Good Afternoon Licensing,

I am in receipt of an application for an application for a temporary events notice as above..

In order to ensure that the licensing objectives were promoted I have made request of the applicants agent and the applicant for information in order to quantify this. To date the information requested has not been supplied and the person whose party it is has been uncontactable.

West Midlands Police would therefore wish to object to the granting of this temporary events notice as it cannot be ascertained that the application promotes the licensing objectives in particular the prevention of crime and disorder and the promotion of public safety. Should appropriate information be forthcoming West Midlands Police would withdraw this objection and agree to the issue of the TEN. I have copied the applicant and their agent into this email.

Subject: RE: TEN - CJ MORE - 1383219
Importance: High

Hi

I am responding to this application for a TEN on behalf of Environmental Health as a responsible authority and I formally object to this application on the basis that this will not support the promotion of the licensing objective relating to the prevention of public nuisance.

The application from Kerynn Seale is seeking a TEN for the provision of Regulated entertainment, Late Night refreshment and Sale of alcohol on the premises at C J More, 145 Hockley Hill Birmingham between the hours of 07.00 on 30 June 2023 until 02.00 on 1 July 2023 at a premises described as a function venue for a birthday party for 150 people.

The site is located in a mixed-use area however there is nearby residential use within 150 metres. The premises appear to be a single storey building associated with church use and lacks effective noise mitigation design. The application lacks any significant information about the form of entertainment and the reason for the extended hours and provides no mitigation or management measures to reduce noise impact.

Based on the information provided I am concerned that there will be a significant noise impact from building breakout, potential for patrons using external areas and noise from patrons exiting and entering the premises and therefore object to this TEN.

Best Regards

Martin Key
Environmental Protection Officer
