

BIRMINGHAM CITY COUNCIL

PUBLIC REPORT

Report to:	Audit Committee
Report of:	Assistant Director, Audit & Risk Management
Date of Meeting:	25th July 2017
Subject:	Corporate Risk Register Update
Wards Affected:	All
1. Purpose of Report To update the Audit Committee with information on the management of risks and issues within the Corporate Risk Register (CRR) (Appendix A). The information has been compiled using updates received from directorates.	
2. Recommendations 2.1 That the Audit Committee reviews the information provided and decide if the risk ratings are reasonable, if action being taken is effective, or if further explanation / information is required. The level of risk has reduced for one risk: <ul style="list-style-type: none">• Risk 17 - Ineffective Corporate Risk Marker IT solution.	
2.2 That the Audit Committee approves the deletion of one risk: <ul style="list-style-type: none">• Risk 28 - Risk that in its early stages of delivery the Sustainability Transformation Plan will not alleviate the financial position of social care - The Council budget from April 2017 does not make assumptions regarding this proposal contained in the previous year's budget; and is no longer a major financial risk to the organisation.	
2.3 That the Audit Committee approves the three new risks: <ul style="list-style-type: none">• Risk 32 - Risk of significant disruption to Council services and failure to effectively manage and respond to emergency incidents, including acts of terrorism.• Risk 33 - Failure of the STP to deliver a step change to the Health and Social Care system resulting in an improvement to the health and well-being of Birmingham citizens.• Risk 34 - Risk of fines being passed down to Local Authorities in relation to air quality / ongoing fines related to not meeting air quality compliance.	

3. Background Information

3.1 Members have a key role within the risk management process.

3.2 The Audit Committee terms of reference, sets out its responsibilities and in relation to risk management these are:

- providing independent assurance to the Council on the effectiveness of the risk management framework and the associated control environment,
- whether there is an appropriate culture of risk management and related control throughout the Council,
- to review and advise the Executive on the embedding and maintenance of an effective system of corporate governance including internal control and risk management; and
- to give an assurance to the Council that there is a sufficient and systematic review of the corporate governance, internal control and risk management arrangements within the Council.

4. Corporate Risk Register Update

4.1 The CRR is aligned to the corporate objectives of the Council and identifies the key risks to be managed at a corporate level.

4.2 The CRR focuses on the cross-cutting corporate issues.

4.3 A Lead Director has been identified for each risk. Directorates have provided information detailing the management of the risks within their service areas as at April / May 2017.

4.4 The CRR is attached as Appendix A.

5. Embedding Risk Management

5.1 There are directorate risk registers in place supported by individual risk registers for service areas, often incorporated in local business plans. Organisational change will render the directorate registers structurally out of date and a process for ensuring risks are appropriately transferred to the appropriate service / directorate is being managed through the directorate risk representatives group. Responsibilities for risk run throughout the organisation as illustrated in Appendix B.

The current main route to provide risk management awareness is the e-learning package for managers, accessed via the internet.

- 5.2 Information on the Council's approach to risk management is available via the BCC website. Additional information is attached to the risk management page on the intranet, to support staff in using risk management in their day to day role. Advice, support and guidance are provided by Birmingham Audit as requested.
- 5.3 Service managers are asked about their risk management arrangements as part of routine audit work. In addition the mandatory Public Sector Internal Audit Standards include a requirement with regard to risk management.
- 5.4 Risk management is also covered within the Annual Governance Statement.

6. Legal and Resource Implications

- 6.1 The work carried out is within approved budgets.

7. Risk Management & Equality Impact Assessment Issues

- 7.1 Risk management forms an important part of the internal control framework within the Council.
- 7.2 The Council's risk management strategy has been Equality Impact Assessed and was found to have no adverse impacts.

8. Compliance Issues

- 8.1 Decisions are consistent with relevant Council Policies, Plans and Strategies.

