likely effect of the grant of the licence on the promotion of the prevention of public nuisance.

I am concerned that the grant of the licence would undermine the objective of public nuisance due to intrusive noise being generated from the operation of the club.

The reason for my concern is there are residential units in close proximity to the premises. Google maps indicates that there are bedroom windows overlooking the rear of the premises approximately 27 metres away (approximately the length of a back garden). The bedroom windows of residential units across the road from the proposed club are approximately 59 metres away.

I believe that residents are likely to be disturbed by intrusive noise (particularly during the early hours) as a result of:

1. Activities within the Club particularly from regulated entertainment and patron noise.
Due to the lack of lobbied areas servicing the external double doors to the stage area (as well as the side door). There is likely to be bursts of noise as patrons access and egress the building.
2. Patrons in the external areas and as they leave.

3. Taxis coming and going.

I do not believe that this concern can be dealt with by the use of appropriate conditions.

To: Licensing
Subject: Pure Gold, 359 - 361 Olton Boulevard East, Acocks Green, B27 7DP

Dear Licensing,

Licensing Enforcement have reviewed the application for the grant of a premises licence for Pure Gold, 359-361 Olton Boulevard East, Acocks Green, B27 7DP.

The applicant has indicated that the premises will be a lap dancing club, and the times of the activities and the opening hours are 04:00am in the week and 06:00am at the weekend authorising, alcohol live music, recorded music, performance of dance.

The premises is located within close proximity of residential properties and we therefore cannot be sure that the licensing objectives will be upheld in particular the prevention of public nuisance. All previous applications for licences issued to lap dancing premises in Birmingham have been within a city centre night time economy area and therefore have had very little impact on the surrounding area. I feel that the potential for dispersal of groups of drunk male customers and taxi's coming and going throughout this period is likely to cause nuisance to residents as well as the external smoking area

The application submitted specifies the premises will be a lap dancing venue however an SEV has not yet been submitted for the premises. Before operating as a lap dancing venue the SEV licence would have to be granted and the application for such would be open for representations. Should the premises wish to operate as anything other than a lap dancing venue a minor variation application will need to be submitted and will be served on the relevant responsible authorities for consideration. If any additional applications are submitted licensing enforcement will consider the impact on the local area in more detail at that point.

Kind regards

Sarah Lavender

REF NO

Representations Regarding Application Ref 110346**Pure Gold – 359-361 Olton Boulevard East, Acocks Green, B27 7DP**

I wish to make representations regarding these premises.

The premises were previously a Greek restaurant, known as Zorbas, but have been empty for a number of years, with the back yard used for a manual car wash business.

It is situated on the border of Acocks Green and Solihull, in an increasingly residential area, as the picture above shows clearly.

There are houses already long established on two sides of the site, with a mix of development from the Edwardian expansion of Acocks Green at the start of the last century, interwar council development and 1990s building behind and to the east of the site. The houses immediately to the rear are new and

have been built since the restaurant ceased trading. They are in close proximity to the car park of the building.

The building to the east of the site is a builder's yard and open normal commercial hours during the daytime.

Beside that is a pub trading under the name "Casey Joe's." This has been trading for a number of years and I am not aware of any issues with that business. I do note that there have been three applications for conversion of this building to residential use in part or in full, one of which was approved - 2018/09775/PA (approved); 2016/07887/PA (refused); and 2017/03866/PA (refused).

Grattidge Road – to the rear of the site.

Showing the proximity of the homes (right) to the site.

To the east of that is a building that was formerly an office block occupied by the Environment Agency and is now converted to residential use as Olton Court.

Directly opposite the site is a vacant plot that has planning permission (2016/07099/PA) for the construction of up to 48 residential units – a mix of flats and houses.

The site is also in proximity to a day nursery (directly opposite) and the indoor soft play area known as "Tiny Terrorz."

There are also two residential homes in the immediate vicinity – Manor Court, operated by Birmingham City Council, for elderly residents who need a community more than they need care; and the Sir Josiah Mason Trust on Hartshill Road, which offers a range of care needs.

The main shopping centre of Acocks Green does not start for some 500m to the west along the Warwick Road and it does not have a vibrant night time economy. It is mainly retail orientated, with some restaurant and takeaway shops. This site falls into the area known as "Olton Hollow," which has a mix of retail, small takeaway shops, two petrol stations and a McDonalds restaurant. Again, there is no night time economy of any significance here. This is not where a venue of this sort would normally be expected to open – it is emphatically **not** in a recognised area for late night entertainment.

While I wish to be clear that there will be a further detailed objection to any application for a Sexual Entertainment Venue licence and to the planning application (, this representation refers to the licensable activities detailed in the application and deals with them under concerns over the prevention of public nuisance.

Hours for Licensable Activities – Preventing Public Nuisance

“Casey Joe’s” – Licence Ref: 59693 at 1293-1295 Warwick Road have licensed hours of 10:00 to 23:30 Monday to Thursday, 10:00 to 00:00 Friday to Sunday with an upstairs space for pre-booked functions that may remain open until 2am. They also extend the opening hours on the following dates each year: 14th February, 17th March, 31st October, 5th November, 24th December, 26th December, All Sundays prior to a bank holiday Monday.

These hours would seem to be the **maximum** acceptable, particularly given the proximity of the premises to private homes. I welcome the applicant’s decision to change the hours to open at 20:00 daily and would therefore suggest that this be written into the licence terms.

I note the conditions imposed on Casey Joe’s under the terms of their licence to prevent public nuisance are as follows:

- The Licence Holder shall ensure that a written agreement is made with reputable taxi company to ensure that when taxi’s pick up and drop off customers from the licensed premises that noise from these vehicles does not cause a nuisance to local residents. For the avoidance of doubt a letter from a taxi company confirming the same will suffice.
- Customers who require a taxi from the site shall be advised by staff to use taxi companies specified by the licence.
- Notices shall be displayed within the licensed premises for customers to view giving details of taxi companies to use.
- Entertainment shall be held internally only and no music or speakers shall be provided to external areas of the premises.
- The conduct of patrons leaving the premises will be monitored to minimise potential nuisance.

I would suggest that similarly specific conditions be imposed upon this site for the prevention of public nuisance. The application includes some limited reference to these terms and I would ask that they be extended to match those already provided to Casey Joe’s, as the potential for nuisance and noise is at least the same and, I would argue, higher, given the closer proximity to residential properties.

The most recent licence for the premises (79932), which was surrendered in 2016 (although I believe operations ceased earlier than that), also included restrictions that

- No persons shall be admitted to the premises after 23:00 hours
- No bottle bins will be used after 22:00hrs.
- Patrons of the premises shall not be allowed to smoke in the car park to the rear of the premises.
- The designated smoking area shall be the garden area to the front of the premises.
- The designated smoking area shall not be used for the purpose of smoking and drinking after 00:30hours.
- The fire exit on the western facing facade of the premises shall be kept closed when entertainment is taking place on the premises except for in an emergency.

- The premises licence holder will do perimeter checks of the premises to monitor noise levels and the side exit will be used only in an emergency.
- The licence holder will install a noise limiter at the premises to be calibrated at a level set by Environmental Health.

I would support these additions, as an attempt to further restrict public nuisance. I would add that the two fire exits proposed under the planning application 2019/02598/PA to the rear of the premises should also be kept closed when entertainment is taking place on the premises except for in an emergency.

I note also that this licence already had an explicit restriction on the use of the premises for adult services:

- No adult entertainment or services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children are permitted on the premises.

In the name of consistency, all these conditions should be maintained. They would also go a long way towards preventing public nuisance.

From: Councillor Roger Harmer
Sent: 11 April 2019 13:44
To: Licensing
Cc: Pamela Bailey
Subject: Application Ref: 110346 for a Lap Dancing / Nudity Venue at 359-361 Olton Boulevard East, Acocks Green B27 7DP

I wish to object to the application (ref 110346) for a lap dancing / nudity venue at 359 – 361 Olton Boulevard East, Acocks Green B27 7DP (referred to hereafter as 'the site'), in my role as one of the two ward Councillors for Acocks Green. My objection sits alongside the petition I have organised against this application, partially submitted at Full Council on Tuesday 2nd April, with the balance submitted today, totalling over 1,000 signatures of residents, mainly from Acocks Green and Olton.

In particular I wish to object on the grounds of the prevention of public nuisance, due to the late closing hours of 4am (Sunday to Wednesday) and 6am (Thursday to Saturday). The area around the site is now mainly residential with homes, many with young families living in them, in the following locations:

1. Gospel Lane, with Nos 2-16 immediately adjacent to the site and more properties very close by. With the natural slope of the land, 2-16 Gospel Lane are higher than the site and their rear bedrooms look directly down onto it. Noise during the night, especially from customers arriving and leaving the club in cars will be particularly disturbing to them.
2. Grattidge Road, with No 2 (lived in by a young family) immediately adjacent to the site's rear car park and other properties very close by, including the old person's home at Manor Court, with the bedrooms on one side overlooking the site.
3. Warwick Road, with planning permission has been granted by the Council for up to 48 homes at 1298 Warwick Road, which is opposite the site (planning application 2016/07099/PA)
4. Within a short distance, and subject to potential disturbance from the site are homes in Bretton Road, Olton Boulevard East, Lincoln Road, Osprey Road and Olton Court.
5. Planning permission has been granted for the partial conversion of 1293-1295 Warwick Road (known as 'Casey Joes') to three residential flats with terrace areas (planning application 2018/09775/PA).

The nature of the business proposed to operate at the site means that it will inevitable be busy during the small hours of the morning. The fact that the applicant has been willing to move the commencement of the key licenced activities back to 8pm, while being unwilling to bring them forward from 4am (Sunday to Wednesday) and 6am (Thursday to Saturday) only emphasises this point. The applicant has indicated that the site will employ 30-40 members of staff. The volume of clients required to generate the income needed to sustain such a business, means it will frequently be very busy during its hours of operation.

It should also be noted that there are very few hotels within walking distance (unlike the situation for those clubs located in city centres) so a far higher proportion of patrons will be coming by car, whether private or taxis. This means the rear car park will be busy during the hours of operation and cars will be coming and going during the night. This will inevitably create noise and disturbance to the local residents. While the club can control what happens inside its doors, it is impractical to think it can prevent patrons making a noise as they arrive and depart. While drivers will hopefully all be sober, passengers may be moderately intoxicated and liable to forget requests to keep quiet for the sake of the neighbours.

Past experience of the site being in use was that patrons frequently parked in Gospel Lane and other neighbouring residential roads, causing disturbance to residents living there. Patrons may prefer to do this than risk having to queue to get out of the busy rear car park, or there may well simply not be enough room for them to park at the site.

As I discussed the issue with them, residents in Gospel Lane and Grattidge Road reported noise disturbance from 'Casey Joes', especially during the evenings. Casey Joes is both further away from these residents, than the site, and shuts much earlier than the proposed closing times for the site. This just emphasises the point that these residents are going to suffer a very significant increase in a nuisance, which is already a concern to them, should this application be approved.

This is, quite simply, the wrong location for a club with such late closing hours and I therefore urge the Licensing Committee to reject the application.

Best regards

Roger

Our Ref: JK12423

8 April 2019

Dear Councillor Dring,

RE: Licensing Objection; Application Reference 110346

I am writing to object to the Licensing Application reference 110346 submitted by Pure Gold for a Lap Dancing / Nudity Venue at 359/361 Olton Boulevard East, Birmingham, B27 7DP.

I believe that this application is inappropriate given the proposed location on the Acocks Green/Olton border is opposite a children's nursery and three doors down from Tiny Terrorz, an indoor children's play area.

This premise is the last commercial property before the area becomes solely residential; with occupied housing only a few meters away from the building. With the application for loud music until the early hours, this is clearly an unsuitable request given the impact it would have on the homes around the premises.

In addition the venue has not, to my knowledge, sort or obtained planning permission to alter the building/car park to the necessary standards to provide such a venue. It is therefore premature to be providing a licence when the venue and facilities on offer are not yet available to review.

There are a number of petitions against the application that I am aware of. I understand that one petition has over 800 signatures at the time of writing.

For all of the reasons detailed above I therefore urge you to reject the proposed licence application.

Thank you very much for your consideration of this matter.

With kind regards,

Julian Knight

To: Licensing
Subject: Re objection to 110346 from Olton Solihull Cllr Katy Blunt

Dear sir or Madam,

I would like to object to the application to have a lap dancing club open on Olton Boulevard, reference 110346, for the below reasons:

- 1) this is an inappropriate location given the close nature of a nursery and residential housing
- 2) the roads around are very busy and increased traffic entering/leaving could increase the likelihood of an accident
- 3) alcohol sales until the early hours may cause an increase in crime specifically; alcohol fuelled fights, motoring offences with alcohol and drug dealing.
- 4) such places have, in other areas, been found to exploit vulnerable and/or trafficked women or be fronts for the sex trade, or encourage separate but close venues that provide sexual services. Due to the residential location and the nursery such things would be dreadful for the local community.
- 5) there is not likely to be enough parking for all employees/visitors to park safely without utilising local roads, that already face parking issues due to the proximity of Acocks Green town centre.

I hope the licensing board vote to reject this application.

Thank you for your assistance.

Kind regards

Katy Blunt
 Councillor for Olton Ward, Solihull

From: Councillor Robert Grinsell (Solihull SMBC)
Sent: 25 March 2019 08:47
To: Licensing
Subject: Application Number 110346

Dear Sir or Madam,

Following on from a number of concerns from residents of Olton, Solihull. Olton is the Ward that I represent, and that borders with Acocks Green. Residents of Olton are most concerned that the above application would be equally effected by the above application as residents of Acocks Green, perhaps even more so.

Therefore, please accept this email as my registration of objection to the above numbered application 110346 for a license by Pure Gold at the venue formerly known as Zorbas Greek Restaurant on Olton Boulevard East in Acocks Green to change to a Lap Dancing Club!

This application in my view does not meet with the objectives of the 2003 Licensing Act, as follows:

The prevention of crime and disorder.

A night time venue with hours extending from 12 noon until 4.00am together with the sale of alcohol, would without doubt, be a cause for disorder.

Public Safety

The application if passed would attract access to a considerable number of extra vehicles in a place that already has restricted access and egress. Especially as the area is mostly residential with elderly and families with young children being in the main.

The prevention of public nuisance

As already referred to, the area is mainly residential, the sounds of slamming car doors, horns, ambient noise, as well as the potential for general anti social behaviour with gatherings of boisterous probably males in what I would consider to be in 'high sprits', yet within a radius of a mere 250 metres of this venue there are at least 4 elderly care homes, or homes for people with learning difficulties.

The protection of children from harm

Opposite this venue is a children's nursery. Only 2 doors away is a children's play centre. Mainy children walk to school in the area, as well as travel by bus, which is on one of Birmingham and Solihull's main arterial routes. No doubt, the venue would be utilising signage in order to promote itself, and as such can be considered harmful.

I also feel that this type of venue could also be considered as sexual exploitation of women.

Finally as both a Ward Councillor for Acocks Greens neighbouring ward of Olton, as well as being Vice Chairman of Solihull's Licensing Committee, I would ask as an interested party, my wish to be present and make representation to your licensing panel at the meeting where this application is to be considered.

I would be obliged if you could acknowledge this request.

Thank you,

Councillor Bob Grinsell

Subject: FW: Licensing Application Number 110346 Lap Dance Club Acocks Green/Olton

Hi Emma,

I have been contacted by Cllr Robert Grinsell from Solihull who has raised concerns about the above license application.

His residents are badly affected by this application which is on the border. He wishes to speak at the licensing meeting about it. Please can we confirm that he will be able to speak against the application at the hearing and ensure he is sent all the required information.

I would also like to register an objection to the application which is in appropriate for the area, will place vulnerable people at risk of harm and could lead to increased asb and crime in the local area. I would support the objections made in Robert's email below.

Cheers
 Robert

Cllr Robert Alden
 Erdington Ward

Leader of the Conservative Group Birmingham City Council

Please take pride in Erdington – Don't drop litter

Subject: Application Number 110346

Dear Sir or Madam,

Following on from a number of concerns from residents of Olton, Solihull. Olton is the Ward that I represent, and that borders with Acocks Green. Residents of Olton are most concerned that the above application would be equally effected by the above application as residents of Acocks Green, perhaps even more so.

Therefore, please accept this email as my registration of objection to the above numbered application 110346 for a license by Pure Gold at the venue formerly known as Zorbas Greek Restaurant on Olton Boulevard East in Acocks Green to change to a Lap Dancing Club!

This application in my view does not meet with the objectives of the 2003 Licensing Act, as follows:

The prevention of crime and disorder.

A night time venue with hours extending from 12 noon until 4.00am together with the sale of alcohol, would without doubt, be a cause for disorder.

Public Safety

The application if passed would attract access to a considerable number of extra vehicles in a place that already has restricted access and egress. Especially as the area is mostly residential with elderly and families with young children being in the main.

The prevention of public nuisance

As already referred to, the area is mainly residential, the sounds of slamming car doors, horns, ambient noise, as well as the potential for general anti social behaviour with gatherings of boisterous probably males in what I would consider to be in 'high spirits', yet within a radius of a mere 250 metres of this venue there are at least 4 elderly care homes, or homes for people with learning difficulties.

The protection of children from harm

Opposite this venue is a children's nursery. Only 2 doors away is a children's play centre. Many children walk to school in the area, as well as travel by bus, which is on one of Birmingham and Solihull's main arterial routes. No doubt, the venue would be utilising signage in order to promote itself, and as such can be considered harmful.

I also feel that this type of venue could also be considered as sexual exploitation of women.

Finally as both a Ward Councillor for Acocks Greens neighbouring ward of Olton, as well as being Vice Chairman of Solihull's Licensing Committee, I would ask as an interested party, my wish to be present and make representation to your licensing panel at the meeting where this application is to be considered.

I would be obliged if you could acknowledge this request.

Thank you,

Councillor Bob Grinsell
Olton Ward
Solihull MBC

Subject: Regarding licence submitted for lap dancing venue in Acocks Green

To whom this may concern,

Me and my family have been a resident in Acocks Green for over 30 years and we totally reject this and ask yourselfs to also reject this application submission due to it being a area which has potential for violence with the new generation, the drug selling issue we have and local gangs, Acocks Green is a area now which has a big drug problem with youths battling it out as to who has the best team, this venue previously has been shut and on every opening as a Venue has had a lot of trouble including fights, issues with knives and guns and maybe police did not know this because the guys in the area don't like to tell on each other yet take it into there own hands but I know as my street knowledge and knowing individuals in the area, lap dancing are suitable for city centre venues not for residential areas and we also have a large elderly community here too and would not want this to distress anyone, this venue will bring trouble to the area and it will get out of hand and have to use up police resources and potentially allow an individual to get hurt or die due to violence at the venue. So I please urge as a resident and being street knowledge to refuse this licence to save later problems.

Many thanks

Regarding lap dancing licence venue on Olson boulevard in Acocks Green formally known as zorbas Greek restaurant but has changed titles many times since zorbas.

Subject: Application for lap dance bar Olton boulevard east

To whom

It may concern

I would like to register my complaint or objection to the proposed application of a late night nudity / music bar at the old zorbas property Olton boulevard east, Acocks Green.

I believe that there will be a public safety issue, as the area is already suffering from attacks on women, late night drinkers, a rise in anti social behaviour due to alcohol. Which contributes to public nuisance

In a compact area there is already, Casey Joes bar, The crown Social club, platform 3 wine bar and a private members club, all in a half mile radius. We have a bail hostel on the Warwick road in this same

radius which attracts its own trouble, potentially the mix of the two places would only cause more issues,

The area is swamped by off licenses and in this immediate vicinity there is a children's day care and a children's play centre. So people taking their child for a play date on a Saturday afternoon would have to pass this open lap club.

Olton - Acocks Green is supposed to be a family residential area, with houses running directly along side these premises. The noise and attention that this venue could bring in my opinion will be problematic and frankly unhealthy for this area. Something of this nature is better suited to a city centre venue, I am not opposed to its concept just the location.

Kind regards

Subject: re: License for a Lap Dancing / Nudity Venue at 359-361 Olton Boulevard East in Acocks Green, B27 7DP.

Hi

I hope you're well.

