**LICENSING ACT 2003 – PREMISES LICENCE – (SUMMARY REVIEW) LAB 11,
26 OXFORD STREET, DIGBETH, BIRMINGHAM, B5 5NR**

The following report of the Acting Director of Regulation and Enforcement was

submitted:-

(See document No. 1)

The following persons attended the meeting:-

On behalf of the Applicant:

William Power, Premises Licence Holder and DPS
Duncan Craig, Barrister

Those Making Representations on behalf of West Midlands Police

PC Deano Walker

Those Making Representations on behalf of Public Health

Kyle Stott
Graham Lines (Accompanying Kyle Stott)

Following introductions by the Chair, the main points of the report were outlined by David Kennedy, Licensing Section.

Two documents were submitted as supplementary evidence having already been circulated to all parties - Lab 11, CCTV System and additional evidence for the review from Lab 11:-

(See document nos 2 & 3)

P C Deano made the following points on behalf of West Midlands Police and in response to Members' questions:-

1. The police were called at approximate 0230 on 2 September by staff at the City Hospital informing them that a 19 year old male had suffered from a cardiac arrest.
2. Prior to this the ambulance had notified them that they were transporting someone suffering from a suspected drug overdose. The male was later pronounced deceased by the hospital.
3. WMP had been in communication with Lab 11 over the weekend. Since the incident they had sought CCTV footage and medical reports. WMP had been contacted by William Power the premises licence holder.
4. The CCTV had been delayed owing to the amount of CCTV footage to be reviewed. The male had been with friends however had lost contact throughout the night. The CCTV footage had been viewed at the previous Licensing meeting that had led to interim measures being put in place.
5. With reference to the written representations by WMP, P C Rohoman. Significant changes had been made at the premises and were set out in the statement which included improved CCTV, improved security, introduction of a welfare team/room and safeguarding.

6. WMP were relieved at the new operating measures put in place for the future and noted that the interim steps seemed to be working. They recommended that interim measures should continue as conditions of the licence if the licence was agreed.
7. There were a few other premises in close proximity of Lab 11 and these were the strictest conditions they had seen. It was explained that a lot of the premises used Temporary Entertainment Notices (TENS) as a way to hold events and compete with each other. Approximately 15,000 to 20,000 people attended events in the area. There had been 2,000 attending the venue.
8. There was comprehensive coverage of all the policies included in the operating schedule. For example the medical room, risk assessment, search policies and dispersal policy were all included and had been discussed with WMP.
9. With regard to any loopholes, no policy could be 100% guaranteed. It was hoped that the improved measures would act as a deterrent to drugs in the premises. Improvements had been made to all areas of the policies that required improvement.
10. It was confirmed that the actions recommended for the toilet area, eg removing all flat surfaces, installing mesh on surfaces, cutting toilet doors in half, oiling surfaces etc had all been implemented apart from the mesh which would be completed in the next 3 weeks.

Kyle Stott made the following points on behalf of Public Health and in response to Members' questions:-

1. Public Health had made representations on the grounds of the prevention of crime and disorder and public safety. Details were set out in the report.
2. The information was compelling. At the time of the expedited review WMP were satisfied that a serious offence had taken place, however no consultation had taken place with Public Health. Events had since moved on.
3. From a public safety perspective they were concerned about the number of ambulance call outs to the premises. 17 in the last 12 months and the unfortunate circumstances that had led to today's hearing.
4. Kyle Stott had read all the documents and noted the robust and proactive way the premises licence holder had worked with the police and staff. He noted there were now 42 CCTV cameras and the footage clarity was crystal clear. He had seen the toilets etc. and felt encouraged. The surfaces had been oiled and the lighting improved. He was most encouraged by the introduction of a Ravesafe policy and setting up of a welfare function.
5. If the licence was not revoked by the Sub-Committee, he would be happy to work with the venue going forward. Whilst being concerned about the incident he was encouraged regarding the actions taken.
6. The biggest concerns were the number of ambulance call outs. He had discussed this with the premises licence holder. Kyle Stott asked that the

ambulance data be addressed and how the data could be used to make improvements in the future as this culture would not go away. He referred to the tragic circumstances and stressed that preventative measures should be used at every opportunity to avoid any re-occurrence where possible.

