The original expectation under the approach to value for money (VFM) arrangements work set out in the 2020 Code of Audit Practice was that auditors would follow an annual cycle of work, with more timely reporting on VFM arrangements, including issuing their commentary on VFM arrangements for local government by 30 September each year at the latest. Unfortunately, due to the ongoing challenges impacting on the local audit market, including the need to meet regulatory and other professional requirements, we have been unable to complete our work as quickly as would normally be expected. The National Audit Office has updated its guidance to auditors to allow us to postpone completion of our work on arrangements to secure value for money and focus our resources firstly on the delivery of our opinions on the financial statements. This is intended to help ensure as many as possible could be issued in line with national timetables and legislation.

As a result, we have therefore not yet issued our Auditor's Annual Report, including our commentary on arrangements to secure value for money. We now expect to publish our report no later than the end of February 2023.

For the purposes of compliance with the 2020 Code, this letter constitutes the required audit letter explaining the reasons for delay.

Yours faithfully