I have recently come across an article from a local councillor in an Acocks Green forum about An application that has been made for a license for a Lap Dancing / Nudity Venue at 359-361 Olton Boulevard East in Acocks Green, B27 7DP. This is well known locally as the location of Zorbas Greek Restaurant.

I want to raise my concerns as someone who literally lives 5 minutes from this location and as a resident of Acocks Green.

The area is very family orientated, there is a family friends pub already in the area, there is a large children's play centre and a nursery a stones throw away from the proposed address.

The area is residential and surrounded by houses and I would be 100% against an establishment like this being allowed to open somewhere where I live.

I do not want where I live turning into a cheap broad street nor did I move into this area a year ago to be neighbours with such an establishment. I am concerned what this will do in relation to anti social behaviours increasing and also the economical effect it may have on driving house prices down in the area due to said anti social behaviours.

I am concerns crime rates will increase, there will be an increase in public nuisance and disorder due to alcohol being served and the very long hours of operation and the fact the areas is surrounded by establishments for children who will no doubt be subjected to witnessing things that as children they definitely need tone protected from.

My further concerns is that not only will it increase seedy people in the area, it will attract anti-social behaviours, drugs, violence and cheapen the area as a whole which will no doubt result in the local community taking a nose dive.

I do hope due consideration is given to to the concerns that will no doubt be raised by local residents like myself and that the premises is used for something that is more family orientated and suitable for a residential setting.

Regards,

Subject: Lap dancing club Zorba's

To whom it may concern

I write in regards to the application for a lap dancing club at the old Zorba's site.

I am very concerned about this proposal given the history of the Colloseum that was there for a while some years ago. I would urge that this is given some serious consideration. This is not an appropriate location. It is a residential area with enough bad press as it is. This will only lure further negativity and undesirables to the area. There have been instances in recent weeks where vulnerable women have been followed/groped and attacked. I fear that such a venue will only invite such risky people to the area.

-). When the Colloseum was located there not only did the loud music/louts shouting disturb the sleep of my children and affect their concentration at school, but it also resulted in glass bottles being thrown all over the road and over our back alley fences. This is against the licensing objective of protecting children from harm.

There is a risk to public safety as the risk of drink driving is increased. Joy riding and drink driving is not uncommon in the area. Being a residential area, this is not a risk we can take. We have had a car smash in to a wall on the road in the past during the night. Also from glass being thrown into the road and on the pavement. This is a route to more than one school too. There is a risk of children being injured by this.

Please can I add that there is a children's play area two or three doors away, is this what we want our children to associate their childhood memories with?

There is a set of residential homes not far (opposite and off Lincoln road/backing on to Tesco car park). Disruption and noise pollution could extend to those vulnerable residents also.

Please do not hesitate to contact me should you wish to discuss this further

Kind regards

To: Licensing
Subject: Complain against planning refer no. 110346

I am writing to complain about the proposed lap dancing/nudity venue at 359 - 361 Olton Boulevard East.

I feel that is an inappropriate place for such a licence to be granted, for a number of reasons.

This place will be situated almost next door to a children's play centre and there is also a nursery facing it on the other side of the road. It will be open from midday, so the children in these settings will be exposed to it. Not counting the children coming home from local schools.

This place will also be in a mainly residential area, where local people will have to put up with noise and music on week days and of a weekend as well. There will be drunks around in the early hours of the morning which will lead to an increase in not only disturbances but also crime and anti-social behaviour from drugs or even prostitution

I wish for this application not to be passed on these facts, these places have there place in city centres but not in residential ones.

Yours sincerely

Hello,

I would like to express my concern against the above application made for a lap dancing/nudity venue in Olton/Acocks Green.

The location is not suitable for this type of venue. It has a soft play near by and a nursery opposite plus it is next to residential properties.

I oppose it on the grounds of protection of children from harm, prevention of public nuisance and prevention of crime and disorder.

If you need me to expand on the above please let me know.

Subject: Pure Gold

I am writing this email in regards on the topic of the new proposed lap dancing club pure gold.

I have many reasons why I believe this club should not be opened first reason being this club is right next to an Irish bar called Casey Joes which definitely has a know reputation for violence and criminal activity therefore would impede public safety. By rejecting their application you would make a strong stance in the protection of disorderly behaviour and crime.

There is also a children's indoor play area. Acocks Green has accumulated a increasing younger population as of recently as a result of this due to the accessibility and location of the play area. I do not think it is acceptable nor just to put a lap dancing club next to this for young children to be exposed to.

There is also a sixth form not far away and boys will be boys and will want to explore however this could potentially lead to higher truancy levels and underage drinking. Not to mention exploitation of women.

Acocks Green has been a family based village my whole entire life by allowing this to proceed the area will not only go down generically but it will de-populate and not have as many people shopping in or around the village due to the nature of this club.

Thank you for reading my email and I hope this is took on board within the decision made.

Regards,

Subject: Objection to license application

Dear sirs

This note is an objection to the license application for A Lap Dancing / Nudity Venue at 359-361 Olton Boulevard East in Acocks Green, B27 7DP. This is well known locally as the location of Zorbas Greek Restaurant. The objection is on the following basis:

1. Protection of children from harm

This venue would be in the direct vicinity of a nursery and soft play centre used by young children. It is not appropriate for children to see such activity including adverts which may be outside the premises when using the nursery and soft play. It is further highly dangerous for these children to be near clientele of this venue who may be under the influence of alcohol in the streets near the venue. Children should not be exposed to this activity at all which would happen with a) such a venue in existence at this location; and b) this venue opening at midday each day.

2. The prevention of crime & disorder, public safety and the prevention of public nuisance.

Clientele of this venue would be able to access this venue from midday until 4/6am. During the day, people going about their day-to-day business do not wish to be nervous about their safety when going past this area of clientele entering or exiting the venue, potentially after consuming alcoholic. Such individuals leaving may create public nuisance and increased litter in this area. Such a venue also encourages activity in the streets in the early hours of the morning which will provide opportunities for crime as clientele cars will be parked in this area, and opportunistic thieves trying to access these will also try the same in the nearby areas which is most undesirable.

Yours

starley court

Subject: Pure Gold Acocks Green

Good afternoon,

I am emailing in relation to the news I have heard today about the above club being potentially opened in Acocks Green.

I believe that this is a terrible decision to make. Especially relating to protecting children from harm. There is a child soft play centre pretty much next door to the proposed venue, I frequently visit tiny Terrors with my child and will no longer feel comfortable visiting if this venue opens. It is a totally inappropriate venue to be in such close proximity especially the hours that are proposed for opening, why would it be allowed to open within hours the children's play centre is open. There are plenty of venues within the local area that people are able to get a drink from if required why bring more unsavoury attention to the area. The area is already going downhill without creating a further issue.

People wonder what the issues are in the area it's things like this happening.

Please don't allow them to ruin something else for the children, they can't even go to local parks without fear of finding drunks, needles or coming to any harm!

Kind regards

Sent: 22 March 2019 13:32
To: Licensing; Councillor Roger Harmer
Cc:
Subject: Re Proposed licensing change of the boundary club to a lap dancing club

To who ever is dealing with this licensing issue,

This is not the sort of establishment that we would like to see in an outer area/suburb of Birmingham and will lead to noise, extra traffic, litter and loutish/drunken behavior during the out of hours they plan to open and is not conducive to the family houses that back onto the clubhouse and not conducive to the local area as whole which is mainly family housing.

Also the unsavory characters that a lap dancing club will attract is not very nice for the local families in the vicinity with young children and may lead some being put at risk. In my opinion this sort of club will attract prostitution for the clientele of the club who come out all fired up and worse for drink looking to satisfy there urges.

Surely this not just a licensing issue it should also be a planning issue as to the change of use of the building.

This proposal should be thrown out without hesitation as this will only lower the reputation of Birmingham.

To whom it may concern:

As a local resident If this is true I have a number of concerns as do many residents who are expressing concerns on various residents pages.

The location for a venue such as this is completely inappropriate and I have huge safeguarding concerns that a lap dancing club could be opened next door to a children's play centre! I regularly take my two young children to the play centre and have concerns about the type of people that will be hanging around the venue. It is also not appropriate to be located so close to a residential area and will bring unwanted behaviours related to adult drinking establishments to the local area/ residents. The noise of people leaving the establishments through to the early hours along with noise from music will also have a negative effect on local residents and bring an increase to the number of public disorder issues to an area already struggling with such issues.

I look forward to your response.

Dear Councillors

I was disgusted to read that an application has been made for a nude lap dancing venue to open where zorbas restaurant used to be at 359-361 Olton Boulevard East in Acocks Green, B27 7DP.

All four of the licensing objectives (the prevention of crime & disorder, public safety, the prevention of public nuisance and the protection of children from harm) are not met by approving this venue.

The venue will become a meeting ground for criminal activity and disorder through alcohol and drugs. It also sends a message to the local community that women can be treated in a derogatory way by men - a massive issue in our modern society. The noise and disorder during opening hours poses a threat to public safety and will stretch our already exhausted emergency services in the local area. The venue will be situated within walking distance of Tiny Terrorz and Little Cherubs, not to mention be open during operating hours of these childrens venues. This is a toxic mix for the local community and sends a message to impressionable youngsters that this sort of entertainment is normal and acceptable.

I cannot see on any level that the local and wider community would consider this an enhancement to the area. These venues are best placed within the confines of the city centre.

Kind regards

Subject: Ref 110346 - Proposed lap dancing club 359-361 Olton Boulevard East in Acocks Green, B27 7DP.

Red 110346 359-361 Olton Boulevard East in Acocks Green, B27 7DP.

Having read an article about the proposal to turn what was previously Zorbas restaurant into a lap dancing club I am raising the following objections:

1) drunk and disorderly behaviour could become an issue in very close proximity to residential properties. Stag parties/lads nights out etc would be the key client base surely - both of which sadly do have a negative reputation that is largely warranted. I have worked in the pub industry so can vouch for this first hand. There is a huge housing estate on gospel lane and numerous properties in and around the Warwick Rd area - public safety and the question of decency needs to be considered and addressed.

In addition noise levels will need to be considered for the sake of local residents - 4am license so potential for noise in and around a residential area. Signs asking clients to be considerate of locals not sufficient - again drunken stag parties and large group parties are not known for adhering to rules.

In a matter of months the local police station in Acocks Green is scheduled to close. In the advent of problems how can you therefore ensure the safety of those in local area.

2) vehicle access would need to be improved - limited parking and situated on an already busy and misused 'roundabout' junction.

3) one needs to question the safety of children in the local area. Having such an establishment a stone's throw from a nursery and a soft play centre, with hours that will clash with both establishments being open to the public is questionable. Obviously children would not be allowed to enter, nor would, one hopes, the nature of the business going on inside be publically displayed but sadly such establishments do draw a certain crowd and such a crowd can be raucous and disruptive. Loud and drunken stag parties for example in the immediate vicinity of 2 child centred areas is not appropriate.

4) impact on surrounding business and trade. How will long standing pubs in the area fair? Already had one local in Acocks Green have to shut due to Morrison's. Can the like a of Casey Joes and other eateries and bars/pubs survive in a declining economic climate with additobal competition? Would retail outlets such as hair salons, child soft play centre, dress agencies suffer due to the opening of a club - simply because people avoid area due to moral feelings about the establishment.

I would like to know what security measures would be in place to protect local residents and residencies? What traffic management provision will be implemented as parking is poor - unless car wash business is forced to close and rear of property used (however this will harm the economic fortunes of local trade again)? What measures will be put in place to prevent noise pollution problems and ensure the comfort and safety of residents who live close by?

I am not a prude. I have no issue with lap dancing clubs but I do think the propped location of this one is full of holes. It is too close to residential areas, on a road where traffic management can be an issue, and far too close to child's centred areas. A lap dancing club and a nursery just don't go hand in hand and should not be so close together. Inner city locations where there are numerous bars, adequate street and business CCTV and the provision of sufficient 'security' both private and public is far more sensible. Also I don't think you'll get the trade - it's a largely family centred area. People won't travel to Acocks green to go purely to a lap dancing bar - they'll go into town or hagley road where there are other bars and other entertainment for pre and post visits to the lap dancing club.

Regards

A concerned mother of 1 and resident of Acocks Green (although not close to the site in question)

From:
Sent: 23 March 2019 14:38
To: Licensing
Subject: 110346 , 359-361 Olton Boulevard East, Acocks Green B27 7DP

F.A.O Licensing Team, Councillor,

I refer to the above application submitted by Pure Gold for a Nude Lap dancing club which is very close to I live on the main Warwick Road, I

I live in Olton and use Lincoln road as my usual route to go shopping in Acocks Green, I drop my nephew and niece off on the corner of Lincoln road and Warwick road for them to catch the bus to go to school, and we frequently shop at the local Tesco petrol pump for our daily supplies, many times sending my teenage nephew or niece to walk there to get daily essentials.

The above mentioned premises is directly opposite this junction in a prime openly prominent viewable position. It is next to Casey Joe's which is a pub, followed by a children's play centre, close to a nursery, and very close to a dancing studio on Lincoln road where many parents frequently drop their children for dance classes. This is also a very busy route and the transition between Birmingham and Solihull. Many passersby will see this as the first prominent building when they enter Solihull or Birmingham from this route.

I have already witnessed traffic and road blocks caused by people visiting Casey Joe's on St Patrick's day just gone, where large crowds gathered outside and were drinking and shouting as we tried to get to the petrol pump. The staff at the pump were frequently looking over in case any rowdy groups decided to come to the Tesco shop. This group was however not a major nuisance as most were just having a good time and celebrating. Having a strip club next to the site could however easily attract the wrong type of crowd to what is main route backed onto many peaceful residential areas and frequented by parents and children on a daily basis.

I refer to the following points with regards to why I believe this location is bad for such a club in a primarily residential area with some local shops:

1. Prevention of Crime and disorder, the prevention of public nuisance: Casey Joe's currently attracts a generally peaceful clientele who come and enjoy a few drinks and live sports. Having a strip club next to a pub on a busy main route will attract different types of crowds. It can attract more rowdy crowds compared to those normally visiting a local pub leading to possible disorder. Men leaving such a club will also be less inhibited, possibly under the influence of alcohol (as they may already have got some cheaper drinks from the pub), and more prone to harassing female passerby's who might just be on their way home. I also know a female and her mum who rent directly opposite this premises who would find this very disturbing living there alone.

2. Public safety, protection of children from harm : Not all men visiting a strip club are, but it can't be ruled out that some can be sexual predators who will be attracted by such a club, and thereby to the local area which we use frequently to go shopping or drop our children off for their school bus. With a children's play area, a nursery and a dance studio (used by both adult men, women and children), all within line of site of this premises, there is a valid concern for all users of these facilities as to the type of people who can visit such clubs, and concerns for their own safety and of their children. It would only take one wrong person to decide to visit the area outside the business opening hours after seeing what else is around the club for their to be a safety risk.

3. Devalue the area: Such a club should not be in such a prominent area entering into a city. For this to be on this site which is highly prominent, it would be visible to all going to either Birmingham or Solihull, along with it being very prominent in Acocks Green and Olton, consequently devaluing the local area and houses due to safety concerns and the impression it would give to anyone visiting the area. This will be a concern for most residents who have bought properties in the area as they would have to explain what the big club is at the bottom of their road.

I am not against such businesses, and understand that there are several such places that probably provide a livelihood to many people, and it is a big industry, however, don't believe that they should not be in such open prominent positions, close to residential areas. I know several such businesses, and most are in town centers away from residential areas, usually close to others night clubs but in much less prominent places, and most aren't on commuter routes used by children on their daily route to school. I personally would dread to have to drop my teenage nephew and niece on their way to school right opposite a large prominent strip club.

Please accept this as an expression of deep concern from one of the residents of this area. I'm sure this feeling will be echoed by many,

Regards,

Subject: Complaint of the potential strip bar

To whom this may concern,

Ref Number: 110346

Address: 359-361 Olton Boulevard East in Acocks Green, B27 7DP.

I am writing this email to voice my opinion as a local that lives in the area, on the potential opening of a nude strip bar by a company called Pure Gold.

As voiced by many, the idea of opening a strip bar in an area where there is a nursery and a kids play area is outrageous. The potential danger this could cause of attracting strange people to a nice local family area and risking the safety of the children that frequent this area is appalling.

I understand that the women wouldn't be seen by the children, but it is not them that are the problem. It is the people that they would attract, that would cause harm and danger to the area.

The thought of young children being exposed and subjected to people that could cause them harm and not just young children but children from primary and secondary schools in and around the area is dangerous. This could give many the wrong impression and undoubtedly parents of these children wouldn't want their children to frequent in these areas, potentially causing a loss of local people coming here, which for one bar, is not worth it.

Second of all, this would increase noise pollution and traffic in an area that should remain relatively quiet as it is a residential area. People living in the local area do not want to be disturbed by the strip bar and this is inevitable if it was to open. Not only that, but attracting more traffic to an area where traffic flow is already heavy will just cause more of a disturbance to the area.

As a local, I do not want to be disturbed at night and also do not want to feel unsafe in my own house, a place that I have called home for the past 20 years, which this would make me feel.

Not only that but the real estate would inevitably have a knock on effect on the area as people would not want to live in an area where there is already a pub that is loud and now a potential nude bar.

To open a nude strip bar in this family central area is not suitable for this area. I hope you consider the people that have lived here for many years before thinking about even approving and making a decision like this.

A resident living on Grattidge road.

Subject: Application 110346

Sirs

I am raising objections to the application to turn Zorbas restaurant into a lap dance club

1 On the grounds of crime and public disorder would increase in a largely residential area and spill over into neighbouring area due to alcohol and potentially other substances and attracting undesirable people into area. Parents and residents are outraged at plans to open a lap dancing venue on the same road as a children's soft play centre and opposite a nursery. Would also affect crime rate adversely and public safety in a fairly respectable area. We already have issues with youth having nowhere to go or nothing to do and causing trouble don't need more. And what about protecting our local children from harm and wrong influences. This place is too near a nursery and children's soft play plus there are small businesses nearby who might lose customers as people become wary if going to support local businesses in the evening such as the takeaways and restaurant nearby as do not feel safe. Nice way to kill off Olton ..that stretch of the Warwick road may not be a high street of mega size but would do a lot of harm to local economy and residents.

A company called Pure Gold has submitted an application for a license for the venue in what used to be Zorbas Greek Restaurant on Olton Boulevard East in Acocks Green.

This is just three doors down from Tiny Terrorz play centre and over the road from Little Cherubs nursery on Warwick Road.

If successful, the venue would be open for dancing from midday to 4am on Sundays to Wednesdays and midday to 6am on Thursday to Saturdays.

Cllr Roger Harmer has posted details of the application on Facebook, asking for local residents' comments.

A resident posted: "Highly inappropriate and quite sick considering it's right next to a well-established play centre for young children."

A local added: "This type of club is not required in this area especially with Tiny Terroz just doors away and a nursery opposite. If it did go ahead, the wrong people will be attracted to it. This will fail anyway due to the location. Acocks Green and Olton need something more respectable."

One mum said: "Worried as close to play area for children which is open all week. Second point is it is over the road from a nursery. Added to this it backs onto residential homes and access could be a problem too."

A concerned local said; "I don't see a problem with these clubs but i don't agree with where it's situated. These clubs are usually in town centres!! Not a good idea at all!"

Another said: "No, not a good idea at all. Not the right place. It would cause all sorts of problems."

And this person added: "No No No ... not acceptable in a residential area."

The license is for live and recorded music, the sale of alcohol and late night refreshments as well as the lap dancing at the venue, which would be at 359-361 Olton Boulevard East in Acocks Green, B27 7DP.

Not everyone was against the idea.

One person posted: "Will there be discounts for locals? Brilliant idea, the locals have never really allowed a restaurant to flourish on the site as they simply turned their noses up and headed to Solihull or Brum for food. If it is well run there will be no problems at all."

People are invited to comment on the application until 11 April.

Cllr Roger Harmer said: "You can contact the licensing team directly on licensing@birmingham.gov.uk.

"If commenting to the licensing team, you should refer to one or more of the four licensing objectives: the prevention of crime & disorder, public safety, the prevention of public nuisance and the protection of children from harm.

"In your email, quote the reference number of the application (110346) and the address, as above."

