15 AUTHORITY TO CHAIRMAN AND OFFICERS

Chairman to move:-

'In an urgent situation between meetings, the Chair jointly with the relevant Chief Officer has authority to act on behalf of the Committee'.

BIRMINGHAM CITY COUNCIL

LICENSING AND PUBLIC PROTECTION COMMITTEE 16 DECEMBER 2015

MINUTES OF A MEETING OF THE LICENSING AND PUBLIC PROTECTION COMMITTEE HELD ON WEDNESDAY 16 DECEMBER 2015 AT 1000 HOURS IN COMMITTEE ROOMS 3&4, COUNCIL HOUSE, BIRMINGHAM

PRESENT: - Councillor Barbara Dring in the Chair;

Councillors Bob Beauchamp, Alex Buchanan, Lynda Clinton, Basharat Dad, Mahmood Hussain, Tony Kennedy, Mike Leddy, Gareth Moore and Anita Ward.

NOTICE OF RECORDING

579 The Chair advised that the meeting would be webcast for live and subsequent broadcast via the Council's internet site (<u>www.birminghamnewsroom.com</u>) and that members of the press/public may record and take photographs. The whole of the meeting would be filmed except where there were confidential or exempt items.

It was noted there were no confidential or exempt items.

APOLOGIES

580 Apologies for absence were submitted on behalf of Councillors Ali, Eustace, Kauser, Lines and Sealey.

An apology for lateness was submitted on behalf of Councillor Kennedy.

DECLARATIONS OF INTEREST

581 There were no declarations of interest submitted by Members

MINUTES

582 It was noted that the Minutes of the Meeting held on 18 November 2015 were not available. Members were advised the Minutes would be submitted at the next meeting.

<u>CONTROL OF SEX ESTABLISHMENT – SEXUAL ENTERTAINMENT</u> <u>VENUE, MEDUSA LODGE GENTLEMENS CLUB, 139 – 147 HURST</u> <u>STREET, SOUTHSIDE, BIRMINGHAM B5 6SD</u>

The following report of the Acting Director of Regulation and Enforcement was submitted:-

(See document No.1)

The following people attended the meeting:-

On behalf of the Application:-

Sarah Clover – Legal Representative Caroline Carrington – Starwhite Limited Julia Chance – Director, Southside BID Stephen Donegal – Designated Premises Supervisor & Manager Carl Moore – C.N.A Risk Management Limited Terry Runcorn - Manager, Nightingale Club Luke Warwood - Director, Starwhite Limited Robert Yue Opher – Director, Starwhite Limited

Presenting Officer:-

David Kennedy – Principal Licensing Officer, Licensing Section

Following introductions from the Chairman, David Kennedy, Licensing Section presented the report. Mr Kennedy further advised that a Licensing Enforcement Officer was also in attendance to answer any relevant questions.

Following a request from the Chairman, Sarah Clover, Legal Representative made the following points, and specifically in relation to Section 5.3 in the report :-

- A premises license was recently granted by Licensing Sub Committee; the application had been fully scrutinised by Members prior to the decision being made.
- There had been no objections to the application by the Responsible Authorities or neighbouring businesses; representatives from the latter were present and supported the application.
- The applicant and their supporting team had an excellent track record and experience in this type of entertainment and operated a number of venues Page 4 of 172

across the country, including Reading, Stratford upon Avon, Oxford and Birmingham City Centre. All were successful businesses, very well run and managed, and worked very well with local businesses and the respective Responsible Authorities.

- A bespoke Designated Premises Supervisor would be appointed to the club once a decision regarding the application had been made.
- The premises had been vacant since 2000; the proposed refurbishment had been warmly welcomed by Southside Business Improvement District, and there had been no objections from the BID or neighbouring businesses regarding the proposals for its use.
- The premises was situated in the middle of a vibrant night-time economy, and was very close to the Gay Village, a number of bars and restaurants. There were no commercial shops in the immediate area used by families or Children, and was sufficiently far enough away from Grand Central, the Bull Ring Shopping Centre and religious institutions.
- The refurbishment of the premises would be undertaken to a specific 1920's theme and concept; the exterior discreet and in-keeping with its surroundings. The entertainment offer would be 1920's burlesque style cabaret and jazz; fine wines and champagne and a very different style and class to that of current sexual entertainment venues in the city.
- Several visits had recently been made by Licensing Enforcement Officers to the sister premises in the city operated by the applicant; no concerns or issues had been identified.
- The applicant and associated partners had not been identified as unsuitable to hold this type of licence.
- Should the licence be granted, it would not exceed the number of sex establishments of a particular kind in the relevant locality at the time the application was made.

In response to questions from the Chairman, Ms Chance confirmed that the location and operation of the premises would not have an adverse impact on the Big City Plan. The premises would help to enhance and support the vision and aims of the Plan as security measures including CCTV cameras and enhanced street lighting were included in the refurbishment of the premises – all of which were consistent with the security and community safety aspects of the Plan.

Ms Chance further explained that the entertainment offer would be approximately 50% lap dancing and 50% burlesque specific, with a very strong emphasis on the club's Code of Conduct and the safety and security of the female employees.

The door security staff would be fully trained to SIA Standards to ensure that the ethics of the club and the security of the staff were maintained at all times and to the highest possible standard.

In response to questions from Councillor Moore regarding the conduct and operations between the two sister premises in the city and the impact on the local night-time economy, Mr Runcorn explained that both premises were supportive of the local businesses and night-time economy, and took immense pride in working with and supporting local businesses.

Partnership working was essential to ensure the safety of visitors and customers particularly within the Gay Village, which attracted a very diverse range of visitors from all walks of life. In addition, several local businesses had expressed a number of concerns regarding the issues at the nearby Gatecrashers and the Electric Club, which they felt, could have a detrimental impact on the local entertainment scene and visitors to the area if they were not appropriately addressed.

In response to further questions from Councillor Moore, Ms Carrington advised there were no intentions to target any particular customer group/audience or operate promotion events/evenings. The management team would also be working closely with the organisers of major events like Birmingham Pride to ensure their operating schedule did not have an impact on the event(s) taking place.

Councillors Leddy and Hussain sought further clarity regarding the running of both premises, as they felt the information in the report could be misleading, and the general public may not be aware that this was a new application and not a transfer of premises.

Ms Carrington confirmed that the sister premises in Suffolk Street would continue to operate alongside the premises in Hurst Street should the application for the latter be granted.

In response to the Councillors further concerns regarding the contents of the report, Doug Wright, Licensing Enforcement Officer advised that the application was for new premises in Hurst Street and not a transfer of the current premises in Suffolk Street. References had been to the establishment in Suffolk Street as both would share the same management team to start with until the staffing arrangements were in place for the new premises.

In summing up, Ms Clover confirmed that a Challenge 25 Policy with the appropriate proof of identity checks would be in operation at the premises, along with very strict rules/code/dress conduct, which were expected to be adhered to at all times. In addition, West Midlands Police Licensing Section had been made fully aware that the application was for an additional venue and not a transfer of premises.

At 1102 hours the Committee adjourned and the Chairman requested that all present, with the exception of the Members and the Committee Lawyer withdraw from the meeting.

After an adjournment, all parties were recalled to the meeting at 1114 hours and the decision of the Committee was announced.

583 **RESOLVED**:-

That the application by Starwhite Limited for a Sexual Entertainment Venue licence under the Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 as amended by the Policing and Crime Act 2009 in respect of Medusa Lodge Gentlemen's Club, 139 – 147 Hurst Street, Southside, Birmingham, B5 6SD be granted.

Members carefully considered the representation on behalf of the applicant via their Counsel, Miss Clover who explained the nature and style of the proposed operation was based on a specific theme of the 1920's. Grand cabaret and burlesque shows, and jazz were planned to be the main source of entertainment at the front of the premises with relevant sexual entertainment taking place in private booths to the rear of the premises.

Miss Clover indicated the proposed sexual entertainment venue (SEV) subject of the application was in need of money and refurbishment as it had been empty since 2000 and was run down. It was located on the gateway corner to the Nightingale Club that was at the heart of night time economy of the Gay Village. The proposed operation was driven by market forces, intended for the middle market which would be complimentary to night time economy of Southside but not directed to the gay community.

It was made clear by Miss Clover when addressing Members on the discretionary grounds for refusal, and whether parts of the Council's SEV policy were engaged, that the application did not fall within any of categories of concern. The proposed SEV did not engage the policy at a high level in relation to the use of premises in the vicinity and the character of the locality, or cast doubt on the applicant's character or proposed use of the premises. Miss Clover further mentioned that if granted any licence would in any event require annual renewal which would take into account the character of the locality at the relevant time.

Additionally, Members noted that neither West Midlands Police nor the Licensing Enforcement Officer had any issues with the existing sister premises located at Suffolk Street, or with the current application that was before them. Further, nearby residents had not lodged any complaints or objections.

In response to questions from Members concerning the Big City Plan in respect of Southside, and various security issues, it was made clear that proposals planned for the SEV were much welcomed and supported by the Southside BID Manager, Julie Chance and the Director of the Nightingale Club, Terry Runcorn. This body of feeling in the locality viewed the proposed SEV as compactable with the present and future development of Southside's character in that it would attract all communities who would want to enjoy an alternative type of entertainment that was on offer in a distinct yet sensitive environment run by well-known operators, and Security Company.

In reaching their determination, Members welcomed the proposed change in style of entertainment to burlesque which was a move away from lap-dancing, and gave weight to the track record and experience of the various representatives of the proposed licence holder who ran similar operations elsewhere in country without complaint. Members were satisfied that the applicants had demonstrated the proposed operation was right for the location

and the intended market audience as supported by the Southside businesses. The applicant appeared willing and able to operate premises discreetly, anonymously and with no external indication as to the nature of entertainment taking place. Moreover, security issues had been addressed satisfactorily which in the opinion of the Members would in turn improve the local economy.

In reaching this decision, the Sub-Committee gave due consideration to the City Council's SEV Policy, the information contained in the application, and the submissions made at the hearing by the applicant's representatives and their Counsel.

The time for appeal was contained in Schedule 3, paragraph 27 of The Local Government (Miscellaneous Provisions) Act 1982, and should be made within 21 days of the decision to the Magistrates Court.

PRIVATE HIRE VEHICLE SAFETY – TOYOTA HIACE

The following report of the Acting Director of Regulation and Enforcement was submitted:-

(See Document No. 2)

Shawn Woodcock, Acting Licensing Operations Manager drew Members attention to the key points at sections 3.4; 3.5; 4.2 and 4.3 in the report.

Councillor Clinton sought confirmation that guidance would be given to private hire drivers who were considering the use of this type of vehicle for their work. Mr Woodcock confirmed that drivers would be advised beforehand, and that the opportunity to attend Committee would still continue.