7. Kyle Stott was encouraged at the interim steps taken so far. He had also visited the premises. Six events had been held so far with 1 ambulance call out for a person with an underlying medical condition. The premises had been fair and transparent about the incident.
8. Kyle Stott suggested the following condition be added to the conditions of licence for the premises:-
 - a. That the conditions from the interim steps be included as part of the conditions of licence; and
 - b. That the premises routinely collect and react to ambulance data in order to inform the welfare provision for patrons.
9. The Committee was informed that all premises were required to work with all responsible authorities as a condition of their licence.
10. Kyle Stott said that the premises had a duty of care to look after the people attending the premises, however he would welcome the opportunity to work with the community at risk and offer support to the venue. Some preliminary discussions had taken place. There was a specific mandate for public health and they would work towards prevention by being in touch with the premises licence holder who were experts in the field.
11. It was confirmed that the 17 ambulance call outs were to the door of Lab 11.

Duncan Craig, Barrister in presenting the case for the Premises Licence Holder and in response to questions from Members made the following points:-

1. Duncan Craig referred to the steps that had been undertaken by the premises including improving CCTV, installing 42 fixed cameras increased from 23. The position of CCTV cameras had been modified to the suggested positions. A zoom camera had been added to the exterior of the premises. The control area for the CCTV cameras was in the office and the type of cameras used had been upgraded. The quality of the pictures was shown on pages 5 and 6.
2. A new security provider had been employed. The security risk assessment was attached at appendix B. This was a new procedure.
3. Drug detection dogs will be used together with a number of anti-drug measures.
4. A Welfare Team will be employed. This had been welcomed by all the responsible authorities.
5. William Power was the new DPS. Duncan Craig will be involved in the staff training overseen by the new Operations Manager to be recruited in the next 2 weeks.

6. Duncan Craig made reference to the additional document and pictures showing the good quality of CCTV pictures, pg 8 - notices displayed promoting Ravesafe, pg 9 - the new lighting measures, pg 10 – alterations to the toilets, pg 13 – entrance policies.
7. Pages 15-18 of the documents contained an action plan showing the procedures the premises are required to follow in the event of a person taken ill at the Club detailing the medical attention and setting out the steps to be taken to prevent the loss of life. It was felt that this policy was needed.
8. Page 21 – The welfare team ground rules and Ravesafe scheme were outlined.
9. Mr Power had worked hard to make improvements. During the last 4 weeks comprehensive steps had been taken.
10. Duncan Craig expressed their gratitude to WMP and P C Rohoman in particular who had taken time to work with the premises licence holder who had cooperated with all responsible authorities and assisted them to take the appropriate steps. All the recommendations from WMP had been adopted by the premises. Everything had already been completed or was in the process of being done.
11. Following a meeting between WMP and William Power, WMP had commented on the positive attitude of William Power in relation to the proceedings. WMP had recommended to the Committee that the interim conditions be agreed as permanent conditions should the licence be agreed. The premises invited the Committee to impose the conditions on the Licence. It was noted that even though an operations manager was being appointed the ultimate responsible for the licence was the with premises licence holder.
12. Six events had taken place during the last few weeks with no issues.
13. William Power had discussed security with national and local security contractors and sought recommendations for a security contract prior to the incident. The new security provider was Eagle Security,
14. WMP had said that the arrangements for the premises were the best seen. The new entertainment policy had made a dramatic improvement. Over the coming months they would ensure that the standard continued. William Power would be there to ensure the standard was retained.
15. William Power said that it was their aim to run a successful business, they had done everything suggested to them by the police and they had a duty of care for everyone in the venue. As the Premises Licence Holder and DPS he would uphold the licensing objectives. New roles had been identified as part of a blanket restructure to improve the areas of the business requiring improvement.
16. The biggest fear was for someone to lose their life and this had an effect on him and his family. The premises needed to ensure that people were able to enjoy themselves safely. As the venue owner he would ensure the procedures

were upheld and prevention was in place to avoid any incidents and if one occurred to react in the best way possible.

17. William Power was setting up Ravesafe as a separate organisation. The scheme could be offered to others and he had received a lot of interest from festival operators and venues. The scheme had the potential to make the whole industry safe. It will have consistently revolving practices.
18. They were proactive in trying to ensure that a similar incident did not reoccur. The data from security and medical reports will be interpreted to help them be more selective with regard to the event they put on. One suggestion was 3 strikes and you're out. The scheme could set a higher standard to premises in the City.
19. The premises had no previous concerns with regard to crime and disorder. There may have previously been room for improvement but they were not an irresponsible premises and have always complied with the conditions of licence.
20. It was felt that the improved conditions would have an effect on the clients attending the premises. Any reasonable person would see the conditions as necessary to ensure public safety.

