Subject: Re: Licensing Consultation - Al-Uruba Cafe, 391A Coventry Road, Birmingham, B10 0SP

Dear Licensing,

I am emailing you in relation to the above licensing enquiry under reference 2021/001580/ENQ. I have reviewed the planning history for this site and can advise that there is a planning condition placed on this site by Regulatory Services restricting the hours of operations. The condition states the following:

"Limits the hours of operation

The uses hereby approved shall only take place between the hours of 0900-2300 daily.

Reason: In order to define the permission and safeguard the amenities of occupiers of premises/dwellings in the vicinity in accordance with Paragraphs 3.8 and 3.10 of the Birmingham UDP 2005 and the National Planning Policy Framework. "

Based on the above condition by Regulatory Services restricting the hours of operation I can confirm that the planning department **objects** to the proposed use operating 24 hours 7 days a week and a license should not be issued on this basis.

If you require any further information please do not hesitate to contact me.

Kind Regards,

Vajid

Subject: Refusal of License of Al Aruba Cafe

Hi BCC

We like to refuse any license to these shops on Coventry rd due to the continuous fly tipping and litter issues we having. We have been out numerous times with little help and have had locals and mosques such as Zaid Al Sunnah opposite Al Aruba cafe to clean up during the Ramadan events of outside illegal camp stalls. We even had a article on Birmingham Mail

<https://www.birminghammail.co.uk/news/midlands-news/probe-illegal-after-dark-street-20558235>

So as your BBC you may make money from these shops but there is alot of waste issues daily and dont allow them anything else. This goes out to all of these shops using pavements for their business when it should be for pedestrians. You give them q hand they will take a arm. Than it becomes difficult later on as permission has been granted therefore a zero tolerance on all Coventry road shops of expansion of their business due to waste and health and saftey for pedestrians and car drivers. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