Councillor Leddy expressed concerns that a number of garages had not identified these issues during the MOT testing procedures, and felt that the testing of the seatbelt anchor points and fixings should be part of the testing procedures. Mr Woodcock advised that work was currently being carried out with the MOT testing stations to address these issues as well as the general standards, quality and practices. He added that random checks were carried out approximately eight times in the year.

Chris Neville, Head of Licensing further advised of the penalty point system in place with MOT testing stations following concerns raised as a result of the proactive work by officers.

Members welcomed the report and commended the proactive approach taken by Officers.

584 **RESOLVED:-**

That the contents of the report and Members comments be noted.

PROSECUTIONS AND CAUTIONS – OCTOBER 2015

The following report of the Acting Director of Regulation and Enforcement was submitted:-

(See Document No.3)

Alison Harwood, Acting Director of Regulation and Enforcement presented he report, and drew Member attention to Appendix 1 which provided details of the cases to date.

In response to questions from Councillor Ward regarding the time taken from the initial fine to the court hearing, Mark Croxford, Head of Environmental Health advised that Fixed Penalty Notices were required to be paid within 14 days. Where there were exceptional circumstances and evidence of hardship, an extension could be granted over an agreed period of time. A statutory report to court was prepared within 6 months; however the hearing date was determined by the court.

Councillor Beauchamp commented on the custodial sentence given in the case brought by Trading Standards and welcomed the action taken by officers.

Members welcomed the report.

585 **RESOLVED**:-

That the contents of the report be noted.

FIXED PENALTY NOTICES ISSUED OCTOBER 2015

The following report of the Acting Director of Regulation and Enforcement was submitted:-

(See Document No.4)

Mark Croxford, Head of Environmental Health presented the report and advised that discussions were ongoing with Service Birmingham to provide a more detailed breakdown of the data.

Members welcomed the report.

586 **RESOLVED**:-

That the contents of the report be noted.

OUTCOME OF APPEALS AGAINST SUB COMMITTEE DECISIONS: SEPTEMBER AND OCTOBER 2015

The following report of the Acting Director of Regulation and Enforcement was submitted:-

(See Document No. 5)

Chris Neville, Head of Licensing presented the report and drew Members attention to the schedule of cases listed at Appendix 1.

Councillor Moore welcomed the successful outcome and the court costs awarded in respect of the Vauxhall Social Club, adding that it was an excellent result for the Officers and the city as a whole.

587 **<u>RESOLVED</u>:-**

That the report be noted.

ACTIONS TAKEN BY THE CHIEF OFFICER IN CONSULTATION WITH THE CHAIR OF LICENSING AND PUBLIC PROTECTION COMMITTEE DURING NOVEMBER 2015

The following report of the Acting Director of Regulation and Enforcement was submitted:-

(See Document No. 6)

588 **RESOLVED:-**

That the report be noted.

SCHEDULE OF OUTSTANDING MINUTES

The following schedule of Outstanding Minutes was submitted:

(See Document No.7)

Chris Neville, Head of Licensing presented the schedule, and in response to questions from Councillor Clinton regarding recovery costs, advised that a further report would be submitted to Committee providing details of costs awarded and the percentage paid.

589 **RESOLVED**:-

That the schedule of Outstanding Minutes be noted and continued.

590 OTHER URGENT BUSINESS

None raised.

The Chair thanked the Committee for their continued support and wished Members and Officers a Merry Christmas and Happy New Year.

AUTHORITY TO CHAIRMAN AND OFFICERS

591 **<u>RESOLVED</u>:-**

In an urgent situation between meetings, the Chair jointly with the relevant Chief Officer has authority to act on behalf of the Committee.

The meeting ended at 1150 hours.

CHAIRMAN

Report to:	LICENSING AND PUBLIC PROTECTION COMMITTEE
Report of:	ACTING SERVICE DIRECTOR REGULATION AND ENFORCEMENT AND STRATEGIC DIRECTOR FINANCE AND LEGAL
Date of Decision: SUBJECT:	20 JANUARY 2016 LICENSING AND PUBLIC PROTECTION – REVENUE BUDGET MONITORING 2015/16 (MONTH 8)

1. Purpose of Report:

- 1.1 This report sets out the position on the Licensing and Public Protection Committee's Revenue Budget at the end of November 2015 (Month 8) and the forecast outturn position for the year end. It highlights any issues that have arisen and informs the Licensing and Public Protection Committee of any action being taken to contain spending within the approved cash limits.
- 1.2 The report also details the latest performance within the Licensing and Public Protection Committee including progress against the approved Savings Programme for 2015/16.
- 1.3 The report is in line with the current City Council established financial monitoring framework to ensure that expenditure is managed within cash limits.

2. Decision(s) Recommended:

The Licensing and Public Protection Committee is requested to :

- 2.1 Note the latest Revenue budget position at the end of November 2015 (Month 8) as detailed in Appendix 1.
- 2.2 Note the position with regard to the Savings Programme for 2015/16 as detailed in Appendix 2.
- 2.3 Note the expenditure on grant funded and Proceeds of Crime funded programmes in Appendix 3.
- 2.4 Note the position on reserves and balances, as detailed in Appendix 4.

Lead Contact Officer(s):	Sukvinder Kalsi, Assistant Director of Finance
Telephone No:	0121 303 3834
E-mail address:	sukvinder.kalsi@birmingham.gov.uk

3. Consultation

3.1 Internal

The financial position on the revenue budget is reported on a monthly basis to the Management Team and the Acting Service Director of Regulation and Enforcement is briefed on the major financial issues, as required in line with the Council's framework.

3.2 External

There are no additional issues beyond consultations carried out as part of the budget setting process for 2015/16.

4.	Compliance Issues:
4.1	Are the recommended decisions consistent with the Council's policies, plans and strategies?
	The budget is integrated with the Council Business Plan, and resource allocation is directed towards policy priorities.

4.2 <u>Financial Implications (Will decisions be carried out within existing finances and Resources?)</u>

The Licensing and Public Protection Revenue Budget Monitoring document attached gives details of monitoring of service delivery within available resources.

4.3 Legal Implications

Section 151 of the 1972 Local Government Act requires the Director of Finance (as the responsible officer) to ensure proper administration of the City Council's financial affairs. Budgetary control, which includes the regular monitoring of and reporting on budgets, is an essential requirement placed on directorates and members of Corporate Management Team by the City Council in discharging the statutory responsibility. This report meets the City Council's requirements on budgetary control for the specified area of the City Council's Directorate activities.

4.4 Public Sector Equality Duty

There are no additional specific Equality Duty or Equality Analysis issues beyond any already assessed and detailed in the budget setting process and monitoring issues that have arisen in the year to date. Any specific assessments will be made by the Directorates in the management of their services.

5. Relevant Background/Chronology of Key Events:

Revenue Budget

5.1 The City Council approved the overall budget on 3 March 2015. The Licensing and Public Protection Committee noted the original net revenue budget allocation of £3.990m (as detailed in Appendix 1). The budget has been increased by £0.457m (as detailed in the table below) and there have been no further changes since Month 6, reported at November Committee.

	£'m
Original Budget 2015/16 Reported to LPPC 18 March 2015	3.990
Centralisation of Marketing and Communications Budgets	(0.007)
Repatriation of Districts SLA Budgets (Pest Control)	0.514
Transfer of 1 FTE Post to Future Council Team (1 year)	(0.082)
Additional Resource for Voluntary Redundancy	0.032
Additional Coroners Expenditure relating to Deprivation of Liberty Safeguards	0.050
Additional Government Funding for Deprivation of Liberty Safeguards	(0.050)
Current Approved Net Revenue Budget 2015/16 – Month 8	4.447

5.2 The City Council has well-established arrangements for monitoring spending against the cash limited budgets allocated to Directorates/Committees. Reports are presented to Cabinet monthly on the overall city-wide financial position and the Licensing and Public Protection Committee receive periodic reports during the financial year.

<u>Revenue</u>

- 5.3 The Licensing and Public Protection Committee has spent £4.635m at Month 8, compared to a profiled budget of £2.783m and results in a net overspend of £1.852m. This compares to the year-end projected overspend of £0.480m after taking into account the Corporate support of £1.200m for the savings relating to Pest Control which will be released at the end of the financial year.
- 5.4 The table below provides a high level summary of the Licensing and Public Protection Committee's financial performance as at the end of November 2015 and the year-end projection (the full details are set out in Appendix 1).

	Year End Projection			
Budget Head	Month End Variation £'m	Savings Programme £'m	Base Budget Pressures £'m	
Employees	0.151	-	0.250	
Premises	0.002	-	-	
Transport	(0.041)	-	-	
Supplies and Services	0.022	-	0.180	
Third Party Payments	0.002	-	-	
Recharge Expenditure	0.063	-	-	
Sub-Total	0.199	-	-	
Income	1.653	-	0.050	
Total	1.852	-	0.480	

- 5.5 The main factors contributing to the position at the end of Month 8 are as follows :
 - The Employees budget overspend of £0.151m primarily pension strain costs (£0.164m) and the pressure of the pay award. This is partly off-set through additional resources of £0.040m (Deprivation of Liberty Safeguards) and a number of vacant posts being maintained across the service areas.
 - The main service area where employee budgets are overspent is Licensing. This pressure will be funded through the use of ring-fenced licensing balances. There are also pressures in Trading Standards as alternative funding streams for employee costs (e.g. Hajj/Umrah) are not available in 2015/16.
 - The continuing under-recovery of income relates to Pest Control and Register Office as identified and reported in previous LPPC Reports.

Savings Programme

- 5.6 The Committee had a significant Savings Programme of £2.316m for 2015/16 relating to all service areas. The full details are set out in Appendix 2 and include: £0.172m for Environmental Health, £0.100m for Registrars, £0.283m for Coroners, £1.300m for Pest Control, £0.122m for Trading Standards and £0.339m for Licensing.
- 5.7 There was a projected under-recovery of £0.100m on Savings (as reported previously) and this is now expected to be recovered through additional services on empty Council properties.
- 5.8 Further as reported at last Committee (18 November) £1.200m from corporate reserves will be made available at the year end to fund the majority of the pressure on Pest Control. The impact on future years (for which solutions are being developed) will be reported to the Committee as part of the Budget Report in March 2016.
- 5.9 The continued rigorous management action and financial control of officers has ensured that the programme will be achieved through operational efficiencies, income generation and utilisation of Corporate Resources.