New No.	Original No.	Description - risk / issue	Current level of risk L/I	Current actions / Comments	Long term aim for the risk - including actions, timescales and target risk rating	Overview & Scrutiny (O&S) Review / Work & Internal Audit (IA) Work
1	1c	Failure to successfully defend and / or settle post 2008 equal pay claims. Lead: Chief Operating Officer Owner: Kate Charlton	High / High	Lead Director comment A significant number of claims have been issued. A proportion of these has already been settled or is in the process of settlement. A growing proportion are now progressing through the tribunal and civil court process. No win / no fee solicitors are still canvassing for claimants. The validity of claims is constantly challenged by Legal Services. Each claim is subject to robust legal challenge. Settlement of claims is subject to financial provision and establishing validity of claims.	Target risk rating: Medium / Significant Anticipated date of attainment of the target risk rating: March 2018. Source(s) of assurance regarding progress with mitigating the risk: Management assurance - regular separate reporting to Corporate Governance Group, EMB and the Audit Committee. External & internal audit review.	O&S - None. IA - Payroll review work undertaken annually.
2	23 & 61	Not responding fully and effectively to the improvement agenda for Children - Failure to improve children's safeguarding and children's social care. Lead: Corporate Director Children & Young People Owner: Alastair Gibbons	High / High	Lead Director comment A new Commissioner for Children's Care was appointed in November 2016. He is working with the Council to oversee continued implementation of the improvement plan and support for the development of the Children's Trust, reporting progress to the DfE . There is now greater clarity about resources and priorities going forward, including a sustainable 4 year financial plan and a stable operational model was in place in February 2016. We have worked with partners in the Early Help & Safeguarding Partnership to redesign the front door for early help and social work contacts, and referrals to improve referral-taking, advice, screening and decision-making. CASS (Child Advice & Support Service) is the way into family support and social work services including MASH and child protection, and was in place from September 2016. Ofsted conducted a full inspection of Birmingham Children's Social Care in September / October 2016. Ofsted judged that the Council remained inadequate overall but with several areas of improvement.	Target risk rating: Medium / High Anticipated date of attainment of the target risk rating: April 2018. Source(s) of assurance regarding progress with mitigating the risk: Management assurance, Peer review, Ofsted visits, Scrutiny Committee monitoring, and Children's Commissioner fortnightly. Quartet Meetings (Children's Improvement Programme Board); Essex improvement support. The refreshed improvement plan, with the necessary investment is being delivered. There is still much to do to ensure the quality of practice. Cabinet approval has been given to the replacement of the CareFirst case system and a procurement process is almost complete .	O&S - Schools, Children and Families O&S Committee: Scrutinised progress on the Scrutiny Inquiry: Children Missing from Home and Care on 12 th October 2016 and April 2017; and discussed children missing from education on 12th Oct 2016 . The BEP was questioned on school improvement on 21 st September 2016, and 22nd March 2017 . Members discussed the Children's Social Care and Safeguarding Improvement Plan at the informal July 2016 meeting. On 7 th

				<p>In January 2017 a new Ofsted Action Plan / Continued Service Improvement Plan was developed with 17 identified broad areas of Service development. This is monitored through the monthly Children's Improvement Board and by Ofsted Monitoring visits, (first one 9th / 10th May 2017) as well as by fortnightly Quartet (Leader, lead member, CE, DCS) Meetings.</p> <p>Essex CC continues to support practice improvement with 72 days input between January and September 2017, learning which informs service development.</p> <p>We continue to develop services with partners through the Early Help and Safeguarding Partnership.</p> <p>Staff group is stable and there is a deliverable budget for 2017/18.</p>	<p>Cabinet in January 2017 agreed moving to a shadow Children's Trust from April 2017; and for full implementation from April 2018. The Chief Executive of the Trust was appointed in May 2017.</p>	<p>December 2016 the Committee examined changes following the Ofsted visit and improvements to MASH / CASS.</p> <p>July and September saw Members discussing progress to the Voluntary Children's Trust and met with Andrew Christie on 23rd January 2017 to scrutinise the plans going to Cabinet.</p> <p>In addition, Members have identified Home to School Travel as being a risk to service users, the Council's reputation, legal challenge and budget control. They examined this on 5th December 2016 at an informal meeting, and at the budget discussion meeting on 11th January 2017. Several Members of the committee are on the Inclusion Commission taking this work further.</p> <p>Held meetings with the Exec Director for Children's Services, Chief Social Worker, adoption and fostering team and Social Workers at all three areas.</p>

