**I - Superintendent Ian Green**

(on behalf of) the chief officer of Police for the West Midlands Police area apply for the review of a premises licence under section 53A of the Licensing Act 2003

1. Premises details: **Jam Rock**  
**32 New John Street West**

Postal address of premises, (or if none or not known, ordnance survey map reference or description):

Post Town: **Birmingham**

Post Code (if known): **B19 3NB**

2. Premises Licence details:

Name of premise licence holder (if known): **Mr Rohan McKenzie**

Number of premise licence (if known): **4911**

3. Certificate under section 53A (1)(B) of the Licensing Act 2003 (Please read guidance note 1)

I confirm that this is a certificate has been given by a senior member of the police force for the police area above that in his/her opinion the above premises are associated with serious crime or serious disorder or both, and the certificate accompanies this application.

(Please tick the box to confirm)

4. Details of association of the above premises with serious crime, serious disorder or both:

At approximately 0600 hours on the 23<sup>rd</sup> February 2020, a call was received from a hospital around a male victim that had self-presented at hospital with several stab wounds to his leg.

Indications from the victim to the hospital staff was that the incident had occurred inside the premises called Jam Rock and then continued outside.

There were calls from other parties that refused to provide details that they had seen the assault inside the premises.

It was alleged that the incident had happened at around 0500 hours.

The premises were asked to provide CCTV, door staff signing in sheets and an incident report.

The CCTV is of very poor quality and it is difficult to make out what has happened, but it is clear that the premises is fully open, with frequent activity in and out of the front door. An internal camera shows that the premises is very full, from the footage it is estimated that they premises are holding 200+ people.

The front camera does show people reacting at around 0500 hours but it is very difficult to make out what is happening.

There does not appear to be any control of the front door, the cctv shown does not show any searches taking place, although more CCTV is to be provided.

The door staff signing in sheets indicates that there are 2 door supervisors on duty, but it is impossible from the CCTV to identify them, if they are in hi-visibility coats or any form of uniform then it is not showing.

The premise licence holder has been spoken to and he has confirmed that there was a birthday party going on, that had been booked in a month before. He had no temporary event notice in place, and as such is not licensed for regulated entertainment and should have ceased at 0200 for the sale of alcohol and LNR.

He confirmed there were 2 members of door staff on, they were not from a company but people he knew as door staff and asked them to do the security.

The premise licence holder was asked for a fire risk assessment to show his capacity which he has been unable to produce but has confirmed that he did not use any tickers to show the capacity, or had any control on the tickets being sold or how many people were coming into the premises. From what can be seen on the CCTV the premises looked overcrowded.

The incident book, which has been seized indicates that something did happen inside the premises, the premise licence holder did go and find out what was happening, but then states that one male was taken outside.

A statement has been taken from the victim, who states he was attacked inside the premises receiving kicks and punches to his whole body, the victim also thought he had been hit with a bottle. In an area where he thought he had been punched it transpired that he had been stabbed.

West Midlands Police have serious concerns around the management of these premises, it is clear that a serious incident happened inside these premises and then continued outside. This has resulted in a serious crime of a section 18 wounding being committed. This is compounded by the lack of control at the premise and the apparent lack of management for what was happening. This is shown in poor door control, control of numbers, adequate security.

The crime this has been recorded as constitutes a serious crime as defined. Due to what has happened West Midlands Police are seeking the immediate suspension of the premise licence.

Notes for guidance:

1. A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.

Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:

- conduct that amounts to one or more criminal offences for which a person who has attained the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or
- conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.

Serious Disorder is not defined in legislation, and so bears its ordinary English meaning.

2. Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder or both.

## **CERTIFICATE UNDER SECTION 53A (1)(B) OF THE LICENSING ACT**

**2003**

I hereby certify that in my opinion the premises described below are associated with serious crime and disorder

**Premises: Jam Rock**

**Premise Licence Number: 4911**

**Premise Licence Holder: Mr Rohan McKenzie**

**Designated Premise Supervisor: Mr Rohan McKenzie**

**I am a Superintendent in West Midlands Police.**

I am giving this certificate because I am in the opinion that the procedures under the Licensing Act are inappropriate in this case because the standard review procedures are thought to be inappropriate due to the seriousness of the crime, and the serious management failings of the premises concerned.

The seriousness of the crime being committed warrant the use of this power. I have considered the use of the normal review procedure but I do not feel this would be appropriate in these circumstances due to the above reasons, and the fact that to maintain the licensing objective of preventing crime and disorder the normal review procedure would not be sufficient.

The severity of the incidents is a matter that needs to be brought to the attention of the Licensing Committee immediately.

The concern of West Midlands Police is that if steps are not taken to consider the running of these premises they will continue to be used in the manner in which they were discovered on the 23<sup>rd</sup> February 2020. I am conscious of the guidance on the use of "Expedited Reviews" and given the emphasis that is given to use of this power to tackle serious crime and disorder, my feelings that this process is deemed appropriate are further enforced.