Year End Forecast

- 5.10 An overspend of £0.480m is being projected on the following services:
 - Mortuary and Coroners service has come under increased pressure due to the increased volume of referrals to the Coroner (as a percentage of number of deaths).
 - The Register Office income continues to be under pressure, a detailed review is continuing, however a realistic forecast pressure for the year is £0.400m.
 - Trading Standards are forecast to overspend on Employee budgets. Previously this service area had options to utilise grant income such as for the Hajj/Umrah Travel project, however these options are not available in 2015/16. The pressure is being addressed through a major staff restructure.
 - Environmental Health is expected to generate increased income through fines and fixed penalty notices, this positive forecast has also been included.

- 5.11 Managers in consultation with the Service Director Regulation and Enforcement will ensure that any identified pressures are minimised and are working towards achieving the cash limited budget by continuing:
 - Stringent control of discretionary expenditure.
 - New areas of service provision for the generation of income.
 - Careful management of vacancies, temporary staff and redeployment.

<u>Capital</u>

5.12 Currently there are no Capital projects for 2015/16.

Grant Funded and Proceeds of Crime Funded Programmes

- 5.13 Within Regulatory Services, there are two grant funded programmes for Illegal Money Lending England and Scambusters. There are two Proceeds of Crime Programmes funded through a proportion of the assets recovered following successful prosecutions.
- 5.14 The expenditure and income for each programme is shown in Appendix 3.
- 5.15 The Illegal Money Lending England (IMLT).
 - IMLT investigates and takes action against Illegal Money Lending or "Loan Shark" perpetrators across the whole of England.
 - This is a national project funded through specific grant jointly from National Trading Standards Board and the Financial Conduct Authority.
 - The expenditure at the end of November was £2.038m, which is £0.336m behind the profiled budget expectations for this stage in the year.
 - This budget is strictly ring-fenced to this grant funded service.
- 5.16 Scambusters.
 - This team investigates and takes action against fraudsters operating across council boundaries in the central region.
 - This is a regional project funded through specific grant of £0.261m through the National Trading Standards Board.
 - The expenditure at the end of November was £0.137m, compared to a profiled budget position of £0.174m.
 - This budget is strictly ring-fenced to this grant funded service.
- 5.17 Proceeds of Crime Act 2002.
 - Regulatory Services secures funding through the Proceeds of Crime Act 2002 in response to financial investigations undertaken post sentencing by the courts.
 - This money is strictly ring-fenced and can only be utilised by the Council for community and crime prevention projects.
 - The Illegal Money Lending Team and the Trading Standards Team have spent £0.148m (£0.025m and £0.123m respectively) on such specific PoCA projects from April to November 2015.

Balances and Reserves

- 5.18 The balances and reserves for the Committee are shown in Appendix 4.
- 5.19 The balances brought forward on 1 April 2015 total £1.360m and these are specific ringfenced resources and there are no available general balances to the Committee.
- 5.20 Income of £0.266m from Home Office for PoCA has been received and paid into the appropriate balances, therefore the total currently held in reserves is £1.626m.

6. Evaluation of Alternative Option(s):

6.1 During the year ahead the financial position will continue to be closely monitored and options identified to resolve budgetary pressures as necessary, and alternative savings proposals developed to meet new and emerging pressures

7.	Reasons for Decision(s):
7.1	The Report informs the Licensing and Public Protection Committee of the Revenue Budget position for 2015/16 at the end of November 2015.
7.2	The latest position in respect of the Licensing and Public Protection Committee's year-end

7.2 The latest position in respect of the Licensing and Public Protection Committee's year-end projections, use of reserves, Savings Programme and risks identified in its delivery.

BIRMINGHAM CITY COUNCIL

<u>REPORT OF THE ACTING DIRECTOR OF REGULATION AND ENFORCEMENT</u> <u>TO THE LICENSING AND PUBLIC PROTECTION COMMITTEE</u>

20 JANUARY 2016 ALL WARDS

IMPLICATIONS OF CASEY REPORT FOR LICENSING

1. <u>Summary</u>

- 1.1 In February 2015 the Government published the report of Louise Casey CB into child sexual exploitation (CSE) in Rotherham. The 154 page report considered whether Rotherham was fit for purpose as a Local Authority. Part of her report considered the role played by the Rotherham's Licensing Service in relation to the link between CSE and taxi and private hire licensing.
- 1.2 The Birmingham Licensing Service has used the Casey report as a benchmark to measure itself against in order to identify whether any of the bad practices that the report identified in Rotherham can be found in Birmingham. We have created an action plan of steps to improve our systems and to minimise the risk to children as a consequence.

2. <u>Recommendation</u>

2.1 That the report be noted.

Contact Officer:Chris Neville, Head of LicensingTelephone:303 6920E-mail:chris.neville@birmingham.gov.uk

3. <u>Background</u>

- 3.1 In recent months several local authorities have come under scrutiny following allegations of widespread CSE occurring in their localities. Licensed premises (notably hotels) have been linked to crimes where they have been used as venues for sexual activity to take place with minors. Taxi and private hire drivers have also been associated to the allegations, either through being direct perpetrators of crimes or by being used to drive children between locations. One of the worst affected places was Rotherham.
- 3.2 Rotherham Metropolitan Borough Council (RMBC) commissioned an independent inquiry into how its Children's Services had dealt with cases of CSE between 1997 to 2013. The resulting report by Professor Alexis Jay was published on 26th August 2014 and found evidence of CSE of at least 1,400 children in Rotherham over this period. The majority of the perpetrators were described as 'Asian' by victims and the report concluded that there had been a 'collective failure' by the Council and the police to stop the abuse.
- 3.3 On 10th September 2014 the Secretary of State appointed Louise Casey CB (Companion of the Order of Bath), to carry out an inspection of RMBC to determine its compliance with the requirements of Part 1 of the Local Government Act 1999 in respect of the council's functions on Governance, Children and Young People, and Taxi and Private Hire Licensing. Part 1 of the Act relates to a local authority's general duty of Best Value to 'make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness.'
- 3.4 In undertaking the inspection, Louise Casey was directed to consider:

In exercising its functions on governance, children and young people, and taxi and private hire licensing, whether the Local Authority:

- allowed for adequate scrutiny by Councillors;
- covered up information, and whether 'whistle-blowers' were silenced;
- took and continued to take appropriate action against staff guilty of gross misconduct;
- was and continued to be subject to institutionalised political correctness;
- affecting its decision-making on sensitive issues;
- undertook and continued to undertake sufficient liaisons with other agencies, particularly the police, local health partners, and the safeguarding board;
- took and continued to take sufficient steps to ensure only 'fit and proper persons' are permitted to hold a taxi licence; and
- was taking steps to address effectively past and current weaknesses or shortcomings in the exercise of its functions, and had the capacity to continue to do so.

3.5 Louise Casey concluded that RMBC was not fit for purpose and in particular, was failing in its duty to protect vulnerable children and young people from harm. Her 154 page report, entitled 'Report of Inspection of Rotherham Metropolitan Borough Council' is available in full at:

https://www.gov.uk/government/publications/report-of-inspection-ofrotherham-metropolitan-borough-council

Louise Casey's covering letter to the Secretary of State which accompanied her report is attached as Appendix 1.

4. <u>Casey Report: Key Findings</u>

- 4.1 The key findings, as set out in the Casey Report's Executive Summary, are summarised below:
 - A council in denial about serious and on-going safeguarding failures.
 - An archaic culture of sexism, bullying and discomfort around race.
 - Failure to address past weaknesses, in particular in Children's Social Care.
 - Weak and ineffective arrangements for taxi licensing which leave the public at risk.
 - Ineffective leadership and management, including political leadership.
 - No shared vision, a partial management team and ineffective liaisons with partners.
 - A culture of covering up uncomfortable truths, silencing whistle-blowers and paying off staff rather than dealing with difficult issues.

5. <u>What is Child Sexual Exploitation (CSE)?</u>

5.1 The Casey Report provides a clear and comprehensive description of what constitutes CSE, part of which is reproduced below verbatim. The description concludes by saying, "Fundamentally this is about the rape and abuse of children by adults".

"CSE is a form of child abuse in which perpetrators develop total control over their victims. It starts with a grooming process, in which victims are showered with gifts and attention. They are treated like adults, for example, by being taken out in cars. The young person can believe that the perpetrator is their boyfriend and that they are in love. This is a powerful thing, especially for young children or young people who may have difficult family backgrounds and crave love and attention. As a result, they do not complain. The grooming process isolates the victim from friends and family.

"At some point, drugs, alcohol and sex may be introduced. They are forced not only to have sex with their abuser but sometimes other men too. This is coupled with more overt coercion, threats and violence. By now, victims may be dependent on drugs and alcohol, afraid of their

Page 25 of 172

abuser, isolated from their family and scared that they will not be believed or that worse may happen to them or their families if they make a complaint.

"The consequences of CSE are appalling. Victims suffer from suicidal feelings and often self-harm. Many become pregnant. Some have to manage the emotional consequences of miscarriages and abortions while others have children that they are unable to parent appropriately. The abuse and violence continues to affect victims into adulthood. Many enter violent and abusive relationships. Many suffer poor mental health and addiction.

"The predators often target children with difficult backgrounds, including those in care, who are particularly vulnerable to grooming. But they are also sometimes able to exploit those from stable backgrounds. That families, despite their very best efforts, are unable to prevent the abuse reflects the power of the abusers and the degree of control they exert."

- 6. <u>Casey Report: Did Rotherham Take Sufficient Steps to Ensure Only Fit and</u> <u>Proper Persons Were Permitted to Hold a Taxi Licence</u>
- 6.1 The Licensing Service in Rotherham reported to a 'Licensing Board' of elected members, equivalent to our own Licensing and Public Protection Committee. The Board had delegated authority to determine policy, applications, suspensions and revocations of licences. The Board originally consisted of 25 members, but had been reduced to 5 shortly before the inspection was carried out. The authority licensed 86 private hire operators, 840 private hire vehicles, 52 hackney carriages and 1,158 licensed drivers.
- 6.2 Inspectors reporting to Louise Casey were directed to consider whether Rotherham MBC had taken and continued to take sufficient steps to ensure only fit and proper persons were permitted to hold a taxi licence. The report concluded that Rotherham MBC had not taken sufficient steps and described what it classed as 'serious weaknesses and concerns'. It made criticism of particular aspects of the Rotherham Licensing Service, which are summarised below. In Appendix 2 we have compared the findings to Birmingham's service and made recommendations where appropriate.

7. <u>A Divided Service</u>

7.1 Rotherham's taxi licensing service was organised into two branches; a Policy team dealing with licence applications, renewals, suspensions and revocations and an Enforcement team dealing with complaints and investigations. The report described this split of functions as not being common in other licensing authorities, although it mirrors the structure of Birmingham's Licensing Service. In Rotherham MBC, the inspectors found

evidence of conflict between the two branches on what kind of evidence could be presented to Licensing Board hearings.

