

Great news that Phase 1 is complete for the large MUGA and being used so well

Great news we have been awarded half of what we asked for from Sports England - £20K towards the costs of creating the outdoor gym

Here is the Plan for the Phase 2 works which will be on site October November 2020

Groundworks on Phase 1 cost more money and took longer than expected so the Phase 2 plan shows what can be afforded in Phase 2

Works include picnic benches, and natural play mounds as suggested by residents
