No	<p>Hi</p> <p>I would like to object to this proposal and I speak for myself and local residents that live on St Benedicts Road. My key points of objections are as detailed below:</p> <ol style="list-style-type: none"> 1. At the moment we do not need an increase in numbers in pupils/upper age limit for this school. The main reason for this is that there are at least three schools that can handle the increase in numbers of pupils that are within minutes of this school. 2. There will be an increase in traffic on this road and with this proposal will cause a detrimental effect to local residents. There have been numerous times where driveways have been blocked by both staff and adults that bring kids to school. 3. Local residents have not been informed of these proposals. <p>In light of the above I therefore must resist any changes that have been proposed by this increase in numbers.</p> <p>Kind Regards</p>	ANON-E7BT-AT8G-6	Introduction
No	<p>There are already an over supply of primary schools in the area- Ark chamberlain, ark Victoria, holy family catholic school, somerville school, Starbank school, etc etc. Increasing the places for yr 3 to 11 makes no sense whatsoever. What is needed is secondary school places.</p> <p>Also this will affect the ever increasing traffic congestion within our locality for no gain.</p>	ANON-E7BT-AT85-M	Introduction

School Org: Statutory Consultation Results: St Benedict's SOT10068

Summary Table

Total number of responses:	2
Total number with written comments:	2

Number in favour or against the proposal:	
In favour	0
Against	2
Don't know	0
Not indicated	0

Method of response:	
BeHeard (website)	2
Email	0
Letter	0

Respondent by type:	
Local Resident	7

Comment themes: (Number of mentions within total written comments)	Support	Concern
Increase in pupil numbers	0/2	2/2
Increase in traffic	0/2	2/2
Consultation process	0/2	1/2

*Analyst notes

Comment themes: Key themes are identified from within the comments. The analyst counts the number of comments that contain that theme and indicates whether the comment is in support or a concern. These themes are presented as a fraction of the number of written comments received.

This analysis of the statutory consultation will be published to the statutory consultation webpage: <https://www.birminghambeheard.org.uk/people-1/stbenedictsfinal/>
This analysis will be appended to report to the decision makers.