- 7.2 The two branches of Licensing used different databases which did not interface, which made internal information sharing more difficult and had resulted in licences being granted despite an ongoing investigation of a complaint. Inspectors also found that enforcement staff did not always record complaints or information on their data systems, which resulted in trends not being identified and complaints not being available at the point of licence renewal.
- 7.3 Meetings were rarely held across the entire service and the visibility of senior leaders was poor.

8. Lack of Policy

8.1 Officers from Rotherham MBC told the inspectors that its policies were out of date and that attempts to modernise them were blocked. There was no indication of what should prompt the immediate suspension of a licensed driver in relation to there being 'serious concerns around the activities of a licensed driver'.

9. <u>Trade Influence and the Role of Members</u>

- 9.1 The private hire trade in Rotherham was described as 'vocal and demanding'. Officers expressed the view that the Licensing Service seemed to be more geared towards facilitating the trade than protecting the public. Members added to this pressure to support the trade. Some members on the Board had previously held taxi driver licences. At one point the Board had been reluctant to hear any cases without there being an accompanying conviction. Officers were put under pressure from members to expedite licence applications.
- 9.2 There were instances of members making representations on behalf of the trade or individual drivers. One Councillor wrote to the Crown Court offering a reference for a driver who had his licence revoked. The former Deputy Leader of the Council had made representations on behalf of taxi drivers to speed up the issue of licences in advance of CRB checks. He applied pressure to officers to stop proposals for unannounced safety checks on taxis after receiving representations from the trade. Instead, officers were required to give ten days' notice of checks, which resulted in VOSA (Vehicle and Operator Services Agency) withdrawing from the plans.

10. <u>Complaints and Investigations</u>

- 10.1 The report expressed major concern about the ability of Rotherham's Licensing Service to undertake thorough investigations and a lack of tenacity amongst officers. In an audit of 22 complaints to the service, 86% were found to be inadequate, with cases being closed before they were satisfactorily resolved. The inspectors found a propensity for informal resolutions of complaints, not following up all lines of enquiry and giving the trade the benefit of the doubt. This included a number of complaints of drivers refusing to carry passengers with guide dogs. (In Birmingham we have achieved successful prosecution outcomes against drivers that have refused to carry assistance dogs).
- 10.2 There was inadequate information exchanged with Children's Services and the Police on individual cases. Inspectors found that the Licensing Service was not routinely informed by the Police of potential CSE concerns.
- 10.3 The report found that officers lacked curiosity when large numbers of complaints about vehicles or drivers all related to the same operator and, therefore, failed to apply conditions to operator licences in such circumstances.
- 10.4 The Licensing Service was found to have set too high a threshold of evidence before considering suspension or revocation of a licence. Officers were found to be applying the criminal burden of proof (beyond all reasonable doubt) instead of the civil burden of proof (on the balance of probabilities).
- 10.5 Members who sat on the Licensing Board had not been given sufficient bespoke training on dealing with taxi hearings. Following complaints from members about the number and nature of documents provided to them in advance of hearings, fewer documents were provided which diminished the quality of decision making and could result in outcomes which placed the public at risk.

11. <u>Pressure on Staff</u>

11.1 Officers in Rotherham MBC reported that they were understaffed and due to an unresolved contractual issue over late working, there was no enforcement of licensing matters in the night time economy. Enforcement officer caseloads were unevenly spread.

12. <u>New Licensing Policy</u>

12.1 In October 2014 Rotherham's Licensing Board agreed a draft revised policy for consultation. It proposed a number of changes including a requirement for drivers to achieve BTEC level 2 certificate; extending the requirement for holding a UK driving licence to five years; tougher knowledge tests; more rigorous standards for the consideration of criminality including sexual

offences concerning children and vulnerable people. Louise Casey welcomed the new policy, but her report noted that:

- the Council's general Enforcement Policy did not give sufficient prominence to the need to protect the public;
- the guidance suggested that the authority would not normally grant a licence if an applicant had more than one conviction for indecency or was on the sex offenders register (whereas one conviction should be enough to prevent a licence being granted);
- the policy did not address how the authority would deal with complaints where the complainant did not want to report the incident to the police or the Police decided not to investigate or prosecute because of the criminal burden of proof. This highlighted the authority's reliance on the criminal burden of proof as a benchmark for deciding how to deal with drivers;
- The proposals would take three years to implement as none of them were retrospective. New licence conditions would apply only to new licences or renewed licences. Louise Casey found this unacceptable given the background of CSE in Rotherham MBC.

13. <u>Taxis and Child Sexual Exploitation</u>

- 13.1 Professor Jay's report said that there was a common thread between taxi drivers and CSE across England and she noted the involvement of drivers from an early stage. Louise Casey's report noted that Rotherham MBC needed to resolve its own problems not only to protect children, but also to protect the majority of reputable taxi drivers that were tainted by association.
- 13.2 In assessing what Rotherham's Licensing Service had done to protect children from harm, the Casey Report determined that despite being informed of allegations of CSE by partner agencies, Licensing had not acted upon it; partly due to the authority's application of the incorrect burden of proof to decisions; partly because complaints about drivers or operators were not linked; and partly because of ineffective investigations by officers. Despite all the attention that Rotherham MBC had come under, inspectors still found a reluctance amongst officers to acknowledge the link between taxis and CSE.

14. <u>Consultation</u>

14.1 If approved by the Committee, the Action Plan at Appendix 2 will be shared with trade representatives and communicated to drivers and operators.

15. <u>Implications for Resources</u>

15.1 The proposals in the Action Plan at Appendix 2, including the cost of delivering an awareness course for drivers and operators will be met from the Licensing ring fenced budget surplus.

16. <u>Implications for Policy Priorities</u>

16.1 The work identified in this report helps to deliver the Leader's priority of a Fair City and the outcome of ensuring the most vulnerable people are safe from crime, violence and abuse.

17. Implications for Equality and Diversity

17.1 The Casey Report identified a misplaced sense of political correctness which inhibited open discussion about problems linked to minority ethnic groups for fear of being labelled 'racist'. This resulted in action not being taken which permitted perpetrators to remain at large and victims not being protected.

ACTING DIRECTOR OF REGULATION AND ENFORCMENT

Background Papers: Nil

Department for Communities & Local Government

Louise Casey CB Rotherham Inspection Fry Building, 4th Floor 2 Marsham Street London SW1P 4DF Tel 030-3444-1131 Louise.casey@communities.gsi.gov.uk

27th January 2015

Rt Hon. Eric Pickles Secretary of State for Communities and Local Government Department for Communities and Local Government Fry Building 2 Marsham Street London SW1P 4DF

RE: INSPECTION OF ROTHERHAM METROPOLITAN BOROUGH COUNCIL

Please find enclosed my inspection report.

You will see that I have concluded that Rotherham Metropolitan Borough Council is failing in its legal obligation to make arrangements to secure continuous improvement in the way in which it exercises its functions, having regard to a combination of economy, efficiency and effectiveness.

I propose that, as the Secretary of State, you should exercise your powers under section 15 of the Local Government Act 1999 to give Directions to Rotherham Metropolitan Borough Council. The form and content of any such Directions will be a matter for you to determine.

However, it is my view that the purpose of the Directions should be threefold:

- 1. to address the deep-seated culture of poor governance and leadership identified by the Inspection;
- 2. to drive improvements in services and outcomes for local people; and
- 3. to restore public trust and confidence in Rotherham.

More specifically, the objectives of any Direction(s) should be to ensure that:

- 1. There is a rapid improvement in the performance of key services that effect public safety, children and any others identified in the report;
- 2. The Council effectively tackles historic and current concerns regarding child sexual exploitation, including support for known victims; and establishes a stronger partnership with South Yorkshire Police to take action to tackle perpetrators.
- 3. The capacity, skills and competencies of the political leadership is built and sustained and good member-officer relationships are established;
- 4. That values are established to deliver a healthy and positive culture that also challenges the misguided attitudes to race;
- 5. The Council plays an effective role in working with external partners to improve the prospects of the people of Rotherham;
- 6. Under the leadership of a new Chief Executive, the Senior Management Team is strengthened to ensure it is effective.

I propose that you should consider:

- 1. Suspending the democratic process for 2015 to give the Council some shortterm stability while it focusses wholly on addressing the many weaknesses we have identified. Full elections would then be held in 2016 giving the council a fresh political start.
- 2. Appointing a full-time Commissioner to act as Managing Director, overseeing the required changes in leadership and management, including the appointment of a permanent Chief Executive and senior management team, and ensuring that services and outcomes improve.
- 3. Agree with the Secretary of State for Education to the extension of the appointment of the Children's Commissioner to make it an almost full time role, given the extent and severity of the deficits identified in Children's Social Care.

4. Appointing an overseeing Commissioner with all the powers of the Council. Normal decision making processes should be followed but with the Commissioner holding the power to over-ride in the interest of economy, efficiency and effectiveness. The Managing Director would report to this Commissioner in order to re-build effective partnerships, ensure action is taken in relation to CSE, and restore public trust and confidence in the Council. The overseeing Commissioner would work closely with the Children's Commissioner. These appointments should last until a re-inspection of the Council confirms that it is capable to manage its own affairs.

I would be prepared to lead on a re-inspection within the next 12 months to ensure that there is a determination to deliver the improvements within a reasonable time-scale and to ensure a continuity of judgement about whether the Council has reached an acceptable standard.

I look forward to our meeting this week and to discussing the report. I am grateful to you for the opportunity to conduct this Inspection.

LOUISE CASEY CB

Cc: Sir Bob Kerslake, Permanent Secretary

Casey Report Findings	Birmingham Comparison	Action	Target Date
	Birmingham Licensing service mirrors a similar split, however, we do not regard this to be a barrier to successful compliance or enforcement.	Staff training to ensure that the importance of record keeping is understood and that information is shared between teams.	31.03.2016
	Our procedures ensure that enforcement reports are discussed with Licensing Officers.		
	Birmingham has two databases that service the granting and administration of licences (SOPRA) and a separate enforcement database (M3).	A replacement system for SOPRA will be procured and installed.	01.06.2016
	Officers are reminded at team meetings to record all information. Our enforcement officers can all use SOPRA and place any warnings on the system if they need to alert Licensing Officers of investigations.		

