Good Morning Licensing,

West Midlands Police have an application for a premises licence at Chaii Garden, 57A Alfred Street, Sparkbrook B12 8JP.

There are concerns in regards to this application in its ability to uphold and promote the licensing objectives with the proposed operating schedule and current Intel ascertained of the premises.

The concerns are linked to reports of anti-social behaviour and noise coming from the premises that currently operates as an unlicensed desert lounge drive-thru takeaway.

A visit from local officers raised further concerns when they attended to find a completely unsecure premise. Access to the premises kitchen and store areas raised further concerns around public safety.

West Midlands Police are currently in active talks with the applicants representatives to try and mitigate and appease these concerns raised.

Supporting documents have been requested to understand the management of the premises beyond what has been supplied in its operating schedule.

The supporting documents will not be received or reviewed in time before the end representation date of 11/09/2021, it is for that reason West Midlands Police Object to this application on the grounds of crime and disorder, Public nuisances and public Safety.

This objection may be withdrawn dependant on supporting documents supplied and potential amendments to the operating schedule provided.

Licensing Department Birmingham Partnerships Team:Lloyd House Birmingham: West Midlands Police From: Martin Key Sent: 10 September 2021 17:42 To: Licensing Duncan Craig Cc: Licensing Online ; bw\_licensing Subject: GRANT-CHAII GARDEN. 57A ALFRED STREET, SPARKBROOK, B12 8JP Importance: High

Hi

I am responding on behalf of the Environmental Health team as a responsible authority. I have received an application for a premises licence from Rajeeb Choudhury for late night refreshment between the hours of 23.00 and 03.00 at Chaii Garden, 57a Albert Street, Sparkbrook, Birmingham, B12 8JP. The premises is described as a park and drive chaii Take away and is further described as a drive through only at night time with no consumption on the premises. The only condition relevant to public nuisance is condition 9 on the offered list which suggests that signage will be erected to request that patrons do not cause noise nuisance.

This department has received a number of complaints relating to noise from amplified music and anti-social behaviour associated with the operation of this business and given the extended hours that are being sought, the existing nuisance and the proximate residential use I object to the premises licence on the basis that the proposal will not meet the crime and disorder and public nuisance licensing objectives. The offered conditions do not provide sufficient mitigation for public nuisance that will address our concerns and I do not feel that any conditions can be attached to offset the adverse noise impact caused by these extended operating hours.

The fundamental issue is the late hour requested and I cannot support the hours requested and my concerns could not be addressed by conditions hence my representation.

Best Regards

Martin Key Environmental Protection Officer

### Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <u>https://www.gov.uk/prove-right-to-work</u>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
