[Dear Sir/Madam

**Objection to Licence Application - Lime & Chilli Restaurant, 72 Soho Road,
Handsworth, Birmingham, B21 9BH**

I am writing to submit my objection to the above application, in relation to extended trading times and also in support of the residents and Partner Agencies who are objecting to this.

Currently on Soho Road, together with our Partner Agencies, we are trying to fight crime and anti-social behaviour, with limited resources.

My reason for objection to this licence is for the prevention and crime and anti-social behaviour in the area.

If this licence was approved, precedent might be set, and public safety on Soho Road could not be guaranteed.

Yours sincerely

Subject: Objection to extended opening of Lime and Chilli - 72 Soho Road

Morning,

I am writing to object to the proposed extended opening hours of Lime and Chilli, 72 Soho Road, Handsworth.

Lime and Chilli have requested that their hours of business is to be Monday to Sunday, 11.00am to 2.00am, each day. This includes selling alcoholic beverages.

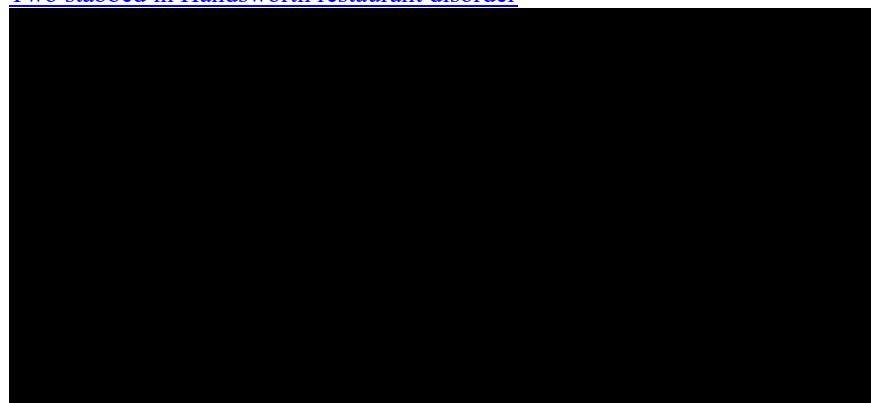

Lime and Chilli can be found on Soho Road between Ivy Road and Whitehall Road.

As a long standing resident of Whitehall Road i have the following reasons for objection:-

1. Anti social behaviour - previously there have incidents of violence at the establishment (see link below) with subsequent damage to residents property including vehicles

BBC News - Two stabbed in Handsworth restaurant disorder

[Two stabbed in Handsworth restaurant disorder](#)

F. Two stabbed in
Handsworth restaurant
disorder

A number of people were injured with some requiring treatment in hospital, police say.

The restaurant had to deploy security on the door however recently this has stopped.

When people leave the restaurant, those intoxicated often already leave in a 'boisterous' manner late at night disturbing residents. Changing closing to 2.00am would worsen this problem.

2. Increased noise and pollution - when functions are held at the restaurant, there is increased cars in and around the vicinity which makes it difficult for residents to park. This includes for disabled residents on Whitehall Road. There is 3 disabled spaces on section of Whitehall Road by Soho Road and when functions are held, it has been noted that residents disabled bays are taken by customers of Lime and Chilli. There is already a high level car pollution in and around the area due to schools, places of worship, Jobcentre and people using Soho Road to get to the motorway towards the West Bromwich junction, and an increased customer base will make this worse.

When Lime and Chilli hold functions there is also noise pollution with the letting off of fireworks - this usually continues late into the night and no doubt increase with later opening hours.

3. Prostitution - there is a major prostitution issue on junctions of Ivy / Soho Road and Whitehall / Soho Road. Vulnerable women 'hang around' in and around Lime and Chilli and it is highly likely this will increase. It is already visible that this happening earlier and earlier in the day and will continue longer into the night. In a residential area, close to schools and places of worship, this is totally unacceptable.

I do not feel Lime and Chilli extending their opening their hours will be beneficial for the residents, Soho Road and community, it will actually worsen the living experience of all.

This area of Handsworth is already under pressure due to antisocial behaviour and the extended opening hours of this establishment will increase these problems.

Once again, I object to the extended licencing of Lime and Chilli.

Councillor Hendrina Quinnen - I have copied you in for information as a concerned resident of Whitehall Road.