Casey Report Findings	Birmingham Comparison	Action	Target Date
A failure to make links between separate incidents or complaints about drivers where recurrent issues were identified.	Records are maintained of all complaints, intelligence and enforcement action against individual drivers and operators, whether substantiated or not, but low level infringements (e.g. not displaying operator signs) are dealt with at stop checks by way of verbal warnings coupled with on the spot rectification.	We will introduce a cumulative points system for drivers and operators to capture all infringements to help build a complete picture of individuals' behaviour and identify trends. The policy will incorporate trigger points for appropriate action to be taken, e.g. based on a set number of complaints being made within a fixed timescale.	30/06/2016
Lack of Policy: Rotherham's policies were found to be out of date.	Hackney Carriage/Private Hire policies / licence conditions have not been changed for a number of years, although they have been reviewed annually.	We have identified which policies / conditions require updating. A programme has been developed for certain key polices to be renewed, namely:	Date for revised policy / conditions to be presented to LPPC:
		Vehicle engine sizes	Mar-16
		Operator Conditions	Apr-16
		Vehicle Conditions	May-16
		Driver Conditions	Jun-16
		Hackney Carriage Bye-Laws	Jul-16

Casey Report Findings	Birmingham Comparison	Action	Target Date
Inappropriate political intervention in officer decision making.	There have been occasions when elected members have attempted to influence licensing decisions at officer level (both taxi and non-taxi decisions). Normally they are councillors who do not sit on the Licensing and Public Protection Committee. Similar pressure is sometimes applied by councillors to other councillors sitting on Licensing sub- committees.	A separate report to the Licensing and Public Protection Committee proposes that greater decision making powers be delegated to officers with a view to replacing taxi/Private Hire licensing sub- committees with an officer panel for all cases apart from policy decisions.	Report to Licensing and Public Protection Committee May.
Complaints about drivers with school transport contracts were inadequately investigated.	Decisions to award contracts to drivers for school contracts are made by the City's Education Transport Team. Officers in that team and in Licensing have improved their liaison to improve the flow of communication. A formal document to outline each team's roles and responsibilities would be helpful.	To agree a Revised Memorandum of Understanding between Licensing and Education Transport to cover roles, responsibilities, communication etc.	Completed
not receive sufficient bespoke training on dealing with taxi	Bespoke training was provided to the Licensing and Public Protection Committee last year on decision making and taxi hearings. Further training for this year's committee has been arranged on decision making. Specific taxi training will be arranged again unless the decision is made to replace Sub-Committee hearings with an officer panel. We have not shortened the reports that are presented to elected members.	Specific taxi licensing training to be organised by Legal Services for members. Legal Services to develop a protocol to require members to be trained before being allowed to sit on taxi hearings.	Completed

Casey Report Findings	Birmingham Comparison	Action	Target Date
There was a strong link in Rotherham between CSE and men from the Pakistani Heritage Community. In Rotherham and other parts of the country taxi drivers have been identified as a common thread in connection with CSE.	In Birmingham the majority of hackney carriage and private hire drivers are from the Pakistani Heritage Community.	Require all current and future licensed hackney carriage drivers, private hire drivers and operators to attend a Safeguarding awareness course (taking account of CSE and all categories of vulnerable people, including intoxicated customers), which could be used to remind all of their licence conditions.	After June
The Casey Report found that officers lacked guidance on how to deal with complaints where the complainant would not report an incident to the police or where the police decided not to investigate or prosecute due to the criminal burden of proof.	Officers in Birmingham also lack such guidance, although we are clear that we do not apply the criminal burden of proof to these situations.	Officers to develop a framework for dealing with CSE and other complaints that have not been reported to the police or where the police have not prosecuted. To include guidance on the circumstances when suspension will apply and the level of evidence required. Such framework to incorporate grounds for decisions on when to immediately suspend or revoke licences.	31.12.15

BIRMINGHAM CITY COUNCIL

<u>REPORT OF THE ACTING DIRECTOR REGULATION AND ENFORCEMENT</u> <u>TO THE LICENSING AND PUBLIC PROTECTION COMMITTEE</u>

20 JANUARY 2015 ALL WARDS

THE NATIONAL FOOD HYGIENE RATING SCHEME FOR FOOD PREMISES

1. <u>Summary</u>

1.1 The purpose of this report is to advise the Committee of the National Food Hygiene Rating Scheme and how this is used to drive up standards in food businesses in Birmingham as well as the UK as a whole.

2. <u>Recommendation</u>

2.1 That the Chair makes representations to the Minister requesting that the legislation is amended or enacted to making it mandatory to display the food rating under the Food Hygiene Rating Scheme, in line with the Food Hygiene Rating (Wales) Act 2013.

Contact Officer:Nick Lowe, Operations Manager Food Safety TeamTelephone:0121 303 2491Email:nick.lowe@birmingham.gov.uk

3. <u>Background</u>

- 3.1 Following every programmed food hygiene inspection, each business is scored under the National Food Hygiene Rating Scheme (FHRS). This rates all businesses from 0 (the worst) to 5 (the best) where 0, 1 & 2 means there are minimum legal standards not having been met. Commonly known as "Scores on the Doors", this is a way of communicating the results of food inspections to the public by giving a score which reflects our findings during initial inspection.
- 3.2 The scheme assesses food businesses in three areas; hygiene compliance; structural hygiene and confidence in management. Currently food business operators may choose to display those scores in their premises using official signs provided by Environmental Health Officers under the national scheme. In addition the same information is available through the Food Standards Agency website and mobile Apps.
- 3.3 Historically a significant driver in the development of Scores on the Doors schemes was the introduction of the Freedom of Information Act 2000 (FOI), which enabled consumers to directly request information from Local Authorities. This resulted in an increased number of requests from various sources about food hygiene standards in food premises, particularly from the media. The introduction of Scores on the Doors and the FSA web site has reduced the workload associated with such FOI requests, as the enquirer can be redirected to the information on the website.
- 3.4 The main advantage of such a scheme is the greater transparency for businesses and consumers, and the measurable increase in food hygiene standards. Many businesses take a pride in achieving a high score and look to maintain it at their next programmed inspection.
- 3.5 In general the scheme is designed to provide recognition and reward for good performing food businesses, with the potential to enhance business reputation.

4. <u>The National Food Hygiene Rating Scheme (FHRS)</u>

- 4.1 The FHRS uses a simple numerical score and does not have any additional descriptors, such as stars or H's.
- 4.2 The FHRS score is more representative than the full risk rating applied to businesses by environmental health teams. The fuller score drives the inspection frequency and large manufactures, hospitals and some other establishments have a weighting applied to their overall score to ensure they are the most frequently inspected food businesses. These scores rate the premises from A to E but do not necessarily reflect compliance with legislation in that for example a large hospital will almost certainly be an "A" premises (with 6 monthly inspection frequency) notwithstanding that it is fully compliant

with food legislation. This is due to the fact it serves hot ready to eat food and has vulnerable consumers both of which attract high weightings.

- 4.3 The FHRS scheme uses scores from three areas of the full assessment: Hygiene compliance; Structural hygiene: and Confidence in management. These are combined to produce the 0 to 5 rating. By using these scores this is reflective of the business's operating standard and premises with a 5 FHRS are the best.
- 4.4 There is often some confusion on the score being a reflection of current standards for the food business. The score is reflective of the conditions found at the time of inspection and will last until the next inspection. However where premises are found to be non-compliant, with minimum legal requirements, remedial work will be required by the inspecting officer. During this period one or more re-inspection(s) will occur until the premises are up to the minimum standard but following this level being attained the premises will not be rescored.
- 4.5 The reason for not rescoring after all interventions are completed is to ensure that the scores are a measure of the standards of the food business, not of the ability for the local authority's inspectors to improve business standards.
- 4.6 Business can request a revisit after 3 months if the score is no longer reflective of their standards and they wish to obtain a higher rating.

5. <u>Display of FHRS scores</u>

5.1 Following inspection each premises is sent a score and an official sign to display on their door or window. We know that people are interested in the rating as the table below shows the number of hits on Birmingham Councils web page that links to the FHRS. However it does not show how many people go directly to the FSA web-site or looked at the score on the door.

Food Hygiene Rating Scheme

2015													
Month	Jan	Feb	Mar	Apr	May	June	July	Aug	Sept	Oct	Nov	Dec	Total
Page Views	556	769	1,254	637	484	431	363	371	381	582	668	432	6,928

5.2 In 2005 in South Wales there was a serious food outbreak that lead to a large number of people being affected by E coli 0157. In total 31 people were hospitalised and a 5 year old child died. 157 cases were identified over the outbreak affecting mostly children attending 44 different schools in 4 Local Authority areas. Subsequently the Welsh Assembly introduced the Food Hygiene Rating (Wales) Act 2013 that requires all food premises to display their FHRS score and it is an offence in Wales not to do so. Failure to display the rating in the place specified by the inspector is punishable by a fine (level 3) or a fixed penalty notice (£200 or £150 if paid in 14 days).

5.3 In England there is no such requirement. It is possible under the Consumer Protection from Unfair Trading Regulations 2008 to cause someone displaying the incorrect score to remove an old score as it would mislead the consumer. However there is no requirement to display the current score. We know from speaking to businesses that many are concerned at the score they receive and this in turn has driven up standards. Now that the scheme is established officers believe that it should move to the next level which forces everyone to display their score. In so doing it is hoped that those who consistently score low and refuse to display their scores, will take the scheme more seriously and improve their standards.

6. <u>Implications for Resources</u>

- 6.1 There would be no implication on resources
- 7. Implications for Policy Priorities
- 7.1 The increasing awareness of FHRS would contribute to the City Council's policy priorities associated with helping to create a cleaner, greener, safer city.
- 8. <u>Public Sector Equality Duty</u>
- 8.1 There are none identified

BIRMINGHAM CITY COUNCIL

<u>REPORT OF THE ACTING DIRECTOR OF REGULATION AND ENFORCEMENT</u> <u>TO THE LICENSING AND PUBLIC PROTECTION COMMITTEE</u>

20 JANUARY 2016 ALL WARDS

BIRMINGHAM BEST BAR NONE 2015

1. <u>Summary</u>

- 1.1 This report advises the Committee of the results of the 2015 Best Bar None scheme held in Birmingham on 2nd December 2015.
- 1.2 Best Bar None is a "best practice" initiative, supported by the Home Office, which offers an incentive for licensed premises to raise their standards of operation to the level of an agreed national benchmark.
- 2. <u>Recommendation</u>
- 2.1 That the report be noted.

Contact Officer:	Chris Neville, Head of Licensing
Telephone:	0121 303 6920
E-mail:	chris.neville@birmingham.gov.uk

3. <u>Background</u>

3.1 Best Bar None is a national scheme which was developed in 2003 in Manchester to address alcohol-related crime and promote the responsible management of alcohol licensed premises. It is supported by the Home Office and has been adopted by 75 towns and cities across the UK. On 2nd December 2015 Birmingham held its ninth annual Best Bar None awards ceremony at the International Convention Centre in Broad Street.

4. <u>The Purpose of the Best Bar None Scheme</u>

- 4.1 The purpose of the scheme is to:
 - Reduce alcohol related crime and disorder.
 - Build a positive relationship between the licensed trade, police and local authorities.
 - Encourage the sharing of knowledge, skills and good practice between regulators, business owners and bar staff to raise standards.
 - Recognise and reward high standards in responsible management.
 - Highlight how premises that are responsibly managed can improve their profitability and the attractiveness of a general area.
 - Provide an opportunity for accredited premises to promote their success.

