To whom it may concern,

Licensing Act 2003 Application Ref: 99672 - Mini Express Convenience Store, 1162 Stratford Road, Hall Green Birmingham B28 8AF

I am writing to register my objection to the application for a premises licence by Mr Sellathamby Manivannan, Mini Express Convenience Store for 1162 Stratford Road, Hall Green, Birmingham, B28 8AF.

Concerns have been raised by residents living nearby that they were not aware of the application and believe that it was not correctly advertised. I realise that this is not a valid reason to refuse this application and I make my objections on the following grounds:

1. Crime and Disorder.

Local police crime reports cite 18 incidents reported near to this location during September 2016, including:

Violence and sexual	4
Vehicle crime	1
Burglary	2
Public order	1
Criminal damage and	2
Robbery	1
Drugs	2
Anti-social behaviour	3
Burglary	1

Local residents have raised concerns that allowing alcohol to be sold until 2am, which they see as being unsociable hours, will have a negative impact on this residential area and are worried that people will be drawn in from the large amount of fast food takeaways and restaurants locally to purchase alcohol and other items and this is likely to result in an increase in criminal behaviour. Concerns over an increase in drug use and alcohol abuse has also been raised.

2. Public Nuisance.

Late night opening in a residential area will unnecessarily draw people from a wider area at unsociable hours. Noise and light pollution, traffic and traffic noise will all have a negative impact. Additional traffic, to an already busy highway may have public safety implications.

This shopping parade already struggles with late night parking congestion because of the numerous fast food takeaways and another premises opening late nights, and attracting additional footfall will impact negatively on the surrounding, residential area.

The local street scene already suffers because of the high proportion of fast food takeaways which contribute to an increase in litter.

3. The Protection of Children from Harm.

The licence conflicts with the amenities available to children and young people in the area, putting them at risk from anti-social behaviour, increased littering, exposure to the marketing and sale of alcohol and cigarettes, increased potential for road traffic incidents.

South and City College is located just a few hundred feet away from this site and there is concern regarding the potential for students to gain access to alcohol and tobacco products.

If this licence was granted, I would ask that conditions are placed on the licence to ensure stringent procedures are enforced to protect children and young people from harm including conditions on the Premises Licence holder to ensure all staff are trained and regularly refreshed to enforce the 'Challenge 21' policy; that they will ensure all alcohol sale refusals are noted in a refusal register and that the premises will robustly apply the necessary checks on age and identification.

Thank you for taking the time to seriously consider these objections.

Yours Sincerely,

Kerry Jenkins
Cllr Hall Green Ward

Subject: Objection of late night licensing, Mini Express 1162 Stratford Road, Hall Green, B28 8AF

To whom it may concern,

I'm writing to you to voice my concerns over the application for late night licensing at the current "Mini Express 1162 Stratford Road, Hall Green, B28 8AF".

By allowing late night licensing, the noise will be unbearable for the residents in this area as well as an increase in anti social behaviour on top of the noise and anti social behaviour already being experienced as a result from the late night opening of the fast food restaurants on Stratford road, which were objected against when planning permission was applied and was ignored by yourselves.

We feel strongly let down by the council as we objected against the opening of these restaurants in the past. Our emails, letters and telephone calls were ignored about the rubbish generated and incorrectly disposed of and we were, and still are directly affected this, and now with alcohol being sold at what was the news parade in the early hours of the day, we are worried it will create an increase in all mentioned above.

To further our disappointment, we were NOT informed of the late night licensing, it was brought to our attention by our neighbour and now, having visited the shop we have seen the notice first hand.

We are residing at Cateswell Road, Hall Green, B28 , the back of the shop meets our garden, over time we have called the police, council, local councillors, fire brigades over issues encountered here in relation to drugs, arson attacks, rubbish, rat infestation due to rubbish, damage to our property from the use of air rifles, I do hope you take the time out and have a look on the map and see how this is a problem for us and look into this further. We have lived here for 20 years and seen this area go downhill in the last 6 years, and if emails like this and concerns are ignored, like they have done in the past, it will only get worse!