Good afternoon,

I wish to add an objection for the licensing application for Lap Dancing / Nudity Venue at 359-361 Olton Boulevard East in Acocks Green, B27 7DP.

This is a residential area and entirely unsuitable for a type of venue more suited to a town centre. There is already noise disturbance caused by the existing licensed premises, Casey Joes, but at least this is mitigated to some extent by their licensing hours.

Having a nursery across the road, a children's play centre a few doors down and school children walking past from bus stops to their homes mean that it's inevitable that the venue, or its clientele, will be exposed to minors.

The extended licensing hours and clientele attracted to these venues, usually groups of men, stag dos etc, will lead to an increase in disorder within this area, and the need for police to be called, throughout the day and night, at a time when the police resources are already stretched.

There is also likely to be increased traffic, at an already busy number of junctions, and the licensing hours mean that there will be cars coming and going from the premises throughout the night.

To grant this license would be hugely inappropriate.

Regards,

To Whom it May Concern,

As a parent and local resident I am writing to share my concerns regarding the planning of a lap dancing establishment in the Olton/Acocks Green area.

My main concern is that of child welfare. The hours that the venue will be open will lead to day time drinking, with many children being exposed to inappropriate behaviours; children who attend the local nursery or those going to the play centre.

As a resident, I feel that this establishment is unnecessary and inappropriate and feel that a public nuisance would be caused by additional traffic (pedestrian or on the road) at unsociable hours.

Thank you

To whom this may concern,

I am emailing today to put forward my utter disgust in the proposed plans for a lap dancing club in Acocks green.

The fact that this bar will be opening up meters from a children's play area just shows the lack of respect you have for the younger generation. Acocks green is already well known currently for the amount of crimes that are taking place why are you not focusing on trying to make our streets safer?

The total lack of respect for the residents just shows that people who don't live in the area do not know what we are currently facing! It is degrading and demoralising to those around. The noise that this establishment will bring, not to mention the amount of arguments and fights from the drunken customers, and also amount of people it will bring from different areas of Birmingham and who knows what they will get up to!

I think some serious action needs to be taken by those in charge, and for you to listen to the residents of Acocks green before a decision is made.

Your sincerely

A truly disgusted resident

Subject: Application 110346

I am writing to register my objections to the application at the old Zorbas restaurant site on Olton Boulevard East Acocks Green Birmingham to become a lap dancing and alcohol entertainment venue.

This location is a residential area with a few small local shops together with a nursery directly across the road, a Tiny Terroz children's play centre and a very popular MacDonalds. School children regularly use this route to and from school. Surely this kind of establishment is not suitable for this area as it would do nothing to protect children from harm. Crime and disorder is on the increase in Acocks Green and Olton and I can only see an establishment of this kind would serve to increase this further.

Another issue would be public disorder, noise and an increase of traffic on an already busy and dangerous stretch of one way road system. The area of Acocks Green and Olton have many elderly residents who regularly use Acocks Green as their shopping centre and I worry for public safety.

The area of Acocks Green and Olton need something that is not just for a niche market and is more for the whole community which would raise standards not lower them.

I understand the hours being applied for are from midday to 4 am. Riddiculous

Please give your utmost serious consideration to this application and refuse it.

Dear sir/madam

It has come to my attention that a licence request has been put forward to open up a lap dancing club.

I am writing to you today to put forward the communities concerns and my own.

The licencing is for 12 in the afternoon until 4am and 6am on weekends. major concern being, the surrounding area, please see attached map.

In less in a few meters walk, there is:
 Tiny terroz : A toddler soft play
 Little cherubs: a nursery directly opposite.
 McDonald: where children eat.

There are around 10 schools in close proximity including
 Little cherubs 0.01 miles
 Holy souls 0.1 miles
 Oakland's 0.4 miles
 Archbishops 0.2 miles

This is not the ideal location, due to temptation, would you want your kids going to school next to a Adult Entertainment venue.

Everything might be inside, but all it takes is
 One person to walk out with scampie cloths one.
 One angry customer to start a fight.
 One car to put there foot down to leave the space in a hurry, in a high traffic areas

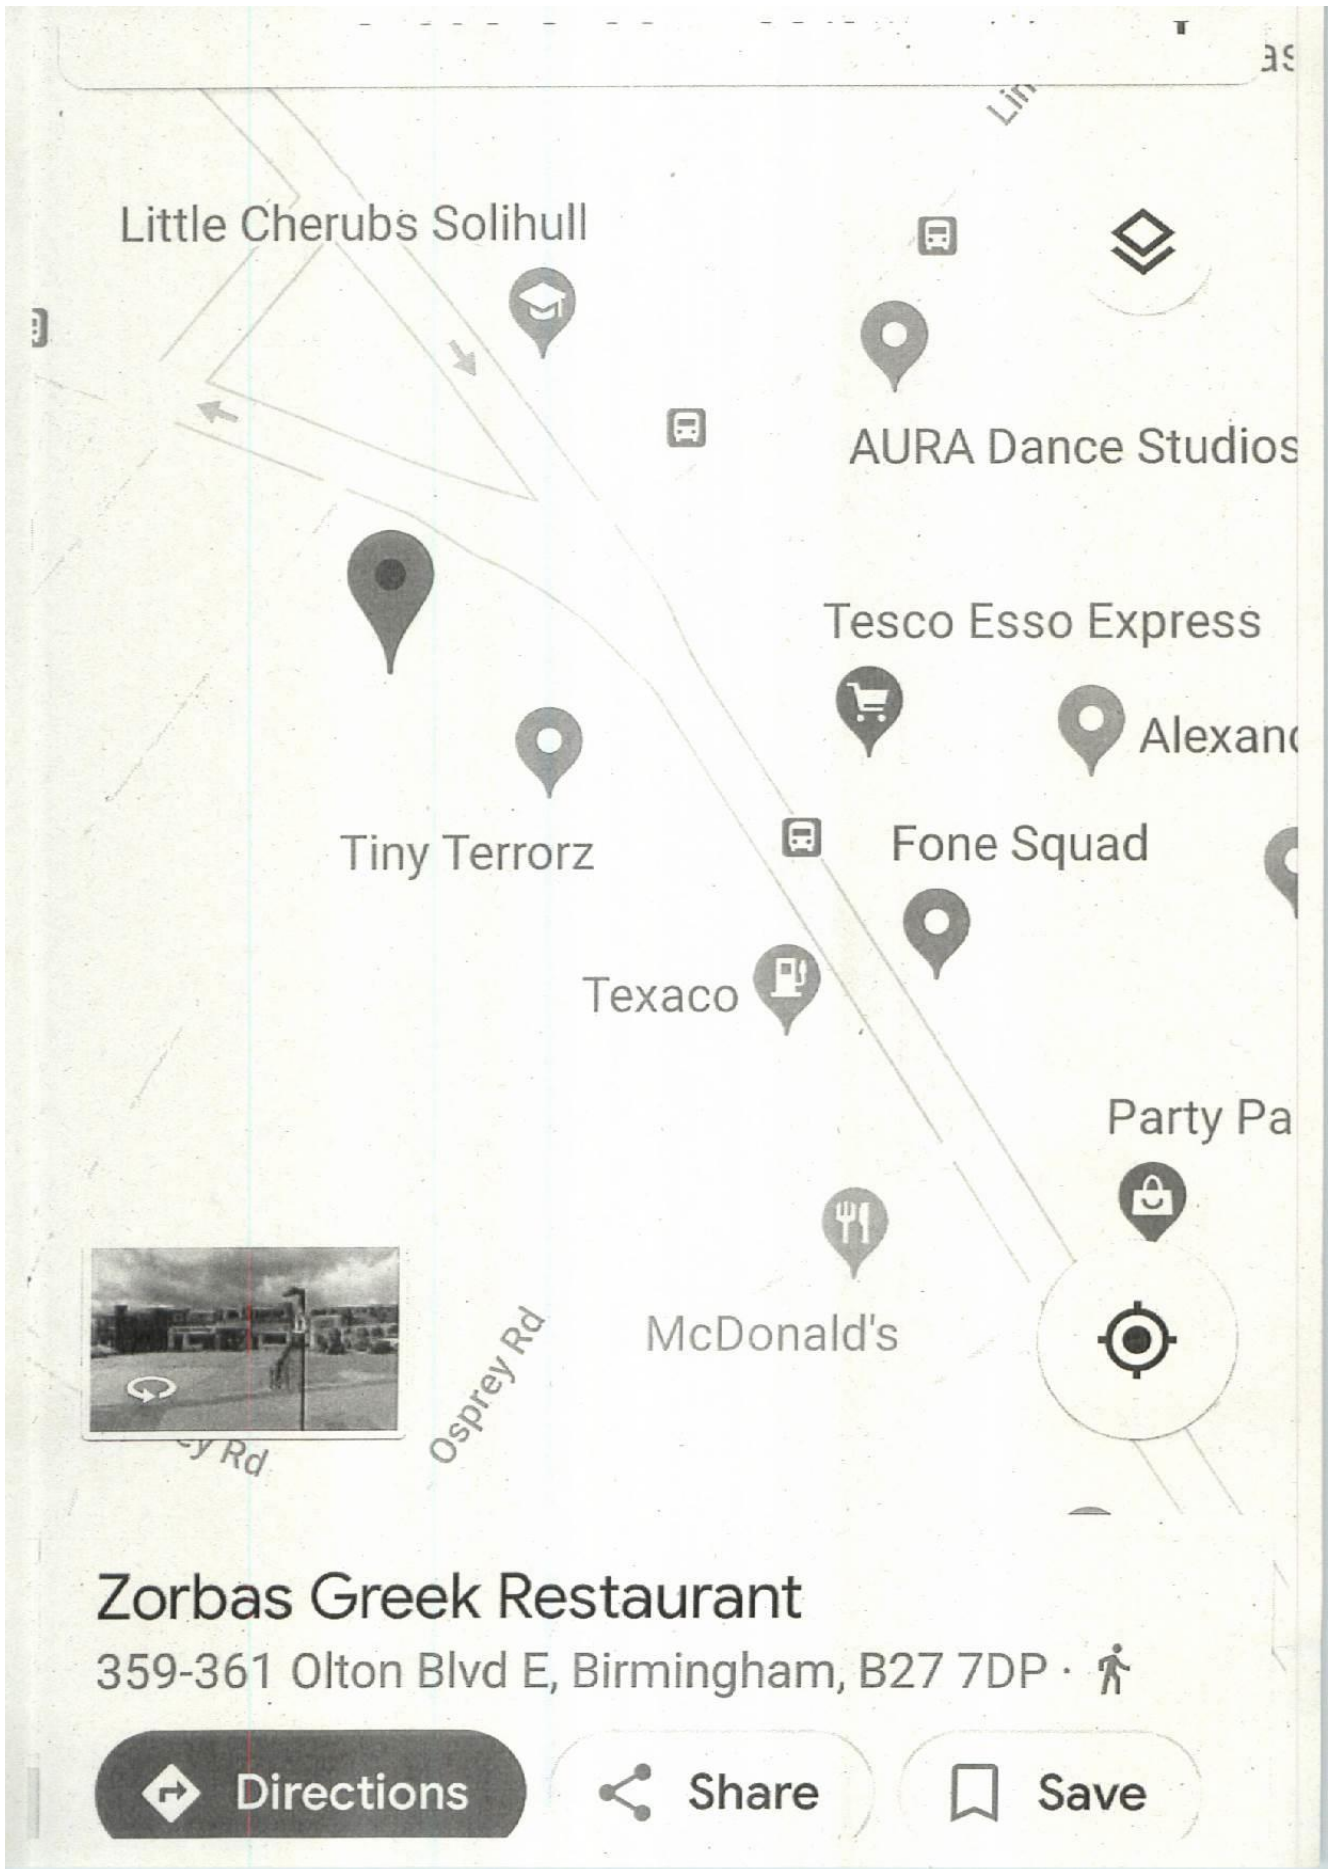

The amount of life's and innocents that can be lost due to a ill placed adult entertainment venue is dangerously increased in this era of paedophilia.

You have probably had 100s of emails like this one.

Please don't let our requests fall into the black abyss that is turning this world upside down.

Listen to the people.

Kind regards

To whom it may concern,

re. Application 110346. 359-361 Olton Boulevard East Acocks Green B27 7DP

Please register this email as a formal objection to the above application.

Being a local resident of the area who lives within a few minutes walk of the site, I have a significant interest in the proposal to open an entertainment venue on this site.

I am concerned about the potential disorder, noise and nuisance such an establishment would bring to a residential area.

The late licensing hours are also in complete contrast to any bar, venue or restaurant in the area and will likely encourage anti social traffic and behaviour to the neighbourhood.

The application is also divisive amongst the community. Thus, there's a risk the application if furthered will damage social cohesion and mutual respect.

Please keep me informed of any meeting which will determine the above matter.

Kind regards

Subject: Application 110346 lap dance club in Acocks Green

Good evening

This is a family area and we do not require or want this venue.

I object as the area is largely residential. The hours of opening will be a public nuisance as banging music til 4am and 6am will keep families awake. There is also a nursery opposite and a child soft play centre and I feel that this club would put the children to harm.

There is also a pub right by the location and I strongly believe the club will encourage people to go on drinking and as they will get more intoxicated there will be alcohol fuelled punch ups and therefore an increase in crime and disorder. We already have problems in this area for crime and I don't feel safe as it is, having this venue will increase my anxiety as I will fear for my daughter's safety.

Please do not allow the license for the club to operate in our area.

Good afternoon,

I am writing to you to register my objections and concerns regarding an application for a Lap Dancing/Nudity Venue at 359-361 Olton Boulevard East in Acocks Green, B27 7DP. . The application number is 110346.

As Headteacher of Archbishop Ilsley Catholic School, I have an objection regarding the protection of children of harm. The proposed venue is within close walking proximity to the school and students from the school often walk past the venue on their way to and from school. I am very concerned that the venue is not of a suitable nature for children to be in such close proximity to, and that there is a risk of intoxicated clients leaving the venue and posing a risk to the safety of the children.

Yours sincerely

Dear Sirs

I wish to object to the planning application/license for a strip club at the above address as I believe the following:

- (1) I believe this will become a public nuisance in an area where there are children - I often take my children to the play centre, Tiny Terroz and would be reluctant to do so if this type of establishment were to be allowed.
- (2) I believe that this type of establishment is not in keeping with the residential area of which surrounds it and am concerned about the level of crime, public disorder and public safety. Drinking from 12pm to 4am or 5am in the morning is going to attract unsavoury characters and, as previously mentioned, there are many children that use this area.

Please do not allow this type of establishment in what is in the main a residential area with many children.

Yours faithfully

Dear Sir/Madam,

Application for Premises Licence ~ Romany Leisure Ltd., ~ Pure Gold
359-361 Olton Boulevard East, Acocks Green, Birmingham, B27 7DP

I have viewed the notice for the above and would like to make the following comments:

Our team enters the Royal Horticultural Society's Britain in Bloom campaign on an annual basis and have gained a Gold award for all of the past four years. One of our many ongoing projects which we are undertaking on a voluntary basis for the benefit of the local community is to improve the entrance into Birmingham from Solihull.

The premises that relate to the above proposal are adjacent to the area which we refer to as the 'Triabout' as at the centre of the area is a triangular traffic island. We have worked hard to improve all the peripheral areas and are currently establishing a large shrub and raised flower bed on the 'Triabout' itself. We have worked with a number of of the council departments and Amey who have been very helpful and understanding in carrying out any work we have requested. The Parks, Housing and Highways have all contributed to the overall effort and progress of this project.

In the course of undertaking this work, we consider that we have contributed significantly to improving and enhancing the perception of Birmingham to the people entering our city along this corridor.

I would further add that, at present, car parking outside the above premises is extremely limited and I anticipate that, were the above licence to be granted, overflow parking would take place on both sides of what is already a very busy and dangerous road. It would probably overflow onto the pavement areas and also potentially upon the grassed and flowerbed areas of the 'Triabout' itself.

We also predict that local residents would be annoyed if this licence were granted as the proposed licence extends to the early hours of the morning (including up to 6 a.m. at the weekends) which is likely to lead to problems with noisy arrivals and departures through the night.

We therefore feel that granting approval of the above proposed licence would be a retrograde step and we object to it most strongly.

I have attached a brochure showing some of the work our team has carried out over the past few years to improve the environment in Acocks Green.

We believe that if this proposed licence were to be granted, it would have an adverse effect on the area and undermine all the hard work that we and Birmingham City Council have carried out and be detrimental to the quality of life for the residents and visitors to Acocks Green.

Yours faithfully,

Acocks Green Village in Bloom

Subject: Pure Gold, 359-361 Olton Boulevard East, Acocks Green (110346)

Dear Sir Madam

I am writing to object to application - Pure Gold, 359-361 Olton Boulevard East, Acocks Green **(110346)**

My first concern is The prevention of public nuisance a bar letting customers in and out until 0600 in an area that is surrounded by residential properties will be bad for residents. It will undoubtedly increase noise and traffic levels.

Regarding the prevention of crime and disorder, there is already a bar located on this row and incidents of anti-social behaviour and vandalism can be directly linked to this location, I believe that this will increase, especially as the proposals are to open 'til 0600 and 0400, much later than their neighbours.

It may be argued that a bar that has opening hours that clash not only with the adjacent children's nursery but with those of the Tiny Terrorz a children's soft play are could be considered under the protection of children from harm category through the increase in traffic and inebriated groups and individuals coming and going from the establishment.

Kind regards

Urgent: Rejection against the Lap Dance Venue/ Nudity Venue: 359-361 Olton Boulevard East, Acocks Green, B27 7DP

I understand an application has been submitted for the above venue.

We have been living in Acocks Green for over 10 years and this area certainly does not need a venue like this.

First of all the venue is not in an appropriate location, this is a residential area with schools, nurseries etc. There is also a well known children's play centre.

I am of the opinion this application should be rejected on the following grounds; the prevention of crime & disorder, public safety, the prevention of public nuisance and the protection of children from harm.

I would be much obliged if you could kindly send me a response to this email.

I am writing about application 110346
359-361 Olton Boulevard East in Acocks Green, B27 7DP.

I think to turn this into a lap dancing club is absolutely disgusting!!
I think this is going totally against protecting local children from harm. This club is set to open from midday every day. Just opposite is a nursery and 3 doors down a very busy soft play center that is highly popular with locals. Having this lap dancing club located there means so many children will have to walk past this to go to these places which I personally think is not suitable for children as these type of venues are known to have drunk rowdy men inside and outside. This will also cause a nuisance for local residents as opening till 6 am is ridiculous and will cause noise problems with people leaving from there drunk and even a risk of damage to local area and residential properties, especially those that back on to this property. From people I have spoken to I think opening this in this area would be a big mistake and would definitely upset the majority of local residents. These type of venues should be kept to city centres where there is not children's play areas and nursery's next door or close to housing!!
I hope you take these points into consideration before agreeing for this to be opened. Thank you for your time reading this.

To whom it may concern,

I am emailing to register my issue with application 110346, 359-361 Olton Boulevard East in Acocks Green, B27 7DP.

I live a couple of minutes walk from there and I am concern what element this will lead to in the area in all the areas, the prevention of crime & disorder, public safety, the prevention of public nuisance and the protection of children from harm.

Importantly 2 very well known child care facilities are in view of the establishment and I worry what effect this could have to the children and view on women as they grow up.

I feel that a further sexual element will be brought to the area, in the way of prostitution and worry of the safety of the area and walking at night. Especially as my the hours my wife works and as a victim of rape. This establishment will be detrimental to the area and it's future.

Kind Regards

I am appalled at the idea of such a venue in the area I live in, directly opposite a nursery school and just up from a play centre for children and close to primary and secondary schools, this is really not an appropriate venue

Also backing onto residential properties, I would not want this monstrosity next to where I live; those poor family's putting up with all sorts of noise till all hours, drinking and no doubt violent behaviour
Alongside plenty of other people from acocks green permission should NOT be granted for this venue

From:
Sent: 08 April 2019 17:00

Subject: Objection to planning permission - Zorbas Greek Restaurant on Olton Boulevard East in Acocks Green

I am writing to raise my objection to planning permission associated with a company called Pure Gold with submitted application for a license for the venue in what used to be Zorbas Greek Restaurant on Olton Boulevard East in Acocks Green.

