Good afternoon,

Please find attached a set of photographs that were taken between 4:57 and 5:14am on the morning of 14th July.

They show the exterior of StayCity with guests remaining there for around 20 minutes in the presence of security who failed to move them inside.

I apologise for the late submission of this - I was unaware this would be useful as evidence to submit until I was told by Paul Samms from Environmental Health that he believed I should submit them.

I have a full set of 30 photographs from this incident available on my Iphone.

Regards