Thank you for your attention to this matter.

Yours sincerely,

Resident of Whitehall Road

Subject: Objection to Licensing Application 169302

Dear Birmingham City Council,

I am writing to strongly object to the licensing application submitted by Lime and Chilli restaurant on Soho Road, which seeks to extend their alcohol retail license and regulated entertainment hours. Most notably, I am concerned about the late night extension between 12am and 2am. This application raises significant concerns related to Birmingham City Council's Licensing Objectives, particularly:

1. Prevention of Crime and Disorder: A recent stabbing incident - which was covered in the news - at the venue is deeply troubling and highlights the potential for increased antisocial behavior and violence, particularly when patrons are intoxicated. Soho Road already experiences significant issues with antisocial behaviour. Extending operating hours until 2am would exacerbate these risks, endangering the safety of residents and patrons alike.
2. Public Safety: The proposal would lead to increased pollution and parking issues, including congestion in adjacent roads and misuse of disabled parking spaces by customers. There are several local disabled parking spots for residents which are often taken by customers of the restaurant. These issues not only compromise public safety but also disrupt the quality of life for local residents.
3. Prevention of Public Nuisance: Noise pollution from events featuring fireworks is a significant concern and this happens frequently when the restaurant hosts wedding celebration parties. Such disruptions make it challenging for residents with early morning shifts to get the rest they require and also negatively impact children's well-being who are scared of the noises, some of whom have fled war-torn countries.
4. Protection of Children from Harm: Prolonged operating hours and the potential for disturbances, violence, and noise late into the night pose a direct risk to the safety and well-being of children in the area as noted above. Bottles, glass, and related paraphernalia from the venue is often found across the street especially after a busy night. This is a danger to children playing on the road.

In light of these concerns and the recent violent incident, I urge the council to prioritise the safety, peace, and well-being of longstanding residents.

Granting an extension to Lime and Chilli's license would not align with these objectives and could further deteriorate the living conditions in our community.

Please consider these concerns seriously and accept the licensing application but on the condition that the 12am-2am extension is rejected. We are happy with the venue opening earlier and bringing in customers during the day but we are particularly concerned about the extension past midnight.

Sincerely,
Warmly,

Scholars Close, Birmingham, B21

I am writing to strongly object to the licensing application submitted by Lime and Chilli restaurant on Soho Road, which seeks to extend their alcohol retail license and regulated entertainment hours.

Most notably, I am concerned about the late night extension between 12am and 2am. This application raises significant concerns related to Birmingham City Council's Licensing Objectives, particularly:

1. **Prevention of Crime and Disorder:** A recent stabbing incident - which was covered in the news - at the venue is deeply troubling and highlights the potential for increased antisocial behavior and violence, particularly when patrons are intoxicated. Soho Road already experiences significant issues with antisocial behaviour. Extending operating hours until 2am would exacerbate these risks, endangering the safety of residents and patrons alike.
2. **Public Safety:** The proposal would lead to increased pollution and parking issues, including congestion in adjacent roads and misuse of disabled parking spaces by customers. There are several local disabled parking spots for residents which are often taken by customers of the restaurant. These issues not only compromise public safety but also disrupt the quality of life for local residents.
3. **Prevention of Public Nuisance:** Noise pollution from events featuring fireworks is a significant concern and this happens frequently when the restaurant hosts wedding celebration parties. Such disruptions make it challenging for residents with early morning shifts to get the rest they require and also negatively impact children's well-being who are scared of the noises, some of whom have fled war-torn countries.
4. **Protection of Children from Harm:** Prolonged operating hours and the potential for disturbances, violence, and noise late into the night pose a direct risk to the safety and well-being of children in the area as noted above. Bottles, glass, and related paraphernalia from the venue is often found across the street especially after a busy night. This is a danger to children playing on the road.

In light of these concerns and the recent violent incident, I urge the council to prioritise the safety, peace, and well-being of longstanding residents. Granting an extension to Lime and Chilli's license would not align with these objectives and could further deteriorate the living conditions in our community.

Please consider these concerns seriously and accept the licensing application but on the condition that the 12am-2am extension is rejected. We are happy with the venue opening earlier and bringing in customers during the day but we are particularly concerned about the extension past midnight.