I think it would wholly irresponsible of the council to approve of such a venue in an area that needs positive development and not a backwards step in social acceptance.

Within Acocks Green the police and community are working hard to reduce crime and disorder. This type of venue will contradict the objective of: the prevention of crime and disorder. I would also question public safety around the area with an influx of boozed up people collating in Acocks Green.

The fact it will be open to 6am is ridiculous considering there are nurseries in close proximity... shall we just forget about the protecting of children from harm objective and some extra unnecessary risk?

I don't disagree with adult venues, I disagree with the location and as a resident homeowner I want my opinion and feelings to count.

Hi

Im just going to get straight to the point. I disagree with them allowing the license to sell alcohol or even open a lap dancing club. I and few residents that i know of are fed up of the people being drunk and make lots of noise already as theres an alcohol store and pub already near by. So it is going to affect of quality of life for the residents here, as you mentioned in the letter no parking so local residents will get affected as drives will be blocked, thats no good as there are some ill people who may need to get to hospital. I would like children of this generation to be able to go to McDonald's with a worry that they will see drink people and worry they may get attacked. Hope this email makes a difference.

Thank you

Firstly - are you insane even considering this application?

You clearly have no care or concern for the few decent residents of Acocks Green/Warwick Road should this application go through.

There is enough public nuisance with boy-racers, quad bikes and scooter racing up and down Warwick Road and Olton Boulevard East like it's some kind of launch pad, without adding fuel to their fire by opening up an establishment that encourages yet further anti-social behaviour with regards to noise and disruption.

Crime and disorder and general public safety have taken a massive nose-dive in Acocks Green recently and this absurd idea to open up a nudity club till all hours god sends will just makes things worse! It can only encourage the wrong type of people in this already crime ridden area and I personally fear for my property and cars. You must have already seen the pathetic responses from the so-called "dads" of the area on social media - surely you can see this will only encourage more of the wrong type of people to the area.

You really do need to take a look around before you take this any further.

Thank you

To whom it may concern,

Reference:

Application for premises licence 110346

Romany Leisure Ltd - Pure Gold

359 - 361 Olton Boulevard East, Acocks Green

I live at Lincoln Road, Acocks Green B27 6PA - less than 150 metres away from what is still locally referred to as "Zorba's".

I am a father to 2 young children () and I am deeply concerned about having to explain to them the nature of this proposed establishment which is for all intent and purposes on our doorstep. Both children attend Primary School in Acocks Green.

Simply put, the location is completely inappropriate for this type of application - within the proximity of childcare centres & schools let alone being in a residential area where families live.

I am also concerned about the increased potential of anti-social behaviour & disorder this licence will bring as we already live in an area of high crime and this would only compound the situation.

I would just ask that anyone involved in the decision making process (including the applicant) would stop and think for a moment how they would feel if this was happening within 150 metres of their home??

Can you please advise next steps and timings for this application and what other means there are to voice protest?

Regards,

Subject: Application for Lap Dancing Club in Acocks Green - 110346

Dear Sir or Madam

I write to confirm I oppose this application. Acocks Green is a wonderful area. I have lived there short of a few gaps since 1986.

I think it is atrocious that such a licensing application had been applied for in a residential area. Acocks Green is close to Solihull and Zorba the Greek is on the borderline of Solihull.

I do think that young people and children will be at risk if this licensing application is approved. Young women or men could get drawn into dancing and it also may draw sexual assaulters to the area. I am not saying everyone who goes to such a place is a sexual assaulter but I think it would be naive to assume that no part of the customers who would attend may have these tendencies. There will also be issues with drunk sexually hyped up people leaving after the show looking to fulfil their desires. They may also be drugs left or dropped around site.

This will also affect house prices and schools and nurseries especially on Gospel Lane. I think a venue like this should be in the City Centre not in a local area like this where it can be managed and policed properly. I really find it hard to believe that a better licensing application/use cannot be approved instead.

As a society we seem to be sinking further into depravity and vice. Although I know people claim its only dancing and people cant touch the dancers we all know shady things occur behind closed doors.

Please do not allow this to proceed. Crime and ASB is already on the rise and such a place will only exacerbate this in my opinion.

Kind regards

Olton Boulevard East

Subject: 359/361 Olton Boulevard East reference number - 110346

Dear Sirs,

I would like to register my objection to the opening of a Sexual Entertainment Venue at 359/361 Olton Boulevard East by a company called Pure Gold.

I feel the proposed venue will impact as follows:

public nuisance – Increase in traffic and noise due to the proposed late opening hours, noise from rowdy and drunk patrons
crime & disorder – any alcohol license will encourage drinking and increase violence as excessive drinking correlates directly with increased violence
public safety – Drunken behaviour will risk public safety
protection of children – there is a children's play centre 50 yards from the proposed venue as well as close to shops including a McDonalds. There is also a dance studio that has classes for children opposite the proposed SEV. The venue is located on a busy thoroughfare used by children attending the local schools.

The proposed venue is at the commencement of the Olton shopping area. It is adjacent to residential homes, and there is a proposed development of residential homes directly opposite the proposed SEV, the SEV is effectively within a residential area. Olton Baptist Church is 300m away with a further 5 churches within 1.5km of the proposed SEV.

The proposed SEV is located in an inappropriate area for the reasons stated above.

Kind Regards

To whom it may concern,

RE: objections against application 110346

I have just read about the licensing application for a lap dancing bar in acocks green. I feel this is a highly inappropriate location, in a residential area located right next to childrens nurseries.
It is a risk to public safety and children as it will attract the wrong type of people to this area.

Acocks green has already experienced a recent spike in crime, particularly sexual attacks on women. We do not need another sexual predator being attracted to this area.

A residential area is not an appropriate location for such a business. It would not be bringing any benefits to this community.

I hope my concerns are taken into consideration.

Thanks

Good afternoon,

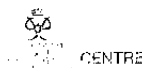

Re: Application Number: 110346

I am writing to you to register my objections and concerns regarding an application for a Lap Dancing/Nudity Venue at 359-361 Olton Boulevard East in Acocks Green, B27 7DP.

As Chair of Governors at Archbishop Ilsley Catholic School, I have an objection regarding the **protection of children of harm**. The proposed venue is within close walking proximity to the school and students from the school often walk past the venue on their way to and from school. I am very concerned that the venue is not of a suitable nature for children to be in such close proximity to and that there is a risk of intoxicated clients leaving the venue and posing a risk to the safety of the children.

Yours sincerely

Subject: Acock's Green: application 110346

To whom it may concern,

RE: objections against application 110346

I have just read about the licensing application for a lap dancing bar in Acock's Green. I feel this is a highly inappropriate location, in a residential area next to several children's nurseries. It is also a two minute walk from a secondary school (Archbishop Ilsey Catholic School and Sixth Form) and two other primary schools (Holy Souls and Oaklands). I am a teacher and strongly objects to this application. What are we teaching our youngsters? My concern is that it will attract the teenagers to this venue. In school we are encouraging and teaching children to respect the opposite sex and secure good qualifications for a successful future. This bar goes against what we are teaching, it is degrading to women and it will attract the wrong people to the area.

In recent weeks there has been a rise in crime, particularly sexual attacks on women. We do not need to this kind of behaviour to be promoted. Acock's Green has been a safe place to live and I feel a residential place is not an appropriate location for this type of business. It would not benefit the community in anyway.

I hope my concerns are taken into consideration.

Thanks

Subject: Re: 359/361 olton boulevard east B27 7DP ref: 110346

Sent from my Huawei Mobile

I write to object against the licensing application for a lap dancing venue. Reasons are stated below:-

PROTECTION OF CHILDREN FROM HARM.

The venue is only three doors away from an indoor play area as well as a day nursery across the road. The opening times means the activities of this venue will take place at the same time as children visiting the play area and nursery, which is not appropriate and likely to cause harm to children

PUBLIC NUISANCE

The location is totally inadequate due to the high amount of residential housing in close proximity. This is not a busy town centre with a night time economy. Residents don't need the late night noise and disturbance from customers of this club.

CRIME AND DISORDER

Due to alcohol being served on premises the likelihood it increases the chances of disorder when individuals have had too much to drink and breach the establishment rules. This will result in them being ejected into the local streets in an unfit state or police being called to deal with them. The police service is already stretched so we can do without this drain.

In addition to this I have massive concerns for the workers being forced to work there due to modern day slavery or through people trafficking.

This establishment is not needed nor wanted in Acocks Green and I therefore request permission is not granted.

Regards,

Ref: Licensing Application from - Romans Leisure Ltd (Pure Gold)
 for Premises 359 - 361 Olton Boulevard East Acocks Green Birmingham B27 7DP
Ref No 110346

Dear, Birmingham City Licensing Department

I the undersigned would like to submit comments and concerns on certain aspects of this above application.

The main concern is the times of opening in the early hours and running up to 0600hrs in the morning, and the corresponding traffic movements and parking provision with the threat of noisy or intemperate activities throughout these early hours.

We accept this site history and use, from the earlier restaurant and the even earlier social club, known as the 'Boundary Club' but we have seen changes and new residential development, with additional plans for new housing directly opposite on the other side of the island. Also during the daytime, we have the close proximity of children's nurseries and play areas and an increase in traffic and overflow parking, which could impact on the safety of the children.

In fact, the earlier social club found it necessary to have an agreement with an adjoining business to have the use of their frontage for additional parking provision.

This area is very much considered the entrance to Acocks Green and the Gateway to Birmingham and there has been much work and enhancement to improve the view and experience when entering our ward and city. Therefore, one could ask "Is this location now the best place for this type of establishment"? Is this to be considered a designated entertainment zone, in what could be considered a residential area.

Thank you for consideration of these matters raised.

Regards

Lap dancing/nudity venue 359-361 Olton Boulevard East, B27 7DP. Reference number 110346.

I wish to register my opposition to the license being granted to the above application. This type of establishment could attract the wrong type who could cause public nuisance and crime could increase in an area which already suffers enough. It is also right next to a child's play establishment which is morally wrong.

Dear Planning,

I am emailing to oppose the application for a lap dancing venue at 359/361 Olton Boulevard East.

The area of the proposed venue is a residential area and there are homes next to the site, so this would cause noise and nuisance to residents throughout the early hours. More important though is the issue of protecting children from harm - the proposed venue is opposite a nursery, across from a dance studio used by children for dance lessons and very close to Tiny Terrorz children's soft play. There are also parks and schools in the vicinity. It is not a suitable location for this type of sexual entertainment business.

Sincerely,

Douglas Road, Acocks Green, B27 6HP

Dear Sir / Madam,

I am resident of Gospel Lane, Acocks Green, Birmingham, I have 2 young children going to primary and secondary Schools.

It is brought to our notice by our local community that there is an application in process for Premises Licence for Lap Dancing club for Romany Leisure Ltd., - Pure Gold, 359-361 Olton Boulevard East, Acocks Green, Birmingham B27 7DP.

We strongly object such proposal as it will effect our quality of life. It will be security risk for us as many strangers visit that place, increase traffic and became nuisance in our area. It will also become too noisy and impact our children education. There are lot of efforts put up by our local community to improve our area and making more secured.

We request you kindly reject this application and don't allow such applications in future near residential areas

I'm happy to attend any Hearing but not interested to have meeting with applicant or their representatives

Thanks & Regards.

To: Licensing
Subject: REF: 110346 Pure Gold, application for a Lap Dancing / Nudity Venue at 359/361 Olton Boulevard East, B27 7DP

Good afternoon,

As a local resident of Acocks Green, I am writing to formally oppose the proposed licensing plans by Pure Gold to hold a Lap Dancing / Nudity Venue at 359/361 Olton Boulevard East, B27 7DP.

I oppose this on the Prevention of Crime & Disorder - attendees to the licensed bar may leave inebriated, stimulated and aggressive. If they can look but not touch who can say what they will want to do when they leave?

I oppose this on Public Safety - again, attendees to the licensed bar may leave inebriated, stimulated and aggressive. If they can look but not touch who can say what they will want to do when they leave? We would also have the threat of potentially intoxicated individuals rolling out of these venue right outside our homes any time of day or night. Those who drive may also park along our road as there is limited parking. I would no longer feel safe in my own home as a mom of three.

I oppose this on the Prevention of Public Nuisance - I live the proposed venue, where residents already have to deal with the constant noise of a car wash between the hours of 9am - 6pm every day. If this venue went ahead not only would we have the additional noise caused by music from the venue right behind our home, but we would also have potentially intoxicated attendees coming and going at all hours of the day and night.

I oppose this on the Protection of Children From Harm - This is a residential area it is an inappropriate location for such a business. We have a soft play just three buildings down and a children's nursery directly opposite. Children are always in the vicinity, catching buses or walking to and from school, and it would be wholly inappropriate for them to be anywhere near those who seek to find entertainment or stimulus of a sexual nature. Its late opening hours would cause considerable nuisance to local residents and it is also close to nurseries and play areas and risks causing harm to children.

Kindest Regards

Dear Sir/Madam,

Licence Application No. 110346 – Pure Gold
359-361 Olton Boulevard East, Acocks Green, B27 7DP

The members of the Forum are writing in support of the objections made by local Councillors and residents regarding the above licence application.

We understand that Zorba's opening hours were from 7.00 p.m. to 1.00 a.m. and, therefore, increasing the hours for this venue to 11.30 a.m.-4.00 a.m. Sunday to Wednesday and 11.30 a.m.-6.00 a.m. Thursday to Saturday for the sale of alcohol and performing music is completely unacceptable and liable to cause nuisance and disorder in this predominantly residential area.

The venue could attract extra vehicles at very busy times of the day and exiting from this property is at a particularly busy part of the main road between Solihull and Birmingham and can be extremely difficult. Traffic travels very fast at this point with vehicles trying to access from the right (Lincoln Road) and vying for position to travel up Olton Boulevard East or negotiating moving to the right onto the Warwick Road.

The area around Olton Hollow has changed enormously in the last few years with more residential properties. There is a fairly new council estate at the rear of the venue and nearby offices have been made into flats. There are two planning applications – one already passed for housing on the old laundry site and the other to convert first floor of Casey Joe's into flats. The area also has a large number of care homes for the elderly and people with learning difficulties.

There is a nursery across the road and a children's play centre a few doors away plus a popular McDonalds further down the road. School children alight from buses nearby and walk past this venue. Signage and advertising for the venue could be inappropriate for a mainly residential area. We also believe such a venue is promoting the sexual exploitation of women.

This venue is completely out of character and out of place adjacent to residential properties and a small shopping centre.

Yours faithfully,

Acocks Green Neighbourhood Forum

Subject: OBJECTION TO PLANNING APPLICATION REFERENCE 110346 359/361 OLTON BOULEVARD EAST

Dear Sir/Madam,

We wish to object to a recent planning application (reference 110346) to open a lap dancing/nudity club at the building formerly known as Zorba's at 359/361 Olton Boulevard East.

This application is not appropriate for a venue of this type in a predominantly residential area.

The proposed venue is directly surrounded by residential housing on Gospel Lane, Harrier Road and Grattidge Road. This proposed business will cause a public nuisance, particularly as the application includes opening hours of 12 noon - 4am Sunday- Wednesday and 12 noon - 6am Thursday to Saturday. Local residents should not have to put up with the noise and disruption from this venue during the night.

This area contains a number of child-centred businesses including nurseries and a soft play centre: these include the Little Cherubs Nursery, Little Steps Nursery and the Tiny Terrorz Play Centre. This type of venue may pose a risk to the safety of children in the area.

As well as child focused-businesses there are also a number of elderly/care homes in the area. This includes the Manor Park sheltered housing, a care home on Hartshill Road (behind the Tesco Express, Warwick Road), Masons Way sheltered homes (Olton) and a new development of 77 retirement/care homes are currently being built at Olton Hollow, Warwick Road. An all night sex venue is not the sort of business that should be trading in a residential area with many children and elderly/disabled residents.

The type of clients attracted to this sex orientated business may also increase the risk of crime and unsociable behaviour in this residential area. It may also pose a risk to women walking round this area of a night. We would not feel comfortable walking near, or allowing our daughters, to walk near this club during the day or at night time.

Residents living in this area do not need, and should not have to put up with, the late night noise and disturbance that this club will bring. It is not in character with the area at all.

Venues of this type should be housed in a city or town centre, but certainly nowhere near a residential area.

Yours faithfully,

Osprey Road

RE: License Application Reference 110346

Dear Licensing Team,

As the vicar of St Margaret's Church, Olton, the license application for the premises at 359-361 Olton Boulevard East, B27 7DP (formerly Zorba's) will directly affect the residents of my parish although it technically comes under the parish of St Mary's Acocks Green.

This letter is to request that the license application is denied. My main concerns are the prevention of crime and disorder as well as public safety. I note that the intention is for Romans Leisure {Pure Gold} to open up a lap dancing club with a license to serve alcohol between 12pm and 4am or 6am in the morning. However, there were a spate of sexual assaults on women between January 24th and February 18th 2019 in the immediate area including at least one on a teenage girl.

<https://www.birminghammail.co.uk/news/midlands-news/police-issue-cctv-image-acocks-15874144>

As a local parent this has meant having to take extra precautions with my teenage daughters including ferrying them around by car when it would be otherwise unnecessary. Street harassment, leering and catcalling is extremely upsetting for those affected by it and has affected my daughters locally on public transport. At the very least, I believe that this business could compound unhealthy attention towards the women and children who live here. The combination of all night drinking and a licensed sex venue seems to be wholly inappropriate for this residential area.

Please refuse this license.

Kind Regards,

BCC

1>

Dear BCC licensing

With regard to proposed lap dancing/nudity venue for Acocks Green. Ref 110346 pure gold venue, 359-361 Olton boulevard B27 7DP.

I would like it noted that I strongly object to an establishment like this being given permission to operate in this area or birmingham at all.

I object because the demographics of the area do not warrant a facility like this. Acocks Green has families and older people in this area. Supporting a establishment like this will bring random people to area predominantly men.

In recent months there have been several assaults on women in the area, of a sexual nature. Encouraging the exploitation and objectification of what I suspect will be mainly women in such an establishment like this will not help reduce attacks like this but may escalate them.

Acocks Green does not need an establishment like this but rather it needs safe places for the community.

Like a women's refuge, mental health and community well being centres.

I strongly object to this proposal, it is in the wrong area and the wrong city.

I would like to urge BCC to refuse permission.

Sexual entertainment in any area lowers the tone, lowers the tolerance levels and gives permission for it to spill out and affect other peoples lives. The club and police will have limited ability and capacity to manage the fall out and over flow from an establishment like this.

Acocks Green is currently a haven for families and still has some decent community spirit.

I sincerely hope this club is not given permission to operate because I fear it will bring a lot of upset and disruption to the area. Creating a honey pot like this will not add to the economy of the local area, it is not in the community interest at all.

Regards

Reference: 110346 Warwick Road, Acocks Green - Proposed Lap Dancing Club

Good Morning,

I am writing to put forward my objections to the proposed Lap Dancing Club in the premises previously occupied by Zorbas Greek Restaurant, Warwick Road, Acocks Green

The location proposed is in close proximity to residential housing both on BirMingham side of the border and in Olton. Little Cherubs nursery is opposite and Tiny Terrors Soft Play Centre only a couple of units away.

It presents potential harm to children and a nuisance to local residents especially with the very late opening hours that are proposed.

It could add increased pressure on police as they will no doubt increased calls from concerned residents. As a local resident I know there is often trouble at the existing Casey Jones Bar and we don't want to compound this issue.

I think if Lap Dancing clubs are located anywhere it should city centres away from residential areas especially those frequented by young families.

I implore the Licensing Committee to reject this proposal.

Many thanks for taking the time to read my concerns.

Kind Regards

Hello

I would like to express my serious concern for the application above for a lap dancing club in Olton. I am horrified and appalled that this would be considered in a residential area full of schools and families. It is wholly inappropriate. It is proposed next to a children's play area and opposite a nursery. It sends a terrible message to young and vulnerable children. It is very unsettling for me as a parent. It is unsafe. It is a threat to public safety and most certainly a public nuisance. The area is already one that has a lot of challenges and this is not the positive development it needs. It reinforces low aspirations and is not the role model that is needed in the area. It is the duty of the council to protect children and families and I hope you will do the right thing and reject this application in its entirety. The owners of this venue are a disgrace for proposing it.

