5.1.Sixth form places/year 12 and above are not coordinated by the Local Authority and applications should be made directly to the school(s) concerned.

As a special school providing Post 16 places, our admissions continue to be managed by the LA (SENAR) not the school. The above statement should be clarified.

Thank you very much for your email.

I have no problem with the below admission criteria for

3. Chilcote Primary, Hall Green Infant and Hall Green Junior schools

3.1. Chilcote Primary, Hall Green Infant and Hall Green Junior schools each have catchment areas. At these schools, the order of priority for admission is as follows:

3.1.1. Looked after or previously looked after children.

3.1.2. Children living within the catchment area of the school who will have a sibling in attendance at the school at the time of admission.

3.1.3. Children living within the catchment area of the school who live nearest the school.

3.1.4. Children living outside the catchment area of the school who will have a sibling in attendance at the school at the time of admission.

3.1.5. Children living outside the catchment area who live nearest the school.

3.2. Within each of the categories above, priority is given to those who live nearest to the school.

However, I would ask that the catchment areas themselves are reconsidered, especially as more houses have been/are being built in both catchment areas putting additional pressure on school places.

I have been contacted by

1. numerous parents in Hall Green (e.g. from Rowney Croft, Kedleston Road, Tixall Road) all of whom have been told they fall outside the Chilcote catchment area (their nearest school) and instead are within the catchment area of Hall Green Infant and Junior Schools; and
2. numerous parents in Hall Green (e.g. Stonor Road, Baldwins Lane) all of whom have been told they fall outside both catchment areas.

Kind Regards
