

# COVID-19 Vaccination Overview

Data extracted on 30/12/2021

# Vaccine Roll Out

Covid-19 vaccine booster will be offered to all adults (aged 18+) by the end of 2021 to tackle the growing wave of Omicron cases.

The 16-17 years old can also receive their vaccines through walk-in sites which are available at locations across Birmingham.

All children aged 12-15 years old are being offered their vaccine out of school through the national booking service during the Christmas holiday (online booking or via 119).

Figures from the [GOV.UK](https://www.gov.uk) website indicate that 89.8% of England people aged 12 years and over have had their 1st vaccine dose, 82.1% their 2nd dose, and 57.4% their booster dose. This compares to 66.8%, 59.4% and 35.6% in Birmingham. The vaccination roll-out in the 12-15 age group will impact the overall uptake figures, compared to uptake at age 16+.

# Uptake\* by Date of Vaccination (updated 30/12/2021)

Uptake\* of 1<sup>st</sup> dose has slowed since the end of June, whilst uptake of 2<sup>nd</sup> dose slowed in mid-August. The current rate of uptake for the 1<sup>st</sup>, 2<sup>nd</sup> and booster doses in Birmingham residents aged 12 years and over (66.8%, 59.4%, 35.6%) is significantly lower than the rates for West Midlands (79.2%, 72.8%, 51.5%) and England (89.8%, 82.1%, 57.4%).

\*The vaccination roll-out in the 12-15 age group would also likely impact the overall uptake figures, compared to uptake at age 16+.

The booster figures reported are significantly different from previous reports because of the change in the eligible population used as the denominator population. The eligible population used for booster uptake is the eligible population used for dose 1 and dose 2 uptake (as reported in the Gov.UK website) Previous reports were based on eligible populations of those who had been fully vaccinated

# Ongoing local actions to improve vaccination uptake

- Housing B8 pilot, in partnership with the NHS, BCC housing department and Dispharma Chemist community pharmacist delivered an “Action Day” campaign, which raised awareness of the importance of residents taking the jab. The awareness also included the following:
  - signposting residents to the local community pharmacist Dispharma Chemist that offered walk-in service of first, second and booster doses on the 18<sup>th</sup> and 19<sup>th</sup> December.
  - Briefing session delivered by the NHS to housing staff about the COVID-19 vaccine.
  - Targeted areas for leaflet drops on 15<sup>th</sup>, 16<sup>th</sup> and 17<sup>th</sup> December with information about vaccine benefits were handed out to residents.
- Social media messages have also been targeted promoting the vaccine and its benefits, including information about walk-in locations across Birmingham. For example, one of the commissioned providers - CommPlus delivers some of their community engagement on their Facebook page - BSL videos on ‘Vaccine Awareness for 12-15-year-olds’
- BCC, in partnership with the NHS and TOA Taxis offer free taxis targeted at residents with mobility issues or who face financial or practical barriers to using public transport; these are made available to take such residents to their nearest vaccination centre.
- Design and planned roll-out of the Community Vaccine Champions Program funded by the Department for Levelling Up, Housing and Communities. The interventions are targeted at the 10 Wards with the lowest vaccine uptakes.