In summing up Kyle Stott stressed and made it clear that an extremely serious and tragic event had taken place. He noted that the police were not pursuing a criminal investigation. Public Health had concerns about ambulance data. The Premises Licence Holder had contacted him immediately to discuss his concerns and he had listened to everything that had been implemented. There had been a transparent approach by the Premises Licence Holder who had said they were responsible and had a duty of care for everyone in the premises and to uphold the licensing objectives. Kyle Stott noted the change of managers at the premises. He was encouraged and willing to work with the venue going forward. He made reference to the new security team, new policies, Ravesafe scheme and proactive approach of the premises in particular the welfare team and prevention measures. 6 big events had taken place with no issues. Kyle Stott no longer requested the revocation of the licence and was encouraged how the interim steps had worked. He strongly recommended that William Power worked closely with service users. The issue would not go away however the venue would be a safer environment.

In summing up West Midlands Police said that the events had been upsetting and had affected them. The premises had learnt from its mistakes. They had worked hard in cooperation with WMP. All the measures in place would minimise the risks. The premises had the best risk assessment they had seen in a long time. The police were encouraged by the measures taken and were not seeking a revocation of the licence.

In summing up Duncan Craig stated that the incident had been upsetting for everyone. The premises had complied and done everything that had been asked of them. The recent events that had taken place had been busy with 1800 students attending allowing them to test the interim conditions. In response to a query there were no significant risks with regard to the traffic. The outside area of the premises was monitored by CCTV and there was a recommended taxi provider.

At 1145 hours, the Sub-Committee adjourned and the Chair requested that all present, with the exception of Members, the Committee Lawyer and the Committee Manager withdraw from the meeting.

At 1216 hours, all parties were recalled to the meeting and the decision of the Sub-Committee was announced as follows:-

4/011018 **RESOLVED:-**

That having reviewed the premises licence held under the Licensing Act 2003 by Afta Dark Music Limited in respect of Lab 11, 26 Oxford Street, Digbeth, Birmingham, B5 5NR following an application for an expedited review made on behalf of the Chief Officer of West Midlands Police, this Sub-Committee hereby determines that the Premises Licence shall remain in force, and that the Premises Licence shall be modified as follows:

1. the conditions sought by West Midlands Police and agreed by the Premises Licence Holder shall be adopted as conditions on the Premises Licence, namely:

“For every event at the premises there will be a documented risk assessment detailing as a minimum:

- a. Artists (full name, stage name)
- b. Hours of operation, including last entry time
- c. Security deployment
- d. CCTV and bodycam provision
- e. Searching
- f. Drugs prevention and policy
- g. Welfare and vulnerability policy
- h. Anything else that may be relevant

And lastly, West Midlands Police will have power of veto over each event”.

2. to routinely collect review and react to ambulance data, as recommended by the Public Health department of the City Council, in order to inform the welfare provision for patrons
3. the interim step shall be maintained pending any Appeal (namely the modified conditions imposed at the meeting of 20th September 2018)

The Sub-Committee's reasons for imposing these agreed conditions are due to submissions by West Midlands Police and Public Health. The Sub-Committee noted that all parties agreed that the Premises Licence Holder had been cooperative with the responsible authorities throughout, and had taken steps to improve all aspects of the operation and to reduce the likelihood of serious crime recurring.

In light of the steps taken by the premises licence holder, the Sub-Committee is satisfied that the review does not require the licensing authority to take any further steps to promote the licensing objectives. The Sub-Committee considers the above conditions imposed to be appropriate, reasonable and proportionate to

Licensing Sub Committee A – 1 October 2018

address the concerns raised regarding the likelihood of serious crime and or serious disorder.

In reaching this decision, the Sub-Committee has given due consideration to the City Council's Statement of Licensing Policy, the Guidance issued under Section 182 of the 2003 Act, the Guidance issued by the Home Office in relation to expedited and summary licence reviews, the application and certificate issued by West Midlands Police under Section 53A of the 2003 Act, the written representations, and the submissions made at the hearing by the Police, by Public Health and by the premises licence holder and his legal representative.

All parties are reminded that under the provisions contained within Schedule 5 to the Licensing Act 2003, there is the right of appeal against the decision of the Licensing Authority to the Magistrates' Court, such an appeal to be made within twenty-one days of the date of notification of the decision.

