Cllr Donaldson	Bromford & Hodge Hill		<p>I welcome the green energy interventions to 300 properties in my ward. I support the recommendations and note there will be extensive consultations with residents.</p> <p>The project will provide sustainable green energy for generations and subsidise their energy costs at a time of a cost of living crisis in the part of the city that has a high fuel poverty rate.</p> <p>Received: Monday 4th July 2022</p>
Cllr Mahmood	Bromford & Hodge Hill		Supported pilot.
