Subject: 143 Soho Road, B21 9ST - Licensing Act 2003 Application
Importance: High

Hi

I, Martin Key, as a representative of Environmental Health, formally raise a representation to the premises licence application submitted by Mr Sufdar Nazir in respect of 143 Soho Road, Birmingham, B21 9ST requesting late night refreshment between the hours of 12.00 and 05.00. My representation concerns the likely effect of the grant of the licence on the promotion of the licensing objectives relating to the prevention of public nuisance.

I am concerned that the grant of the licence would potentially result in noise nuisance to neighbouring properties due to noise breakout from the building arising from the supply of late night refreshment after 23.00 hours and the associated noise generated by visiting patrons and deliveries from the premises until 05.00 every day of the week. There is also the significant risk of noise and odour from the extraction system affecting the locality and particularly adjacent residential use. This concern is based on the proposed operating hours, the type of operation, the absence of any effective operating conditions to mitigate the impact on the licensing objective, the existing noise environment (including the operating hours of nearby premises) and the proximity of noise sensitive receptors in what is a main road with attached residential premises.

The proposed hours will be significantly out of character with the area and are likely to result in noise nuisance to neighbouring residential premises. The premises has the benefit of a planning permission but this restricts the operating hours to 09.00 – 23.00 and a request to vary these hours in 2003 to extend until 02.00 was refused on the basis that the requested extension in hours would adversely affect the amenity of occupiers of dwelling in the vicinity due to noise and disturbance. I do not believe that my concerns can be dealt with by the use of appropriate conditions as it is principally about the termination hours proposed and would therefore raise a representation seeking refusal.

Best Regards

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Dear Sir/Madam

We are acting on behalf of the client as the agent for the late license application for the above addressed property

We have read and digested the information provided from your good self in relation to your concerns for the above premises.

We attach information in regards to the reasoning why this application for late license should be looked at positively as follows

1. We attached the previous late licence approval application number 401 allowing opening hours from 12:00 – 05:00 Mon-Sun valid from 2005 and in 2017 it was surrendered, we had no intention of surrendering the license, we were made aware of this when the enforcement officer made a visit. During that period of operation there were no complaints from the council or the local residents of any noise disturbance.
2. Please see attached a list of all the premises that have late license approval within the vicinity.
3. Please also see attached letter of support from the Soho Road BID.

As the original premises has been operation for 15 years with no complaints we feel that to obtain the license once again under the same premises would not have a negative effect in the area. As you would be aware with the current COVID-19 crisis business are struggling and to make this business viable the late license is a necessity. As you would appreciate job retention for the local staff is what we are reliant on with this license.

The original canopy and ventilation system was installed in accordance with the guidelines at that moment in time when it was first opened and has been maintained since.

The premises has a full CCTV. Fire alarm and burglar alarm system in place to assist in any concerns that would be raised. Once again the premises has provided the local community with service for period of 18 years. We look forward to your comments to assist in allowing the business to operate for late license and provide the great service the business has been providing.

Should you require additional information please do not hesitate to contact us
