Good morning

This is an application for late nigh refreshments up to 2am seven days a week. Environmental Health objects to the requested hours on the grounds that those hours would adversely affect the amenity of the residents above and nearby. There are no other late night food or entertainment businesses operating in this partially residential area. In accordance with the hours of other such licensed operators in the area, we would support opening hours up to 23.00 Sun to Thu and 12.00 Fri and Sat.

I would wish to object to BSKH's application to be open for late night refreshments until 3am. Since opening this venue has already seen a number of incidents and has become a draw for significant gatherings of young people from different parts of the community who are hostile to each other. In a recent incident concerns were raised with the management of the premises who said they could not get involved in dealing with disturbances directly outside their venue or between different customers as that could be bad for business and invite repercussions. A view that is understandable but is a form of management that is utterly inappropriate to the late night opening of a venue that could easily become a food and fight magnet for people leaving late night pub openings. Residents from Grange road have made various representations to me and are also concerned about the noise nuisance and risk of ASB occurring on the residential areas that abut the premises. I would ask that this licence is refused on the basis of the prevention of crime and disorder, the protection of public safety and the prevention of nuisance.

Subject: Burger & Sauce, Kings Heath, Licensing Application

I wish to object to the granting of this licence.

I am a resident of Grange Road (address below).

I objected to the Planning Application for this fast food outlet.

Since the outlet has opened, pretty much all of my original objections have come to pass:

Traffic has increased - the High Street end of Grange Road is permanently knotted with cars entering and leaving and turning round - it is now routine behaviour for customers to park on the double yellow lines at the entry to Grange Road - right now at time of writing there are two cars on the north side of the road and three on the south (both sides are double yellow) - sometimes people are actually double-parked here, with other cars parked on the footpaths - on two occasions we have arrived home in the evening to find it impossible to drive our car into Grange Road because it is blocked by cars illegally parked.

Antisocial behaviour has increased - many of those who illegally park sit in their cars eating their food and then drop all their litter out of their windows - we hear loud altercations at night - swearing and shouting - I have witnessed a fist fight between two adult males at night.

Litter has increased - litter is now everywhere, and it is pretty much all from Burger & Sauce - last week I walked down Grange Road early in the morning to see that a rat had been run over by a car while it was eating a clearly branded Burger & Sauce wrapper, and a crow was in the process of eating the rat's brains - seriously...

Please do not grant this licence. In fact - instead of granting a licence to allow the owner to sell alcohol, play music til 2am, and stay open til 3am every day - please do Grange Road and Kings Heath a massive favour and shut them down.

Many thanks

Subject: Opposition to application for premises licence for Burger and Sauce, King's Heath B14 7LB

Dear Licensing Team

I wish to oppose the application from Burger and Sauce ,King's Heath B14 7LB to open to 3:00am everyday and to play recorded music to 2:00am.

As you are aware Burger and Sauce is on the corner of a residential street, granting this application will have a detrimental effect on the quality of life for residents on Grange Road for reasons listed below .

- 1) Playing music up until 2 am 7 days a week will result in reduced sleep for residents who live close by (There are houses less than 50yds from the premises).
- 2) Several residents have young children who will have their sleep disturbed which will in turn affect concentration and ability to learn in school.
- 3) Increased footfall and cars driving down the road in the middle of the night will also affect the quality of sleep for residents.
- 4) Opening so late will also serve to make the corner of the road significantly more dangerous. Since the opening of the restaurant cars tend to park on the corner of the road (where there are yellow lines which makes it difficult for drivers turning onto Grange Road.) They are also parked on pavements making the pavements unsafe for pedestrians.

Furthermore this application has been made with no consideration for residents directly affected by the plans we have not been consulted and were only made aware as a resident saw the notice of application in the shop window.

I have attached a picture of some of the illegal parking .

Kind Regards

Dear licensing team

I am contacting you regarding a licensing application for burger and sauce kings heath to play recorded music until 02.00 Monday-Sunday and to extend its opening times until 03.00 Monday-Sunday.

I strongly disagree with this proposal for the following reasons:

1. The part of Grange Road in which burger and sauce is based is very much a residential street with houses at the back, opposite of the unit and above neighbouring shops. Playing music will cause disruption to sleep for both adults and, more importantly, children. Because of the walls of surrounding buildings, sounds are reflected and are loud - we have had this issue with extractor fans in the past.
2. Customers leaving at 3am are unlikely to be quiet. Again, this is likely to cause issues with people sleeping. I fail to see the need to open until 3am, particularly on a week night.
3. There have already been issues with anti social parking on double yellow lines and on pavements around the restaurant. This often results in horns being sounded late at night. People also sit with their cars running and engine sounds are audible. Opening later will make this an issue at a later time when we are trying to sleep.
4. There is not a precedent for this late opening for other local business on week days:
 - Hi Tide closes at 11:30pm
 - King Kebab closes at 1:30am
 - Pepe's Piri Piri closes at 2:00am
 - Dixy Chicken is closes at midnight.

Opening until 03:00 and playing music until 02:00 is extreme, and Burger and Sauce is closer than the above restaurants to residential homes.

For the reasons above I would like to reiterate that I am strongly opposed to this, as are many of my neighbours who I hope have also emailed you.

Around the restaunt is a highly populated residential area, and many families live here with children. We all have a right to sleep so we can go to work and attend school refreshed. Music until 2am and opening until 3am is unnecessary and will be highly disruptive.

Many thanks for taking the time to read my email. I would be happy to discuss this further if you wish.

Kind regards

Subject: Application for Burger & Sauce Kings Heath

Having seen the application by BSKH limited to stay open Monday to Sunday until the early hours of the morning, I feel seriously worried.