Yours sincerely

I am emailing as a resident who is very concerned regarding the above application for a lap dancing/late night club and music venue.

I am totally against the prospect of having such a venue in this neighbourhood. My main concerns relates to safeguarding and the protection of the children and families who live in the area, there are at least three early years settings within a triangle of the venue, in fact there is a nursery directly opposite the venue. Surely this is a major concern to the Council too, especially as Birmingham City Council safeguarding has been under the spotlight in recent years as not being fit for purpose.

The other issue is the public nuisance and disorder that a venue of this nature would attract with such extended licensing hours. Many people who live in this neighbourhood work shifts including myself as an a nurse with the NHS.

I would strongly plead that you turn down this application in the interests of the local residents as our elected leaders.

Kind regards,

Subject: Regarding application 110346

Dear Licensing Team,

My daughter and her young family live on Dolphin Lane in Acocks Green. She told me of the application for the use of the Zorba's restaurant buildings as a lap dancing club. I have looked at the application and I'm astonished that those applying for this use think this is appropriate in the locality. Acocks Green has a high resident population including many young families in the immediate and close area near this property. We live in Olton and walk to our daughters house regularly and they walk to see us regularly. These walks go past the proposed site. The planned opening hours mean that we, our grandson and all the school children taking this route will, as a minimum, see the advertising information and be in close proximity to users of the establishment. The risk of crime to the vulnerable will increase because of some clientele attracted to the new club. This facility will be three doors away from a very successful and well used soft play facility for young children. This cannot be considered to be in the best interests of public safety and it is highly likely that clients with an interest in children will use the facility. The risk of any criminal and inappropriate act by just one client to one child or mother is unacceptable. The consequences of such an act are unthinkable. Please do not allow this to happen.

With best regards

Kineton Green Road

I dont think the Licence should be granted for the lap dancing club on the Warwick road In Acocks Green I live 2 minutes from there and have done my whole life I have 5 children and always use the facility's right next to it. We don't need this in our Area it will cause A public nuisance I will no longer shop At Tesco or take my children To Tiny Terrors if this licence us granted it will ruin Acocks green and will cause alot of disturbance

Dear Sir/ Madame

I strongly oppose to the licence to be granted at 359-361 Olton Boulevard East B27 7DP I live in Culham Close for many years.

The idea of a lap dance club in a residential area is not appropriate.

It will cause all sorts of problems crime will be on the up in the area .

There are children's play areas and a nursery near by that alone should be taken into consideration.

It was a night club a few years ago and back then it caused a lot of trouble.

I believe a club like this should be in the centre of Birmingham or Solihull centre

Regards.

Subject: Regarding Licensing application Ref (110346)

Dear Sir/Madam

I am writing about the premises licence application by Pure Gold for the sale of alcohol and regulated entertainment at the former Zorba's Greek restaurant at 359-361 Olton Boulevard East, Acocks Green, B27 7DP.

I do not think that Birmingham City Council should grant this licence. I think that it would cause crime and disorder, be detrimental to public safety, cause public nuisance and cause potential harm to children.

The site is in the middle of a residential area. There are houses and flats in Olton Boulevard East, Gospel Oak and along the Warwick Road. There is going to be a new development opposite. Residents will be disturbed by noise from people leaving the building talking loudly and probably drunk and getting into cars and driving away causing traffic noise. The noise will be even worse because the premises will be open at midnight and until the early hours in the morning, some days 4 am, when residents are trying to sleep. The vehicles of people going to the premises will cause congestion as they will be parked on the street or in a car park that is I believe 4 metres away from new housing. Acocks Green is not a night time economy so it will be disruptive. This is all public nuisance.

Also people who have been drinking then getting into their cars could cause accidents. Drink driving is a crime as well as being detrimental to public safety, as pedestrians could get run over and there could be crashes with other vehicles. The public safety for women who live near the premises or have to walk past it, for instance to go to the Tesco convenience store across the road, will be affected adversely. The people who go to the premises will mainly be men. They are going to watch adult entertainment (lap dancers). The aim of lap dancing is to arouse the customers. However they are not allowed to have physical contact. This means (sorry to be blunt) that they are turned on but unsatisfied. Then these sexually frustrated men will come out of the premises and they will be offensive to women who are going about their own business. They may be verbally abusive and might even try to physically assault women. This is nuisance at best and is detrimental to public safety and causes crime and disorder. It will make women feel embarrassed or even scared to go out in public. It will be even worse for specific religious/ethnic communities e.g. Muslim women. Muslim women must live in Acocks Green because they go shopping in Acocks Green village.

There is potential harm to children because the premises is close to Tiny Terrorz soft play centre and there is a nursery across the road (I think it is called Little Cherubs). Lap dancing and drinking is not something that goes with looking after children.

If Pure Gold were applying for a premises licence in the city centre, somewhere like the Arcadian or Broad Street I would not have contacted you. You can't stop men going to lap dancing clubs if that's what they want to do. But the former Zorba's is totally the wrong place for it. It is in a quiet residential area, not an entertainment district and will change the character of the area for the worse.

Regards.

Subject: Licensing Application from - Romans Leisure Ltd (Pure Gold) for Premises 359 - 361 Olton Boulevard East Acocks Green Birmingham B27 7DP Ref No 110346

Dear Licensing Department

I am writing to object as a local resident to the application for the above License.
 This is a mostly a residential area with lots of family homes, senior living and schools close by.

Public Nuisance

Late night comings and goings at this site will be a **public nuisance** to the families who live very close to the site. This sort of late night entertainment is likely to encourage groups of men out socialising and disrupting the peace of the neighbourhood. Since the nightclub was on this site over 30 years ago, there has been many more residencies built, around this end of Gospel Lane and also the offices just off Warwick Road have been turned into residential homes. There is also a senior living home being built a few buildings up from the site on the opposite side of the road. The brownfield site opposite has a planning application in place for more homes to be developed here too.

Public Safety

There is heavy traffic at this site at most times. Due to its unusual road layout many people are confused by this, especially those who are not familiar with the area. I have personally witnessed road traffic accidents on this site. Also as a volunteer gardening working regularly on the green space here I know how difficult it is to try and cross the road here even on a Sunday morning wearing Hi Viz. There will be more visitors arriving on foot/alighting from buses and taxis resulting in more pedestrians trying to cross the road, with traffic coming from many different directions and no public crossing near by this will be a serious threat to public safety.

Protection of Children from Harm

There are several schools in the area, within a 10 minute walk from the site. Virtually next door is a Children's Play Centre. Lots of children walk past the area to and from work and visiting the local MacDonalds. Signage may be inappropriate for young children as well as the extra cars coming and going from the area adding to more hazards for pedestrians.

I hope you can give due consideration to the points of my objection.

Kind Regards

Local resident.

Subject: Application Reference Number 110346 - Lap Dancing Club, Warwick Road, Acocks Green - Resident Concerns

RE: Application made for a license for a Lap Dancing / Nudity Venue at 359-361 Olton Boulevard East in Acocks Green, B27 7DP. This is well known locally as the location of Zorbas Greek Restaurant.

These are some of my objections for the application:-

Public Safety

- I fear for the safety of the public if "aroused men were let loose on the streets" after leaving the club. These sexually aroused men would be leaving the club and wonder around the local area where teenagers tend to "hang out" especially during the warmer months including in the evenings.
- If it does get a licence then I can only assume that the behaviour of the men it attracts will only make it an intimidating place for women in general to walk past (includes parents with young children, elderly people etc). Making the area an unsafe no-go zone for women.
- This venue would discourage families and women from attending the local Tiny Terroz and Nursery and other shops in Olton which will reflect negatively on their businesses.
- I understood that such venues could not operate if near housing, residential properties, old peoples care home, places of worship, hostels (several in Olton), park etc

The Prevention of Public Nuisance, Crime & Disorder

- Unacceptable increase in queuing near other local bars and off licences which already have issues. Crime is already quite high within this area and not enough Police to sustain.
- Such a venue and activity are highly unsuitable to Acocks Green Village /Olton Area
- Activities such as prostitution, drug dealing, and alcohol fuelled disorder would soar.
- This venue could potentially increase the fear of crime with residents.
- Potentially contribute to the increase in number of sexual assaults in the area.

-
- Increased policing of the area at night would be necessary.
 - We need a night time economy which is safe, fun and provides a positive reputation for the area. This type of venue would not promote a positive image
 - Allowing this venue to set up within the old "Zorbas Restaurant "will lower the value of existing property within the area. A new housing development is already due to commence opposite the proposed venue and I'm sure that this will have a negative impact on the sale/rental of those properties.

I strongly object to Birmingham City Council allowing a licence for the former Zorba Greek Restaurant on the edge of Birmingham and Solihull to be converted to a lap dancing venue.

This is a residential area (not the city centre!)

The venue is next to a children's soft play area and in close proximity to two Residential care homes for the elderly.

Noise will be disruptive for residents who are mainly families (therefore with children) and elderly people in care.

Permitting a licence which will include music into the early hours is extremely inconsiderate and shows no compassion towards these residents especially the elderly and young children.

I am sure the building could be sold off and put to much better use.

Yours Sincerely

(local resident of Olton)

Hi to May it concern

Objection to proposing lap dancing club I'm sorry to say not happy about it at all. This is a residential area and not wanted by local people. It will get noisy. Plus it's old people homes here. I wouldn't want the license committee to give them license, please look at the area it's in if it was not surrounding homes nursery's then no problem please look in to it carefully thank you.
Kind regards

Subject: Re: 359-361 Olton Boulevard East, Acocks Green, B27 7DP

On Wed, 10 Apr 2019 8:35 pm
 Regarding application reference no: 110346

We are residing at no Gospel lane Acocks Green, B27 7AA

I am writing to oppose the application of the licences applied for regarding the above venue, by Pure Gold, what i can only assume is an entertainment consortium.

I have lived at this property for 35 years and out opinions are these .

No alcohol licence should ever be permitted in this place again unless it is for a genuine resturant only.

Our reasons are many but i will try to categorise them.

The building is aprox ft fom the end of our garden . For 35 years birmingham city council has not supported its residents in gospel lane or surrounding houses with regards to noise polution from this place. The previous tenants told all of us in a meeting, that it was going to be a family resturant. Months later between that place and Casey Joes a public house 2 doors down, resulted in us having to move bedrooms because of the loud music playing into the early hours of the morning. We have already had teams of noise people monitoring Casey Joes and agreeing that the noise from the balcony was extreme. Letters were sent etc etc but nothing ever settled hence, when this place opened and we realised it was not a resturant for families but a night club with burly bouncers on the door. The noise from the music, however was even heard in our front bedroom and became intolerable at weekends especially.

Moving forward from the total lack of respect for our human rights to live peacefully in our own homes.

Beside the music there was constant noise from fights some in front of our house and extremely frightening. There was one occassion when i just couldnt stand the aggression towards a young man having his head kicked in in the middle of the road. I nursed his head in my lap until the ambulance arrived in the meantime being verbally abused by his aggressors both male and female. Terryfying but i felt it my duty as a nurse to provide care for him.

This was remisant of when this club was the Boundary and we had grown men fighting in our front garden, where it was commonplace to see a beaten up body lying in the rear car park, visible by us and our children. Where i couldnt let my children out in our rear driveway at weekends for fear of violence or equally as bad, sexual acts occuring in our driveway.

There are serious issues of public safety and public nuisance from this building.

There are further issues with parking, as there have always been but even more so that now it has no rear car park due to the car wash which continues way past their licence hrs too. There is only as small car park in front of the building. If there is an event, party, funeral etc at Casey Joes we lose access to our rear driveway aswell as the front of our homes.

To conclude. There is a place for venues like this but not in here in a residential area where people and children are trying to live their lives and sleep in peace. To even consider a licence for live and taped music is ludicrous but from midday till the early morning is beyond comprehension. There are children that live here and have to sleep in the rear of their homes right next to it. There is a large childrens play venue close aswell as a nursery so surely their well being and safety must also be considered. Finally. Trying to ever sell our property would be impossible and a loss of value would also occur to all properties that have to tolerate this place. We have had some peace since its closure but i think that the very idea of it opening up again as such a venue is utterly shameful and i truly hope that you will not even consider it.

Regards

Subject: Application for LAP Dancing Club 359-361 Oktoberfest Boulevard East Acocks
Green Birmingham B277DP

Totally stunned and furious is an understatement!!!! NO NO NO NO

I am totally sickened at the above application to change over the old Zorbas Restaurant into a Lap Dancing Club!!!!

I have lived roughly yards from the property here for a long time and have seen the zone form into a wonderful and well disposed neighborhood amid my time here.

For a lap moving club to open in the zone which is particularly a privately encompassing families with youthful youngsters, moderately aged families and older individuals it will be an overwhelming and shocking choice if this application is allowed. The people group will be VERY annoyed with this kind of ridicule and will make a disastrous situation for our kids and adolescents by welcoming these sorts of institutions where drink and sedates (drugs) are common.

I firmly ask the local government to dismiss this application with a view to the fate of our exuberant quiet and safe neighborhood and keeping up to some degree of ocontrollable and conscious future for our kids!

On the off chance that this opens I will have no real option except to move far from this zone I very much love.

Kindly don't delay to get in touch with me should you need any assistance with getting associated with any way shape or structure.

I urge a government lead petition to be created as you will see that I am not the only one with such concerns and disgust.

May we strongly object to the proposed lap dancing club reference above. This is a residential area. It would be in close proximity to a playbarn and a children's nursery and is completely inappropriate for this area. The local residents do not want it or the noise and trouble it could bring to the area. Please take the residents opinions into account as this would be totally unacceptable.

Subject: Re: Appeal against lap dancing venue

1) The prevention of crime and disorder
2) Public Safety
3) The prevention of public nuisance
4) The protection of children from harm All of the above I am writing to appeal against for the opening of the Pure Gold venue in Olton it is not appropriate where there are families and young children playing and I can't believe it is even being considered. The area is already in decline and to open a venue of this entertainment is just ridiculous.
Hopefully my voice will be heard and the matter will be closed for good.
Hopefully this email will be suitable for your criteria.

Birmingham Licensing Authority

licensing@birmingham.gov.uk

Dear Sirs

Application No. 110346- Pure Gold -Lap Dancing Club- Warwick Road

With regard to the above application the Olton Residents' Association wish to raise objections as follows:

The proposed club would be within 100 yards on either side of the building to children's play groups and nurseries.

Also within 200 yards there are already established care homes and residential accommodation for people with learning difficulties, who would not appreciate the sound of vehicles late into the night/early morning, plus the unsocial behaviour which was experienced several years ago when another venue had an alcohol license. This was later closed down after residents' complaints.

In view of the application consideration must be viewed within the Safeguarding of children and vulnerable adults, also those employed as a lap dancers, this could be deemed a sexual exploitation within Safeguarding and I am sure you will agree that within close proximity there are over a hundred members of the public who would be included plus the residents who will in the near future residing in the new care home that is currently being erected.

Please reject this application on the grounds of Safeguarding, noise issues, disruption to the running of other businesses and residents' quality to their living environment.

Thank you for your attention in this matter.

Yours faithfully

Cc: Julian Knight
Subject: Ref 110346 Proposed lap dancing club

Dear Chair of the Licensing Committee,

I am the minister of Olton Baptist Church and am writing on behalf of the church. Olton Baptist Church has approximately 100 members, and draws its congregation from across Olton, Shirley, Acocks Green and Hall Green. Our church office is at 85 Warwick Road, B92 7HP, which is just 300 metres away from the proposed lap dancing club on the site of the old Zorba's Greek Restaurant in Acocks Green.

Our (formally constituted) church meeting resolved last night to write to you to object to the granting of a license for the lap dancing club. This is a residential area, with a nursery and soft play venue within a stone's throw. This makes the venue wholly inappropriate for the type of clients the lap dancing club will attract and the licensing hours that we understand they have requested (into the early hours on both weekdays and weekends.)

As a church, we are deeply invested in our local community through a range of outreach groups that seek to serve the neighbourhood. This includes the provision of a monthly retail chaplain to the shops at Olton Hollow, opposite the proposed lap dancing venue. Our aim is to build a community where residents feel safe and where there is good trust between residents, business owners and local organisations and the granting of such a license will only endanger that sense of safety and positive community. We therefore request that this license if not granted.

I have copied in Julian Knight, MP for Solihull.

Yours sincerely,

Olton Baptist Church
 The Branch

Subject: Licence Application Ref 110346 for 359-361 Olton Boulevard East, Acocks Green, B27 7DP
Attachments: Old Laundry Site - Provisional Development Approval (Unit 5, 1298 Warwick Road).pdf

Dear Sirs

I write on behalf of Acocks Green Focus Group. We are a local group which meets monthly in Acocks Green, any Acocks Green residents or those who work in, or carry on a business in the area, may join. We are concerned with preserving and improving the physical features of the area and we regularly review planning and licensing applications. We wish to submit an objection to the licensing application made by Pure Gold for the premises at 359-361 Olton Boulevard.

Our reasons for doing so are as follows. We concur with other local residents and organisations in believing that the lengthy hours of the application for alcohol licensing, from 11.30 am up until 6 am in the morning on Thursdays-Saturdays are inappropriate in an area where there are now two children's nurseries and there are applications for new housing developments both in the area behind the club building, and in the area on the opposite side of the road in front of it. We note in particular some of the documentation in the outline approval for the development of a currently vacant plot of land for the building of up to 48 residential units which would be virtually opposite the proposed site for licence. This is also an area with already difficult traffic arrangements which were previously noted in a Transport Assessment - see attached, where table 5.8 and the accompanying discussion shows the present complexities of the system. It is concluded that the additional development would only marginally increase already slow journey times, but this does not of course allow for the additional pressures which would be added by the proposed hours for the license application.

Moreover, access and the very limited parking provision on the site itself, which many have also noted, could also have a negative effect, with the threat of noisy traffic and movements, throughout these early hours.

Yours faithfully

Acocks Green Focus Group

BIRMINGHAM CITY COUNCIL GRANT PLANNING PERMISSION SUBJECT TO CONDITIONS FOR THE FOLLOWING DEVELOPMENT IN ACCORDANCE WITH THE PLANS AND APPLICATION AS NUMBERED ABOVE:

Outline planning application for the erection of up to 48 residential units (with means of access to be determined and all other matters reserved)

at

Unit 5, 1298 Warwick Road, Acocks Green, Birmingham, B27 6PL

Conditions that affect this development or use

-
- 1 Requires the prior submission of a contamination remediation scheme
No development shall take place until the following components of a site assessment and, if required remediation scheme to deal with the risks associated with contamination of the site for the intended use has been submitted to and approved, in writing, by the Local Planning Authority:
- 1) A preliminary risk assessment, which has identified:
 - o all previous uses
 - o potential contaminants associated with those uses
 - o a conceptual model of the site indicating sources, pathways and receptors
 - o potentially unacceptable risks arising from contamination at the site.
 - 2) A site investigation scheme, based on (1) to provide information for a detailed risk assessment of the risk to all receptors that may be affected, including those off site.
 - 3) If contamination is found present and assessed as an unacceptable risk to human health safety and the environment an options appraisal and remediation strategy shall be submitted giving full details of the remediation measures required and how they are to be undertaken, timetable of works and site management procedures.
 - 4) A verification plan providing details of the data that will be collected in order to demonstrate that the works set out in (3) are complete and identifying any requirements for longer-term monitoring of pollutant linkages, maintenance and arrangements for contingency action.
- Any changes to these components require the written consent of the Local Planning Authority. The scheme shall be implemented as approved and must ensure that the site will not qualify as contaminated land under Part 2A of the Environmental Protection Act 1990 (and subsequent legislation) in relation to the intended use of the land after remediation.
- Reason: In order to secure the satisfactory development of the application site in accordance with Policy PG3 of the Birmingham Development Plan 2017 and the National Planning Policy Framework.

- 2 Requires the prior submission of a contaminated land verification report
Prior to occupation of any part of the development, a verification report demonstrating completion of the works set out in the approved remediation strategy and the effectiveness of the remediation shall be submitted to and approved, in writing, by the Local Planning Authority. The report shall include results of sampling and monitoring carried out in accordance with the approved verification plan to demonstrate that the site remediation criteria have been met. It shall also include a long-term monitoring and maintenance plan for longer-term monitoring of pollutant linkages, maintenance and arrangements for contingency action, as identified in the verification plan, and for the reporting of this to the Local Planning Authority.
Reason: In order to secure the satisfactory development of the application site in accordance with Policy PG3 of the Birmingham Development Plan 2017 and the National Planning Policy Framework.

