Introduction

1 What is your name?

Name:

██████

2 What is your e mail address?

Your email address:

3 What is your interest in the proposal?

Other, please specify

If other, please specify:

Senior citizen with life experiences

4 Are you in favour of the proposal?

No

Please give any comments:

Invest in our children's education from nursery age. This is a deprived area & withdrawing this provision will have a detrimental effect on families. The council are using the same reasoning or dare I say excuses to withdraw funding rather than provide what the government promised in previous manifestos.