Sincerely,

Colleraine Road

Protection of Children from Harm: Prolonged operating hours and the potential for disturbances, violence, and noise late into the night pose a direct risk to the safety and well-being of children in the area as noted above. Bottles, glass, and related paraphernalia from the venue is often found across the street especially after a busy night. This is a danger to children playing on the road.

In light of these concerns and the recent violent incident, I urge the council to prioritise the safety, peace, and well-being of longstanding residents.

Granting an extension to Lime and Chilli's license would not align with these objectives and could further deteriorate the living conditions in our community.

Please consider these concerns seriously and accept the licensing application but on the condition that the 12am-2am extension is rejected. We are happy with the venue opening earlier and bringing in customers during the day but we are particularly concerned about the extension past midnight.

Sincerely,

Subject: Objection to application 169302, Chilli and Lime

Dear Birmingham City Council,

I am writing to strongly object to the licensing application submitted by Lime and Chilli restaurant on Soho Road, which seeks to extend their alcohol retail license and regulated entertainment hours. Most notably, I am concerned about the late night extension between 12am and 2am. This application raises significant concerns related to Birmingham City Council's Licensing Objectives, particularly:

1. Prevention of Crime and Disorder: A recent stabbing incident - which was covered in the news - at the venue is deeply troubling and highlights the potential for increased antisocial behavior and violence, particularly when patrons are intoxicated. Soho Road already experiences significant issues with antisocial behaviour. Extending operating hours until 2am would exacerbate these risks, endangering the safety of residents and patrons alike.
2. Public Safety: The proposal would lead to increased pollution and parking issues, including congestion in adjacent roads and misuse of disabled parking spaces by customers. There are several local disabled parking spots for residents which are often taken by customers of the restaurant. These issues not only compromise public safety but also disrupt the quality of life for local residents.
3. Prevention of Public Nuisance: Noise pollution from events featuring fireworks is a significant concern and this happens frequently when the restaurant hosts wedding celebration parties. Such disruptions make it challenging for residents with early morning shifts to get the rest they require and also negatively impact children's well-being who are scared of the noises, some of whom have fled war-torn countries.
4. Protection of Children from Harm: Prolonged operating hours and the potential for disturbances, violence, and noise late into the night pose a direct risk to the safety and well-being of children in the area as noted above. Bottles, glass, and related paraphernalia from the venue is often found across the street especially after a busy night. This is a danger to children playing on the road.

Most notably, I am concerned about the late night extension between 12am and 2am. This application raises significant concerns related to Birmingham City Council's Licensing Objectives, particularly:

Bottles, glass, and related paraphernalia from the venue is often found across the street especially after a busy night. This is a danger to children playing on the road.
5. **Public Health.** Handsworth has high rates of dangerous drinking. Alcohol abuse has serious effects on individuals, their families, the community, and health and social services. The Office of Health Improvement and Disparities, Public Health Profiles show that Handsworth has a 27% higher rate of hospital admissions for alcohol than England, (Birmingham average only 6% higher than England). Increasing late night drinking hours increases the availability of alcohol to people who may have already drunk earlier in the night, acutely increasing the risk of serious harm by dangerous drinking both to that individual and others.

In light of these concerns and the recent violent incident, I urge the council to prioritise the safety, peace, and well-being of longstanding residents.

Granting an extension to Lime and Chilli's license would not align with these objectives and could further deteriorate the living conditions in our community.

These issues not only compromise public safety but also disrupt the quality of life for local residents.
3. Prevention of Public Nuisance: Noise pollution from events featuring fireworks is a significant concern and this happens frequently when the restaurant hosts wedding celebration parties. Such disruptions make it challenging for residents with early morning shifts to get the rest they require and also negatively impact children's well-being who are scared of the noises, some of whom have fled war-torn countries.
4. Protection of Children from Harm: Prolonged operating hours and the potential for disturbances, violence, and noise late into the night pose a direct risk to the safety and well-being of children in the area as noted above. Bottles, glass, and related paraphernalia from the venue is often found across the street especially after a busy night. This is a danger to children playing on the road.

In light of these concerns and the recent violent incident, I urge the council to prioritise the safety, peace, and well-being of longstanding residents.

Granting an extension to Lime and Chilli's license would not align with these objectives and could further deteriorate the living conditions in our community.

