

Frankfurt on the Main, Lyon and Birmingham,

inspired by the same desire to serve,
as an example of understanding and friendship
between Cities and Peoples, do hereby solemnly
resolve and determine to promote close connections with one another, to deepen their municipal, economic and cultural links, and, by formal expression of their mutual esteem and regard to further the unification of Europe.

*Frankfurt on the Main. 19th April, 1966
in the Imperial Chamber of the Römer*
