Premises License Application

5<sup>th</sup> Oct 2018

Dear [redacted]

I have been made aware of your objection to the application for a Premise License at Team News 17 Bell Lane.

As you are the only person objecting to the application. I would like to offer you the opportunity to contact me directly to discuss your objection with a view to avoiding a hearing.

With regard to your concerns raised in your letter regarding the terms of the lease, should there be a clause in the lease stating they cannot sell alcohol, that clause could be removed by the landlord.

With regard to your concerns raised regarding an increase in "trouble" in the area, there are no objections from the police. Which would indicate the police have no concerns relating to Crime and Disorder should a license be granted.

There are also no objections from any of the responsible authorities.

Should you require any further information do not hesitate to contact me on [redacted]

Yours Sincerely [redacted]