- 3 Requires the prior submission of a sustainable drainage scheme
No development shall take place until a surface water drainage scheme for the site, based on sustainable drainage principles and an assessment of the hydrological and hydro geological context of the development, has been submitted to and approved in writing by the Local Planning Authority. The scheme shall be implemented in accordance with the approved details before the development is completed and thereafter maintained.
Reason: To prevent the increased risk of flooding, to improve and protect water quality, improve habitat and amenity, and ensure future maintenance of these in accordance with Policy TP6 of the Birmingham Development Plan 2017, Sustainable Management of Urban Rivers and Floodplains SPD and the National Planning Policy Framework.

- 4 Requires the submission prior to occupation of the properties of a Sustainable Drainage Assessment and Sustainable Drainage Operation and Maintenance Plan
No building or use hereby permitted shall be occupied or the use commenced until a Sustainable Drainage Operation and Maintenance Plan (including details of agreement with an adopting body and proposed inspection and maintenance actions) has been submitted to and approved in writing by the Local Planning Authority and the sustainable drainage for the development has been completed in accordance with the approved sustainable drainage scheme. The approved drainage system shall be operated and maintained thereafter in accordance with the approved agreement with the adopting party and the approved Sustainable Drainage Operation and Maintenance Plan
Reason: To ensure there is no increase in risk of flooding, improve and protect water quality, improve habitat and amenity, ensure that sustainable drainage principles are upheld in the design and implementation of the strategy and ensure the future operation and maintenance of the drainage system will be in accordance with the National Planning Policy Framework (including ministerial statement 18th December 2014), Policy TP6 of the Birmingham Development Plan 2017, Sustainable Drainage - Birmingham City Council Guide to Design, Adoption and Maintenance and Sustainable Management of Urban Rivers and Floodplains SPD.

- 5 Requires the prior submission of a scheme of foul and surface water flows
No development shall take place until a scheme of foul and surface water flows from the site site has been submitted to and approved in writing by the Local Planning Authority. The scheme shall be implemented in accordance with the approved details and thereafter maintained
Reason: In order to secure the satisfactory development of the application site in accordance with Policy TP6 of the Birmingham Development Plan 2017, Sustainable Management of Urban Rivers and Floodplains SPD and the National Planning Policy Framework.

- 6 Requires the prior submission of a scheme for ecological/biodiversity/enhancement measures
No development shall take place until an Ecological Enhancement Strategy, based on the recommendations contained in section 7 of the Tim Moya associates Phase One Habitat Survey has been submitted to and approved in writing by the Local Planning Authority. The development shall thereafter be implemented in accordance with the approved details.
Reason: In order to safeguard the nature conservation value of the site in accordance with Policy TP8 of the Birmingham Development Plan 2017, the National Planning Policy Framework and the Nature Conservation Strategy for Birmingham SPG.

- 7 Secures noise and vibration levels for habitable rooms
The layout of the proposed development shall be designed to ensure that noise and vibration levels for facades containing habitable rooms and for outdoor living spaces do not exceed the criteria provided in the current EPU Planning Consultation Guidance Note 1 (Noise and Vibration) and the NPPF. No development shall take place until a noise assessment has been undertaken to demonstrate that the development meets the requirements. The assessment shall be submitted to and approved in writing by the Local Planning Authority and the development shall be undertaken in accordance with the approved details (if any of the properties fall within 30 metres of a rail line, a rail traffic vibration assessment shall be undertaken to ascertain the peak particle velocity from train pass bys)
Reason: In order to secure the satisfactory development of the application site and safeguard the amenities of occupiers of premises/dwellings in the vicinity in accordance with Policy PG3 of the Birmingham Development Plan 2017 and the NPPF.
-
- 8 Requires the prior submission of boundary treatment details
No development shall take place until full details of the proposed boundary treatment of the site have been submitted to and approved in writing by the Local Planning Authority. These details shall include plans showing the locations of existing, retained and proposed new boundary treatments and scaled drawings indicating the positions, height, design, materials, type and colour of proposed new boundary treatments. The approved scheme shall be implemented before occupation of the building(s)/use/dwelling (s) hereby permitted and shall be retained thereafter.
Reason: In order to secure the satisfactory development of the application site in accordance with Policies PG3 and TP7 of the Birmingham Development Plan 2017 and the National Planning Policy Framework.
-
- 9 Requires the prior submission of a lighting scheme
The development hereby approved shall not be occupied until a detailed lighting scheme has been submitted to and approved in writing by the Local Planning Authority. The detailed lighting scheme shall include site annotated plans showing lighting positions for the external spaces, facades, building elevations and structures they illuminate, site plans showing horizontal and vertical overspill to include light trespass and source intensity, affecting surrounding residential premises and details of the lighting fittings including: colour, watts and periods of illumination. All lighting works shall be implemented in accordance with the approved details and shall be completed prior to the occupation of any part of the development and thereafter maintained.
Reason: To ensure a high quality of external environment, to complement the development proposals, and to protect and reinforce local character in accordance with Policy PG3 of the Birmingham Development Plan 2017, saved Paragraph 3.14 of the Birmingham UDP 2005, Places for All SPG, Lighting Places SPD and the National Planning Policy Framework.
-
- 10 Requires the prior submission of level details
No development shall take place until details of finished site and ground floor levels in relation to the existing site levels, adjoining land and buildings have been submitted to and approved in writing by the Local Planning Authority. The details shall include the proposed grading and mounding of land areas, cross sections through the site and relationship with the adjoining landform and buildings. The development shall be implemented in accordance with the approved details.
Reason: In order to secure the satisfactory development of the application site in accordance with Policy PG3 of the Birmingham Development Plan 2017 and the National Planning Policy Framework.
-
- 11 Requires the prior submission of sample materials
No development shall take place until samples of the materials to be used in the construction of the external surfaces of the extension(s)/building(s)/dwelling(s)/development hereby permitted have been submitted to and approved in writing by the Local Planning Authority. The development shall be implemented in accordance with the approved details.
Reason: In order to secure the satisfactory development of the application site in accordance with Policy PG3 of the Birmingham Development Plan 2017 and the National Planning Policy Framework.

- 12 Provision of designated electric vehicle charging points
The development shall not be occupied until details of designated parking spaces for electric vehicle charging points have been submitted to the Local Planning Authority and approved in writing. The details shall include the location and total number of designated parking spaces to be provided along with the technical specification of the charging points to be installed. The approved designation shall be implemented prior to occupation and thereafter maintained.
Reason: In order to secure the satisfactory development of the application site in accordance with Policies PG3 and TP5 of the Birmingham Development Plan 2017 and the National Planning Policy Framework.
-
- 13 Requires the prior submission of an Arboricultural Method Statement
No development shall take place until a site specific arboricultural method statement (AMS) and a tree protection plan (TPP), in accordance with British Standard 5837 'Trees in Relation to Design, Demolition and Construction - Recommendations' (2012 and any subsequent edition), has been submitted to and approved in writing by the Local Planning Authority. The development shall be undertaken and maintained in accordance with the approved details.
Reason: In order to secure the satisfactory development of the application site in accordance with Policies PG3 and TP7 of the Birmingham Development Plan 2017 and the National Planning Policy Framework.
-
- 14 Requires the prior submission of a construction method statement/management plan
No development shall take place, including any works of demolition, until a Construction Method Statement has been submitted to, and approved in writing by the Local Planning Authority. The approved statement shall be adhered to throughout the construction period. The method statement shall provide for details of the following:
- * the parking of vehicles of site operatives and visitors
 - * location of loading and unloading of plant and materials
 - * hours of demolition/construction/delivery
- The development shall be implemented in accordance with the approved details.
Reason: In the interests of highway safety in accordance with Policies PG3 and TP44 of the Birmingham Development Plan 2017 and the National Planning Policy Framework.
-
- 15 Requires the prior approval of details to prevent mud on the highway
No development shall take place until details of measures to be taken to prevent spoil/mud from vehicles leaving the site during the construction works being deposited on the public highway have been submitted to and approved by the Local Planning Authority in writing. The development shall be implemented in accordance with the approved details and the measures shall be retained for the duration of the construction period.
Reason: In the interests of highway safety in accordance with Policies PG3 and TP44 of the Birmingham Development Plan 2017 and the National Planning Policy Framework.
-
- 16 Requires the prior approval of the siting/design of the access
No development shall take place until full details of the siting and design of the proposed means of access have been submitted to and approved in writing by the Local Planning Authority. The approved scheme shall be implemented before the development hereby permitted is brought into use.
Reason: In order to secure the satisfactory development of the application site in the interests of highway safety in accordance with Policies PG3 and TP44 of the Birmingham Development Plan 2017 and the National Planning Policy Framework.
-
- 17 Requires the prior submission of details of pavement boundary
No development shall take place until full details of a dwarf wall or similar feature to be erected at the back of pavement have been submitted to and approved in writing by the Local Planning Authority. The approved scheme shall be implemented before the development hereby permitted is brought into use and thereafter retained.
Reason: To ensure that vehicles only access the site through the designated entrance in the interests of highway and pedestrian safety in accordance with Policies PG3 and TP44 of the Birmingham Development Plan 2017 and the National Planning Policy Framework.

- 18 Requires vehicular visibility splays to be provided
The building(s)/premises/site/dwelling(s) shall not be occupied before vehicular visibility splay(s) of 2.4 metres by 43 metres by 0.6 metres at the junction of the access(es) with the public highway have been provided, and this/ these splay(s) shall be kept free of obstacles.
Reason: In order to secure the satisfactory development of the application site in the interests of highway safety in accordance with Policies PG3 and TP44 of the Birmingham Development Plan 2017 and the National Planning Policy Framework.
-
- 19 Requires pedestrian visibility splays to be provided
A pedestrian visibility splay of 3.3 metres by 3.3 metres by 0.6 metres shall be incorporated at the/each access point before the access point(s) is first used and thereafter maintained.
Reason: In order to ensure the safe movement of pedestrians using the adjacent highway in accordance with Policies PG3 and TP44 of the Birmingham Development Plan 2017 and the National Planning Policy Framework.
-
- 20 Requires the prior submission and completion of works for the S278/TRO Agreement
The development shall not be occupied until a package of highway measures has been approved by the Local Planning Authority and the approved measures have been substantially completed. The package of measures shall include formation of bellmouth access on Warwick Road; reinstatement of redundant footway crossing on Warwick Rd; access alterations and footway reinstatement on Lincoln Rd; alterations to inner radius of gyratory island at Warwick Road / Gospel Lane; installation of splitter island at Gospel Lane / Warwick Rd junction; associated repositioning of running lanes and amended road markings on Warwick Rd; parking deterrent measures on Warwick Rd and Lincoln Rd site frontages; removal and replacement of pedestrian guard railing on Warwick Rd; Repositioning / remedial works to statutory undertakers' equipment and street furniture as necessary; amended street lighting design to Warwick Rd frontage; and are to be carried out at the applicants expense to Birmingham City Council specification.
Reason: In order to secure the satisfactory development of the application site in the interests of highway safety in accordance with Policies PG3 and TP44 of the Birmingham Development Plan 2017 and the National Planning Policy Framework.
-
- 21 Limits the maximum number of residential units to 48
The development hereby permitted shall not exceed 48 residential units
Reason: In order to define the permission in accordance with Policy PG3 of the Birmingham Development Plan 2017 and the National Planning Policy Framework.
-
- 22 Limits the layout plans to being indicative only
The plan(s) submitted has/have not been considered as part of the application approved by this permission, except insofar as it/they define(s) the application site boundary. No permission is given to any layout or other details of the proposed development shown on the plan(s).
Reason: In order to define the permission in accordance with Policy PG3 of the Birmingham Development Plan 2017 and the National Planning Policy Framework.
-
- 23 Requires the scheme to be in accordance with the listed approved plans
The development hereby approved shall be implemented in accordance with the details submitted with the application and shown on drawing number 210012-10 Rev C and site plan (scale 1:1250) ('the approved plans').
Reason: In order to define the permission in accordance with Policy PG3 of the Birmingham Development Plan 2017 and the National Planning Policy Framework.
-
- 24 Requires the submission of reserved matter details following an outline approval
Details of the (appearance, landscaping, layout and scale), (hereinafter called the reserved matters) shall be submitted to and approved in writing by the Local Planning Authority before any development begins and the development shall be carried out as approved.
Reason: In order to comply with Section 92 of the Town and Country Planning Act 1990 (as amended) and the National Planning Policy Framework.
-
- 25 Limits the approval to 3 years (outline)
Application(s) for approval of any reserved matter(s) must be made before the expiration of three years from the date of this permission. The development for which permission is granted must be begun before the expiration of two years from the final approval of the reserved matter(s) or, in the case of approval on different dates, the final approval of the last matter to be approved.
Reason: To comply with Section 92 of the Town and Country Planning Act 1990 (as amended) and the National Planning Policy Framework.

Date: Tuesday 31st January 2017

Waheed Nazir, Director of Planning and Regeneration

P.O. BOX 28, Birmingham B1 1TU

**Please note
This is not a building regulation approval**

INFORMATIVE NOTE

Water supplies for fire fighting should be in accordance with the "National Guidance Document on the Provision for Fire Fighting" published by Local Government Association and WaterUK

Please ensure that you visit the following link before commencing any development:
<http://www.water.org.uk/home/policy/publications/archive/industry-guidance/national-guidance-document/national-guidance-document-on-water-for-ffg-final.pdf>

For further information, please contact the West Midlands Fire Service Water Office at

Presented by Cllr Roger Hamer, PAGE ONE
 City Council - 2/4/2019 - Petition No 2120
 Say no to Acocks Green Lap Dancing Club

We the undersigned, call on Birmingham City Council's Licensing Committee to reject the Licensing Application (Ref: 110346) submitted by Pure Gold, for a Lap Dancing / Nudity Venue at 359/361 Olton Boulevard East, B27 7DP. We believe that as a residential area it is an inappropriate location for such a business. Its late opening hours would cause considerable nuisance to local residents and it is also close to nurseries and play areas and risks causing harm to children. I am happy that my name will be made public when opposing this application.

PETITION

Say no to Acocks Green Lap Dancing Club

We the undersigned, call on Birmingham City Council's Licensing Committee to reject the Licensing Application (Ref: 110346) submitted by Pure Gold, for a Lap Dancing/Nudity Venue at 359/361 Olton Boulevard East, B27 7DP. We believe that as a residential area it is an inappropriate location for such a business. Its late opening hours would cause considerable nuisance to local residents and it is also close to nurseries and play areas and risks causing harm to children. I am happy that my name will be made public when opposing this application.

PETITION

Say no to Acocks Green Lap Dancing Club

We the undersigned, call on Birmingham City Council's Licensing Committee to reject the Licensing Application (Ref: 110346) submitted by Pure Gold, for a Lap Dancing/Nudity Venue at 359/361 Olton Boulevard East, B27 7DP. We believe that as a residential area it is an inappropriate location for such a business. Its late opening hours would cause considerable nuisance to local residents and it is also close to nurseries and play areas and risks causing harm to children. I am happy that my name will be made public when opposing this application.

[illegible]

Say no to Acocks Green Lap Dancing Club

We the undersigned, call on Birmingham City Council's Licensing Committee to reject the Licensing Application (Ref:110346) submitted by Putt Gold, for a Lap Dancing / Nudity Venue at 359/361 Olton Boulevard East, B27 7DP. We believe that as a residential area it is an inappropriate location for such a business. Its late opening hours would cause considerable nuisance to local residents and it is also close to nurseries and play areas and risks causing harm to children. I am happy that my name will be made public when opposing this application.

When complete, please return (before April 8, 2019) to:

Cllr Roger Harmer, Liberal Democrat Office, Council House, Victoria Square, Birmingham, B1 1BB

Say no to Acocks Green Lap Dancing Club

We the undersigned, call on Birmingham City Council's Licensing Committee to reject the Licensing Application (Ref:110346) submitted by Pure Gold, for a Lap Dancing / Nudity Venue at 359/361 Olton Boulevard East, B27 7DP. We believe that as a residential area it is an inappropriate location for such a business. Its late opening hours would cause considerable nuisance to local residents and it is also close to nurseries and play areas and risks causing harm to children. I am happy that my name will be made public when opposing this application.

When complete, please return (before April 8, 2019) to:

We will include your name and address and signature (if applicable) when submitting the petition to Birmingham City Council Licensing Committee.

Say no to Acocks Green Lap Dancing Club

We the undersigned, call on Birmingham City Council's Licensing Committee to reject the Licensing Application (Ref: 110346) submitted by Pure Gold, for a Lap Dancing / Nudity Venue at 359/361 Olton Boulevard East, B27 7DP. We believe that as a residential area it is an inappropriate location for such a business. Its late opening hours would cause considerable nuisance to local residents and it is also close to nurseries and play areas and risks causing harm to children. I am happy that my name will be made public when opposing this application.

When complete, please return (before April 8, 2019) to:
Birmingham Liberal Democrats, Cllr Roger Harmer, Council House, Victoria Square, Birmingham, B1 1BB

CITY COUNCIL - 2/4/2019

PETITION NO. 2126

PETITION FROM COUNCILLOR JOHN O'SHEA**To go to Licensing**

An application has been made to approve a lap dancing club in the building formerly known as Zorba's restaurant on Olton Boulevard East.

- This is close to Tiny Terrorz on the Warwick Road and opposite a nursery.
- It is in the middle of residential housing and close to a new development of 48 homes opposite. New housing behind the site is just 4 metres from the busy car park.
- No planning permission has been sought for the change of use. The council does not know if this is suitable.
- This is not a busy town centre with a night time economy.
- Residents don't need the late night noise and disturbance from customers of this club.

We call upon the city council licensing committee to refuse this application.

Please provide a reply to Cllr O'Shea so that he can respond to the online signatories.

Thank you.

Subject: Lap Dancing Club in Acocks Green

Dear Sirs and Madams

I would like to voice my opinion that as long as the signage is discreet I can see no logical objection to a lap dancing club opening. If something like Spearmint Rhino, that you have to know what it is, is put there then I can't see why it is any different to a restaurant or private members club.

The homes don't face it, the nursery and play barn aren't affected by it - except of course you won't be able to park there when going to the play barn, which might be the reason some people don't want anything there - if the signage isn't naked ladies/men. So, what does it matter?

I would welcome something being open there to provide employment and end the eyesore that is the empty building. I understand it is often used for criminal activity so opening something would put an end to that too.

So, please log this as support for the venture.

**Application for a premises licence to be granted
under the Licensing Act 2003**

PLEASE READ THE FOLLOWING INSTRUCTIONS FIRST

Before completing this form please read the guidance notes at the end of the form. If you are completing this form by hand please write legibly in block capitals. In all cases ensure that your answers are inside the boxes and written in black ink. Use additional sheets if necessary.

You may wish to keep a copy of the completed form for your records.

I/We Romans Leisure Ltd

(Insert name(s) of applicant)

apply for a premises licence under section 17 of the Licensing Act 2003 for the premises described in Part 1 below (the premises) and I/we are making this application to you as the relevant licensing authority in accordance with section 12 of the Licensing Act 2003

Thur	1130	0600	
Fri	1130	0600	
Sat	1130	0600	
Sun	1130	0400	

M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

There will be a strong management led presence at the premises. The four licensing objectives will be core to our day-to-day management regime.

We will always liaise and assist the Responsible Authorities, to create partnership working.

Code of Conduct and Club Rules will apply to SEV application.

b) The prevention of crime and disorder

A Personal Licence Holder will be present on the premises at all times that the premises remain open.

The DPS/Manager will maintain a register of door staff, in which it will record the start/end times for each SIA staff member on duty, and date, name, SIA registration number. The DPS shall produce the register and the verification of Door Staff identities, upon request at any reasonable time to any Responsible Authority.

The management will ensure that all staff receive adequate training on a regular basis, in relation to the four licensing objectives, general licensing regulations and fire regulations. The records of the training will be kept on site and available for inspection.