Please consider these concerns seriously and accept the licensing application but on the condition that the 12am-2am extension is rejected. We are happy with the venue opening earlier and bringing in customers during the day but we are particularly concerned about the extension past midnight.

Kind regards,

nishkamprimaryschoolbirmingham

Dear Birmingham City Council,

I am writing to strongly object to the licensing application submitted by Lime and Chilli restaurant on Soho Road, which seeks to extend their alcohol retail license and regulated entertainment hours. Most notably, I am concerned about the late night extension between 12am and 2am. This application raises significant concerns related to Birmingham City Council's Licensing Objectives, particularly:

1. Prevention of Crime and Disorder: A recent stabbing incident - which was covered in the news - at the venue is deeply troubling and highlights the potential for increased antisocial behavior and violence, particularly when patrons are intoxicated. Soho Road already experiences significant issues with antisocial behaviour. Extending operating hours until 2am would exacerbate these risks, endangering the safety of residents and patrons alike.
2. Public Safety: The proposal would lead to increased pollution and parking issues, including congestion in adjacent roads and misuse of disabled parking spaces by customers. There are several local disabled parking spots for residents which are often taken by customers of the restaurant. These issues not only compromise public safety but also disrupt the quality of life for local residents.
3. Prevention of Public Nuisance: Noise pollution from events featuring fireworks is a significant concern and this happens frequently when the restaurant hosts wedding celebration parties. Such disruptions make it challenging for residents with early morning shifts to get the rest they require and also negatively impact children's well-being who are scared of the noises, some of whom have fled war-torn countries.

Dear Birmingham City Council,

Most notably, I am concerned about the late night extension between 12am and 2am. This application raises significant concerns related to Birmingham City Council's Licensing Objectives, particularly:

1. **Prevention of Crime and Disorder:** A recent stabbing incident - which was covered in the news - at the venue is deeply troubling and highlights the potential for increased antisocial behavior and violence, particularly when patrons are intoxicated. Soho Road already experiences significant issues with antisocial behaviour. Extending operating hours until 2am would exacerbate these risks, endangering the safety of residents and patrons alike.

Bottles, glass, and related paraphernalia from the venue is often found across the street especially after a busy night. This is a danger to children playing on the road.
5. **Public Health.** Handsworth has high rates of dangerous drinking. Alcohol abuse has serious effects on individuals, their families, the community, and health and social services. The Office of Health Improvement and Disparities, Public Health Profiles show that Handsworth has a 27% higher rate of hospital admissions for alcohol than England, (Birmingham average only 6% higher than England). Increasing late night drinking hours increases the availability of alcohol to people who may have already drunk earlier in the night, acutely increasing the risk of serious harm by dangerous drinking both to that individual and others.

In light of these concerns and the recent violent incident, I urge the council to prioritise the safety, peace, and well-being of longstanding residents.

Granting an extension to Lime and Chilli's license would not align with these objectives and could further deteriorate the living conditions in our community.

Good Afternoon,

I am referring to Lime & Chilli Restaurant on Soho Road, Handsworth, Birmingham.
who want to extend the opening hours further from 12midnight to 2am.

It is selfish for businesses, not thinking of the local residents, children who would be disturbed by noise, no doubt music and loud talking.

It will be a distraction on the soho road and surrounded streets. Soho Road is going downhill, not what it use to be.

There is enough crime and violence in the area, let alone this adding to it.

Dear Birmingham City Council,

I am writing to strongly object to the licensing application submitted by Lime and Chilli restaurant on Soho Road, which seeks to extend their alcohol retail license and regulated entertainment hours. Most notably, I am concerned about the late night extension between 12am and 2am. This application raises significant concerns related to Birmingham City Council's Licensing Objectives, particularly:

1. **Prevention of Crime and Disorder:** A recent stabbing incident - which was covered in the news - at the venue is deeply troubling and highlights the potential for increased antisocial behaviour and violence, particularly when patrons are intoxicated. Several vehicles were damaged during the incident. Also, a ceremonial sword was mentioned on the news, and this sword, which was involved in this incident, was thrown over the fence of my own garden. Please find attached a picture of said sword, which following a call to the police from myself, they had collected the sword as evidence within the investigation of this incident. I am grateful that it had been me who found the sword that morning and not my young grandson who was staying with us at the time. Soho Road already experiences significant issues with antisocial behaviour. Extending operating hours until 2am would exacerbate these risks, endangering the safety of residents and patrons alike.
2. **Public Safety:** The proposal would lead to increased pollution and parking issues, including congestion in adjacent roads and misuse of disabled parking spaces by customers. There are several local disabled parking spots for residents which are often taken by customers of the restaurant. These issues not only compromise public safety but also disrupt the quality of life for local residents.
3. **Prevention of Public Nuisance:** Noise pollution from events featuring fireworks is a significant concern and this happens frequently when the restaurant hosts wedding celebration parties. Such disruptions make it challenging for residents with early morning shifts to get the rest they require and also negatively impact children's well-being who are scared of the noises, some of whom have fled war-torn countries. Also, I am a full-time carer for my wife who suffered a stroke in 2019. The noise pollution that continues to occur in the area due to fireworks being set off by the customers of private functions held at Lime and Chilli outside of the 11pm curfew and behind my property which is adjacent to Lime and Chilli has caused my wife a lot of anxious feelings at night.
4. **Protection of Children from Harm:** Prolonged operating hours and the potential for disturbances, violence, and noise late into the night pose a direct risk to the safety and well-being of children in the area as noted above. Bottles, glass, and related paraphernalia from the venue is often found across the street especially after a busy night. This is a danger to children playing on the road. Also, there are 2 primary schools, and 1 grammar school within 200 yards of Lime and Chilli, so you can imagine the unsettling environment this can cause should you allow an extension of their license.

In light of these concerns and the recent violent incident, I urge the council to prioritise the safety, peace, and well-being of longstanding residents.

Granting an extension to Lime and Chilli's license would not align with these objectives and could further deteriorate the living conditions in our community.

Please consider these concerns seriously and accept the licensing application but on the condition that the 12am-2am extension is rejected. We are happy with the venue opening earlier and bringing in customers during the day but we are particularly concerned about about the extension past midnight.

These issues not only compromise public safety but also disrupt the quality of life for local residents.
3. **Prevention of Public Nuisance:** Noise pollution from events featuring fireworks is a significant concern and this happens frequently when the restaurant hosts wedding celebration parties. Such disruptions make it challenging for residents with early morning shifts to get the rest they require and also negatively impact children's well-being who are scared of the noises. Strict conditions must be put in place to stop the use of fireworks outside the venue with the exception to religious observance, or celebrating new year, this will safeguard the wellbeing of everyone in the near vicinity of the venue.
4. **Protection of Children from Harm:** Prolonged operating hours and the potential for disturbances, violence, and noise late into the night pose a direct risk to the safety and well-being of children in the area as noted above. Bottles, glass, and related paraphernalia from the venue is often found across the street especially after a busy night. This is a danger to children playing on the road/walking to school.

In light of these concerns and the recent violent incident, I urge the council to prioritise the safety, peace, and well-being of longstanding residents.

Granting an extension to Lime and Chilli's license would not align with these objectives and could further deteriorate the living conditions in our community.

Please consider these concerns seriously and accept the licensing application but on the condition that the 11am - 2am extension is rejected. We are happy with the venue opening earlier and bringing in customers during the day but we are particularly concerned about about the extension past midnight and the impact of traffic flow and parking, especially when the Gurdwara is busy. The area has seen a vast increase in traffic causing stress to both local residents and visitors who hustle and sometimes argue over parking spaces.

Subject: Objection to Licensing Application 72, Soho Road B21 9BH Lime & Chilli Restaurant

To Licensing Committee,

May I take this opportunity to request your help in supporting the local community in objecting to this licensing application at Lime and Chilli Restaurant on Soho Road.

Residents and local stakeholders are very concerned about the 11am-2am, Monday to Sunday change which will increase serious issues around public drunkenness, antisocial behaviour, the potential for violent crime (after mass violence there last Oct 2022), noise issues, eg fireworks, increased prostitution & curb crawling.

This application raises significant concerns related to Birmingham City Council's Licensing Objectives, particularly:

1. Prevention of Crime and Disorder: Mass violent incident - which was covered in the news October 2022 - at the venue is deeply troubling and highlights the potential for increased antisocial behaviour and violence, particularly when patrons are intoxicated. Soho Road already experiences significant issues with antisocial behaviour.