The determination of the Sub-Committee, save for the maintenance of the interim step of modified conditions, does not have effect until the end of the twenty-one day period for appealing against the decision or, if the decision is appealed against, until the appeal is disposed of

I would like to submit a strong objection for alcohol licence for the above for the following reasons
There are a volume of premises supplying alcohol in this area and this creates a equal volume of extreme antisocial behaviour and this affects the safety of resident in our neighbourhood. vast amount bottles and beer cans strewn everywhere has created a awful litter problem that blights the area and surroundings. I strongly object to the license for the selling of Alcohol at Kani mini Market 27-29 Grove Lane, as firstly there is already one shop selling alcohol almost opposite, just a few feet away from Kani mini market, being a local resident within this area I feel there is no need for another shop to sell alcohol so close, also I am concerned about the anti-social behaviour that will follow, the hours between 7am-11pm is far too long, the shop is far too small you can barely walk, its too restricted, I don't feel the shop has enough room to display the alcohol. Also I am concerned about rubbish being dumped especially bottles, as there is no visible bin near the shop.

There is two schools close by just a walking distance, I know children visit Kani mini Market during the mornings /lunches/ after school, I feel that it will not be a positive influence on the children, as I am concerned that under age drinking may take place, as I have heard that the above shop Kani mini market has previously been selling illegal Cigarettes

being a member of the public and
a local resident I am concerned that
by permitting the licence, it will not
benefit the local area, but in fact cause
a lot of anti-social behaviour, and have
affect on children and younger people.

This area does not need another
off licence as Grove Lane already has
a couple situated along the area,
as having too many off licences, does
not benefit society and only causes
a lot of Anti-social behaviour and I am
concerned about the problems that will
arise. Also my wife is
feel due to no bin being located near the premises
they may be bottles on the floor just left which
will directly affect my wife's
could please look in to this
access, if you
Thankyou

To whom it may concern, I object to the premises licence for the sale of Alcohol at Kani Mini Market 27-29 Grove Lane, as firstly I already hold a licence for the sale of Alcohol for over 8 years and I feel it will affect my business a lot as the above shop is located close to my premises. I am also concerned about litter dropping - bottles/cans as there is no bin located near the premises, which will directly result in rubbish being dumped on the floor.

I also believe the premises does not have enough space for the alcohol to be displayed, I feel that it may be a breach of Health & Safety as the shop is already cramped.

Thankyou

Report to:	Licensing Sub Committee A
Report of:	Acting Director of Regulation & Enforcement
Date of Meeting:	Monday 12th November 2018
Subject:	Licensing Act 2003 Multiple Temporary Event Notices
Premises:	Be at One, Piccadilly Arcade (Basement), Stephenson Street, Birmingham, B2 4BJ
Ward affected:	Ladywood
Contact Officer:	Shaid Yasser, Senior Licensing Officer, 0121 303 9896, licensing@birmingham.gov.uk

1. Purpose of report:

To consider an objection notice to Temporary Event Notices (TENs), which seeks to permit the provision of licensable activities on the dates and times as detailed in each TEN attached to this report as an Appendix.

2. Recommendation:

To consider the objection notice made by West Midlands Police.

3. Brief Summary of Report:

Temporary Event Notices were submitted by Mr Maxwell Von Anrep and received on 26th October 2018, in respect of Be at One, Piccadilly Arcade (Basement), Stephenson Street, Birmingham, B2 4BJ.

An objection notice has been received from West Midlands Police.

4. Compliance Issues:

When carrying out its licensing functions, a licensing authority must have regard to the Guidance issued by the Secretary of State under section 182 of the Licensing Act 2003.

4.1 Consistency with relevant Council Policies, Plans or Strategies:

The report complies with the City Council's Statement of Licensing Policy and the Council's Corporate Plan to improve the standard of all licensed persons, premises and vehicles in the City.

5. Relevant background/chronology of key events:

Mr Maxwell Von Anrep submitted on 26th October 2018, Temporary Event Notices in respect of Be at One, Piccadilly Arcade (Basement), Stephenson Street, Birmingham, B2 4BJ.

The Temporary Event Notices are attached as Appendices 1 to 11.

An objection notice has been received from West Midlands Police, see Appendix 12.

The current premises licence is attached at Appendix 13.

Site location plans are attached, see Appendix 14.

Under the licensing system of TENs, no actual permission is required to carry out a licensable activity on a temporary basis. An applicant must merely give notice of his intentions to operate a licensable activity to the licensing authority.

However, the police or local authority exercising environmental health functions may intervene to prevent such events taking place or agree a modification of the proposed arrangements, and their intervention may in some cases result in the licensing authority imposing conditions on each TEN.

Where TENs are submitted, and objection notice(s) are maintained, the licensing authority must consider the objection(s) at a hearing before a counter notice, or a notice including a statement of conditions can be issued.

When giving TENs, consideration should be given to the following four licensing objectives:

1. The prevention of crime and disorder
2. public safety
3. The prevention of public nuisance; and
4. The protection of children from harm

If the TENs are in connection with licensable activities at licensed premises, the licensing authority may also impose one or more of the existing licence conditions on the TENs if it considers that this is appropriate for the promotion of the licensing objectives.

