What is the Celebrating Communities Small Grants Fund?

Celebrating Communities is a universal small grant award related to the City Council's role in hosting the Birmingham 2022 Commonwealth Games. The fund has been established to help communities to carry out more localised activities, such as street parties, picnics and community celebrations.

The aim is to excite communities, to drive up local level engagement and to use the Games as the catalyst to celebrate Birmingham's local diverse history and linkages to the Commonwealth.

The grants will enable all 69 wards to show support for the Games in a simple, inclusive and accessible way.

All proposals must comply with the appropriate Covid-19 guidance at the time of the project or event.

Grants may be accessed to run initiatives which deliver against one of the following **three themes**:

- **Get Active**
- **Ready, Steady, Fun**
- **Celebrating Culture**

1 Get Active

We're encouraging communities to get out and get active by participating in sports and recreational activities.

Residents can apply for a grant under this category to fund a project which encourages residents of all abilities and ages to engage in physical activity and improve their health and wellbeing.

Events and/or activities should try to incorporate some of the following elements:

Active mobility

- Provide opportunities for increasing activity through walking and cycling.

Community Games & Sports Days

- Bring your community together for a celebration with sports and arts activities. For example, coordinate a Commonwealth Games themed sports day for residents of all ages to participate in
- Provide communities with the means and opportunities to utilise leisure time in a healthy and productive way.

Active streets and parks

- Develop projects that enable communities to be active and connected in their streets, parks and open spaces.

We would love to see community-led cultural events and initiatives developed that encourage intergenerational activities.

Events and projects should encourage intergenerational activities that focus on:

- **Birmingham's place in the Commonwealth:** an honest acknowledgement of Birmingham's legacy
- The **stories** of Birmingham and its residents
- Birmingham's **unheard histories**
- Engagement between **communities of place and identity**
- Increase **pride** in 'being a Brummie' and sharing the **stories and experiences** of all communities

Creative Communities Small Grants Programme

Birmingham Organising Committee for the 2022 Commonwealth Games, is running a Creative Communities Small Grants programme. Applicants may apply for funding from 'Celebrating Culture' to support a bid into Birmingham City Council's Celebrating Communities Small Grants Fund.
