2.
3.
4.

MATTERS DISCUSSED AT THE MEETING INCLUDING LOCAL CONCERNS:
<ol style="list-style-type: none"> 1. Waste Management and Street cleaning Services induction by Will and John 2. Mobile Household Recycling Centre (MHRC) update given by Will Owen with a request from residents for a 12 month or 6-month notice given instead of the current 3 months' notice. Will Owen to see if this is possible. 3. Perry Barr H.R.C (Household refuse centre) development – Further unanticipated delay has occurred due to the contractor carrying out the refurbishment going into administration; however, another contractor has been found to continue the work. The site is expected to open in the September . 4. Fly tipping – Aim to remove fly tipping within 24 hours of being reported, which can be reported to the beat sweepers, refuse collectors, via the

FINAL DRAFT

fly tipping phone line 01213031112 or via BCC website.

5. Crick Lane – Discussion on the on-going issues of fly tipping all agreed it was a vicious circle but were not going to give up looking for a solution.
6. Beat Sweepers, the routes for Handsworth, working hours and resource issues
7. Litter picking and leaf clearance
8. H.M.O - Discussion on negative effect on the local community
9. Missed collection this week due to snowfall and icy road conditions it was deemed unsafe for the waste vehicles to carry out the rounds.
10. Councillor Quinnen to invite the Cabinet Member for Waste to the next meeting.

Neighbourhood Plan - Shuranjeet Singh

11. Neighbourhood Plan - the benefits (for example it's a consultative planning document for the local neighbourhood) and consultation process.