5. <u>Why Birmingham Supports Best Bar None</u>

- 5.1 Birmingham supports Best Bar None because it:
 - Promotes the city as a safe and vibrant place to go at night.
 - Shows a willingness to address alcohol related crime and anti-social behaviour through the promotion of good practice and behaviour.
 - Is acknowledged by the Home Office as having a positive effect on the night-time economy.
 - Promotes a partnership approach to resolving issues.

6. <u>How the scheme works</u>

- 6.1 The scheme is open to all licensed premises in the city. At the beginning of the year premises are invited to apply to be assessed against a set of Best Bar None criteria. Premises are visited by pairs of assessors. Assessors are taken from the Licensing Enforcement team, West Midlands Police, West Midlands Fire Service and the Trading Standards service. Premises are asked to demonstrate how they meet the standards of Best Bar None in respect of the following areas and they are scored by assessors accordingly:
 - Regular security reviews.

- Written accident recording system.
- Building evacuation procedures in the event of emergencies.
- Fire safety and risk assessments.
- Noise and dispersal policies.
- Robust proof of age policies.
- Regular staff training.
- Clear and effective policies on:
 - Drunkenness.
 - Drug abuse.
 - Anti-theft strategies.
 - Dealing with disorder.
- Glass collection.
- 6.2 The above criteria all relate to the Licensing Act objectives, which are:
 - prevention of crime and disorder;
 - health and public safety;
 - prevention of public nuisance; and
 - protection of children from harm.
- 6.3 This year 56 premises were assessed and 55 were judged to have met the essential criteria for accreditation. Every premises that met the standard received a certificate and a plaque that can be displayed in or outside their venue to acknowledge that they have met the standard. A copy of the plaque is attached as an appendix showing the refreshed national branding for 2015. From the list of accredited premises 42 were shortlisted.
- 6.4 Shortlisted premises classified themselves into one of the categories below and a judging panel then chose a winning venue in each category based on the assessors scores and any supplementary information provided by the premises in their assessment. The panel made their decisions on written information which had been anonymised to prevent them knowing the names of the premises they were judging.
 - Casino.
 - City centre venue.
 - Hotel bar.
 - Nightclub.
 - Restaurant Bar.
 - Student Bar.
 - Suburban venues:
 - North.
 - South.
 - East.
 - West.
 - Overall "Best Bar None".

6.5 In addition, Free Radio conducted a "People's Choice" vote in November, in which the public were invited to vote on-line for their favourite premises from the shortlist for a city centre and a suburban award.

7. <u>Best Bar None Awards Ceremony</u>

7.1 The Awards Ceremony was attended by 230 people and the evening was hosted by Free Radio's morning DJ Andy Goulding. Winning premises were presented on stage with a trophy. Photographs of the awards ceremony can be seen on the Birmingham Best Bar None website <u>www.bhambbn.co.uk</u>. During the evening a raffle for the Children's Hospital raised £1,089.

Category	Winner
Casino	Genting Casino Chinatown
City centre venue	Village Inn
Hotel bar	Briar Rose
Nightclub	Nightingale
Restaurant Bar	Le Truc
Student Bar	Jo's Bar
Suburban venues:	
North	The Bottle of Sack
South	Old Hare and Hounds
East	The Pear Tree
West	Sacks of Potatoes
Birmingham People's	Pitcher and Piano
Choice Award City	
Centre	
Birmingham People's	The Red Lion
Choice Award Suburban	
Best Bar None	Le Truc
(overall winner)	

7.2 The winners were:

8. <u>Implications for Resources</u>

- 8.1 The awards ceremony is principally funded through ticket sales for the event and financial sponsorship or sponsorship in kind which this year was provided by the following organisations:
 - Carlsberg UK
 - Aston Manor Cider
 - Harrison Clark Rickerbys (Solicitors)
 - Free Radio
- 8.2 The partnership contributions made to this scheme from Licensing and Trading Standards were contained within the resources available to your Committee. However, due to increased pressures on City Council and West

Midlands Police and Fire budgets, the future viability of the scheme will be reviewed in 2016.

9. Implications for Policy Priorities

- 9.1 Best Bar None contributes to the strategic outcomes of 'staying safe' and "succeeding economically". It is also consistent with the Council's Future Council design principles in that by encouraging high standards it helps to reduce demand for services which poorly managed alcohol licensed premises can create.
- 10. <u>Implications for Equality and Diversity</u>
- 10.1 No implications have been identified.

BIRMINGHAM CITY COUNCIL

<u>REPORT OF THE ACTING DIRECTOR OF REGULATION AND ENFORCEMENT</u> <u>TO THE LICENSING AND PUBLIC PROTECTION COMMITTEE</u>

20 JANUARY 2015 LADYWOOD WARD NECHELLS WARD

LOCATION CHANGES OF AIR POLLUTION MONITORING EQUIPMENT

- 1 <u>Summary</u>
- 1.1 The Local Authority has a duty to monitor the air within its district and assess the concentrations of certain pollutants against a legal limit.
- 1.2 Within Birmingham the only pollutant that exceeds the legal limit is nitrogen dioxide and the primary problem area is the city centre, mainly within the A4540 ring road.
- 1.3 In order to improve the monitoring network within the city centre it has been determined to relocate two stations from Tyburn Road into the centre.
- 1.4 The Government have submitted updated air quality plans to the EU and one aspect is the mandating of a Clean Air Zone within Birmingham, the details of which are yet to be determined. Relocating the stations will assist in monitoring the effectiveness of any measure introduced.

2 <u>Recommendations</u>

- 2.1 That Committee endorse the ongoing monitoring strategy employed by Environmental Health.
- 2.2 That a further report be brought to this Committee in February detailing the announcement by Government regarding the mandating of Clean Air Zones.

Contact Officer:	Mark Wolstencroft, Operations Manager Environmental
	Protection
Telephone:	0121 303 9950
E-mail:	mark.wolstencroft@birmingham.gov.uk

3. <u>Background</u>

- 3.1 Under the Local Air Quality Management (LAQM) regime established under the Environment Act 1995 local authorities are required to monitor for various pollutants within their area.
- 3.2 Where monitoring determines that pollutant levels exceed or are likely to exceed legislative limits the authority is obligated to declare an Air Quality Management Area.
- 3.3. Within Birmingham the only pollutant which exceeds legislative limits is nitrogen dioxide (NO₂) and as such the monitoring strategy employed by the local authority focuses on monitoring for NO₂.
- 3.4 NO₂ is a product of combustion and the primary source of NO₂ within the city is from road vehicles, with diesel vehicles generating increased levels as opposed to petrol equivalents (where appropriate).

4 <u>Monitoring Network</u>

- 4.1 The Environmental Protection Team within Environmental Health manage the monitoring network and determine monitoring sites based on experience, known pollutant sources, and changes to the road network.
- 4.2 The monitoring network makes use of real time monitoring stations where the air is sampled and the pollution concentration recorded in real time, and nitrogen dioxide tubes which display an average pollutant concentration over a period e.g. 2 weeks or a month.
- 4.3 The advantages of real time monitoring is that it can better show diurnal variations and hence can be linked to traffic flows, individual episodes within a period e.g. congestion, rush hour, etc., but they are more costly to set up and maintain.
- 4.4 A further benefit of a real time monitoring station is that when correctly calibrated the confidence level of the output i.e. the pollutant concentration, can be very high, and this allows collocating of nitrogen dioxide tubes to provide a correction factor which can further enhance the confidence in tubes deployed widely across an area.
- 4.5 Combined, the use of real time and passive diffusion technologies can provide for a robust network across the city.
- 4.6 The attached appendix shows the approximate location of the network as of autumn 2015.

5 <u>Relocation of Stations</u>

- 5.1 Due to the impending closure of the Tyburn Road offices and relocation of the Environmental Protection Team to Manor House there is a need to relocate the two real time stations to alternate sites within the city.
- 5.2 An added factor in the relocation of the stations is the fact that the area most affected by NO₂ is the city centre and enhanced monitoring within this area would provide a greater benefit in assisting the targeting of interventions to control pollution. Consideration of locating more stations in the city centre area has been ongoing for some time, but the need to move from Tyburn Road has hastened this process.
- 5.3 Two sites are being proposed both within the city centre area.
- 5.4 The first site is on the grass verge to the rear of the Nelson Junior and Infants School (see plan below). This will allow measurement of urban background levels within the city centre area.

5.5 The second site proposed is on the eastern ring road on Watery Lane Middleway adjacent to Kingston Hill Local Park (see below). This will allow measurement of pollutant levels at a busy roadside.

- 5.6 The two sites are being discussed by Environmental Protection in partnership with colleagues within Defra who are fully funding the relocation of one of the stations.
- 5.7 Both sites satisfy the need for further inner city monitoring and are in alignment with City Council and Government strategy around air quality.
- 5.8 Air pollution levels on the Tyburn Road do not exceed the legislative limit which is considered at a property façade and as such relocating the monitoring sites will not adversely affect the local population.

6 Brief Comment on Wider Air Quality Matters

- 6.1 As stated above, the relocation of the stations aligns with wider strategic needs and the last 12 months has seen a significant interest in air quality matters.
 - 6.1.1 The European Commission has commenced infraction proceedings against the UK Government for breaches of the NO₂ limit value and Defra were tasked with preparing an air quality plan to be submitted to Government by the end of 2015. Birmingham officers have had significant input into this plan and the finalized submission.
 - 6.1.2 The "VW scandal" has highlighted the failure of laboratory testing of emission from new vehicles, heavily undermining the reputation of certain automotive manufacturers. This has brought into question the

Page 52 of 172

accuracy of projections and cemented the need for more robust and accurate testing regimes that are based more on real life drive cycles rather than in-laboratory tests.

- 6.1.3 As part of Government's plan submitted to the EU, it has been announced in December that Government would be mandating the declaration of a Clean Air Zone (CAZ) in Birmingham, this to cover buses, coaches, HGV, LGV, hackney carriages, but not private cars. The CAZ in itself will not secure compliance but other measures will be needed and these will be scoped by Birmingham officers working in conjunction with Defra.
- 6.1.4 The LAQM regime is presently being revised, the intention being for it to be more streamlined, to focus more on action planning i.e. delivering pollution reductions rather than monitoring and assessing emissions, and to have clear high level support i.e. at Chief Executive Level, with a senior officer steering group.
- 6.2 Due to the level of detail involved and the high level strategic implications of the developments, many of which have arisen in the past two months, it has been determined by Senior Officers that a report be presented to Executive Management Team (EMT), covering these items. This report is being completed with a view to being presented at EMT in mid-January.
- 6.3 Assuming that the report is accepted and taken to EMT then a request will be made to EMT to permit the report to be brought before this Committee in February.

