Subject: Appeal Notice for Interim Steps for PETITE AFRIQUE BAR & RESTAURANT (La Reference)

Dear David,

Re: PETITE AFRIQUE Bar & Restaurant (formerly known as LA Reference), 160 Hockley Hill, Birmingham, B19 1DG

I now act on behalf of **Mr Rodrigue Kouamo Tankeu** the Premises License Holder for the above premises.

My client has also instructed as Legal Representative Sarah Clover, from Kings Chambers.

Please take note that the premises license holder for Petite Afrique Bar & Restaurant hereby makes representations against the interim steps imposed upon the license by the Licensing Authority on Thursday 1st October 2020 in accordance with 53B(6) of the Licensing Act 2003 on the grounds that the Decision of the Licensing Authority was unreasonable, against the weight of the evidence, contrary to law and in all the circumstances, was wrong. Specifically, the Licensing Authority should not have entertained a Summary Review based upon the public nuisance as a common law offence.

Please, could you arrange a hearing to consider those representations within forty-eight hours accordingly.

Many thanks

Carl

BIRMINGHAM CITY COUNCIL

LICENSING SUB COMMITTEE - A

THURSDAY 1 OCTOBER 2020

LA REFERENCE (PETITE AFRIQUE), 160 HOCKLEY HILL, BIRMINGHAM B19 1DG

That having considered the application made and certificate issued by West Midlands Police under Section 53A of the Licensing Act 2003 for an expedited review of the premises licence held by Mr Rodrigue Kouamo Tankeu in respect of La Reference (Petite Afrique), 160 Hockley Hill, Birmingham B19 1DG, this Sub-Committee determines:

- that the licence be suspended pending a review of the licence, such a review to be held within 28 days of receiving the Chief Officer of Police's application

and

- that Rodrigue Kouamo Tankeu be removed as the Designated Premises Supervisor

Before the meeting began the Sub-Committee was aware of the amended Health Protection (Coronavirus, Restrictions) (No. 2) (England) Regulations 2020, the updated version of the Guidance entitled 'Closing Certain Businesses and Venues in England' originally issued by HM Government on 3rd July 2020, and the Guidance entitled 'Keeping Workers and Customers Safe in Covid-19 in Restaurants, Pubs, Bars and Takeaway Services' issued originally by HM Government on 12th May 2020 and updated regularly thereafter.

The Sub-Committee was also aware of the special local lockdown measures (specifically for Birmingham) which had been announced by HM Government on Friday 11th September 2020, then introduced on Tuesday 15th September 2020. These measures were an attempt to control the sharp rise in Covid-19 cases in the city.

Furthermore the Sub-Committee was aware of the further national measures to address rising cases of coronavirus in England as a whole, which were announced by HM Government on 22nd September 2020. These national measures had been published on the "gov.uk" website on that date, and detailed the new requirements for all businesses selling food or drink (including cafes, bars, pubs and restaurants), ordering that all such premises must be closed between 22.00 hours and 05.00 hours. Other requirements for such premises included seated table service, wearing of masks, and participation in the NHS Test and Trace programme. These measures were an attempt by HM Government to control the sharp rise in Covid-19 cases nationally.

The pandemic had continued to be the top story in the national news across the Spring, Summer and now into the Autumn of 2020; the Birmingham lockdown, and also the new national measures announced on 22nd September, had been very widely publicised and discussed both in news reports and on social media. In recent weeks the Prime Minister, together with HM Government's Chief Medical Officer and Chief Scientific Officer, had resumed the televised 'Coronavirus Briefing' broadcasts which had been a feature of the first few months of the pandemic.

Members heard the submissions of West Midlands Police, namely that from July 2020, when the new arrangements for reopening were being publicised and the lockdown was being eased for licensed premises such as pubs and bars, the approach taken by West Midlands Police was to advise and offer guidance to licence holders and designated premises supervisors to assist them in following the new requirements.

However, this approach had not seemed to be working in terms of La Reference (Petite Afrique). Despite conducting numerous visits since the 4th July 2020, to explain the restrictions, Police had observed a general failure by the La Reference (Petite Afrique) premises to follow the Government Guidance. There were 5 visits in total from West Midlands Police - including three visits from the licensing Sergeant in August 2020.

