Subject: Application for alcohol license.

We are residents of high st Deritend Birmingham 12. We would like to take this opportunity to object this alcohol license at 180 high....Brekke and Burger Co.for the following reasons. The noise and disturbance to our residence. Attracting anti social behaviour. Vehicles obstructing our pedestrian and vehicle access. The noise of the premises being open. I would like to also add that the quality of our life is already being affected around here due to the venues that take place. Something that is to us would greatly impact on us even more. This premises opened on Friday night until 10.30 and we were subjected to drunks coming out of his shop and causing extreme anti social behaviour. We have already been in touch with our MP due to our life being made miserable.

Dear sir/madam

I wish to make a representation against the premises licence application by:

Brekkie & Burger Co. Ltd
180 High Street
Deritend
Birmingham
B12 0LD
Registered Company Number 10099538

I understand that an existing cumulative impact policy already covers the area, in order to prevent unnecessary licensed premises in Digbeth/Deritend from operating, given the number of existing vendors.

It is my belief that allowing further vendors into a local market already adequately provided for, will encourage lowering of prices due to increased competition leading to excessive alcohol purchase and consumption.

My concerns are that such economic changes will lead to a significant increase in crime and disorder, particularly on but not limited to weekends.

As a Digbeth resident and professional with clients in close proximity to the site of the licence applicant, I am extremely keen to avoid a jump in the already disproportionately high number of serious alcohol-related incidents resulting in injuries, violence, abuse and criminal damage.

Birmingham City Council also has a duty of care towards the families, senior citizens, and at-risk persons who live, work or travel through the area - all groups of our community who may well be affected by the social issues which arise from alcohol-related crime and disorder.

Regards
