Dear Jon,

## **Certification work for Birmingham City Council for year ended 31 March 2016**

We are required to certify the Housing Benefit subsidy claim submitted by Birmingham City Council ('the Council'). This certification typically takes place six to nine months after the claim period and represents a final but important part of the process to confirm the Council's entitlement to funding.

The Local Audit and Accountability Act 2014 gave the Secretary of State power to transfer Audit Commission responsibilities to other bodies. Public Sector Audit Appointments (PSAA) have taken on the transitional responsibilities for HB COUNT issued by the Audit Commission in February 2015

We have certified the Housing Benefit subsidy claim for the financial year 2015/16 relating to expenditure of £552 million. Further details of the claims certified are set out in Appendix A.

There were issues arising from our certification work which we wish to highlight for your attention. We are satisfied that the Council has appropriate arrangements to compile complete, accurate and timely claims/returns for audit certification.

The indicative fee for 2015/16 for the Council is based on the final 2013/14 certification fees, reflecting the amount of work required by the auditor to certify the Housing Benefit subsidy claim that year. The indicative scale fee set by the Audit Commission for the Council for 2015/16 is £17,594. An additional fee of £1,500 has been proposed to PSAA for the additional work required in 2015/16. This is set out in more detail in Appendix B.

Yours sincerely

For Grant Thornton UK LLP
