Gerardsfield Road	Glebe Farm & Tile Cross	John Cotton	[BMHT E-mail dated 06.06.18] Happy to have a longer discussion on this matter, but my initial concerns would be twofold. Firstly, how accessible the site is and the potential impact that this would have on neighbouring residents. Second, we have had repeated problems in Gerardsfield Road with the grass verges being used as compounds to undertake refurbishment of the adjoining flats in Chaynes and Culey Groves.

		Marje Bridle	<p>Residents have been rightly exercised about the noise nuisance and inconvenience to which they have been put over many months and I have sought assurances that these verges will not be used for such purposes again in the future. I would want similar assurances before consenting to development work on this site. [e-mail 12.06.18]</p> <p>I would just reinforce John's comments.</p>

Farnborough Road	Castle Vale	Suzanne Webb	<p>I am supportive of the scheme in principle and would like to ensure I have all the relevant information so that I can keep the residents informed. Please let me know how I can become further involved.</p>
Monmouth Road	Bartley Green	Councillor John Lines	<p>Discussed at Bartley Green Ward meeting on the 15 November and proposal were well received, with no negative comments. A request was made by Councillor John Lines and supported by the committee and persons present that we look to allocate a number of the proposed bungalows as Homes for Heroes for retiring or ex-service personnel, as the Ward has a history of supporting ex-service personnel.</p>
