Dear Sir/Madam,

I am writing with concern as a local resident who lives to the rear of the property 156 High Street, Harborne, Birmingham, B17 9PN (Burger Boi).

This is a newly opened restaurant which has an application for a late-night license for alcohol and music.

I live to the rear of this restaurant (see attached picture).

This restaurant opened with no notice to the local residents of its intended use. There is a large air vent/chimney which has been installed which is already causing new and significant noise to our property, it can be heard in the garden and in the upstairs of the house late night. There is also a smell of greasy food cooking which has started to occasionally permeate or garden and house since this restaurant opened around 10 days ago.

I am not sure whether a planning application should have been made to consult the neighbourhood with respect to the property use, or to the vent, none was done. I am very concerned that this application if allowed will create additional significant unwanted noise due to late night music.

As a resident I would strongly ask that the late-night license is not approved in this instance. I would also ask that the noise level of music be a consideration should any music/alcohol license be granted.

I appreciate if my views would be taken into serious consideration, and I look forward to further information.

Yours faithfully,

Bull Street,  
Harborne,  
Birmingham,

**Subject:** Bull Street (B17 ) - Concern regarding "Burger Boi"

Dear Bhapinder,

This is my resubmission for a representation for Burger Boi, 156 High St, Harborne, B17 9PN.

I am very concerned that there will be significant noise and late-night music due to the current application from Burger Boi. As a close neighbour and resident, I would strongly suggest that the late-night license is not approved. As you can see from the google map attached, this restaurant is very close to our property at Bull Street. Note that Bull Street doesn't have a back garden, and ours is the closest residential property with a garden to this restaurant.

Considering our neighbour, Bull Street's representation has been considered as valid, I believe our location has a stronger position for such unwanted noise concern to Burger Boi.

With many  
thanks,

**Subject:** Burger Boi - licencing objection

Dear Sir/Madam,

I am writing with concern as a resident who lives to the rear of the property Burger Boi, 156 High Street, Harborne, Birmingham, B17 9PN.

This is a fast-food place that has just opened which has an application for a late-night license for alcohol and music.

I am very concerned that this application if allowed will create additional significant unwanted noise both in the day and particularly at night.

This is a quiet residential area. Our property is on South Street just to the rear of this fast-food place.

As a resident I would strongly ask that the late-night license is not approved in this instance.

I would also ask that the noise level of music be a consideration should any music/alcohol license be granted.

I look forward to hearing from you.

Yours sincerely,

**Subject:** RE: BURGER BOI. 156 HIGH STREET, B17 9PN

Hello Sirs,

The above premises has applied for PREMISES LICENCE UNDER THE LICENSING ACT 2003.

We want to place an objection to this application.

Our reasons are as follows:

1- currently Burger Boi has music playing loudly from its kitchen from early morning to, sometimes, beyond midnight. We live directly . We hear the loud music all day from the kitchen as they leave the kitchen door open. As stated this music continues throughout the night and even with all windows closed, we still hear the music and find it difficult to get to sleep. The additional opening time will only further exacerbate the situation to way beyond midnight 7 days a week. I am epileptic and if I do not get sufficient sleep, there is distinct risk of me having a seizure. So, if granted, and I have a seizure during the day / night whilst at home, then both Burger Boi and the City Council would be responsible.

2- there is absolutely no reason for another restaurant serving alcohol. Only two doors down, at 154, there is a licensed public house and another opposite. In addition, there is NO burger bar anywhere, that I am aware of that serves alcohol.

Therefore, the granting of the application will only result in have a negative impact on the community. It will also make our lives unbearable.

They have little care for the community. For example, rather than temporary closing the business to carry out, what they called urgent structural repairs, they decided to carry this out after the business finished trading for the day. They commenced heavy, extremely loud drilling after 1.00 am and the work did not finish until after 6.00 am. Even after complaining several times asking the staff to stop, they paid no attention. Please do not grant the application.

Yours sincerely,

Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)**

The requirements of the four licensing objectives will be met by the premises licence holder and by the staff at all times.  
I have submitted a strong operating schedule with modest hours of operation showing commitment in order to carry out due diligence.  
Policies and procedures will be fully implemented to benefit the running of the business via refusal book, incident log, challenge 25 signage/posters and staff training/procedure manual.

**b) The prevention of crime and disorder**

CCTV will be installed, operated and maintained at all times. Images will be retained for at least 28 days and will be produced to any responsible authority upon request. The CCTV will be in operation during trade and regular checks will be carried out. The result of the checks will be recorded in the incident log and will be signed and dated. Warning notices will be displayed in public areas of the premises demonstrating that the CCTV is in operation. A refusals register will be maintained at all times and will be checked and signed off by the DPS. The log will be made available for inspection by any Responsible Authority upon reasonable request. Staff who are involved in the sale/supply of alcohol will receive documented refresher training every six months.

**c) Public safety**

The premises licence holder or DPS will carry out checks of the restaurant before it is opened to the public, to ensure that there are no risks to patrons and that all safety precautions are in place.  
The licence holder will ensure that all staff receive appropriate staff training and that all staff are aware of their social and legal boundaries and their responsibilities regarding the sale/supply of alcohol.  
All safety certificates and inspection reports will be kept on site and will be available to the responsible authority upon request.

**d) The prevention of public nuisance**

All staff will ensure that any disturbance caused will be kept to a minimum and will not impact the general public and signage will be placed in a prominent place requesting customers to respect others.  
All doors and windows will be kept closed whilst music is playing except when the public access and leave the premises. It will be mostly ambient background music. The premises staff will ensure that the restaurant is checked regularly for litter and rubbish ensuring cleanness, especially at the front of the building.

**e) The protection of children from harm**

Challenge 25 signage will be placed in areas that the public have access to demonstrating that no underage sales will be allowed. A challenge 25 policy will be in place and only recognised forms of ID will be accepted ie. PASS accredited ID, passport or photo driving licence. Alcohol will not be served to anyone who appears to be vulnerable or drunk.