CCTV will be installed to high specifications, and recording will be retained for 31 days. A member of staff will be trained to download images. CCTV cameras will also cover dancing booths to ensure that illegal activity is not taking place within the booths. {This will offer additional protection to the dancers}. Prominent notices will be displayed informing customers that C.C.T.V. is in operation, in compliance with GDPR.

The sale of alcohol will cease 30 minutes prior to the closure of the premises.

c) Public safety

The following adult entertainment is permitted at the Premises: Lap Dancing, Pole dancing and Topless Dancing in the Lounge Areas, and Full nudity only permitted in the dance booths and private rooms.

Adequate door staff will be deployed based on management risk assessments. The premises licence holder shall ensure, all door staff on duty will wear high visibility jackets/tabards whilst attending the door and must wear high visibility armbands within the premises itself. SIA registered security staff will oversee patrons arriving or departing the premises and not allow anti - social behaviour by individuals or groups.

The capacity of the premises will be a number as agreed with our Fire Risk

Assessment and the West Midlands Fire Service.

A zero tolerance policy towards drunken or anti - social behaviour will be in operation on the premises at all times.

d) The prevention of public nuisance

The provision of Regulated Entertainment and Late Night Refreshment {LNR} will only take place indoors.

Announcements will be made to customers, at the end of the evening asking them to leave the premises quietly, respecting our neighbours. Signage to this effect will be prominently displayed near the exits and in the foyer.

Management will appoint a dedicated taxi company, in order that taxi drivers do not 'beep' their horns or leave engines running.

e) The protection of children from harm

The Premises will adopt a Challenge 25 Policy for all sales, anyone appearing under the age of 25 will be requested to show identification when purchasing alcohol, the only forms of ID will be PASS card, driving licence or passport.

No persons under the age of 18 will be admitted to the Premises.

No photographs of naked or semi-naked women or other images of striptease or similar dancing will be displayed on the outside of the premises.

No entertainment of an adult nature provided at the premises is to be visible to members of the public passing by or entering the car park.

The Premises will retain two profiles of all dancers who are employed at the premises or have been employed at the premises within the last 3 months. The profile shall contain proof of identity and age such as a valid passport or driving licence and a proof of address dated in the last 3 months such as a utility bill or other government document and the national insurance number. Profiles shall be made available to any Responsible Authority upon request.

There shall be no display of any promotional material externally on the premises to indicate the nature of the adult entertainment provided inside the premises.

Checklist:

Please tick to indicate agreement

- I have made or enclosed payment of the fee. ☒
- I have enclosed the plan of the premises. ☒
- I have sent copies of this application and the plan to responsible authorities and others where applicable. ☒
- I have enclosed the consent form completed by the individual I wish to be designated premises supervisor, if applicable. ☒

Rob Edge {Director}

Mediation statement and amended hours of licensable activities

Acting for the applicant, I have liaised extensively with those Responsible Authorities and others that have raised their concerns with this application.

My client {the applicant} is an experienced operator and reputable, responsible person, who currently runs a very successful SEV in Norwich. He has instructed me to reduce the hours of operation, to evidence that he has listened to those with concerns in relation to his application.

The amended proposed hours of licensable activities are now:

The sale of alcohol for consumption "on/off" the premises, Regulated Entertainment

Sunday - Wednesday 2000 -0400,

Thursday - Saturday 2000 - 0600 hrs.

Late night Refreshment

Sunday - Wednesday 2300 -0400,

Thursday - Saturday 2300 - 0600 hrs

Additionally, it should be noted that the Premises Licence Holder intends to implement effective staff training, systems and support to a high level in the pursuit of good practice and to fully demonstrate "due diligence" to the licensing objectives.

In addition to :

- Refusals log
- Challenge 25
- Staff training records
- Code of conduct for staff
- Smoking area policy
- Incident log book
- Use of a dedicated taxi company
- Prominent signage for patrons to show consideration to neighbours

2. Statement of support from Mr. Gavin Tempest

Licence Leader Ltd

Rob Edge {Director}

Concerning bona fides for Mr Petrit Vladi

WITNESS STATEMENT OF GAVIN TEMPEST

Dated 1st April 2019

My name is Gavin Tempest and I am writing this as a testimonial for Mr Petrit Vladi.

My own background is as follows - I retired from Norfolk Constabulary having completed a 30-year career and leaving the Police as Head of Community Safety. As a Police Chief Inspector, I was responsible for policing the Night Time Economy in Norfolk and overseeing the licensing function. I hold the BIIAB Level 2 Award in Assessment of Licensed Premises (Social Responsibility) and I am an experienced Best Bar None Assessor. I am Vice Chair of the Institute of Licensing Eastern Region and an experienced Licensing Consultant, specialising in compliance and partnership working with Responsible Authorities. I am also a Lead Purple Flag Assessor and I founded 'National Licensing Associates' a network of professional Licensing Consultants in 2017.

I have known Mr. Vladi since 18th July 2016 when he contacted me with a view to my representing him. At that time, he was owner of a late-night bar and club in the heart of the entertainment zone in Norwich City Centre. He consulted me over plans to convert 'Bar 52' so that it would become a lap-dancing venue {SEV}. I was instructed by Mr. Vladi's which led to my attendance with him at a Licensing Sub-Committee Hearing at which he was granted a Sexual Entertainment Venue Licence.

As a former Police Officer, I exercise due diligence with my clients. This was particularly important for Mr Vladi's application to hold a Licence for performances involving entertainment of an adult nature. Poorly managed venues can be a risk to public safety, and could mean the potential exploitation of vulnerable people. In pursuing the SEV application, I was formally instructed to work closely with the Licensing Authority to support the development of the lap-dancing business to be compliant with the Authority's SEV policy. In my view, this is good practice as the operating schedule including Codes of Conduct for Performers and Customers embrace the safeguards and political considerations felt to be necessary to ensure high standards of operation. At the Hearing, Norfolk Constabulary attended and their Licensing Officer gave her evidence to the effect that the Police had not experienced any issues with the licensing objectives while Mr Vladi had been a DPS for Bar 52. I have since worked with him again as a client at renewal of the SEV Licence last September and the same Licensing Officer confirmed that the Police have no concerns over the operation of the venue since it was licenced specifically for adult entertainment.

The facts stated in the above statement are true to the best of my knowledge.

Gavin Tempest

Dear Sir

Re: Application for a SEV licence – Bar 52, Prince of Wales Road Norwich

Police have received a copy of the application for an SEV application for Bar 52, Prince of Wales Road Norwich.

This application follows the City Council recently adopting the SEV Policy. This venue has previously been operating as a bar and has recently applied for a variation to the premises licence to change the layout of the premises to facilitate the ability to operate as lap dancing venue. Police have no history of the premises operating in this format but has knowledge of the operator, manager and applicant Mr Petrit Vladi. Therefore we have confidence that we can maintain a good working relationship.

The application includes proposed conditions to be complied with which are in line with the SEV standard conditions. In addition the application includes a documented code of conduct for both the dancers and customers.

I am aware that there is a cumulative impact policy adopted within the city centre, however this venue is not requesting anything additional to what is already granted on the Premises Licence under the Licensing Act 2003.

The Police are a consultee as a responsible authority and have the ability to make representations in accordance with the objectives in particular the prevention of crime and disorder. Therefore Police have no reason to object to the application however I do request that conditions in line with Norwich Policy are added to control the premises and maintain standards.

With this, there are no Police objections

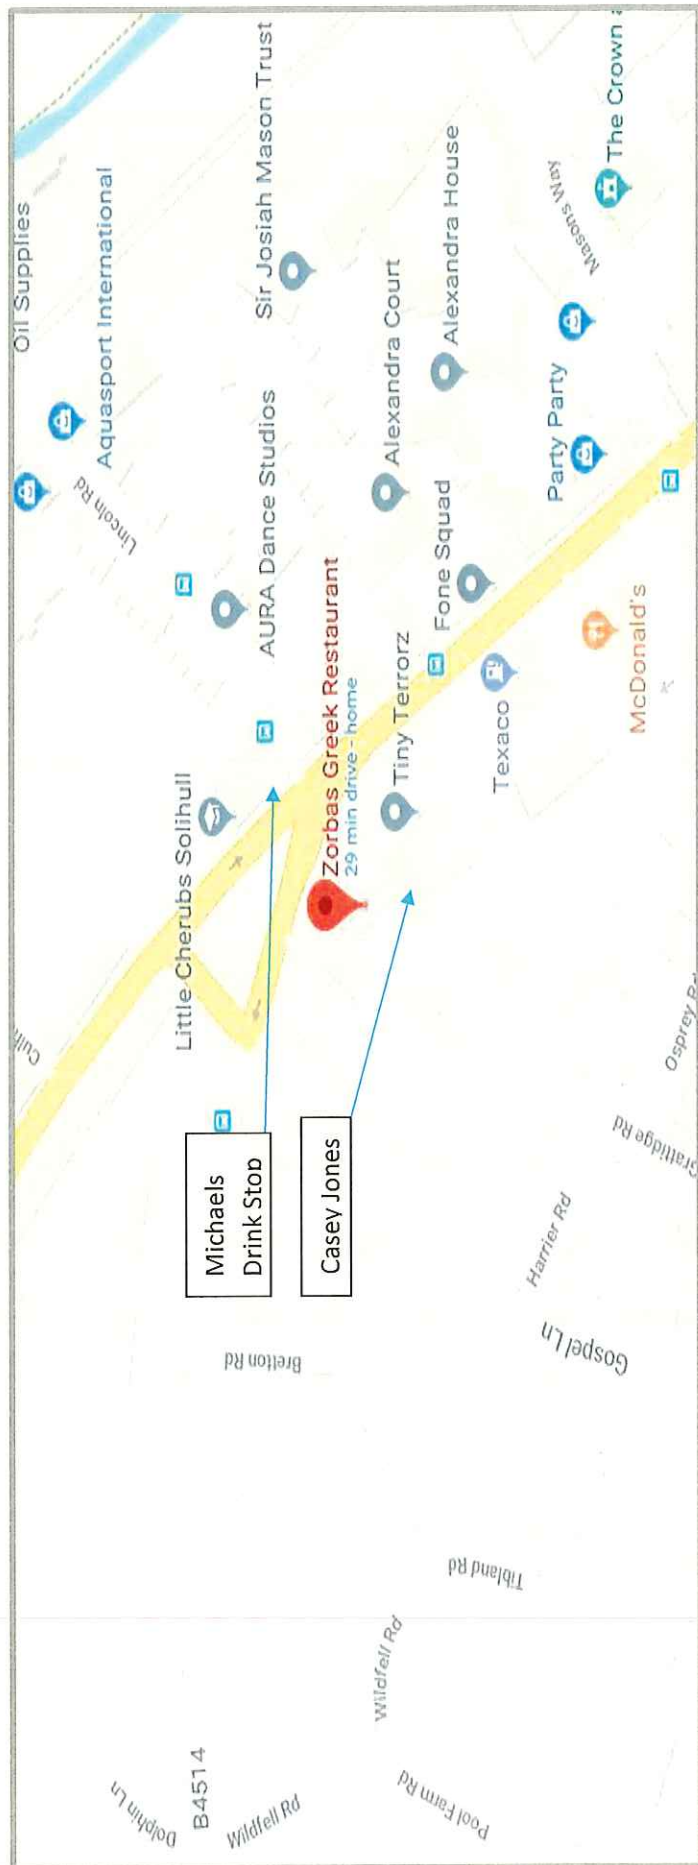

Yours faithfully,

Michelle Bartram
Licensing Officer

Pure Gold - 359-361 Olton Boulevard East, Birmingham, B27 7DP

Issue	Date Issued	Comment	Author:	Reviewed by:	Authorised by:
01	14 th April 19	Issue 01 (Draft)	Simon Joynes Director	Peter Nash Director	Peter Nash Director

359-361 Olton Boulevard East, Olton, Solihull, B27 7DP

Introduction

Joynes Nash has been appointed to provide advice in respect of the options for management and control of noise from the proposed venue at 359-361 Olton Boulevard East, Olton, Solihull, B27 7DP. This note is intended to support applications for a Premises License and seeks where necessary to recommend conditions and forms of mitigation which will be required prior to the venue operating.

The Proposal

It is firstly important to understand the concept being proposed, what activities are likely to take place, how any noise may impact on the existing environment and those individuals who reside or work in it.

Starting with the application itself, this is for a Sexual Entertainment Venue, in this case intended to provide for lap dancing, pole dancing, table dancing etc. The activities themselves from an acoustic perspective are considered low key, with for example the provision of music been ancillary to the main activity. Likewise given the substantive controls for other licensing matters, the venues tend to be well supervised and monitored throughout. In fact, it offers a far greater level of control than you would expect with a typical licenced establishment.

With regard to the applicant themselves, it is worth noting that they are an established operator of multiple successful venues across the UK and understand the sensitivity of the use, the general conditions and indeed have as proven management structure to deliver successfully. The drive for expansion of this operation is based on their success and it is intended that the premises will follow a similar format to others.

The Existing Environment

The current environment within which the premises is situated is typical of an urban environment, the neighbourhood consisting of many shops and commercial units, it is adjacent to a major road network and junction providing elevated ambient noise levels. There is a significant number of other premises in the locality which open late, some of which are understood to be 24hrs in similar proximity to residents.

The medium sized venue was formally used as a restaurant and provides for parking to the front and rear, with a smoking / outdoor dining area to the front. The main entrance is at the furthest point from residential premises and historically it is understood that the venue held live and recorded music events with no known issues arising from such use. Indeed, there did not appear to be any controls on the former license.

It is therefore clear that whilst the area contains residential premises, the character of the area is mixed urban with a number of existing businesses operating late and there is no reason to suspect that a venue

such as that proposed, particularly given its size and scale could not operate without creating undue disturbance or noise out of character with the area.

Identified Areas of Concern and Proposals for Mitigation

Noise issues relating to venues typically includes that from entertainment noise, noise from mechanical services equipment, noise from customers arriving and leaving, and noise from deliveries to the venue. These noises differ in character and hence in the way they must be assessed and mitigated, and each element is discussed individually below.

Noise from Mechanical Services, Plant and Equipment

This is a frequent issue with such venues but is generally assessed using British Standard 4142 and typically conditions are placed on licenses or planning permissions requesting that sound be assessed and controlled to ensure that the rating level from any plant or mechanical noise does not exceed the background noise level. With respect to the proposal the only plant which may be installed externally, and this is not confirmed is the refrigeration unit (cellar chiller) and air conditioning / handling systems.

It is believed that this could be controlled through the use of suitable conditions on any permission granted.

Should it be necessary, the client is willing to consider restricting the airborne noise generated by plant using silencers and/or acoustic screens or enclosures in order to achieve the necessary rating level and these may have to be specifically designed and installed.

Machinery will also be mounted on anti-vibration mounts where appropriate and will be switched off when not in use, where operational times can be controlled by automatic timers etc.

Deliveries & Collections

It is proposed that no deliveries will take place outside the hours of 08.00 and 20.00hrs daily, which includes the collection of waste and glass bottle etc. It is also advised that no external bottling up or glass recycling activities will take place external to the premises beyond these hours to minimise risk of disturbance.

Noise from customers arriving and leaving

Controlling the impact of noise from patrons is usually a careful mix of location, design, operation and management of licensed premises and there is no method of technically assessing such or applicable standards. However, this also needs to be put in the context of the intended use.

The purpose of an SEV is clearly understood and therefore people typically come with an intended purpose, rather than to spend a considerable amount of time in a venue drinking and socialising as may be the case

with a bar / nightclub etc. Typically, people arrive individually or in small groups, largely by taxi or public transport rather than private vehicles (due to drink driving laws) and likewise the arrival and departure of customers is distributed throughout the operating hours with no significant peak arrival or departure times. There is no potential for queues or materialise external of the venue and the venue is staffed and monitored by stewards at all times.

With respect to the parking arrangements and taxi's this is for the most part likely to be restricted to the car park to the front where the background traffic noise is at its highest. It is expected that the parking to the rear is to be restricted to staff and performers only and therefore impact will be minimal.

That is not to say that our client does not accept there may potentially be noise associated to such and they intend to adopt the following:

- Ensure that the target audience discourages any form of disturbance
- Monitor noise externally of the venue during patron egress to ensure that it is calm
- Display a set of rules to encourage neighbourly behaviour
- Appropriate signage at the entrance and egress to remind guests to be mindful of neighbours
- The training of staff to deal with the issues surrounding disturbance during ingress / egress
- The calling of taxi's on behalf of customers with agreements with local cab companies to ensure that drivers come to the door or into the premises to collect their passengers without needing to sound their horn etc. This may include a dedicated number for customers to preferred suppliers. By having these controls staff can ensure that the public remain indoors until the transport arrives.

It is therefore not expected that ingress and egress of patrons from the premises in the context of the existing environment will be to the detriment of those living or working in the immediate environment.

Noise from Entertainment

It is acknowledged that this creates potentially the greatest risk from any venue and may need the greatest level of control, albeit this is heavily dependent on the intended end use. At this time, it is stressed that the provision of music is to be incidental to the primary offering and will be to provide background ambience.

The music is to be provided through the provision of a small distributed localised speaker system under the direct control of the venue management. The venue has already held regulated entertainment previously so it is not expected that noise breakout from the structure will be an issue albeit this could be retested ahead of any opening of the venue to ensure that the level of sound attenuation is sufficient. This could be controlled by way of a condition requiring a test and an appropriate form of noise limiting device installed, as is generally required by Birmingham CC's Environmental Protection Team at other premises.

With regards to further breakout from the structure such as through the glazing this will be largely controlled through the non-opening of windows and the introduction of an appropriate air ventilation / conditioning system. Likewise, the main entrance introduces a lobby system to prevent noise breakout.

Due to the nature of the structural changes such controls are typically secured by way of condition on any premises license granted. Indeed, it is accepted that the result of any testing and insulation schemes will determine the type of entertainment provided. However, it is perfectly achievable to prevent the intended use at this time impacting on the occupiers of the residential units

Smoking

With regard to the such, the area intended to be used for smoking is to the front of the premises, accessed by a door adjacent to the main entrance. This is an area of weakness and it is likely that a lobby will be required on this door to prevent noise breakout, this is currently being explored but not impossible.

However, with respect to people smoking outside this is not uncommon for any licenced venue and there are based on experience multiple methods which can be considered should issues arise when the venue becomes operational. These include:

- defining an area or size of area for such purposes (restricting late at night to increase distance from residential units using portable structures)
- limiting the number of people allowed to access the area and therefore the volume of noise
- preventing people taking drinks outside to prevent congregating and spending more time than necessary
- limiting the number of people in the defined area at any one time
- limiting the hours which the space is available for smoking (i.e not late at night)
- Not providing heating or any anything similar (eg lighting and heating and music)

In Conclusion

It is stressed that this is an atypical proposal by its very nature, is considerably low key and is not likely to give rise to any public nuisance or significant impact on residential amenity. That said the intended operators respect that risks remain and look to minimise these, by working with the Local Authority to identify and control such in order to bring the venue to fruition.

Likewise, it is acknowledged that Birmingham City Council is committed to facilitating a broad range of entertainment provision within the city for the enjoyment by a wide cross-section of the public. Indeed, in wishing to offer such facilities it must therefore recognise that a balance needs to be struck between promoting the provision of entertainment and addressing concerns relevant to the licensing objectives.

The Licensing Authority will also be conscious of the risk that operators may incur significant and unreasonably costs and should therefore only seek to impose conditions, when representations are received, that will be proportionate, justifiable, capable of being met and appropriate for the promotion of the four licensing objectives.

The type of premises/use being proposed is tailored to the location, with a view to promoting the licensing objective, in this instance of the Prevention of Public Nuisance. The scale of the venue is not expected to add cumulatively to the existing noise climate and indeed is most likely to operate unnoticed for the large part within the immediate community.

That said the following noise management plan has been prepared for the venue and a list of possible conditions which may be considered by the Licensing Authority thereafter.

Noise Management Plan

Date: April 2019 (Review due April 2020)

359-361 Olton Boulevard East, Olton, Solihull, B27 7DP

The operators recognise their responsibilities towards having a “duty of care” to ensure that attention is paid to nearby neighbours to reduce or eliminate avoidable noise. The aim of this Noise Management Plan is to put in place reasonable measures to reduce the noise impact of sources associated with the premises.