26	N/A	<p>Failure to comply with all of the requirements of the Counter Terrorism and Security Act (2015) and the Prevent Duty.</p> <p>Lead: Corporate Director, Place Owner: Jacqui Kennedy</p>	High / High	<p>Lead Director comment</p> <p>The threat and vulnerability risk assessment of a terrorist attack in the UK places Birmingham as the most vulnerable city after London. In 2015 the Council and partners reviewed its infrastructure around this risk to take into account the Counter-Terrorism and Security Act 2015, that includes a duty on certain bodies ('specified authorities' listed in Schedule 6 to the Act), in the exercise of their functions to have 'due regard to the need to prevent people from being drawn into terrorism'.</p> <p>The duty does not confer new functions on any specified authority. The term 'due regard' means that the authorities should place an appropriate amount of weight on the need to prevent people being drawn into terrorism when they consider all the other factors relevant to how they carry out their usual functions.</p> <p>The Council has applied a partnership and mainstreaming approach to mitigate the risks associated with the threat.</p> <p>Governance for the Prevent programme has been strengthened with the Prevent coordinator now reporting directly to the Strategic Director and Assistant Chief Executive increasing visibility across the Council.</p>	<p>Target risk rating: Medium / Significant</p> <p>Anticipated date of review/attainment of the target risk rating: Ongoing</p> <p>Source(s) of assurance regarding progress with mitigating the risk:</p> <p>Delivery continues to be monitored by the CONTEST Board Chaired by the Deputy Leader.</p> <p>Prevent Delivery Plan in place driven by Counter Terrorism Local Profile (CTLP), monitored by the Prevent Executive Board, chaired by Jacqui Kennedy.</p> <p>Security briefings given to Council House staff and elected members.</p> <p>Training for front line staff has now moved to a 'train the trainer' model with 600 trainers having been trained to deliver future WRAP awareness training to schools alleviating capacity issues within the local authority.</p> <p>Support continues to be provided to schools around Prevent via the Schools Resilience Officer and additional funding approved to employ a second schools officer.</p> <p>Prevent is embedded within CASS/MASH arrangements and within the Right Services, Right Time safeguarding procedures. Proposals are being brought forward and while the project more than pays for itself, there are limited opportunities to impact on the major £6m annual affordability gap.</p> <p>The savings proposal, being implemented to meet the current PFI affordability gap from within the funds available to invest in the maintenance of the estate, has not yet impacted on the funding available for emergency repairs. However, there are significant risks of funding shortfall into 2017/18, due to the diminishing annual maintenance grant funds available, particularly as more schools convert to academy status.</p> <p>The current risk rating relates to the PFI affordability gap and subsequent impact on availability of funding to address backlog maintenance across the schools' estate. The opportunities to reduce the PFI costs are limited, and this therefore remains a high risk in terms of management of the education infrastructure and potential impact of asset failure. An additional external BIA service has been commissioned to work to remove the accumulated back log of DOLS assessments. Additional Sect 12 Drs assessments have been funded to match the increased number of BIA assessments undertaken. This unfunded additional activity was supported by £1.8m in 2016/17 and £1.5m in 2017/18. The combined effect of all planned actions has resulted in a steadily improving position, and the removal of the case backlog may be achieved by September 2017, but it now seems probable the level of demand for new assessments along with the number of annual renewals of existing authorisations may make it impossible to prevent a backlog of assessments recurring once the contract with the external service ends in March 2018. 				The outcome of the Children's High Court appeal is anticipated in the period January-February. If lost this decision could result in a significant increase in the number of Community DOLS cases the Council may need to undertake. It is unclear how many of the 100-200 potential 16 and 17 year olds a year will need to be prioritised. If the view is that most should be, the cumulative effect upon adults of the subsequent annual reassessments would create a new and significant risk.

