### 1. Purpose of report:

To consider representations that have been made in respect of an application for a Premises Licence which seeks to permit the Sale of Alcohol (for consumption off the premises) to operate from 8:00am until 9:00pm (Monday to Sunday).

Premises to remain open to the public from 8:00am until 9:00pm (Monday to Sunday).

### 2. Recommendation:

To consider the representations that have been made and to determine the application.

### 3. Brief Summary of Report:

An application for a Premises Licence was received on 31<sup>st</sup> January 2019, in respect of Extra Supermarket, 187 High Street, Erdington, Birmingham, B23 6SY.

Representations have been received from two responsible authorities and from other persons.

### 4. Compliance Issues:

## 4.1 Consistency with relevant Council Policies, Plans or Strategies:

The report complies with the City Council's Statement of Licensing Policy and the Council's Corporate Plan to improve the standard of all licensed persons, premises and vehicles in the City.

## 5. Relevant background/chronology of key events:

Paromstor Ltd applied on 31<sup>st</sup> January 2019 for the grant of a Premises Licence for Extra Supermarket, 187 High Street, Erdington, Birmingham, B23 6SY.

Representations have been received from West Midlands Police and Trading Standards, as responsible authorities. See Appendices 1 and 2.

Representations have been received from other persons. See Appendices 3 and 4.

The application is attached at Appendix 5.

Site Location Plans at Appendix 6.

It should be noted that there is a special policy in force for the Erdington area. The effect of a special policy is to create a rebuttable presumption that applications for new licences or material variations to existing licences will normally be refused unless it can be shown that the premises concerned will not add to the cumulative impact on the licensing objectives being experienced.

The Council will expect the applicant to demonstrate the steps it will take to promote the licensing objectives. Where relevant representations are made, the Council will consider the application on its individual merits and decide whether to apply the special policy.

When carrying out its licensing functions, a licensing authority must have regard to Birmingham City Council's Statement of Licensing Policy and the Guidance issued by the Secretary of State under s182 of the Licensing Act 2003. The Licensing Authority is also required to take such steps as it considers appropriate for the promotion of the licensing objectives, which are:-

- a. The prevention of crime and disorder;
- b. Public safety;
- c. The prevention of public nuisance; and
- d. The protection of children from harm.

### 6. List of background documents:

Copies of the representations as detailed in Appendices 1 - 4 Application Form, Appendix 5 Site Location Plans, Appendix 6

# 7. Options available

To Grant the licence in accordance with the application.

Licensing,

- West Midlands Police formally make representation to the grant of this licence on the grounds that if granted the licensing objectives, the prevention of crime and disorder with not be promoted.
- West Midlands Police are aware that in 2018 Birmingham City Council Trading Standards Department conducted a visit on the premises where they found a quantity of illicit tobacco. The licence in place at the time was taken to review where the licensing committee saw fit revoked it.
- West Midlands Police are not satisfied that there has been a change of ownership at the shop and believe that the person(s) involved with the old revoked licence still have day to day control.
- Also, the area in which this shop is located is in the middle of a Cumulative Impact Zone (CIZ). This was
  created by the local council as the area of Erdington is saturated with both on and off alcohol sales. This
  has had a detrimental effect on the area with it being subject to a large amount of alcohol related crime,
  disorder and ASB.
- West Midlands Police are not satisfied that the applicant will be able to promote the licensing objectives.

RE: ON-LINE GRANT - EXTRA SUPERMARKET, 187 HIGH STREET, ERDINGTON, BIRMINGHAM, B23 6SY - Trading Standards objection to new application

Dear Licensing,

I wish to object to the new licence application for Paromstor Ltd for Extra Supermarket 187 High St. Erdington for the reasons listed below;

The proposed PLH company is the same operating company for which the licence was revoked for on 14<sup>th</sup> August 2018.

This company was subject to criminal proceedings by Birmingham Environmental Health and is still undergoing investigation by Trading Standards for the items seized that formed the subject of the licence review.

The proposed DPS; Jiger Patel told us he was the manager of the shop on the day of the seizure on 24<sup>th</sup> May 2018 and was involved in purchasing alcohol. He is presently a director of Paromstor 1td. He has been a director of the company previously and had given a 11 month backdated notification of cessation as a person with significant control of the company on 27<sup>th</sup> July 2017 - backdated to 31 August 2016. (There are many other backdated activities listed against this company which give cause for concern)

During the licence review process the owners said that the business was being sold. This has not happened with one of the other directors at the time Mr Rashmikant Patel still very much involved in the business after our action.

Given the above information I think this new application shows that the operating company and its officers/staff are too closely associated with the previous regime and there will be no significant change in the poor management of the shop resulting in similar breaches of legislation as before

From:Councillor Gareth MooreSent:25 February 2019 15:13To:LicensingCc:Councillor Robert AldenSubject:Objection to Extra Supermarket, 187 High Street, Erdington Ref: 109782

**Dear Licensing** 

Myself and Cllr Alden wish to object to the above licensing application on the grounds of Prevention of Crime & Disorder and Prevention of Public Nuisance.

Erdington High Street already has a large number of off-licences which causes problems of street drinking and antisocial behaviour. As a result, this attracts a number of street drinkers to the area on an evening who engage in antsocial behaviour. It is quite common for these drinkers to take advantage of the secluded areas to drink alcohol and cause a nuisance to nearby residents. The presence of cans and bottles is common place. This has led to the High Street area being covered by a Dispersal Order which was secured by West Midlands Police and is currently covered by a PSPO. The presence of another off-licence within the High Street area will encourage more street drinkers to gather in this area and drive down the price of alcohol due to competition.

The number of off-licences in this area has led to a cumulative impact policy being introduced. The need for a CIP in this area is based on the crime and disorder and public nuisance that already exists. The addition of another off-licence in this area will make this situation worse. It is also a problem that the existing off-licences have to advertise offers to attract business, driving down the price of alcohol and making it cheaper for the street drinkers who are attracted to this area.

Erdington High Street is the third largest local centre in Birmingham and attracts over a million visitors of the course of the year. It is a thriving part of Erdington which we, in partnership with the Erdington BID, have actively tried to improve. The area has suffered problems with street drinkers, who hang around on the High Street drinking all day and abusing those who pass by. This includes children. There has been much work from the Erdington Neighbourhood Police team to address these issues, and while there has been some success, there continues to be issues with street drinking and we are concerned about more off-licences opening up in the area and exacerbating this.

It is also worth noting that these premises were previously licenced but the licence was revoked following an investigated by Trading Standards. The premises had been found to be selling non-duty paid cigarettes and alcohol, and we are concerned that since these premises are known to have engaged in such activity, it will become associated with this again.

The addition of a further off-licence in this area is contrary to the Licensing Objectives and the Council's Cumulative Impact Policy and therefore should be refused.

Many thanks

- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <u>https://www.gov.uk/prove-right-to-work</u>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