Subject: Licensing Objection for 1162 Stratford Road, Hall Green, Birmingham

Dear sir/madam,

I'd like to register my concern and disapproval of your decision to 'allow' a 24 hour (06:00 – 02:00) off-licence at 1162 Stratford Road, Hall Green. Please if there is any way that this decision could be changed it would make the community here a lot happy. Because of the many fast food/restaurant outlets in the vicinity including the Tesco-extra there is already a high foot fall in the area with all of the noise and rubbish that comes with it. There are also some people who live above the shops where the new off-licence is proposed who are already causing anti-social problems and complaints to the police already been made. Adding a 24 hour alcohol outlet here can only make an already undesirable situation worse for local residents in the area. (I live at Cateswell Road - immediately around the corner from where you are proposing to have the new off-licence).

Please can you take the above thoughts into consideration as you make your decision

Yours faithfully,

Dear Madam/Sir,

Re: Licensing Application; Mini Express, 1162 Stratford Road, B26 8AF

We wish to object to the granting of the mini-market application on the following grounds.

1. The extended hours of opening indicate an intention to seek trade in a catchment area well beyond that of the other parade traders attracting night time traffic into the early hours causing disturbance and nuisance to householders.
2. It will attract unsocial elements into the area after the closing of other licensed premises.
3. There is another retail outlet, Tesco's nearby which sells alcohol.
4. This will prevent any other retail service, i.e. reverting to a newsagent for which there is a need.
5. Such an outlet will lower the quality of the parade which already suffers from an excess of fast food outlets, with an increasing litter problem being created in the nearby roads.
6. This outlet is situated on a regular route for school children and college students and would encourage underage drinking.

To whom it may concern..

Please take this as my objection to the granting of a license for the above premises to sell alcohol at this address. I understand that objections must be made by close of business today (9th December 2016).

Objections-

1. The hours suggested are excessive - 0600-0200 - 20 hours per day Monday to Sunday. What evidence exists that there is a demand to sell alcohol for 20 hours a day? None I would suggest. I suspect (as the committee will no doubt think) this is an outrageous attempt (never really intended) but to allow you to grant some limited license that they would have been content with in any event. I suggest there is no demand at all in Hall Green & the granting of this license is sets a very thin wedge to what may develop in the future.
2. Hall Green is a suburban area. It is made up of families primarily & this location (whilst on the main road) is very close to many homes & vulnerable persons. They include elderly people in the Rivendell Homes on the Stratford Road & the homes opposite in Green Road & Cateswell Road.
3. The location (or close proximity) had an off-licenses that did not thrive. This location is very close (about 75 metres or so) to the Tesco supermarket that operates already from 0700-2300 hours 7 days a week. It has a wide range of alcoholic products all at very competitive prices. And a proper car park & good CCTV externally & internally this dissuading inappropriate behaviour.
4. Hall Green is in no way any place for a night time economy to develop. Even the restaurants & other cafes etc are quiet & do not open late hours. The Parade is quiet & many wish it to be this way. This retail operation would significantly change that balance. It would be a hive for Anti-social behavior I believe. It is on the route of many school children who may well be supplied with alcohol. We all know that the smaller retailer is prey to margins & cutting corners.
5. Who say that any mini - market would really be offering any service that is not provided during extensive hours of other retail units. Places that wish to open longer should not be located in residential & suburban areas I would suggest. They should be on retail sites that have properly constructed parking & noise abatement.
6. I live in [redacted] & it is no more than [redacted] meters from my home (in a straight line) & we already hear the noise of traffic late at night. The prospect of a retail unit operating until 0200 is shocking. The idea that people buying alcohol (& probably drinking it near to the place) is really worrying. One can envisage all sorts of anti-social behavior developing.
7. The make up of Hall Green has changed fundamentally over the last 20+ I have lived here. The demographic is significant that very many persons now do not drink alcohol. I can not believe they would all want to buy a pint of milk at 0200 hrs. As it has changed as a community so it has become quieter & frankly more pleasant. Let us not try to change what the community wishes. I am sure most residents (& I speak to many as I run a community organisation) do not wish this licence to be granted.