The table below is a simple guide, it is not an exhaustive list, but it considers the impact of potential noise and mitigating factors to prevent noise disturbance to neighbours. This document should be considered in conjunction with any of the acoustic measures taken by the premises.

The Noise Management Plan will be regularly reviewed and updated at least on an annual basis.

Source	Possible noise impact	Mitigation to consider
Music	Location of speakers	<ul style="list-style-type: none">• Small distributed system• Speakers positioned away from doors/windows/lobbies,• Controlled by a limiter• No external speakers
	Review the type of music played on the premises	<ul style="list-style-type: none">• Information to staff and performers of potential noise problems and associated control measures. Requirement to ensure that music remains ancillary to the main provision.
	Volume	<ul style="list-style-type: none">• Noise from regulated entertainment for all events that take place at the venue shall not to be audible at the boundary of any residential premises.

Internal activities	Hours of operation	<ul style="list-style-type: none">• As per hours granted under the License
	Doors	<ul style="list-style-type: none">• Keep closed at all times (except for access and egress) to prevent/reduce noise break out• Self-closing doors to be fitted to all doors• Alarms to be fitted on fire doors etc. (or linked to limiter)• Main entrance to be supervised at all times
	Acoustic lobbies	<ul style="list-style-type: none">• Provision of acoustic lobby on main entrance / smoking area• Appropriate specification of doors

		<ul style="list-style-type: none"> • Ensure that doors are not propped or held open.
--	--	---

Deliveries and collections	Times of day	<ul style="list-style-type: none"> • 08.00 to 20.00hrs daily
----------------------------	--------------	---

Designated Smoking area	Location: Front of Building	<ul style="list-style-type: none"> • Smoking area to be always supervised by Staff . • As necessary and may be required at certain times: <ul style="list-style-type: none"> ○ defining an area or size of area for such purposes (restricting late at night to increase distance from residential units using portable structures ○ limiting the number of people allowed to access the area and therefore the volume of noise ○ preventing people taking drinks outside to prevent congregating and spending more time than necessary therefore limiting the number of people in the defined area at any one time ○ limiting the hours which the space is available for smoking (i.e. not late at night) • Do not provide heating or any anything similar (e.g. lighting and music) • Provide rubber feet to chairs and tables (where practicable) or provide forms of fixed seating etc. • Avoid collecting tables/chairs from outside late at night as appropriate.
-------------------------	-----------------------------	---

Monitoring of Customers	<p>Misuse</p> <p>Customers egress</p> <p>Car radios</p> <p>Loitering and smoking outside of the premises – monitoring patrons</p>	<ul style="list-style-type: none"> • Customers congregating outside to smoke or waiting taxis, using mobiles or try to hold a conversation with friends in the venue can cause problems of noise disturbances to neighbours. Particularly disruptive customers may be warned and a '3 strikes' exclusion policy will be introduced. • To reduce noise disturbance patrons will be encouraged to remain with designated areas at all times (to be monitored) • Signage to remind to leave quietly at exit and entrance, • Door staff supervisor patrols to be implemented • CCTV installation to monitor compliance
-------------------------	---	---

		<ul style="list-style-type: none"> • No car stereo rule when leaving the area. • Arrangement by contractual agreement with a taxi company to provide exclusive service. An exclusive contractual agreement to provide services for patrons. Taxi drivers will escort patrons to the waiting taxi (or door staff) • SIA door supervisors and stewards (where applicable) shall monitor all areas surrounding the premises.

Complaints	Response and attitude	<ul style="list-style-type: none"> • Policy including the recording of date, time, name, cause and action taken. Consider neighbour liaison approach – detail of contact will be available for neighbours.
------------	-----------------------	---

Training	Staff training and updates	<ul style="list-style-type: none"> • Staff will receive regular refresher training on all aspect of the premises operational policy, provided training to members of staff on noise control measures and including controlling noise when dealing with complaints.
----------	----------------------------	---

Invited Condition for Prevention of Public Nuisance

359-361 Olton Boulevard East, Olton, Solihull, B27 7DP

Condition 1

The premises hereby approved shall not be brought into operation until such time that a noise management policy has been approved by the Local Authority. The policy should:

- (a) set out sound attenuation measures to prevent or control music, any singing and speech noise breakout, or that from regulated entertainment from the premises impacting on existing residents and businesses
- (b) be based on the findings of an acoustic consultant's assessment.
- (c) ensure that all staff are trained on the content of the policy to ensure a commitment to good noise management. A record should be kept of the date and name of person trained and made available for inspection by the licensing authority or environmental health responsible authority.

Condition 2

The external area to the rear of the premises shall not be used by the general public at any time

Condition 3

Deliveries shall not be accepted or collections permitted between 20.00hrs and 08.00hrs.

Condition 4

The rating sound from any plant machinery and equipment shall not exceed the existing background noise level when assessed in accordance with British Standard BS4142. No equipment, machinery or plant shall be installed until such times that a mitigation scheme has been agreed by the Local Authority and implemented in full.

Condition 5

All doors and windows shall remain closed at all times after during the provision of regulated entertainment save for entry or exit, or in the event of an emergency.

Condition 6

A written dispersal policy shall be in place and implemented at the premises to move customers from the premises and the immediate vicinity in such a way as to cause minimum disturbance or nuisance to neighbours.

Premises Licence & Staff Operations Training Manual

This Premise Licence Operation and Training Manual contains instructions and guidance covering various policies and procedures for Pure Gold - Birmingham.

The intention of this manual is to:

- Evidence of Due Diligence
- To assist in staff training and awareness.
- Act as an 'aide memoire' for all staff
- Referencing valuable information quickly and easily
- Providing guidance to staff as part of their on-going training and development.

The Training Regime

All staff must read the training material provided and then satisfactorily pass the subsequent written test before being authorised to sell alcohol. It is important that this information is understood, should a staff member not satisfy the Designated Premises Supervisor (DPS) that they understand all of this then the DPS will not authorise that staff member.

You are at risk of prosecution for making unauthorised sales.

Refresher training will be undertaken at least on an annual basis, to sell alcohol and a number of refresher quizzes should take place to help in testing all staff and their knowledge.

Due Diligence Measures

- Staff to satisfactory undertake questionnaire - all questions to be answered correctly.
- Training Statement, to be signed by staff member and countersigned by Designated Premises Supervisor (DPS).
- Staff Authorisation sheet, to be signed by staff member and countersigned by the Designated Premises Supervisor (DPS).

The Premises Licence holder may also consider putting staff members forward to sit the APLH – {Award for Personal Licence Holders} exam if there is a likelihood of them becoming a DPS in the future. For further details, please contact Rob Edge at Licence Leader Ltd, or any other reputable consultant.

All staff training must be recorded, as well as individual staff authorisations to sell alcohol. You should complete both the alcohol training statement sheet and the authorisation record sheet.

All staff should be issued with their own confirmation of having received their initial training, whether under this regime or any alternative proprietary system, keeping the originals for your own records. All staff should be listed on the authority record and it should contain their signature as proof of their understanding of the training they have received and the responsibilities that they hold in the sale of alcohol. Subsequently as they are re-authorized to sell alcohol on a regular basis this should form part of the refresher training and they are indicating by signing the authority sheet again that they are still fully conversant with the rules relating to the sale of alcohol.

New staff members should then be added as they join, subsequently signing again on a regular basis thereafter, after each refresher. The alcohol training and authority sheets are designed for quick reference by any of the Responsible Authorities, which may visit your store, and for you to identify and maintain all training requirements.

Premises licence – Licensable Activities

You can only carry out the sale of alcohol off the premises during the licensable hours of the premises licence. The penalty for selling outside permitted hours is substantial – and may include a possible review of the premises licence.

Staff Authorisation

Under the terms of the grant of the premises licence: It is an offence for a person to serve alcohol to anybody unless you have been authorised to do so by a personal licence holder.

Underage Sales

It is an offence to sell alcohol to anyone under the age of 18, or to anyone purchasing alcohol on behalf of someone under the age of 18. It is an offence for any person under the age of 18 to buy or attempt to buy alcohol. It is an offence for anybody under 18 to sell alcohol unless authorised to do so by a responsible person. Responsible persons are defined as:

- The Premises Licence Holder
- The Designated Premises Supervisor (DPS)
- An individual aged over 18 authorised (ideally in writing) to sell alcohol for consumption off the premises by either the Premises Licence Holder or the Designated Premises Supervisor.

It is an offence to allow alcohol to be served to someone under 18 if the staff member could have prevented it. If a Challenge 25 scheme is adopted as a condition of the licence, then each customer wishing to purchase alcohol who is unknown to the cashier serving as a person who is over 18 years of age must be asked for satisfactory identification to prove their age. If they cannot or are not asked; then the staff member may be committing an offence should the condition wording be specific in this regard.

If a customer looks, under 25 they **Must** be challenged to prove that they are over 18 by producing photographic proof of age, which must include a photograph and state the full date of birth of the customer. The only forms of proof of age that we will accept are:

- A passport
- A photographic new style driving licence
- A PASS accredited Proof of Age ID card such as: The Citizen Card

Do not accept any other form of ID under any circumstances

Note: the penalty for the member of staff selling alcohol to an under

aged person ranges from a fixed penalty notice to a criminal conviction and a substantial fine. You must ensure that you are completely satisfied as to the customer's age BEFORE you make the sale.

Do not ask staff members or 'take someone's word' that, they are over 18 and always use CHALLENGE 25.

DUE DILIGENCE PROCEDURE

All staff are to be regularly briefed on the following topics:

- ii Test purchasing
- iii Age restricted products
- iv How to check proof of age
- v Follow the guidelines
- vi What the law says
- vii Due diligence procedure

Protection of Children from Harm

To protect children from harm and comply with the law, the vast majority of retailers take under age sales very seriously. There can be major consequences for businesses, licensees AND individual members of staff. Penalties for breaking the law include substantial fines, loss of licences, even imprisonment. Individual members of staff can be taken to court and prosecuted. They could also lose their job.

Trading Standards & Police are amongst the Responsible Authorities who are consulted on licence applications under the Licensing Act 2003. If a licence holder sees and the staff are not following the guidelines outlined in this booklet then these matters may be raised during the licensing process. Any evidence of underage sales can also trigger a review, which could lead to loss of the Licence.

Test purchasing

Trading Standards and the Police (sometimes-together) check that the law is followed and can carry out test purchases of all age-restricted products as part of their enforcement duties. The test purchases are made with volunteer young people who are to look their age.

These test purchases follow procedures supported by the government. They are allowed as evidence of underage sales. Following these guidelines and asking for proof of age and receiving appropriate proof (asking by itself is not a defence), should make sure that you do not make an illegal sale. Samples of 'proof of age' are shown on the photocards poster in the support material

Age restricted products – age restrictions

Alcohol Products 18

By following the rules regarding age related products, it will help you show you are taking 'all reasonable precautions and exercising all due diligence'. This is legal-speak to say that you must have behaved in a way that can provide a defence in law if an illegal sale takes place. You must be able to show that you are doing all that you possibly can to make checks. This is what the courts would look at should an illegal sale take place.

How to check proof of age ?

If a customer who looks under 25 and asks to buy an age restricted product, ask for one of the prescribed forms of proof of age and check it. If appropriate proof of age cannot be produced, you must refuse the sale and make an entry in the refusals register. You must only accept proof of age with date of birth and a photo. Remember to check that the photo matches the customer and that you can see their face clearly, including asking them to remove hoods and caps.

Proof of age cards need to carry a PASS hologram to show that they are part of an approved scheme and have been correctly issued. When you see a genuine PASS logo you can be more confident that it is valid proof of age, however there are good forgeries in circulation. Please see over page for checks.

• Always follow these checks

1. Check that the PASS hologram is genuine and flush with the body of the card.
2. Check that the photo matches the person using it and that it is printed on the card, not just stuck on top of it. Ask them to remove helmets, hoods and sun glasses if you are not sure.
3. Check that the date of birth is properly printed on the card and that you have calculated the date of birth correctly.
4. Check that the card has not been tampered with in any way.
5. Check the person. If you are unsure about any of the above you must, and have the right to, refuse the sale.

• Acceptable proof of age includes

- 10-year passport
- Photo driving licence
- Citizencard
- "PASS" accredited proof of age card scheme

There are fake proof of age cards about so if you are unhappy with a card for any reason, refuse the sale. Items such as birth certificates and national insurance cards are not good enough. They carry no photo so can be passed between friends. Legally you have the right to refuse to sell to anyone, whether over or under age, if you are unhappy with the sale in any way.

REMEMBER – If in doubt Refuse the sale

- Don't try to judge ages. Only accept approved proof of age cards with photos and date of birth.
- Follow either the 'Challenge 21 or Challenge 25 Rule' and ask for proof of age from anyone who does not look over 21 or over 25. Remember, if you guess wrong you could end up in court!
- Make sure notices (e.g. 'It is an offence to sell cigarettes to persons under 18') are on display.
- Know when dates of birth will be correct. Are they 18 yet? Just having today's date with the relevant year of birth will do!
- Fill in a 'refusals book' (at 4.11) each time a refusal takes place. The DPS should check entries regularly to make sure all staff are using the register.
- Be careful should young people wearing school uniforms request to purchase age related products.
- Do not sell to an adult you suspect of buying for under age young people. It is an offence for an adult to buy alcohol on behalf of someone under 18. This is called proxy selling.

- Support colleagues when they refuse sales. It can be difficult to say 'no.'

Alcohol

The age at which product alcohol can be legally served and bought is 18. Do not sell to over 18s who you think may be purchasing for under 18s. Both the owner of the business and the seller may commit a criminal offence if alcohol is sold to an under 18. If you are found guilty of selling alcohol to a person under 18 the premises licence to sell alcohol is at risk.

Under 18s cannot legally purchase alcohol. Always ask for proof of age before you serve and check the details. You can face prosecution and a criminal record or alternatively the police can issue on the spot fine of £90 if under age sales are made.

Checking Proof of age

When you ask somebody to produce proof of age in order to complete a purchase you must ensure that only an approved form of identification is accepted and that you check it correctly:

Only accept -

- a valid passport
- a European style photo driving licence
- a PASS accredited cards such as a Citizen card

Always ask for the identification to be handed to you for authentication purposes

Check that

i. Passport

- not altered in any way
- the passport date - it is valid
- the photograph - it belongs to the customer
- date of birth - the customer is old enough to complete the purchase

ii. European style driving licence

- not altered in any way
- the licence date - it is valid
- the photograph - it belongs to the customer
- date of birth - the customer is old enough to complete the purchase

iii. PASS cards

- not altered in any way
- the card is completely flat with no raised edges around the photo or PASS logo - **reject the card if it is not flat**
- the PASS logo hologram 3D effect is working
- the card date - it is valid
- the photograph - it belongs to the customer
- date of birth - the customer is old enough to complete the purchase

iv. The customer

- matches the photograph on the card
- is not acting suspiciously
- has not altered the card offered in any way

If you are in any doubt about the validity of the identification offered or the age of the customer even with the identification **you MUST refuse the sale and record the details in the refusals book**

What to watch out for regarding the ID of a person who is possibly under the influence of alcohol.

Signs of Intoxication

There are many signs that a person may display as they become intoxicated. As blood alcohol levels rise; differences can be noticed in coordination, appearance, speech and behaviour.

An intoxicated person may typically show some of the following signs:

i. Behaviour and Physical Signs

Becoming loud, boisterous and disorderly Dropping possessions, rambling conversation, becoming argumentative Fumbling and difficulty in picking up change Loss of train of thought e.g. forgot to pay for goods Annoying other customers and staff Swaying and staggering Difficulty in paying attention Becoming incoherent, slurring or making mistakes in speech Difficulty walking straight Not hearing or understanding what is being said Becoming physically violent Bumping into fixtures/other customers Drowsiness, dozing or sleeping while in premises becoming bad tempered or aggressive Glassy/bloodshot eyes and lack of focus Observe customers in difficulty lighting cigarettes whilst outside the premises using offensive language. Falling, Vomiting Exhibiting inappropriate sexual behaviour Flushed Face Dishevelled Clothing Person smells of alcohol

DUTY TO REFUSE SERVICE

It is your duty to refuse to serve under 18s and you must refuse to serve a person if they are or appear to be drunk.

How to refuse a sale

Sometimes refusing a sale will make the customer angry. Here are some tips to help you handle difficult refusals.

Ask for proof of age. This helps the situation, as it is not a direct refusal. It says that you will make the sale if they can produce valid proof of age. Only accept proof of age with a photo, and only if you are happy it is correct.

Refuse politely. If necessary repeat your refusal clearly.

Keep calm. Do not get into an argument.

Explain briefly, why you cannot sell. Try saying

- 'I'm sorry; if I serve you I might be breaking the law.'
- 'We have a policy of 'no proof of age, no sale.'
- 'Our company policy is not to sell these products to young people.'

Show customers notices, posters and stickers that indicate you will not serve alcohol to under 18s or sell other age-restricted products.

Be positive in your refusal. Have a firm tone of voice, be confident and use direct eye contact. The law is on your side and you are doing the right thing.

Call your supervisor or manager for support if necessary.

Record details in your premises' refusal register.

Report incidents where you have felt threatened and/or intimidated.

Remember, ***you commit an offence*** if:

- You sell alcohol to a person who is under 18
- You allow alcohol to be sold to someone who is under 18 when you could have prevented that sale
- You sell alcohol to a person who is drunk
- You sell alcohol to a companion of a person who is drunk for the drunken person's consumption
- You allow alcohol to be sold to someone who is drunk when you could have prevented that sale

On the spot fixed penalty, notices can be issued for serving alcohol to someone who is drunk or under age with prosecution also being a possibility.

If someone is drunk or disorderly they can be ejected from the premises and the Police must assist if requested to do so - if you think a customer should be ejected please ensure that you seek assistance from a colleague and follow your company procedures in order to deal with the incident properly and safely.

Keep calm. Do not get into an argument. **Explain briefly why you cannot sell.** Try saying

- 'I'm sorry; if I serve you I might be breaking the law.' 'We have a policy of 'no proof of age, no sale.'

Training for Staff

Pure Gold

Staff member [Full name]	
DPS or Personal Licence Holder delivering training [Full name]	

A new checklist will be used to record when;

- a new staff member is appointed
- changes to the premises licence or policies have occurred
- when carrying out refresher training for existing staff.

This is paramount to our business and to demonstrate that we are showing our best endeavours to comply with the requirements of our premises licence and the licensing objectives of 2003 Licensing Act.

1. What the law says about selling alcohol & the penalty staff and the business can face if an underage sale occurs?	
2. That the premises must hold a premises licence to sell alcohol. That all staff understand what the licence requires and the consequences, both for them and the business should any person sell alcohol in breach of any aspect of the alcohol licence.	
3. What the alcohol licence and conditions of the operating schedule require. EG: [i] ensuring alcohol is only sold during licensing hours, [ii] mandatory conditions as well as any conditions that are set out in the Annexes to the alcohol licence that are specific to our individual premises,	
4. Why selling alcohol underage and underage drinking is a problem for local communities, as well as the harm caused to underage drinkers themselves?	
5. What our policy is for challenging customers for proof of age?	
6. What our shop policy is, for the types of proof of age (ID) staff should accept?	
7. How to operate any 'till prompt' system installed?	

8. The signs to look out for that the customer may be buying alcohol for others who are underage ('Proxy purchasing')?	
9. What staff should do if they suspect the person they are serving is a 'proxy purchaser'?	
10. Where and how to record any refusals to sell, challenges for proof of age, use of fake ID or any other incidents such as aggressive or abusive customers etc.?	
11. Why it is important to record incidents/refusals to sell?	
12. The law that staff under the age of 18 are not allowed to sell alcohol to anyone and the consequences for breaking this law?	
13. What the policy is for an under 18-year-old to get authorisation for sales involving alcohol?	
Full name of person trained	Signature
	Position in shop
	Date dd/mm/yy
Full name(s) of trainer(s)	
Full name of Designated Premises Supervisor or personal licence holder, authorising person trained to sell alcohol. (NB Under 18's cannot be authorised to sell alcohol).	

Example Test paper for those employed within the Licensing Trade - Licensing Act 2003

{Extracted from the BIIAB Level 2 award for Personal Licence Holders}

Candidate

Organisation Pure Gold – Birmingham.

Date

1. Which of these is a “Licensing Objective” ?
