Subject: Objection to application at 142 Garretts Green Lane (Case Ref: ZA35923)

To whom it may concern,

RE: Pints N Plates, 142 Garretts Green Lane, Birmingham, B26 2JN

I've recently been contacted by residents in Garretts Green and Sheldon with their concerns about the application for an alcohol license at the above address. I subsequently surveyed surrounding residents to ensure these concerns were representative.

The primary concern is that the proposed establishment is directly next door to a children's nursery, which I believe makes it unsuitable for the serving of alcohol, particularly as the application is for consumption on the premises seven days a week from 9am to 11pm.

Many of my constituents also pointed out that there are already plenty of licensed properties nearby, and that the approval of this application would negatively affect the character of the area. There are also concerns that this would lead to an increase in anti-social behaviour and disruption on what is predominantly a residential street.

57% of the residents who responded called for this application to be rejected outright, while a further 35% would only withdraw their objection if the operating hours were limited to the evening.

I would appreciate it if you would take these objections into consideration when deciding on the outcome of this application.

Yours sincerely,
Jess Phillips MP

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