Upon visiting the premises on the 4th September 2020, Police found that loud music was playing at a volume which made conversation difficult. The licence holder, who is also the designated premises supervisor, was unable to confirm whether a noise limiter (required as a condition of the licence) was in operation. He claimed that the music levels were simply "being tested" and would not usually be played at that volume.

On the 26th September the Police attended again, at 22.25 hours, only to discover that La Reference (Petite Afrique) was trading, in direct defiance of the order from HM Government that all premises serving food and drink must close by 22.00 hours. Around 40 people were found inside the premises, many of whom left hurriedly upon seeing Police arrive. Masks were not being worn by customers, and social distancing was not being observed.

The explanation given by the premises licence holder was that he had been trying to get customers to leave from 21.45 hours onwards, but the customers "would not listen to him, and did not want to go". This explanation was not accepted by the Police Officers once they examined the CCTV footage, which showed Mr Tankeu serving behind the bar shortly before 22.00 hours, not trying to get customers to leave. CCTV also showed that there was no table service in operation and customers were sitting at the bar drinking. Social distancing rules were not being observed, and even some bar staff were not wearing masks.

The Police ascribed these failures to unsatisfactory management by the premises licence holder. The Police explained that the licence holder's decision to trade in this unsafe manner, which was not compliant with the Government Guidance, was an overt risk to the health of individuals, families and local communities, at a time when the country is experiencing a national emergency. The Police were therefore concerned that the premises licence holder was being reckless in his style of operating, and was endangering public health by risking the spread of Covid-19.

The Covid-19 virus is a pandemic which has required all licensed premises to act responsibly and in accordance with both the law and the Government Guidance when trading, in order to save lives. It was therefore a flagrant risk to public health for any licensed premises to breach the Government Guidance by trading in an unsafe manner.

Attempts by the Police to advise those at the premises had not succeeded. Police had requested that the premises supply the Covid-19 risk assessment which is a mandatory requirement under the Government Guidance; the document supplied had been generic and the licence holder had stated that the document would be reviewed and updated on a weekly basis. All in all the Police had concluded that the licence holder was either unable or unwilling to comply with the Government Guidance; accordingly they had no confidence in him to trade safely. The recommendation of the Police was therefore that the Sub-Committee should suspend the licence pending the review hearing.

The licence holder did not attend the meeting and did not send a representative. The Sub-Committee agreed with the Police that the licence holder had failed to take his responsibilities seriously. The Sub-Committee therefore determined that it was both necessary and reasonable to impose the interim step of suspension to address the immediate problems with the premises, namely the likelihood of further serious crime.

The Sub-Committee considered whether it could impose other interim steps, including modification of licence conditions, but considered that this would offer little to address the real issues, which were the unsatisfactory practices and the irresponsible attitude shown by the licence holder, both of which were a significant risk to public health in Birmingham.

However, the Sub-Committee determined that the removal of the designated premises supervisor was a very important safety feature given that it was this individual who was responsible for the day to day running of the premises, ie the decision to defy the Government Guidance in order to trade as usual. Therefore the risks could only be properly addressed first by the suspension of the Licence, and secondly by the removal of the DPS, pending the full Review hearing.

In reaching this decision, the Sub-Committee has given due consideration to the City Council's Statement of Licensing Policy, the Guidance issued by the Home Office in relation to expedited and summary licence reviews, and the submissions made by the Police at the hearing.

All parties are advised that the premises licence holder may make representations against the interim steps taken by the Licensing Authority. On receipt of such representations, the Licensing Authority must hold a hearing within 48 hours.

All parties are advised that there is no right of appeal to a Magistrates' Court against the Licensing Authority's decision at this stage.

West Midlands Police

CERTIFICATE UNDER SECTION 53A (1)(B) OF THE LICENSING ACT 2003

I hereby certify that in my opinion the premises described below are associated with serious crime and disorder

Premises: Petite Afrique (La Reference)

Premise Licence Number: 4155

Premise Licence Holder: Mr Rodrigue Tankeu

Designated Premise Supervisor: Mr Rodrigue Tankeu

I am a Chief Superintendent in West Midlands Police.

I am giving this certificate because I am in the opinion that the procedures under the Licensing Act are inappropriate in this case because the standard review procedures are thought to be inappropriate due to the seriousness of the crime, and the serious management failings of the premises concerned.

This venue has been visited on a number of occasions when officers have attempted to engage and explain the updated guidance. Officers have not been confident that measures are being followed or that licensing conditions are being complied with.