The levels of anti social behaviour around this end of the high street is becoming too common. Mixed with the amount of rubbish fast food outlets already present.

Lots of boy racers, people parking wherever they feel, there is a serious lack of quality already from businesses at this end of the high street.

It's not policed or managed as it is, with delivery drivers blocking / parking on pavements, all we need now is people parking on the road and causing chaos.

I feel allowing this will slowly start the decline of a seriously nice Neighbourhood that is slowly turning into the local race track for people coming to the little dessert shop and King kebab.

The proximity to residential properties make it also unfair for people with families.

Thank you

Dear Sirs,

I object to the application based on the following concerns:

- 1.The location is extremely close to quiet residential housing.
- 2.A business whose principle hours of business are late at night is not compatible with this location.
- 3.Where alcohol is involved, the possibility for inappropriate behaviour is increased.
4. There is already a problem with litter, inappropriate parking and anti-social behaviour in the area and I am concerned that this application may make matters worse.

To whom it may concern,

I am making a representation regarding the application for Premises Licence by BSKH Ltd at Burger and Sauce, 38-44 High Street. As a local Kings Heath resident I ask that this application be rejected by the council, for three reasons:

- the location of the Burger and Sauce restaurant subject to the application is on the corner of a residential street (Grange Road) and the granting of extended opening hours until 3am, the right to play recorded music until 2am and serve food until 3am will cause evening and night-time disruption to residents. It is not appropriate for a venue so close to private residences to have such late opening hours.
- the current restaurant has, since opening, led to an increase in illegal and unsafe parking behaviour on Grange Road, including vehicles parking across the pavements. The granting of the application is likely to make this situation worse. The restaurant has so far failed to deal with this anti-social behaviour from its patrons.
- the current restaurant has also led to an increase in littering outside the premises. Later opening and later serving hours is likely to make this situation worse. Again, the restaurant has so far failed to deal with this.

Yours faithfully,

Re: Extended opening hours for 'Burger & Sauce' 34-44 High St, Kings Heath, Birmingham B14 7LB

Dear Sir,

I am writing to protest the application to allow the above business to increase its opening hours until 2am or 3am from Monday to Sunday.

Since 'Burger & Sauce' opened the High Street and Grange Road have suffered from:

1. Illegal driving onto and parking on pavements (making it difficult for pushchairs or mobility scooters to get past), on double yellow lines and the zigzags by the pedestrian crossing.
2. Increased noise – large groups of people standing on the pavements & sitting on the concrete blocks which are part of the LTN.
3. Increased amount of litter – with the name 'Burger & Sauce' on it just dumped on the pavement – an invitation to vermin.

How will increasing the opening hours until 2am/3am deal with these problems?

Have some consideration for the people who live near this business.

Yours sincerely

Subject: OBJECTION: BURGER AND SAUCE KINGS HEATH
Importance: High

Dear Sir / Madam

As the owner of Grange Road, I write to object to the proposed increase in opening hours and right to play recorded music till 2 am at Burger and Sauce in Kings Heath (B14 7LB). The venue has caused a great deal of disruption to the area already. Numerous complaints have been made about anti-social behaviour, including littering, loitering, noise pollution and obstructing the pavements. Although the area immediately outside the venue is supposed to be a double yellow line area, it is frequently blocked with cars, which park on the pavements and completely close the road at busy periods. Parking on Grange Road has become a constant problem for residents since the introduction of the LTN, and this venue has exacerbated the issue. The owners of these cars do not eat inside the venue but instead sit in their cars playing loud music and blocking the pavements; they then throw their burger wrappings onto the pavements.

Kings Heath high street currently plays host to a number of late-night fast food venues; however, due to the placement of this one on the corner of a residential street, which has a nursery on it, it has hugely increased traffic, parking problems, litter on a road that already suffered from these problems. As a new parent with a 4-month-old baby, we have frequently been unable to park the car anywhere near our house or get the pushchair past the cars which are parked on the pavements or, if they are parked on the road (still on double yellow lines), block the drop curbs we use to cross the road. When there is little to no police or traffic warden on the road, the increased late-night traffic is wholly unacceptable. Furthermore, why does a fast-food restaurant catering to a largely takeaway clientele need to play loud recorded music until 3 am? This proposal is not in keeping with the neighbourhood, nor does it align with the aims of the Low Traffic Neighborhood; all it will do is increase traffic and litter on an already crowded street.

Yours sincerely

Dear Sir/Madam

As a resident at Grange Road, Kings Heath, Birmingham B14 I am making a representation to object to extended opening hours at the premises above. I am especially concerned about recorded music late at night until 2am on 7 nights a week. I live very close to these premises. There are already an excessive number of food venues in Kings Heath and there is absolutely no need for this one to extend opening hours until 3am every night.

Details of my representation

- a) Prevention of crime and disorder - this is a residential area and the proposed extension of opening hours including the playing of recorded music will cause noise nuisance, attract customers late at night and create more litter. This is entirely unreasonable when these premises were previously occupied by Argos (useful to residents) which closed at a reasonable time in the early evening.
- b) Protection of public safety - as a widow living alone I have no desire for late night noise and disruption which make it difficult to sleep. My bedroom is at the front of the house and it is already difficult to sleep when noisy customers are leaving nearby premises. Alcohol only worsens loud arguments late at night.
- c) Prevention of public nuisance - late night opening will encourage extra customers to the area at a time when residents are sleeping. Grange Road is part of the Low Traffic Neighbourhood and attracting more traffic to the area late at night where parking is already difficult conflicts with the desire to make this a more peaceful and welcoming area for residents.
- d) Protection of children from harm - young children living opposite me are also entitled to a peaceful night's sleep and a litter-free environment.

Yours sincerely

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
