Subject:	Application for Premises License – Licensing Act 2003 Address – SSS Stores 9 College Road, Handsworth Wood, Birmingham	

I, Arron Hanson, as a representative of Environmental Health, formally raise a representation on the above application.

My representation is that the likely effect of the granting of this licence would not promote the licensing objective of the prevention of public nuisance

I am concerned that the grant of the licence would not be in keeping with the promotion of the licensing objectives.

The reason for my concern is that is that a 24 hour licence would bring vehicles, and people to the shop in a night time period with possible groups of people in an around the area.

This concern is based on the fact that in the immediate vicinity of the premises the ground floor uses on College road are retail/commercial, there are residential dwellings above these shops and there is a residential street across from the premises. Another concern is that the granting of this licence would allow other similar premises in the same location to apply for the same hours which would further increase the public nuisance in the area.

I do not believe that this concern can be dealt with by the use of appropriate conditions. If however, contrary to my recommendation, the licence is granted the condition I suggest to mitigate this concern would be a restriction of hours.

To safeguard the licensing objective of the prevention of public nuisance Environmental Health considers that the application should be refused.

If you have any queries, please do not hesitate to contact me.

Regards

Arron Hanson

Hi Chris

I agree to the conditions requested by PC Rohomon in his email dated 11 August.

I also agree that there is more than just CCTV requirements. I have held a personal licence for a long time and take my responsibilities very seriously. I have served the community in my position for around 20 years and our shop has been here for more than 40 years.

Thanks

(3) Where the permitted price would not be a whole number of pennies, the permitted price shall be taken to be the price rounded up to the nearest penny. (4) Where the permitted price on a day (“the first day”) would be different from the permitted price on the next day (“the second day”) as a result of a change to the rate of duty or value added tax, the permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.