Extending operating hours until 2am would exacerbate these risks, endangering the safety of residents and patrons alike.

2. Public Safety: The proposal would lead to increased pollution and parking issues, including congestion in adjacent roads and misuse of disabled parking spaces by customers. There are several disabled parking spots for residents which are often taken by customers of the restaurant. These issues not only compromise public safety but also disrupt the quality of life for local residents.

3. Prevention of Public Nuisance: Noise pollution from live music events, also featuring fireworks is a significant concern and this happens frequently when the restaurant hosts wedding/birthday celebration parties.

Such disruptions make it challenging for residents with early morning shifts to get the rest they require and a peaceful night sleep which will negatively impact their well-being.

4. Our community, is part of a location (Soho Road) saturated with same provisions, and plagued by alcohol related anti-social behaviour, this will add further detriment to the community with no benefit other than profit to the applicant. This application will expand the availability of alcohol in the area and potentially cause more calls to police to service to deal with alcohol related crime at the premises or in the near vicinity of the premises.

5. This application may well cause more strain on local policing resources, as the policing team covers a large, complex area in addition to Soho Road and linked roads. This will be detrimental to the wider area of the community who will be unable to access policing resources.

6. Protection of Children from Harm: Prolonged operating hours and the potential for disturbances, violence, and noise late into the night pose a direct risk to the safety and well-being of children in the area as noted above. Bottles, glass, and related paraphernalia from the venue is often found across the street especially after a busy night. This is a danger to children accessing public footpaths to & from local schools.

7. I am a full time carer for a family member, the venue is yards away from my house, these proposed changes go to the detriment of our quality of life, the right to peaceful nights sleep, and be feel safe in our

own homes. The extra challenging pressures bought upon us, causing mental health issues by lack of sleep from an establishment close to our homes making noise well into the night is totally selfish and unnecessary.

8. The venue advertises it can host up to 100 people in the function room, towards Ivy Road , not taking into account of the restaurant situated on Soho Road, the need of 2 extra licensed security personnel are urgently needed to oversee the safety of patrons and vulnerable residents who live near the venue. Live entertainment and loud music must be restricted to cease at 10pm at the latest to help the concerns I have expressed before, or even be cancelled altogether.

In light of these serious concerns and the recent mass violence arising at this venue,I urge the council to prioritise the safety, peace, and well-being of longstanding residents and refuse the licensing application. This is a residential area and the 11am - 2am Monday to Sunday is an absurd extension request which should be rejected.

Granting an extension to Lime and Chilli's license would not align with these objectives and could further deteriorate the living conditions in our community.

Thank you

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The Lime and Chilli Restaurant is located at premises that have been used as a Licenced Restaurant (under different ownerships) and formerly as a Public House since approximately 1980. Alcohol is sold to meet customer's expectations. In most cases, it consists of table wine or larger/beer with meals. Since the Lime and Chilli Restaurant opened it has not experienced any crime and disorder, public safety, or public nuisance issues that the owners were held responsible for preventing. In the future we expect that the sale of alcohol will continue to accompany the serving of meals. Customers for the events room at the premises will be allowed to bring their own alcohol onto the premises to be consumed by their guests.

b) The prevention of crime and disorder

If a customer appears to be intoxicated either when he or she arrives at the Lime and Chilli Restaurant or because of consuming alcohol with a meal, we will not serve them anymore. In addition, we would ask how they had travelled to the restaurant. If this was by car and they intended to drive back, we would strongly recommend them not to do so. If a customer who orders alcohol with their meal appears to be under 21 years old, they will be asked for proof of their age before they are served. All our members of staff who come into direct contact with customers are aware of this policy which is enforced at the discretion of the Designated Premise Supervisor and Personal License Holder(s) present at the time.

c) Public safety

No bottles of any kind are allowed to be taken outside by customers. All paths and walkways are kept clean, dry, and free of any obstructions. External steps are highlighted by white paint.

d) The prevention of public nuisance

The nearest residential properties are approximately 200 yards away from the restaurant entrance and it has a small private car park. Therefore, it is very unlikely that our neighbours or any other members of the public using Bell Lane will be disturbed by any type of public nuisance caused by the sale of alcohol the Lime and Chilli Restaurant. There is a sign near to the main entrance/exit that requests that customers leave the premises quietly so that they don't disturb residents especially late at night. However due to the size and location of the premises this is unlikely to be a problem as far as we are aware.