**BIRMINGHAM CITY COUNCIL**  
**LICENSING SUB COMMITTEE - A**

**MONDAY 2 MARCH 2020**

**JAM ROCK, 32 NEW JOHN STREET, BIRMINGHAM, B19 3NB**

That having considered the application made and certificate issued by West Midlands Police under Section 53A of the Licensing Act 2003 for an expedited review of the premises licence held by Rohan McKenzie in respect of Jam Rock, 32 New John Street, Birmingham, B19 3NB this Sub-Committee determines that the licence be suspended pending a review of the licence, such a review to be held within 28 days of receiving the Chief Officer of Police's application.

The Sub-Committee's reason for imposing this interim step was due to the concerns which were expressed by West Midlands Police in relation to matters pertaining to serious crime, namely a section 18 wounding, which had come to light as outlined in the Chief Officer of Police's certificate and application. It was thought that the injured party, a patron of the premises, had received three stab wounds to the leg. The stab wounds were thought likely to have been caused by the use of a knife; however it had been observed by Police on viewing the CCTV that some patrons had been walking about in the premises whilst carrying glass bottles.

The Sub-Committee determined that the cause of the serious crime originated from a complete lack of management control on the night in question – particularly in relation to door control and security. The style of management had been incapable of upholding the licensing objectives; the Police therefore requested a suspension of the licence pending the full review hearing.

The premises had been variously described as a 'bar/ restaurant' and a 'sports bar', but upon viewing the CCTV the Members considered it to be operating akin to a nightclub-style venue. The incident was thought to have occurred at around 0500 hours, and it was therefore apparent that the premises was operating far beyond its permitted hours and in breach of its licence regarding regulated entertainment. The Sub-Committee noted that no Temporary Event Notice had been sought for any special event.

The premises licence holder, who was also the designated premises supervisor, had spoken to Police; however his comments had not inspired any confidence whatsoever in his ability to operate safely. He stated to Police that "a few people" had been in the premises having drinks - yet Police estimated the number to have been approximately 200 persons (the Police estimate of the number was borne out by what was shown on CCTV). In any event, the premises licence holder had no way of correctly assessing numbers, as clickers to check capacity had not been in use. Poor door control, as shown on the CCTV, was of great concern to the Sub-Committee, not least due to fire safety. The Police confirmed that no fire risk assessment appeared to have been done.

---

The premises licence holder's own description of the activity on the night in question, namely that it had been a 'birthday party' which had been booked in advance, was not accepted by Police; his comment to Police that he "forgot" to submit a Temporary Event Notice was similarly not accepted. The Sub-Committee agreed with the Police on these points. These seemed to be extraordinary statements, and not at all what would be expected from any competent operator.

The Sub-Committee was further unimpressed upon viewing some of the premises' records, which were shown by the Police during the meeting. The Incident Report Book and Security Book were not in the usual format, and in any event some of the notes made of the incident gave rise to their own questions; the Security Book, for example, stated that staff came on duty at 02.00 hours, but that was the time that the premises should have closed - if they had been operating to the terms of their licence.

The Sub-Committee did not have the opportunity to hear submissions by, or on behalf of, the premises licence holder, as nobody representing the premises attended the meeting. However the Members were satisfied that the Police evidence amply demonstrated that the operator had shown a lack of grip which had led to a loss of control and a serious crime incident; as such, the Sub-Committee had no confidence whatsoever that the premises could operate satisfactorily.

The Sub-Committee was therefore of the opinion that the course recommended by West Midlands Police, namely a suspension of the licence, was the proper interim step pending the full review of the premises licence. It was necessary and reasonable to impose this step to address the immediate problem with the premises, in particular the likelihood of serious crime, and to promote the licensing objectives in the Act.

In reaching this decision, the Sub-Committee has given due consideration to the City Council's Statement of Licensing Policy, the Guidance issued by the Home Office in relation to expedited and summary licence reviews, and the submissions made by West Midlands Police at the hearing.

All parties are advised that the premises licence holder may make representations against the interim steps taken by the Licensing Authority. On receipt of such representations, the Licensing Authority must hold a hearing within 48 hours.

All parties are advised that there is no right of appeal to a Magistrates' Court against the Licensing Authority's decision at this stage.

**Subject:** Extra reps - Jam Roc

Dear Licensing,

Following the application made by West Midlands Police against Jam Roc, we seek to make additional representations against the premises.

From Police systems there was a further incident at the premises in November which appears to involve the use of a weapon, which was not called into West Midlands Police. This incident happened at 06.30 hours, when the premises should have closed at 2am.

A check on the Police licensing system shows that no TEN has ever been sent to us to apply for additional hours since the premises has been open.

The additional CCTV that has been sent to us for the incident that lead to the expedited application is of very poor quality, but does show for several dates that regulated entertainment was taking place, even though the premise licence does not have this authority.

Supporting documents will be provided before the hearing

If these can be added as additional reps

Kind regards