On Saturday 26th September this premises operated without properly implementing social distancing guidance. The venue still had numerous customers present at 22:25 hours when the well-publicised time for licensed premises to close is 22:00. This has caused unnecessary risk to the health of individuals, families and local communities, at a time when the country is experiencing a national emergency. This is causing a public nuisance.

Public nuisance is a serious crime and combined with the national threat the Covid 19 possesses, it warrants the use of this power.

I have considered the use of the normal review procedure but I do not feel this would be appropriate in these circumstances due to the above reasons, and the fact that to maintain the licensing objective of preventing crime and disorder the normal review procedure would not be sufficient.

The severity of the incident is a matter that needs to be brought to the attention of the Licensing Committee immediately.

I am conscious of the guidance on the use of "Expedited Reviews" and given the emphasis that is given to use of this power to tackle serious crime and disorder, my feelings that this process is deemed appropriate are further enforced.

Signed

(Please read guidance note 2)

The year 2020 has seen a Pandemic disease, referred to as Covid 19 infect vast swathes of the World, with the UK not being immune to its effects.

In March the UK Government had to take the extra ordinary step of closing down numerous operating premises, close schools, encourage people to work from home, all with the aim of stopping the spread of the virus, reduce the number of deaths and stop the infection rates.

On the 4th July 2020, the UK government were able to start relaxing the lock down measures. This was not a return to normality but a start to allow businesses to reopen, and get the country operating again. The re-opening was assisted with guidance issued to the sectors that were being allowed to re-open.

For licensed premises, the guidelines were found in a document called "Keeping workers and customers safe during Covid 19, in restaurants, pubs, bars and takeaway services"

<https://assets.publishing.service.gov.uk/media/5eb96e8e86650c278b077616/working-safely-during-covid-19-restaurants-pubs-takeaways-240920.pdf>

This document has been revised, on the 14th June, 24th June, 3rd July, 9th July, 23rd July, 31st July, 12th August, 10th September, 11th September, 18th September and 24th September.

This guidance was designed to do one thing, to show how premises could open and what they would need to do, to do so safely and minimise any potential spread of the disease.

This document provided guidance in matters such as, risk assessments, queue control, social distancing, noise control, no dancing, no shouting and enhanced cleaning.

Cases and infection rates of Covid 19 began to rise again in various parts of the UK through September, resulting in areas having to issue local lock down rules. Birmingham was not immune to the increased numbers of Covid 19, and had to impose local lock down rules on the 15th September 2020.

On top of this the UK Government then imposed nationwide (England only) measures forcing all hospitality venues to close at 10pm and for everyone to be out of the building by 10pm. This was on top of any local lock down rules.

This has been widely publicised.

The UK Prime Minister – Boris Johnson addressed the UK through a TV broadcast, in which he emphasised the dangers of the disease coming back and that we had to stick to the rules to curb the growth in infections.

The police approach has been around the 4 E's principle, Engage, Explain, Encourage, Enforce.

Officers have visited Petite Afrique numerous times since the 4th July when venues reopened. The visits have been to engage with the venue and explain the restrictions and guidance in place.

Sgt Nick Giess, the licensing Sgt attended the venue and spoke with the licence holder (Rodrigue Tankeu) at the end of August. Following this visit, the licence holder sent a very generic risk assessment to Sgt Giess. The licence holder stated that he planned to 'review and update it weekly'.

On the 4th September at approximately 22:55 hours, PC 2413 Reader attended the venue and spoke with Rodrigue Tankeu again. PC Reader noted that the music was very loud whilst customers were sat inside the premises. Rodrigue Tankeu told the officers that the music was just being tested and wasn't normally that loud. He was unable to state to the officer if he had a noise limiter in place, as per his licence conditions.

On the 26th September, PC 2413 Reader and PC 2853 Jevons were deployed on Op Reliant, a force wide operation to respond to suspected Covid guidance breaches. The officers drove past the location at around 22:20 and noticed a large number of vehicles outside. Officers noticed that the metal shutters were half way down covering the main doors.

Officers entered the premises at 22:25 and found approximately 40 people, including staff, inside the venue. Social distancing measures were not in place and the premises had failed to close at 22:00 as per the government measures. Customers were drinking at tables. Upon police attendance, customers quickly began to leave. These customers who left were not wearing facemasks as per guidelines.

