LICENSING ACT 2003 AS AMENDED BY THE VIOLENT CRIME
REDUCTION ACT 2006 - APPLICATION FOR EXPEDITED REVIEW OF
PREMISES LICENCE: CONSIDERATION OF INTERIM STEPS**

N.B. Application scheduled to be heard at 1230 hours.

Documents submitted.

- A. Certificate issued by West Midlands Police under Section 53A of the Licensing Act 2003
- B. Application for Review of Licence
- C. Copy of Premises Licence
- D. Location maps

West Midlands Police have applied for an expedited review of the premises licence in respect of Lab 11, 26 Oxford Street, Digbeth, Birmingham B5 5NR. The application has been made under Section 53A of the Licensing Act 2003 (as amended) and has been accompanied by a certificate signed by a senior member of the force, stating that in their opinion the licensed premises have been associated with serious crime and disorder. (See A and B above)

In accordance with the regulations, the licensing authority has given the premises licence holder and responsible authorities a copy of the application for review and a copy of the certificate.

This hearing has been arranged in order to consider whether it is necessary to take any interim steps in respect of the licence pending the determination of the review. The Premises Licence is included at item C.

The interim steps that must be considered at the hearing are:

- Modification of the conditions of the premises licence;
- Exclusion of the sale of alcohol by retail from the scope of the licence;
- Removal of the designated premises supervisor from the licence;
- Suspension of the licence

A.

West Midlands Police

CERTIFICATE UNDER SECTION 53A (1)(B) OF THE LICENSING ACT 2003

I hereby certify that in my opinion the premises described below are associated with serious crime and disorder

Premises: Lab 11

Premise Licence Number: 4159

Premise Licence Holder: Afta Dark Music Ltd

Designated Premise Supervisor: Mr Aineel Davis

I am a Superintendent in West Midlands Police.

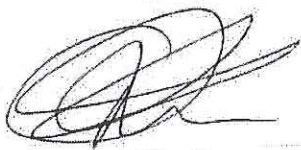

I am giving this certificate because I am in the opinion that the procedures under the Licensing Act are inappropriate in this case because the standard review procedures are thought to be inappropriate due to the seriousness of the crime that occurred on the night.

The level and seriousness of the incidents both in terms of the crimes being committed warrant the use of this power. I have considered the use of the normal review procedure but I do not feel this would be appropriate in these circumstances due to the above reasons, and the fact that to maintain the licensing objective of preventing crime and disorder the normal review procedure would not be sufficient.

The concern of West Midlands Police is that if steps are not taken to consider the running of these premises they will continue to be used in the manner in which they were discovered on the weekend of 2nd September 2018.

I am conscious of the guidance on the use of "Expedited Reviews" and given the emphasis that is given to use of this power to tackle serious crime and disorder, my feelings that this process is deemed appropriate are further enforced.

Signed

SUPT SHAER

(Please read guidance note 2)

At approximately 02.34 hours on 2nd September 2018 a 999 call was received from staff at the City Hospital, indicating that a 19 year old male had been transported into the hospital via ambulance who was suffering from a cardiac arrest.

The 999 operator was informed that the male had been transported in from a premise called Lab 11.

Around the same time another call was made to the Police from the ambulance service indicating that they were transporting a male in from Lab 11, querying a drugs overdose.

At 03.46 hours on the 2nd Sept, the 19 year old was confirmed deceased by the hospital.

Early indications are showing that the male died of an overdose, and that it is potentially cocaine; however this has yet to be clarified.

After speaking to friends the male had been with, it is believed that the male had never taken a controlled substance before, and he would not have had the controlled substance on him when he went into the premises.

Enquiries have found that the male entered the premises at around 10pm with friends. From videos and CCTV that we have been provided with indicates that the male deteriorated at a very fast rate.

It is the current belief, from speaking to friends he was with, that the male was given/supplied with a controlled substance sometime after 1am, as this was the last sighting of him, at which he was fine.

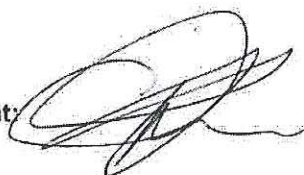

From the security incident reports, it is known that the male had been identified to security by another customer as not being well and found staring at the ceiling on the dance floor.

CCTV shows that the male had deteriorated to such an extent that he was being carried by staff holding arms and legs and being rushed into the medical room.

West Midlands Police are satisfied from the evidence provided so far that the male was supplied with a controlled substance whilst inside the premise. The supply of controlled substances is a serious offence, as defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000.

West Midlands Police are concerned that this has happened and are seeking the suspension of the premise licence, in order to work with the premises to review all control measures, safety provisions, as well speak to witnesses and obtain toxicology reports. This has not been feasible in the time frame so far and the premises are due to open over the coming weekends (it is accepted they have decided to close of their own accord for the weekend of the 7th/8th)

Notes for guidance:

1. A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.

Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:

- conduct that amounts to one or more criminal offences for which a person who has attained the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or
- conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.

Serious Disorder is not defined in legislation, and so bears its ordinary English meaning.

2. Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder or both.

The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.

The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol. The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy. The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either— (a) a holographic mark, or (b) an ultraviolet feature.

(4) Where the permitted price on a day ("the first day") would be different from the permitted price on the next day ("the second day") as a result of a change to the rate of duty or value added tax, the permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.
