

BIRMINGHAM CITY COUNCIL

PUBLIC REPORT

Report to:	Audit Committee
Report of:	Assistant Director, Audit & Risk Management
Date of Meeting:	26th March 2019
Subject:	Corporate Risk Register Update
Wards Affected:	All
1. Purpose of Report	
1.1	To update the Audit Committee on the management of risks and issues contained within the Corporate Risk Register (CRR); Appendix A. An index of risks, showing the direction of travel, together with a risk heat map are also included.
2. Recommendations	
2.1	<p>That the Audit Committee reviews the Corporate Risk Register and decide if the risk ratings are reasonable, if the action being taken is effective, or if further explanation/information is required. Approval is sought to:</p> <ul style="list-style-type: none">• reduce the risk likelihood rating for Risk 29 (Not developing sufficiently robust plans to support setting a balanced budget (including in the medium term), and not containing net spending within the approved budget) from 'High' to 'Medium'; and• increase the likelihood and impact ratings for Risk 7 (Lack of capacity and capability to respond to threat of industrial action, employee relations tensions, poor service, performance issues, sickness absence levels and poor morale due to organisational downsizing and pay freezes) from Significant / Significant to High /High
3. Background Information	
3.1	Members have a key role within the risk management and internal control processes.
3.2	The Audit Committee terms of reference, sets out its responsibilities and in relation to risk management these are:

- providing independent assurance to the Council on the effectiveness of the risk management framework and the associated control environment;
- whether there is an appropriate culture of risk management and related control throughout the Council;
- to review and advise the Executive on the embedding and maintenance of an effective system of corporate governance including internal control and risk management; and
- to give an assurance to the Council that there is a sufficient and systematic review of the corporate governance, internal control and risk management arrangements within the Council.

4. Corporate Risk Register Update

- 4.1 The CRR is aligned to the corporate objectives of the Council and identifies the key risks to be managed at a corporate level.
- 4.2 The Council Management Team (CMT) and the Deputy Leader now review the CRR on a monthly basis to strengthen oversight arrangements and have agreed to the above changes.

5. Risk Management Framework

- 5.1 The Council's Risk Management Strategy, Policy and Toolkit have been reviewed and consolidated into a single Risk Management Framework.
- 5.2 This revised Framework places greater emphasis on the actions that are required to manage risks to their target level.
- 5.3 All risks are now being transferred to the new templates and will be presented to the July committee meeting.

6. Embedding Risk Management

- 6.1 There are directorate risk registers in place supported by individual risk registers for service areas. Monthly updates are facilitated through the Directorate Risk Representatives.
- 6.2 The current main route to provide risk management awareness is the e-learning package for managers, accessed via the internet. All documents and web pages are currently being refreshed.

- 6.3 Service managers are asked about their risk management arrangements as part of routine audit work. In addition the mandatory Public Sector Internal Audit Standards include a requirement with regard to risk management.
- 6.4 Risk management is also covered within the Annual Governance Statement.
- 6.5 To support the above arrangements the risk register format is being simplified so it is more action focused. Audit are also attending Directorate Management meetings to further embed the review and update of the CRR.
- 7. Legal and Resource Implications**
- 7.1 The work carried out is within approved budgets.
- 8. Equality Impact Assessment Issues**
- 8.1 Risk management forms an important part of the internal control framework within the Council.
- 8.2 The Council's risk management strategy has been Equality Impact Assessed and was found to have no adverse impacts.
- 9. Compliance Issues**
- 9.1 Decisions are consistent with relevant Council Policies, Plans and Strategies.

The predominance of these claims relates to liability pre implementation of single status, which took place in 2008 and also liability post implementation of single status. The time limit for issuing further claims for both these types of claims has now expired.</p> <p>The Council has also received claims for post implementation of the Birmingham Contract (November 2011); some with limited pleadings. The recent industrial action in waste management (July – November 2017) has increased the profile of Equal Pay. There remain considerable unknowns as to how many further claims might be brought and what risk or level of liability these claims might attract.</p> <p>Significant progress has been made in terms of defending equal pay claims and managing settlement negotiations, where approved by the Council. Currently trialling installations in three blocks of different designs across the City. Have consulted with City Housing Liaison Board, Sheltered Housing Liaison Board and have arranged to consult with tenant management organisations and leaseholders board. All staff in housing management and repairs and maintenance have been briefed with regard to the sprinkler programme. The installation specifications and quality briefs are being signed off on a flat and block archetype basis by the Head of Service. Initial installations are underway on a number of high-rise blocks in the City and customers are being consulted as and when the work is commenced on a personal basis.</p>

That represented a crucial milestone against our original plan for 2018-19. Monthly meetings (with BCC represented by the Leader, Deputy, Chief Executive, Assistant Chief Executive and CFO) will now embed this way of working and will also provide a monthly opportunity to review the status of this risk.</p> <p>It is clear that the BIIP and MHCLG will come to a view in March 2019 about the future degree of intervention in BCC and that would be a rational point at which to formally review this risk.</p>	Similarly, the Resources O&S committee will, less frequently, consider the implications of BIIP challenge against that provided by external audit. The first such session will be in July 2018.