Rodrigue Tankeu told officers he had been trying to get people to leave since 21:45, he stated they would not listen to him and didn't want to go. He also confirmed that his security staff had left at 22:00. If this was true, then he had no control of the venue.

Licensing officers have viewed the CCTV for the venue and have seen people at the bar being served just prior to 22:00. Rodrigue Tankeu is working behind the bar taking payments from people. This appears to contradict his account to officers that he had been trying to get people to leave. There appears to be no table service in operation and staff behind the bar are not all wearing face masks. Customers are sat at the bar drinking.

This venue is ignoring the guidance and hosting customers inside the premises post 22:00 with shutters half down.

The infection rate in Birmingham continues to rise, as of the 29/9/20 it has risen to 145.1 per 100,000, compared to last weeks figure of 96.2.

It is imperative that hospitality trade comply with the rules set down, to curb the growth of the disease.

Covid 19 is a worldwide virus that has seen many people die, articles in the press have shown that deaths unfortunately have surpassed 1 million people.

It is an infectious disease which is spread as a result of activities carried out by people. This explains the reason for measures such as social distancing.

The risk of spreading infections is deemed a "public nuisance". In the case of *R v Rimmington and Goldstein* (2005) UKHL.63, it quoted the leading modern authority on public nuisance as *Attorney general v PYA Quarries Ltd* (1957) 2 QB 169.

The case quotes "a person is guilty of a public nuisance (also known as a common nuisance) who (a) does an act not warranted by law, or (b) omits to discharge a legal duty, if the effect of the act or emission is to **endanger the life, health**, property, morals or comfort of the public, or to obstruct the public in the exercise or enjoyment of rights common to all Her Majesty's subjects" (*Rimmington* at [3]).

Public nuisance is a common law offence which carries an offence of life imprisonment. It is WMP's stance that a serious crime under the definition in RIPA has been fulfilled on the above facts.

"Serious crime" is defined by reference to S.81 of RIPA Act 2000. An offence for which an adult could reasonably be expected to be sentenced to imprisonment for a period of 3 years or more.

West Midlands Police are concerned that the actions of this premise are contributing to the spread of the virus, they are ignoring the rules set to help reduce the threat of this virus, which places both its customers, staff in danger and threatens their safety, which then widens to the safety of their families and the communities they live in.

Notes for guidance:

1. A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.

Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:

- conduct that amounts to one or more criminal offences for which a person who has attained the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or
- conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.

Serious Disorder is not defined in legislation, and so bears its ordinary English meaning.

2. Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder or both.

Every retail sale or supply of alcohol made under this licence must be made or authorised by a person who holds a personal licence.

The responsible person must ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises. In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises— (a) games or other activities which require or encourage, or are designed to require or encourage, individuals to— (i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or (ii) drink as much alcohol as possible (whether within a time limit or otherwise); (b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic in a manner which carries a significant risk of undermining a licensing objective; (c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less in a manner which carries a significant risk of undermining a licensing objective; (d) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner; (e) dispensing alcohol directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of disability).

The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.

The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy. The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either— (a) a holographic mark, or (b) an ultraviolet feature.

(1) A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price. (2) In this condition:— (a) “permitted price” is the price found by applying the formula $P = D + (D \times V)$, where— (i) P is the permitted price, (ii) D is the amount of duty chargeable in relation to the alcohol as if the duty were charged on the date of the sale or supply of the alcohol, and (iii) V is the rate of value added tax chargeable in relation to the alcohol as if the value added tax were charged on the date of the sale or supply of the alcohol; (b) “duty” is to be construed in accordance with the Alcoholic Liquor Duties Act 1979; (c) “relevant person” means, in relation to premises in respect of which there is in force a premises licence— (i) the holder of the premises licence, (ii) the designated premises supervisor (if any) in respect of such a licence, or (iii) the personal licence holder who makes or authorises a supply of alcohol under such a licence; (d) “relevant person” means, in relation to premises in respect of which there is in force a club premises certificate, any member or officer of the club present on the premises in a capacity which enables the member or officer to prevent the supply in question; and (e) “value added tax” means value added tax charged in accordance with the Value Added Tax Act 1994. the permitted price would not be a whole number of pennies, the permitted price shall be taken to be the price rounded up to the nearest penny.
