Good morning

I would like to make the following objection to the Crown Banqueting, 7 Upper Trinity Street, Bordesley B9 4EG, being granted a Premises License on the basis of the following. I believe the application number to be either 101669 or reference number 82065.

### Objections

#### 1 - Public Nuisance –

On the day of a function, when either the bride or groom initially arrive, the entire wedding party stand outside to welcome them, as you can imagine 600+ people blocking in a small busy road for 10 – 20 minutes caused chaos. It is a very dangerous practise to have large number of people congregating in the middle of a road, completely blocking it, my understanding is also that is a crime to Block a public highway.

As Upper Trinity has no parking restrictions on it, each day it is filled with cars top to bottom. When a wedding is on the existing car park used by Crown Banqueting is not large enough to hold the cars attending functions causing traffic chaos throughout the road, as guests park anywhere they can, ignoring dropped kerbs and white line parking restrictions.

When the Bride or groom arrives in their large car or horse drawn carriage, the top of the road need to be blocked to allow their vehicle and the several cars that follow the vehicle access up the road from the bottom of Upper Trinity Street. Again the road is blocked for up to 20 minutes plus to enable the bride and groom to arrive, their vehicle to stop in the middle of the road, them to exit, photos to be taken ect.

It is impossible for other businesses in the road to operate when the road is blocked by such things happening. Again Borshch have phoned the police on multiple occasions due to the road being blocked in such a way.

Guests attending functions have no smoking areas or outside recreation areas, so when a function is being held large number of guests (sometimes in their hundreds) spill out completely blocking the pavements and at times the road, litter is always an issue as cigarette butts and paper plates and serviettes are strewn throughout the road after a function.

Guests tend to congregate outside entrances to the Neighbouring company Borshch, s warehouses, blocking access routes and creating a danger to themselves as we have vans regularly reversing into our premises and we are throughout the day offloading wagons with stock being delivered.

There have been several near misses with young children running behind vans being reversed into our warehouses, although Borshch have staff trying to reverse the said vehicles into our premises.

On multiple occasions large industrial fireworks are let off in the street or indeed the road to celebrate weddings. Borshch have on multiple occasions contacted the police regarding this matter as both our staff and customers have either been hit or had near misses with said fireworks being let off.

Guests attending these functions will park in any space available on the road, which often results in our entrance/exit goods in shutters being blocked by cars parking on white lines, obstructing shutters. These people get aggressive when asked to move their vehicles or park elsewhere. Again Borshch have needed on multiple occasions to contact the police regarding such behaviour and guests acting in a threatening manner towards our staff and customers.

Whilst the venue inside is able to take the large numbers of people who attend functions, outside there is no room whatsoever for these numbers to gather or congregate, other than completely blocking the pavements and road at times. This has been a huge problem over the years, made worse by the fact the Street has no parking restrictions and can only handle one way traffic most of the day due to cars being able to park both sides of the road.

I have attached a small sample of photographs of some of the issues addressed here. If any of the businesses operating on Upper Trinity Street needed to call out an emergency service – Fire Brigade or Ambulance and then needed access whilst the pictured wedding traffic was blocking the Street, they would not be able to gain access to the street. This is a huge risk to public safety.

Could you please confirm that you have received my objection and let me know what is the next step with this said application

**Subject:** Crown Banqueting B9 4EG - Objection to application

To Whom it may concern,

We operate a business on the ground floor of 77 Upper Trinity Street, Bordesley, B9 4EG.

We would like to make the following objection to the Crown Banqueting, 7 Upper Trinity Street, Bordesley B9 4EG, being granted a Premises License on the basis of the following. I believe the application number to be either 101669 or reference number 82065.

We object on the basis of the public nuisance caused by the large functions held at Crown Banqueting.

Often there are several hundred guests, with no parking restrictions this means the street is blocked from end to end with cars, often parked with no regard for access to the businesses blocking access at key trading times and ignoring dropped curbs and road markings - even parking in our loading bays whilst they are in use.

There is often an arrival or leaving procession that will completely block the street for 20-30 minutes at a time. During the events large numbers of guest congregate in the street using it as a smoking area, this can often number hundreds of people and several restrict access to our business.

The location of the Crown centre clear does not have adequate facilities to host these kind of events - no parking, no external congregation or arrival area, no smoking area etc. These issues have a severe impact on our business making it almost impossible to conduct any trade whilst an event is being held at Crown Banqueting and as such we strongly object to any continuation or extension of these events.

MR S Jones
