

CITY COUNCIL

1 FEBRUARY, 2022

**AMENDMENTS TO
MOTIONS IN THE
COUNCIL AGENDA
RECEIVED IN ADVANCE
OF THE MEETING**

AMENDMENT TO MOTION 9

1 to 9

CITY COUNCIL
Tuesday 1 February 2022

Add to end

“That this Council undertakes to change the Constitution at the next Annual General Meeting of the City Council to prohibit Group Whips being Chair of Audit to prevent any perceived conflicts of interest.”

PROPOSED BY: **Councillor Meirion Jenkins**

SECONDED BY: **Councillor Simon Morrall**

AMENDMENT TO MOTION

1st to 12a

CITY COUNCIL TUESDAY 1 FEBRUARY 2022

Delete: "on 14th January"

Add at the end of the motion:

This Council notes that:

Birmingham's bid for the Commonwealth Games has resulted in a record level of investment for the city, with around a billion pounds being leveraged into the city, and £3 of Government investment for every £1 that the Council is spending.

The Commonwealth Games cultural programme has attracted £12 million of investment into the arts which will continue to put our city onto the cultural map.

The Council calls on the Executive to:

Begin a conversation with arts and cultural stakeholders across the city on an annual Birmingham Festival that will be a meaningful legacy for the Games.

PROPOSED BY:

Councillor Ian Ward

SECONDED BY:

Councillor Jayne Francis

AMENDMENT TO MOTION 12b

1 to 12b

CITY COUNCIL Tuesday 1 February 2022

Insert after "recycling." "This is because:

- Birmingham has the 4th worst recycling rate in the country, we are ranked 335 out of 338 local authorities
- There have been over half a million reports of missed collections in the last 5 years, not including those missed collections that were not reported individually by residents.
- The Local Government Ombudsman upheld 95% of complaints about Birmingham City Council's waste service that it received last year.
- Fly-tipping in Birmingham is up by 84% since 2015/16.
- Labour had 9131 days to plan for the end of the waste disposal contract but left it 36 days before it expired to agree a plan. This resulted in more than £2.5m a year additional cost to the taxpayer and at least 10 more years use an inefficient and polluting incinerator'

All this despite a 53% increase in budget on waste collection service in last ten years.

Don't ASK