It applies to public bodies, such as local authorities listed in Schedule 19 to the Act, and to other organisations when they are carrying out public functions. The PSED contains specific duties (Specific Duties Regulations 2011) which are an important lever for ensuring that public bodies take account of equality when conducting their day-to-day work. When delivering their services and performing their functions, bodies subject to the PSED must have due regard to the need to:</p> <ul style="list-style-type: none"> • Eliminate discrimination, harassment and victimisation and any other conduct that is prohibited by or under the Act. • Advance equality of opportunity between people who share a relevant protected characteristic and people who do not share it. • Foster good relations between people who share a relevant protected characteristic and those who do not share it. <p>Legal challenge can delay implementation of change and significantly delay or reduce the planned savings to be achieved this may also have a detrimental impact on other services. It is important therefore, that Equality Assessments (EAs) are carried out robustly across BCC regarding all initiatives and service delivery changes. The responsibility for ensuring that EAs for all major policy / budget changes lies with the Directorates. Directorate Equality Champions are responsible for assuring their SMT that a governance framework is in place across their directorate which supports the equalities agenda and compliance to legislation. 29	N/A	<p>Not developing sufficiently robust plans to support setting a balanced budget (including in the medium term), and not containing net spending within the approved budget</p> <p>Lead: Interim Chief Finance Officer Owner: Steve Powell</p>	Medium / Significant	<p>Lead Director comment</p> <ul style="list-style-type: none"> Financial support has been provided to address known budget pressures, and non-deliverable savings were written out of the budget from 2017/18. The Council's LTFP is refreshed regularly to take account of latest information, Policy choices were discussed with Cabinet Members, with proposals being developed in the context of the Council's vision and policy priorities. Implementation plans have been produced for all savings. Delivery of the budget and savings programme is being closely monitored, including the introduction of a PMO and Budget Board (of CLT and with Cabinet Members) to monitor delivery of the most significant elements of the savings programme. All savings plans were reviewed in detail by the Interim Chief Executive and Interim Chief Finance Officer in April 2017, and Corporate Directors have clear accountability for the delivery of each initiative. The Council holds reserves which can be used as part of a risk management strategy to support the implementation of the budget. 	<p>Target risk rating: Low / Significant</p> <p>Anticipated date of attainment of the target risk rating: Ongoing.</p> <p>Source(s) of assurance regarding progress with mitigating the risk:</p> <p>Planned activities to further mitigate this risk:</p> <ul style="list-style-type: none"> There is close monitoring of the delivery of the Business Plan and Budget and additional governance arrangements have been introduced. The Council has a risk management strategy to address issues relating to difficulties in the delivery of the savings programme. There is a clear focus on the development of robust consultation and implementation plans for all savings. There is an enhanced focus on the project management of the savings programme, co-ordinated by the PMO. The Council maintains a medium term perspective in its financial plans - spending, savings and resources. 	<p>Each Scrutiny Committee considered aspects of the budget relevant to their remits (December 2016 to January 2017) and findings fed back as part of the budget consultation process. 19	41	<p>Failure to deliver the Council's localisation agenda and commitments made in the Council's Improvement Plan and Leaders Policy Statement.</p> <p>Lead: Corporate Director, Place Owner: Chris Jordan</p>	Low / Medium	<p>Lead Director comment</p> <p>The Improvement Panel have assessed progress in relation to the specific prescriptions made on localisation through the independent Lord Kerslake report and commitments made against this in the Council's Improvement Plan in September 2015 and January 2016. The feedback from this has been positive. In particular all direct recommendations have been actioned including the transfer of delegations away from district committees and the delineation of a new role for district committees. Services are now accountable to cabinet portfolios and management. The remit for district committees around neighbourhood challenge and community planning has been embedded effectively. Policy guidance for this was agreed by cabinet in July 2015 and development undertaken with members in five sessions over July to October, with delivery of outcomes currently live within 2016/17. Delivery against this has been performance managed through the Future Council Local Leadership sub programme board meeting fortnightly. This has now moved to business as usual.</p> <p>The next phase of local leadership / political governance is being shaped through the newly formed Cabinet Committee Local Leadership.</p> <p>Four Assistant Leaders have been given responsibility to review local working with a focus on 'every place matters' and 'delivering differently in neighbourhoods'. A clear timetable has been set out for their work and how this ties into the changing landscape for ward and district committees.</p>	<p>Target risk rating: Low / Medium</p> <p>Anticipated date of attainment of the target risk rating: Attained.</p> <p>Source(s) of assurance regarding progress with mitigating the risk:</p> <p>Management assurance as detailed in Lead Director comment - Scrutiny Report in January 2013.</p> <p>Cabinet Committee Local Leadership has been meeting monthly since July 2016 and now has accountability for progressing this agenda. The Neighbourhood Operating Model is now one of the formal transformation programmes feeding into the CLT Performance and Transformation Board.</p>	<p>O&S - The Corporate Resources O&S Committee has completed a piece of work around district and ward arrangements. This includes a review of arrangements put in place in May 2015 and options for the future development of devolution. The Neighbourhood & Community Services O&S Committee completed a review of the Neighbourhood Challenge. Recommendations were made to the Leader. The Corporate Resources and Governance OSC questioned Assistant Leaders at their meeting in January 2017.</p>
