

COVID-19 Vaccination Overview

Data extracted on 07/12/2021

Vaccine Roll Out

- Covid-19 vaccine booster has now been extended to all adults over 18 years (3 months after their second dose), but individuals will have to wait to be contacted by the NHS. The current uptake of the booster vaccines in Birmingham is 69.6%.
- The 16-17 years old can also receive their vaccines through Walk-in sites which are available at locations across Birmingham.
- All children aged 12-15 years old are being offered their vaccine either at school or out of school through the national booking service (online booking or via 119).
- Figures from the [GOV.UK](https://www.gov.uk) website indicate that 88.7% of England people aged 12 years and over have had their 1st vaccine dose, and 80.7% their 2nd dose. This compares to 65.8% and 58.1% in Birmingham. The vaccination roll-out in the 12-15 age group will impact the overall uptake figures, compared to uptake at age 16+.
