Question	Response
Company Environment	
What approach does the company have for ensuring that Directors and Senior Management have the necessary skills to enable them to fulfil their responsibilities appropriately	In recruiting directors the Trust has appropriate selection and evaluation criteria, which is then supplemented by its induction process for new directors. The Trust has a leadership and development programme for directors and holds regular Board development sessions.
How does the company ensure that Directors engage fully with the company and what is the record of attendance	All directors attend regular committee and Board meetings and are also invited to a number of service meetings of a strategic nature. A record of attendance is maintained by the Head of Executive.
Please explain the system of governance and the financial control environment within the company	The Trust's overall governance is led by the Board supported by three sub-committees, which include Performance & Quality, Finance & Resources and Workforce Committees, and the Trust Executive. The Trust has adopted its own Scheme of Delegation which is reviewed on at least an annual basis.
Please explain how management gains assurance on its control environment, its process for reviewing the effectiveness of the system of internal controls and the results of any reviews that have been undertaken.	The Trust has appointed Birmingham Audit to provide an internal audit of its main processes and controls to test and provide assurance to the Executive, Committees and Board.

What are the company's arrangements for the development of its Business Plan, including details of cashflow management, determination of going concern and how are plans developed for taking remedial action to any adverse changes within the company	The Trust produced a Strategic Business Plan for 2019/20 which has been signed off by the Council. This business plan is refreshed annually on a rolling basis and reflected the recommendations of the previous Ofsted inspection.
What is the company's approach to the development of business continuity plans	The Trust has a number of business continuity plans covering specific services and is in the process of developing an overall business continuity plan for the Trust as whole based on advice by BCC's Business Resilience Team.
What is the company's approach to ensuring compliance with the General Data Protection Regulation (GDPR) requirements	The Trust inherited the levels of compliance with the (25th May 2018) Data protection Act 2018 and GDPR from the Council. To address the specific needs of the Trust an Information Assurance Plan has been developed and will be delivered in parallel to a similar Council Plan. Oversight of the delivery will be provided by the Trust Information Assurance Group chaired by the Trust's Senior Information Risk Officer. The Trust also complies with the Department of Health information governance requirements for the sharing of data between health and social care.
The Identification, Mitigation and Reporting of Risk	
Please set out your management's views on your risk assessment process as it related to financial reporting.	The Trust has a corporate risk register and financial reporting is not identified as a significant risk. Operational risk registers are being rolled out across service areas which will include finance, at which further consideration will be given to this. In the meantime risks are monitored

	and managed by the Trust Executive and financial risk is monitored and managed by the Director of Finance & Resources with support from the Head of Finance and team.
Please set out your management's processes for identifying and responding to risks of fraud.	The Trust has adopted and adapted BCC's fraud policy for its purpose.
How do those charged with governance monitor management's processes for identifying and responding to risks of fraud.	The process of identifying the risk of fraud is overseen by the three Executive Directors in the Trust and would be reported to the Chief Executive and Head of Executive via the Executive meetings.
Please set out the areas that face fraud risks, including specific accounts or classes of transactions where fraud risks have been identified.	The nature of fraud risk across the Trust extends to financial and contractual matters. The Trust also holds petty cash across its operations and has to ensure appropriate controls are in place to avoid fraud. Contract compliance is regularly monitored by the Trust and in the case of a recent whistleblowing incident, will refer these for investigation to Birmingham Audit. in
How does the company's management communicate to those charged with governance with respect to business risks (including fraud).	Oversight of the corporate risk register is managed by the Director of Finance & Resources and a report is provided on a quarterly basis to the Finance & Resources Committee, which also undertake reviews ("deep dives") of individual areas of significant risk.
What has been your Management's awareness or allegations of fraud, errors, or other irregularities during the period.	The Trust is subject to an external audit which tests for error or irregularity. There were no such issues detected during the financial year 2018/19.

	Suspected frauds or irregularities are referred to Birmingham Audit to investigate which are then subject to a report being provided to the Director of Finance & Resources. Matters of a significant nature are notified to the relevant Executive Director who would then take appropriate action, including notifying the Chief Executive where necessary. The level of awareness is therefore considered appropriate for the Trust. The Trust had one issue of fraud during 2018/19 relating to purchase cards which was investigated, and the recommendations were acted upon.
How your organisation would raise the Council's Audit Committee's awareness of fraud or suspected fraud.	This would be via the Trust's Executive and where appropriate reported to the Trust's Finance & Resources Committee and /or Board.
How your organisation would communicate financial risks to the Council, for example, where there is an expected downturn in trading performance that would impact on the financial status of the company	The Trust meets with the Council on a monthly basis at the Operational Commissioning Group (OCG) at which a monthly financial report is provided, and on a quarterly basis provides a more detailed quarterly financial report to the Council which is then discussed at the OCG. The Trust also meets quarterly with the Council for the Partnership Governance Group at which all strategic risks can be raised and discussed.
How would the company communicate any breach of GDPR requirements to the Council.	The Trust has appointed a Data Protection Officer who reports to the Head of ICT, and the latter acts as the Chief Information Officer for the Trust. Any breaches would be reported via the DPO to the CIO, SIRO, and the Information Assurance Group which meets every other month, and the Trust's Executive on at least a quarterly basis.