e) The protection of children from harm

The Lime and Chilli Restaurant has a Child Protection Policy which is registered with "Thirtone:Eight" who are a well-known expert organization in this field. In accordance with this policy our members of staff receive training in child protection issues including how to obtain expert advice in the event of an emergency. We consider that children are protected from any harm associated with the sale of alcohol because of our "Challenge 25" Proof of Identity policy and the limitations that we place on the sale of alcohol to persons who appear to be intoxicated, especially if they are car drivers with vehicles on

Continued from previous page...

our car park. There is a "Challenge 25" notice which advises customers that people who appear to be under 25 will be asked for proof of identity if they ask to be served alcohol.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Section 20 of 21

NOTES ON REGULATED ENTERTAINMENT

In terms of specific **regulated entertainments** please note that:

- Plays: no licence is required for performances between 08:00 and 23.00 on any day, provided that the audience does not exceed 500.
- Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
- Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
- Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
- Live music: no licence permission is required for:
 - o a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - o a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - o a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.
 - o a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - o a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school or (iii) the health care provider for the hospital.
- Recorded Music: no licence permission is required for:
 - o any playing of recorded music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - o any playing of recorded music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - o any playing of recorded music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school proprietor or (iii) the health care provider for the hospital.

Continued from previous page...

- Dance: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500. However, a performance which amounts to adult entertainment remains licensable.
- Cross activity exemptions: no licence is required between 08.00 and 23.00 on any day, with no limit on audience size for:
 - o any entertainment taking place on the premises of the local authority where the entertainment is provided by or on behalf of the local authority;
 - o any entertainment taking place on the hospital premises of the health care provider where the entertainment is provided by or on behalf of the health care provider;
 - o any entertainment taking place on the premises of the school where the entertainment is provided by or on behalf of the school proprietor; and
 - o any entertainment (excluding films and a boxing or wrestling entertainment) taking place at a travelling circus, provided that (a) it takes place within a moveable structure that accommodates the audience, and (b) that the travelling circus has not been located on the same site for more than 28 consecutive days.

Section 21 of 21**PAYMENT DETAILS**

This fee must be paid to the authority. If you complete the application online, you must pay it by debit or credit card.

Premises Licence Fees are determined by the non domestic rateable value of the premises.

To find out a premises non domestic rateable value go to the Valuation Office Agency site at <https://www.tax.service.gov.uk/business-rates-find/search>

Dear Mark,

Please see the email from Bianca.

Do you know if the Neighbourhood Team have any objections to the extended hours for serving late night refreshments? This would be til 00.00 normally and 02.00 Saturday and Sunday? Or are they happy for alcohol and LNR to be serve?

Look forward to hearing from you.

Dear Bhapinder and Harry,

Thank you for your emails this morning about this Premise Licence application. I have contacted both joint applicants and they have agreed to accept the proposed amendments concerning live entertainment.

They also both accept the amendments requested by West Midlands Police previously notified to them.

Thank you and best wishes.

Dear Applicant,

I hope you're well.

I have reviewed your licence application and do not deem it appropriate at this site to have regulated entertainment or live music in the form you've described past 11pm. I believe this to be out of character to the nature of the area and other businesses in the locality, and my priority here is to protect the licensing objective of preventing public nuisance. There is of course also residential premises proximate to this site. My suggestion here would be as follows:

Regulated Entertainment & Live Music until 11pm.
Operating Hours until 2am.

This will allow your business to stay open until the later time you have requested but will ensure that no loud music will disturb residents post-11pm which I estimate to be no further than 200yards away. I would also accept quiet background music until the later time but you will have to update your application to show this and commit to dissolving your comments around live music and allowing customers to play their own music through amplified speakers post 11pm.

My suggestion here would be to apply for Temporary Event Notices should you wish to run in the way that you have applied for here – There will be some overlap of hours on the elements of regulated entertainment should you wish to provide anything but quiet background music post-11pm. This means that you'll have to commit to the licence as is but apply for the TEN to provide live music or louder music in the venue post-11pm for events and so on. If this goes all well and we receive no complaints from residents in the future, you can apply for a variation on your main licence to provide these regulated elements without requesting a Temporary Event Notice (TEN).

Best wishes,

Harry.
