Ward Meetings and New "Ward Tracker" Database

Karen Cheney – District Head and Service Lead for Community Governance and Support

Background to Ward Meetings/ Forums

- Governance arrangements for District Committees and Ward Committees changed in the Constitution 2015 and revised further in 2016 (Article 10)
- Further review in 16/17 ready for the new ward boundaries in 2018 (Boundary Commission – approx. 100 Members and 77 wards)
- Ward meetings usually bi-monthly alternating with District Committee and held in the ward.
- New ward meetings/forums— aspiration that they act as a 2 way interface between residents, local community organisations, public services and Members
- Now much more informal, flexible and participative than previous formal ward committee arrangements – avoiding a one size fits all approach.
- Members will provide community leadership at the ward level to take forward the functions of the District Committee, in particular engaging the local community and identifying local issues and priorities

Ward Meetings/ Forums contd.

- Provide a forum for community engagement in decisions affecting the local area – collaborative partnership
- Future focus on a "better deal for neighbourhoods"
- Make representations to District Committee, the Executive or to Council
- Comments on behalf of residents on significant planning applications
- Co-ordinate the work of councillors with local groups such as neighbourhood forums, residents associations etc.
- Plan work with the other wards in the District (Cross District) to support
 the functions of the District Committee and to engage with partners such
 as the police, health etc.
- No formal delegations and no longer any formal clerking and minute taking but replaced with informal notes and a new "ward tracker" database which is put on CMIS.