7 Implications for Resources

- 7.1 The resources employed in carrying out the work detailed in this report are partly delivered by Defra, whilst Officer time will be contained within this Committee's budget. Additional costs for the second monitoring station, for instance putting in a hard-standing, physical removal, electrical connection will be part funded from this Committee's budget.
- 7.2 Environmental Protection have secured grant funding for various air quality projects over the past 5 years, some of the funds arising remain unspent. A request will be made to the grant provider (Defra) to ascertain if funds can be realigned to assist in the moving costs.

8 Implications for Policy Priorities

8.1 The management of air quality contributes to fulfilling the policies of Birmingham 2026: Our vision for the future and supports the strategic outcomes set out in the Council Business Plan for 2011+, specifically to 'stay safe in a clean, green city'.

- 8.2 The work undertaken by Environmental Health also supports the Regulation and Enforcement Division's mission statement to provide 'fair regulation for all achieving a safe, clean, green and fair trading city for residents, business and visitors'.
- 8.3 A link between poor air quality and social deprivation has been established with the more inner city wards suffering the greatest amount of pollution. By reprioritizing monitoring to the more affected wards this can better assist in securing suitable interventions to reduce pollution and associated health inequalities.
- 8.4 Air pollution levels on the Tyburn Road do not exceed the legislative limit and as such relocating the monitoring sites will not adversely affect the local population.

9 <u>Public Sector Equality Duty</u>

- 9.1 Air pollution has the potential to affect all members of society but can have specific impacts on pregnant women and the unborn child. The concerns about such are widely known and health advice is issued accordingly by relevant medical professionals.
- 9.2 The approach taken to address air quality is such as to protect all members of society and does not discriminate against any group.

<u>REPORT OF THE ACTING DIRECTOR OF REGULATION AND ENFORCEMENT</u> <u>TO THE LICENSING AND PUBLIC PROTECTION COMMITTEE</u>

20 JANUARY 2016 ALL WARDS

COST RECOVERY AT COURT

1. <u>Summary</u>

- 1.1 At the meeting of this Committee on 16 July 2014 members asked for further information on the percentage of costs that are received from defendants in criminal cases. This report addresses this question.
- 1.2 The Council's financial recording systems are such that a precise figure cannot be measured, however, we are able to estimate approximate figures based on annual income received from the courts.

2. <u>Recommendation</u>

2.1 That outstanding minute number 387(ii) be discharged.

Contact Officer:Chris Neville, Head of LicensingTelephone:0121 303 6920E-mail:chris.neville@birmingham.gov.uk

3. <u>Background</u>

- 3.1 The Licensing, Environmental Health and Trading Standards services all perform regulatory functions and are authorised to take prosecutions under legislation that is delegated to them from your Committee. Information is provided to the Committee at each meeting on the outcome of prosecution cases in the preceding month(s).
- 3.2 The cost of taking prosecution cases is paid from the budget of the relevant service area responsible for the prosecution. Where a defendant pleads guilty or is found guilty the prosecutor is entitled to ask the court to order that the defendant pays the costs of the case to the prosecutor.
- 3.3 The prosecutor is entitled to ask for all relevant costs, which include the cost of officer time to investigate and report the offence, witness expenses, the cost of processing the prosecution administratively and the legal costs associated to it (namely the costs of employing a solicitor or barrister to oversee the prosecution before court and of presenting the case at court). In determining the cost of officer time, a figure is calculated annually and reviewed and approved by your Committee in the annual Fees and Charges report. That figure is based on the different pay scales of officers, but includes all overheads associated to the employment of the officer and is therefore more than an hourly salary rate.

OFFICER SALARY GRADE	CHARGEABLE HOURLY RATE 2014/2015	CHARGEABLE HOURLY RATE 2015/2016
Grade 2	£29	£31
Grade 3	£38	£42
Grade 4	£50	£54
Grade 5	£63	£68
Grade 6	£80	£87
Grade 7	£107	£117

3.4 Most investigations are undertaken by officers at Grade 4 or 5. The last set of hourly rates was approved in March 2015 as follows:

3.5 The reports that are presented monthly to your Committee include information on the amount of costs that are awarded by the courts as a percentage of the amount claimed by the prosecution. Members have asked for more information on the how much of the amount awarded is paid by defendants.

4. <u>Cost Recovery</u>

- 4.1 Costs are awarded by virtue of Section 18 of the Prosecution of Offences Act 1985. Guidance is provided to magistrates and prosecutors in a Practice Direction issued by the Lord Chief Justice. The principles of cost recovery flow from the Court of Appeal case of Neville v Gardner Merchant in 1983, which concerned an Environmental Health prosecution.
- 4.2 Magistrates and Crown Courts have complete discretion in terms of making costs orders and their decisions have to be made in the light of the circumstances of each particular case. Regardless of the cost to the prosecution the court will always have regard to the ability of the defendant to pay. Costs must be 'just and reasonable' and a court must not order defendants to pay costs which the defendant is unable to pay as a result of their financial circumstances. Courts have the power to order costs to be repaid on an instalment basis where it is appropriate, but they must not do so if the limited means of the defendant are such that it would take an excessively long time to repay.
- 4.3 For the year to date since 1st April 2015 the following costs have been requested and awarded:

Licensing £38,120 has been requested with £22,457 being awarded (59%).

Environmental Health £100,039 requested with £88,825 being awarded (88%).

<u>Trading Standards</u> £58,216 requested with £40,557 being awarded (70%).

- 4.4 The overall average rate of recovery is, therefore, 72.3%. Historically Licensing has tended to be awarded a lower percentage of its costs. There is no definitive reason for this, although it is likely that magistrates are influenced by the knowledge that private hire drivers (who form the majority of Licensing's defendants) will lose their licence and, therefore, their livelihoods following conviction, which affects the defendant's ability to pay.
- 4.5 Trading Standards' cost recovery rate is affected by the prevalence of custodial sentences for its prosecutions. Very often courts are reluctant to make costs orders on top of custodial sentences.
- 4.6 Having made a costs order, the responsibility then rests with the court to recover the costs from the defendant, which as stated above, might be on an instalment basis. The courts have various processes and procedures which they employ to recover costs from defendants, such as:
 - Collection Order Notices.
 - Further Steps Notices.
 - Deducting Payments straight from Attachment of Benefit.

Page 59 of 172

- Deducting payments straight from Attachment of Earnings orders.
- Distress Warrants.
- Warrants of Arrest.
- Referring the matter back to court for a committal warrant to be issued.
- 4.7 The courts operate their own banking/recording system for payments received from defendants. They will maintain a record of fines, costs awarded (BCC element) and Court Charges. On a regular basis the courts will transfer the money due to Birmingham City Council electronically or by cheque along with summary information usually referring to the defendant's name in the transactions to assist the Council to allocate the income items to the correct prosecuting department. The Council's systems are such that it does not directly relate the income transactions to the costs of the individual cases. Therefore, it is not possible to say with any accuracy what percentage of costs awarded at court are recovered in income.
- 4.8 Within Birmingham City Council, each service area will be able to state how much income it has received from the courts on an annual basis. However, due to the complexity involved in linking income transactions to specific legal cases, it is not possible to say precisely what percentage of costs awarded are recovered on an individual case by case basis. Partly this is because income on each case may be received in instalments spanning many months and over more than one financial year. Also, income will often be received from the courts where more than one case has been amalgamated without specifying the name of each defendant or to which case the income relates.
- 5. <u>Implications for Resources</u>
- 5.1 It is important that the highest possible level of cost recovery is achieved to reduce the burden of taking cases on the public purse.
- 6. <u>Implications for Policy Priorities</u>
- 6.1 The Council's Corporate Charging policy expects that officers will maximise income wherever possible.
- 7. Implications for Equality and Diversity
- 7.1 No specific implications have been identified.

ACTING DIRECTOR OF REGULATION AND ENFORCEMENT

BIRMINGHAM CITY COUNCIL

<u>REPORT OF THE ACTING DIRECTOR OF REGULATION AND ENFORCEMENT</u> <u>TO THE LICENSING AND PUBLIC PROTECTION COMMITTEE</u>

20 JANUARY 2016 ALL WARDS

FIXED PENALTY NOTICES ISSUED NOVEMBER 2015

1. <u>Summary</u>

- 1.1 The report sets out a breakdown, on a Constituency/Ward basis, of fixed penalty notices issued in the City during the period November 2015.
- 2. <u>Recommendation</u>
- 2.1 That the report be noted.

Contact Officer:	Mark Croxford, Head of Environmental Health
Telephone:	0121 303 6350
E-mail:	mark.croxford@birmingham.gov.uk

3. <u>Background</u>

- 3.1 The issuing of fixed penalty notices [FPN] by officers from Regulation and Enforcement is one of the means by which the problems of environmental degradation such as littering and dog fouling are being tackled within the City.
- 3.2 The yearly total numbers of fixed penalty notices issued are indicated below.

Fixed Penalty Notices Issued
382
209
650
682

- 4. <u>Enforcement Considerations and Rationale</u>
- 4.1 Set out in Appendix 1 to this report is a table showing on a ward and constituency basis where FPNs were issued during the period November 2015. Of the people who receive a FPN, Appendix 2 indicates in which Birmingham ward the person lives. As approximately one third of those receiving FPNs do not live in the city [visitors or those who work in the city], Appendix 3 identifies where those people live.
- 4.2 By identifying both the area where the FPN is issued and the ward/area that the litterer lives this demonstrates that the anti-litter message is being spread right across the city. By and large litter patrols are targeted to the primary and secondary retail areas of the city because there is a high level of footfall and they engage with a full cross section of the population. Targeted areas include locations where there are excessive levels of littering, smoking areas with high levels of cigarette waste that cause blight in the city and areas where there are known problems associated with groups gathering to eat outdoors.
- 4.3 The number of incidences of Fixed Penalty Notices being issued reflects the fact that there is still a problem with littering on our streets. Since the Health Act came into force there has been a decline in street cleanliness associated with cigarette waste. This is reflected not only in these statistics but also in the environmental quality surveys undertaken by Fleet and Waste Management that record cigarette waste being the most prevalent waste upon our streets and identify it in 98% of all samples of street cleanliness.

- 4.4 One of the difficulties in resolving the problem of cigarette waste being deposited on the street is that the perception of many smokers is that cigarette waste is not litter. A change in the culture and perceptions of these smokers is critical to resolving this problem.
- 4.5 Anyone who receives a FPN is encouraged to talk to their co-workers, friends and families to promote the anti-litter message.

