The Committee:

- 2.1 Notes the Quarter 1 2023/24 savings set out in Appendix 1.

2.2 Receives the update for Q2 / Q3 attached as Appendix 2 and examines progress on delivery of the 2023/24 savings within the remit of the Committee's terms of reference (outlined in the [Council's Constitution, Part B, section 11.5](#)) and agrees any comments.

2.3 Considers the implications of recent events (highlighted in Section 1) on the scrutiny work programme.

3 Any Finance Implications

3.1 Financial implications are set out in the relevant appendices.

4 Any Legal Implications

4.1 Legal implications are set out in the relevant appendices.

5 Any Equalities Implications

5.1 The Council has a Public Sector Equality Duty under the Equality Act (2010) to have due regard to the need to:

- eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Act;
- advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

5.2 The protected characteristics and groups outlined in the Equality Act are: Age; Disability; Gender Reassignment; Marriage and Civil Partnership; Pregnancy and Maternity; Race; Religion and Belief; Sex, and Sexual Orientation.

5.3 The Committee should ensure that it addresses these duties by considering them during work programme development, the scoping of work, evidence gathering and making recommendations. This should include considering: How policy issues impact on different groups within the community, particularly those that share a relevant protected characteristic; Whether the impact on particular groups is fair and proportionate; Whether there is equality of access to services and fair representation of all groups within Birmingham; Whether any positive opportunities to advance equality of opportunity and/or good relations between people are being realised.

5.4 The Committee should ensure that equalities comments, and any recommendations, are based on evidence. This should include demographic and service level data and evidence of residents/service-users views gathered through consultation.
