

NOTIFICATION OF INTENTION FOR CABINET TO CONSIDER MATTERS IN PRIVATE

6 September 2022

The Cabinet ([click here for membership](#)) is the principal decision making body of the Council. All meetings of the Cabinet are open to the public, except where certain parts of an agenda contain exempt or confidential information.

In these circumstances, the Cabinet may decide that it is in the public interest to discuss certain aspects of a report in private, and as such, choose to treat that specific part of the meeting as a 'private meeting' by excluding the public. Even when an element of a report is designated as exempt and considered in private, the remainder of the report and the related discussion by Cabinet will always be in the public domain. Where there is a proposal for a meeting of Cabinet to consider part of a report in private, Part 2 of The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 requires the Council to provide notification of its intention to do so.

This notice, published on **8 August 2022**, provides the required notification of the intention, at the time of publication, for certain aspects of the following Cabinet reports to be considered in private at its meeting on **6 September 2022** or at future meetings.