5. <u>Consultation</u>

5.1 The Enforcement Policy that underpins the work identified in this report is approved by your Committee. The policy reflects the views of the public and the business community in terms of the regulatory duties of the Council. Any enforcement action[s] taken as a result of the contents of this report are subject to that Enforcement Policy.

6. <u>Implications for Resources</u>

6.1 The work identified in this report was undertaken within the resources available to your Committee.

7. <u>Implications for Policy Priorities</u>

7.1 The issue of fixed penalty notices has a direct impact on environmental degradation within the City and the Council's strategic outcome of staying safe in a clean, green city.

8. <u>Public Sector Equality Duty</u>

8.1 The actions identified in this report were taken in accordance with approved enforcement policies which ensure that equalities issues have been addressed.

BIRMINGHAM CITY COUNCIL

<u>REPORT OF THE ACTING DIRECTOR OF REGULATION AND ENFORCEMENT</u> <u>TO THE LICENSING AND PUBLIC PROTECTION COMMITTEE</u>

20 JANUARY 2016 ALL WARDS

OUTCOME OF APPEALS AGAINST SUB COMMITTEE DECISIONS: NOVEMBER 2015

- 1. <u>Summary</u>
- 1.1 This report advises the Committee of the outcomes of appeals against the Sub Committee's decisions which are made to the Magistrates' Court, and any subsequent appeals made to the Crown Court, and finalised in the period mentioned above.
- 2. <u>Recommendation</u>
- 2.1 That the report be noted.

Contact Officer:	Chris Neville, Head of Licensing
Telephone:	0121 303 6920
E-mail:	chris.neville@birmingham.gov.uk

Page 145 of 172

3. <u>Summary of Appeal Hearings for November 2015</u>

	Magistrates'	Crown
Total	7	3
Allowed	1	
Dismissed	5	2
Appeal lodged at Crown		
Upheld in part		1
Withdrawn pre-Court	1	

4. <u>Implications for Resources</u>

- 4.1 The details of costs requested and ordered in each case are set out in the appendix below.
- 4.2 In November 2015 costs have been requested to the sum of £3,702 with reimbursement of £3,452 (93.2%) ordered by the Courts.
- 4.3 For the fiscal year thus far, April 2015 to November 2015, costs associated to appeal hearings have been requested to the sum of £28,344.48 with reimbursement of £26,934.48 (95%) ordered by the Courts.

5. <u>Implications for Policy Priorities</u>

5.1 The contents of this report contribute to the priority action of providing an efficient and effective Licensing service to ensure the comfort and safety of those using licensed premises and vehicles.

6. <u>Public Sector Equality Duty</u>

6.1 The actions identified in this report were taken in accordance with the Enforcement Policy of the Regulation and Enforcement Division, which ensures that equality issues have been addressed.

7. <u>Consultation</u>

7.1 The Enforcement Policy that underpins the work identified in this report is approved by your Committee. The policy reflects the views of the public and the business community in terms of the regulatory duties of the Council. Any enforcement action taken as a result of the contents of this report is subject to that Enforcement Policy.

MAGISTRATES' COURT – PRIVATE HIRE DRIVER'S LICENCE

	Name	Date Case Heard	Result	Costs Requested	Costs Ordered	Comments
1	Jamshed Miah	13.11.2015	Allowed	0 (against BCC)	0	On 22 September 2015 information was received that the driver was being investigated for an offence of sexual assault by touching. Authority was sought and received from the Chair to suspend the licence with immediate effect. The appeal was allowed because Mr Miah "had not been given the opportunity to explain the allegation" before being suspended. Mr Miah gave evidence saying "the female passenger was in the passenger seat and she was struggling with the seatbelt, he asked if he should help her and she said go on. He lifted the seatbelt buckle so she could get her seatbelt in. He did not touch her." An appeal to Crown Court is being actively pursued by Birmingham City Council.
2	Mohammed Sohail	02.11.2015	Dismissed	£250	£250	On 1 September 2015, as the result of a conditional discharge for an offence of violence Committee considered and resolved to refuse the grant of a licence.
3	Ghazanfar Ali	12.11.2015	Dismissed	£350	£100	On 14 September 2015, as the result of complaints received that Mr Ali had been working in the Birmingham area whilst licensed by Milton Keynes, Committee considered and resolved to refuse the grant of a licence.
4	Eid Mujeeb	13.11.2015	Dismissed	£250	£250	On 14 September 2015, as the result of conviction for two separate offences of failing to provide information as to the driver of a vehicle, the vehicle having activated traffic cameras, Committee considered and resolved to revoke the licence.

5	Majid Ur Rehman	20.11.2015	Dismissed in absence	£150	£150	On 14 September 2015, as the result of several recent motoring convictions, none of which were reported as required by the conditions of licence, Committee considered and resolved to suspend / refuse the renewal of the licence for a period of six months. The appellant failed to attend Court and matters proceeded in his absence.
6	Mohammed Qayum	25.11.2015	Dismissed	£390	£390	On 14 September 2015, as the result of conviction for two offences of perverting the course of justice (falsely nominating drivers of vehicles), which resulted in a term of imprisonment and disqualification from driving, Committee considered and resolved to revoke the licence. DJ Crane summed up by stating "The appellant has not persuaded me the decision was wrong and in fact it is the right decision. This was a serious offence and the policy is appropriate and well thought through. This was the right decision related to these matters."

MAGISTRATES' COURT – LICENSING ACT 2003

	Name	Date Case Heard	Result	Costs Requested	Costs Ordered	Comments
1	Rodzinny Product, Holyhead Road, Handsworth	n/a	Withdrawn pre-Court	£1000 agreed	£1000	In spite of warnings given to the designated premises supervisor after quantities of smuggled tobacco products and alcohol had been found on the premises in September 2013 and February 2014, on 22 January 2015 further large quantities of smuggled tobacco products and alcohol were again found on the premises, which resulted in the submission by the Chief Inspector of Weights & Measures for a review of the premises licence. On 18 May 2015 Committee considered and resolved to revoke the premises licence issued to Khalid Ahmed Saeed.

CROWN COURT – PRIVATE HIRE DRIVER'S LICENCE

	Name	Date Case Heard	Result	Costs Requested	Costs Ordered	Comments
1	Abdul Hamid	06.11.2015	Dismissed	£500	£500	On 27 May 2015, as the result of conviction for plying for hire and using a vehicle while uninsured, Committee considered and in accordance with the relevant policy resolved to revoke the licence. The appeal to the Magistrates' Court was dismissed on 23 July 2015 with costs of £250 being requested and ordered.
2	Haytham Abdelkarem	20.11.2015	Allowed in part	0	0	On 4 March 2015, as the result of conviction for plying for hire and using a vehicle while uninsured, Committee considered and in accordance with the relevant policy resolved to revoke the licence. The appeal to the Magistrates' Court was dismissed on 22 July 2015 with costs of £480 being requested and ordered. On 20 November 2015 the appeal was heard before a Crown Court Judge and two Justices, who accepted the appellant's evidence that he had stopped to buy food, and that he had not set out to ply on purpose but had instead exercised a serious momentary misjudgement. They thought that this "mitigation" combined with his good record and the effect that his evidence had upon them was such that they should apply the policy in his favour, that is, apply the proviso for assessing each case on its own merits. The original revocation was substituted by suspension for six months. No order was made as to costs.
3	Wajid Ali	27.11.2015	Dismissed	£812 Page	£812 149 of 172	On 20 January 2015, as the result of conviction for plying for hire and using a vehicle while uninsured, Committee considered and in accordance with the relevant policy resolved to revoke the licence. The appeal to the Magistrates' Court was dismissed on 8 June 2015 and although requested, no costs order was made by the Magistrates given Mr Ali's loss of livelihood and restricted financial circumstances.

BIRMINGHAM CITY COUNCIL

REPORT OF THE ACTING SERVICE DIRECTOR REGULATION AND ENFORCEMENT TO THE LICENSING AND PUBLIC PROTECTION COMMITTEE

20 JANUARY 2016 ALL WARDS

PROSECUTIONS AND CAUTIONS - NOVEMBER 2015

- 1. <u>Summary</u>
- 1.1 This report summarises the outcome of legal proceedings taken by Regulation and Enforcement during the month of November 2015.
- 2. <u>Recommendation</u>
- 2.1 That the report be noted.

Contact Officer:	Alison Harwood, Acting Service Director Regulation and Enforcement
Telephone:	0121 303 0201
E-Mail:	Alison.harwood@birmingham.gov.uk

3. <u>Results</u>

- 3.1 During the month of November 2015:
 - Two Licensing cases resulted in fines of £1,650. Prosecution costs of £1,148 were awarded together with 14 penalty points. 19 simple cautions were administered as set out in Appendix 1.
 - 56 Environmental Health cases resulted in fines of £33,145. Prosecution costs of £25,415 were awarded. Two simple cautions were administered as set out in Appendix 2.
 - One Trading Standards case resulted in fines of £5,000. Prosecution costs of £6,503 were awarded. No simple cautions were administered as set out in Appendix 3.
 - Appendix 4 lists cases finalised by district in November 2015 and cases finalised by district April-November 2015.
 - Appendix 5 lists the enforcement activity undertaken by the Waste Enforcement Team April October 2015.

4. <u>Consultation</u>

4.1 The Enforcement Policy that underpins the work identified in this report is approved by your Committee. The policy reflects the views of the public and business in terms of the regulation duties of the Council. Any enforcement action[s] taken as a result of the contents of this report are subject to that Enforcement Policy.

5. <u>Implications for Resources</u>

- 5.1 Costs incurred in investigating and preparing prosecutions, including officers' time, the professional fees of expert witnesses etc. are recorded as prosecution costs. Arrangements have been made with the Magistrates Court for any costs awarded to be reimbursed to the City Council. Monies paid in respect of fines are paid to the Treasury.
- 5.2 For the year April 2015 to November 2015 the following costs have been requested and awarded:

Licensing £39,268 has been requested with £23,605 being awarded (60%).

Environmental Health £128,271 requested with £114,240 being awarded (89%).

<u>Trading Standards</u> £64,719 requested with £47,060 being awarded (72%). 5.3 For the month of November 2015 the following costs have been requested and awarded:

Licensing £1,148 has been requested with £1,148 being awarded (100%).

Environmental Health £28,232 has been requested with £25,415 being awarded (90%).

<u>Trading Standards</u> £6,503 has been requested with £6,503 being awarded (100%).

6. Implications for Policy Priorities

6.1 The contents of this report contribute to the priority action of ensuring business compliance with legislation to protect the economic interests of consumers and businesses as contained in the Council Business Plan 2015+.

7. <u>Public Sector Equality Duty</u>

7.1 The actions identified in this report were taken in accordance with the Enforcement Policy of the Licensing and Public Protection Committee which ensures that equality issues have been addressed.