6. List of background documents:

Temporary Event Notices, attached at Appendices 1 to 11.

Objection Notice from West Midlands Police, attached at Appendix 12.

Premises Licence, attached at Appendix 13.

Site location plans, Appendix 14.

7. Options available

At the hearing the Licensing Authority must consider each TEN separately and determine whether to:

Allow the proposed temporary licensable activities as stated in each TEN

Impose conditions on each TEN to promote the licensing objectives

Refuse the proposed temporary licensable activities as stated in each TEN

Subject: RE: Ten (x6) Be at One (Stephenson Street)

Dear Licensing,

On checking the dates below I note I have missed one application for the 12th and 13th December, which is a Wednesday and Thursday. My apologies for this but our objection also stands for this application as well, the objection is as below, but to ensure clarity it is as follows –

This is an additional submission for the Ten dated 12th and 13th which was contained within the other applications, which detailing extension of hours for Christmas celebrations so are being treated as an application to extend trading hours and not for specific events. West Midlands Police object to this applications on the following grounds, (the objections stand for all the applications).

This area has grown considerably in the last 12-18 months, with the area from where the premise is located to Temple Street, Lower Temple Street, Colmore Row seeing a substantial increase in the number of licensed premises in this area. West Midlands Police have worked with new applicants to maintain a closing period of 1am throughout (although it is accepted that some premises which were licensed before this period of rapid expansion have slightly later hours), as through experience we have seen that areas that have later hours increase the risk of crime and disorder, public nuisance and public safety as they attract a completely different crowd to the ones that are currently frequenting the area where this premise is located.

This area currently is well managed and requires little to no intervention in terms of Policing through the day or through licensing. This is put down to the fact that this area currently attracts a different crowd/clientele to that of the more mainstream night time economy areas of Broad Street and Southside. Increasing the hours therefore increases the risk of this dynamic changing and the risk to crime and disorder/public safety increasing with it.

This is not the first application West Midlands Police has objected to in this area that has sort to apply for either extensions through Tens or variations.

Therefore West Midlands Police formerly object to these 6 applications and request a hearing

Annex 1 – Mandatory Conditions

No supply of alcohol may be made under the premises licence (a) at a time when there is no designated premises supervisor in respect of the premises licence, or (b) at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.

Every retail sale or supply of alcohol made under this licence must be made or authorised by a person who holds a personal licence.

The responsible person must ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises. In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises—

(a) games or other activities which require or encourage, or are designed to require or encourage, individuals to— (i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or (ii) drink as much alcohol as possible (whether within a time limit or otherwise);

(b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic in a manner which carries a significant risk of undermining a licensing objective;

(c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less in a manner which carries a significant risk of undermining a licensing objective;

(d) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner;

(e) dispensing alcohol directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of disability).

The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.

The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol. The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy. The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either— (a) a holographic mark, or (b) an ultraviolet feature.

The responsible person must ensure that— (a) where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures— (i) beer or cider: ½ pint; (ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and (iii) still wine in a glass: 125 ml; (b) these measures are displayed in a menu, price list or other printed material which is available to customers on the premises; and (c) where a customer does not in relation to a sale of alcohol specify the quantity of alcohol to be sold, the customer is made aware that these measures are available."

(1) A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.

(2) In this condition:— (a) "permitted price" is the price found by applying the formula $P = D + (D \times V)$, where— (i) P is the permitted price, (ii) D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and (iii) V is the rate of value added tax chargeable

BIRMINGHAM CITY COUNCIL

in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol; (b) "duty" is to be construed in accordance with the Alcoholic Liquor Duties Act 1979; (c) "relevant person" means, in relation to premises in respect of which there is in force a premises licence— (i) the holder of the premises licence, (ii) the designated premises supervisor (if any) in respect of such a licence, or (iii) the personal licence holder who makes or authorises a supply of alcohol under such a licence; (d) "relevant person" means, in relation to premises in respect of which there is in force a club premises certificate, any member or officer of the club present on the premises in a capacity which enables the member or officer to prevent the supply in question; and (e) "value added tax" means value added tax charged in accordance with the Value Added Tax Act 1994.

(3) Where the permitted price would not be a whole number of pennies, the permitted price shall be taken to be the price rounded up to the nearest penny.

(4) Where the permitted price on a day ("the first day") would be different from the permitted price on the next day ("the second day") as a result of a change to the rate of duty or value added tax, the permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

Each individual assigned to carrying out a security activity must be licensed by the Security Industry Agency.