I hope that for the reasons set out above you reject this application. If it is possible I would happily give oral evidence to the Committee so that you may question me on this point. I am aware that local councillors object & they surely reflect community concerns.

This mini-market is not needed & not welcome. It will only bring trouble & infringements on the quality of life of the locality.

There is not an economic reason for it & there are many local alternatives meeting those needs of the community. I am not anti-business (& ran one myself) but this application should be refused I would respectfully suggest.

Kind regards,

Birmingham

Subject: Ten applications for Beorma

Dear Licensing,

In relation to the 5 applications that have been submitted by Steve Bonnington for Beorma, for the following dates 14th Jan, 21st Jan, 28th Jan, 4th Feb, 11th Feb 2017. West Midlands Police wish also to object to these applications on the grounds that they will undermine the crime and disorder, public safety and public nuisance objectives. These premises have been open previously both under a number of tens and then under a full premise licence, when a serious incident occurred which resulted in the premise licence being revoked. This was appealed by the premises, but lost at Magistrates Court where the District Judge gave a damning statement about the running of the premises.

This judgement was made even though numerous new measures were offered, with these Ten notices we have no information around any measures that were being considered. West Midlands Police have no confidence that even if new measures were offered which could be deemed as acceptable that they would be implemented fully, due to the numerous breaches that had happened previously.

West Midlands Police have asked for risk assessments so that we could at least look at what was being proposed, these have not been supplied to date, but they would have to be considerable for us to be satisfied that they could promote the licensing objectives fully. West Midlands Police therefore request a hearing for these applications

Subject: Ten applications for Beorma

Dear Licensing,

In relation to the 5 applications that have been submitted by Steve Bonnington for Beorma, for the following dates 14th Jan, 21st Jan, 28th Jan, 4th Feb, 11th Feb 2017. West Midlands Police wish also to object to these applications on the grounds that they will undermine the crime and disorder, public safety and public nuisance objectives. These premises have been open previously both under a number of tens and then under a full premise licence, when a serious incident occurred which resulted in the premise licence being revoked. This was appealed by the premises, but lost at Magistrates Court where the District Judge gave a damning statement about the running of the premises.

This judgement was made even though numerous new measures were offered, with these Ten notices we have no information around any measures that were being considered. West Midlands Police have no confidence that even if new measures were offered which could be deemed as acceptable that they would be implemented fully, due to the numerous breaches that had happened previously.

West Midlands Police have asked for risk assessments so that we could at least look at what was being proposed, these have not been supplied to date, but they would have to be considerable for us to be satisfied that they could promote the licensing objectives fully. West Midlands Police therefore request a hearing for these applications

Subject: Ten applications for Beorma

Dear Licensing,

In relation to the 5 applications that have been submitted by Steve Bonnington for Beorma, for the following dates 14th Jan, 21st Jan, 28th Jan, 4th Feb, 11th Feb 2017. West Midlands Police wish also to object to these applications on the grounds that they will undermine the crime and disorder, public safety and public nuisance objectives. These premises have been open previously both under a number of tens and then under a full premise licence, when a serious incident occurred which resulted in the premise licence being revoked. This was appealed by the premises, but lost at Magistrates Court where the District Judge gave a damning statement about the running of the premises.

This judgement was made even though numerous new measures were offered, with these Ten notices we have no information around any measures that were being considered. West Midlands Police have no confidence that even if new measures were offered which could be deemed as acceptable that they would be implemented fully, due to the numerous breaches that had happened previously.

West Midlands Police have asked for risk assessments so that we could at least look at what was being proposed, these have not been supplied to date, but they would have to be considerable for us to be satisfied that they could promote the licensing objectives fully. West Midlands Police therefore request a hearing for these applications
