The Council is prevented, without explicit agreement of the Section 151 Officer, from entering into any new agreement or commitment for expenditure until Full Council has met to consider the Section 114 report. These controls may be re-applied after the date of this Full Council meeting.

The existing scheme of Financial Delegation is superseded by the S114 notice. Only the Section 151 Officer can sign off new spend. This applies to new spend of any value.

Relative to existing spending controls in place across the organisation, this means that Directorate Spending Boards (and the Finance Governance Board) do not have the authority to approve new spending. These Boards can recommend spending to the Section 151 Officer only – to be approved via the S151 Spend Control Board.

The spend decisions captured within this document outline the discussions and conclusions made via the S151 Spend Control Board.
