(Please read guidance note 2)

Bambu Nightclub is located at 1st Floor, Kotwall House, Wrottesley Street, Birmingham. B5 4RT. It is a nightclub which between Sunday and Thursday each week is licensed between 1000 and 0400 hours on Friday and Saturday this is 0600 hours.

The premises were open and carrying out licensable activity on the evening of Friday 10.9.21 going into the morning of Saturday 11.9.21.

At this time two crimes of section 18 wounding were reported to West Midlands Police whereby two persons received stab wounds one to his right shoulder and hand and the other to his right hip. A further person was arrested for affray who was fighting with others at the location.

At 0207 hours Saturday 11.9.21 officers outside Bambu nightclub were flagged down by a member of the public who stated he did not feel well. Officers enquiries revealed that the male had cuts to his right shoulder and hand. First aid was administered and enquiries revealed that the incident had occurred on the dancefloor in the premises.

Officers attempted to enter the premises and were confronted by a largescale disorder taking place on the staircase. This was so ferocious that officers were forced back outside and persons were then coming out of the premises. One male was able to be arrested from this disorder, although in order to ensure their safety and effect the arrest officers were forced to deploy incapacitant spray.

Enquiries inside the premises revealed a further male with a stab injury to his right hip. This is believed to have happened in a room near to the entrance of the premises.

Both males that were injured were taken to the Queen Elizabeth Hospital to have their injuries treated. Neither set of injuries are believed to be life threatening.

Enquiries at the scenes in and around Bambu have revealed two knives and a wallet that have been discarded. These have been recovered by the police and will be subject of further examination.

There were a number of scenes with large amounts of blood in the premises and upstairs was an opened first aid kit which appeared to have been used to treat the persons with injuries.

The cctv system from the premises has been seized.

No call has been made from the premises to request police or ambulance despite the severity of the incident.

It has been noted that fire exits from the premises were blocked.

Officers have stated that staff at the premises have not been forthcoming with information about the incident when questioned.

The Designated Premises Supervisor was identified as Jasbeep Qaul who was spoken to by officers.

He has stated that he was not at the premises at the time of the incident. Qaul has stated that the premises were being used for a private party and a list that is believed to show the details of the attendees has been seized.

It is noted that as a result of operating licensing conditions and conditions imposed by Licensing Sub Committee A on 8.7.19 the premises must risk assess each days business and events, all customers and staff including DJs attending the premises must be searched, nominated security staff must wear body cams and the CCTV was to be updated.

It is of particular concern that despite these robust licensing conditions being in place that at least two knives have been inside the premises which have then been used to cause serious injury whilst a mass disorder has taken place. No call has been made from the premises to summon either police or the ambulance service and when enquiries have been made by police in relation to the incident there has been an unsatisfactory response from the premises.

The premises license holder has failed to promote the licensing objectives and as a result of this members of the public have been subject of vicious unprovoked attacks with offensive weapons.

The premises have failed to promote the licensing objectives of reducing crime and disorder and promoting public safety.

"Serious crime" is defined by reference to S.81 of RIPA Act 2000. An offence for which an adult could reasonably be expected to be sentenced to imprisonment for a period of 3 years or more. Two offences of section 18 wounding have been committed which reach this criteria.

West Midlands Police are concerned that the management failings at this premises have contributed to serious assaults taking place and wish to bring this to the urgent attention of the licensing committee.

Notes for guidance:

1. A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.

Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:

- conduct that amounts to one or more criminal offences for which a person who has attained the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or

- conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.

Serious Disorder is not defined in legislation, and so bears its ordinary English meaning.

2. Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder or both.

West Midlands Police

CERTIFICATE UNDER SECTION 53A (1)(B) OF THE LICENSING ACT 2003

I hereby certify that in my opinion the premises described below are associated with serious crime and disorder

Premises: Bambu,

Premise Licence Number: 447.

Premise Licence Holder: Arcadian Wrotesley Entertainment Ltd.

Designated Premise Supervisor: Jasbeep Qaul.

I am a Superintendent in West Midlands Police.

I am giving this certificate because I am of the opinion that the standard review procedures are thought to be inappropriate due to the seriousness of the crimes, and the serious management failings of the premises concerned.

On Saturday 11th September 2021 the premises was open for business hosting a private party. At approximately 0217 hours that day officers outside the premises are approached by a male who states he does not feel well. Enquiries show that this male is suffering from stab wounds to his right shoulder and his hand. Further enquiries are made at the premises and a large fight is ensuing on the staircase. One male is arrested from this following a protracted struggle where officers are forced outside of the building. The male arrested put up such resistance that incapacitant spray had to be used to prevent injury and effect the arrest. A second male coming out of the premises is also found to be suffering from a stab wound to his right hip.

Two section 18 woundings using weapons are serious crimes each carrying a maximum sentence of life imprisonment which warrants the use of this power.

I have considered the use of the normal review procedure but I do not feel this would be appropriate in these circumstance due to the above reasons, and the fact that to maintain the licensing objectives of preventing crime and disorder and promoting public safety the normal review procedure would not be sufficient.

The severity of the incident is a matter that needs to be brought to the attention of the Licensing Committee immediately.

I am conscious of the guidance on the use of "Expedited Reviews" and given the emphasis that is given to use of this power to tackle serious crime and disorder, my feelings that this process is deemed appropriate are further enforced.

Signed

Supt 6839 Fox

BIRMINGHAM CITY COUNCIL

LICENSING SUB COMMITTEE - C

WEDNESDAY 15 SEPTEMBER 2021

Bambu, 1st Floor Kotwall House, Wrotesley Street, Birmingham B5 4RT

That having considered the application made and certificate issued by West Midlands Police under Section 53A of the Licensing Act 2003 for an expedited review of the premises licence held by Arcadian Wrotesley Entertainment Ltd in respect of Bambu, 1st Floor Kotwall House, Wrotesley Street, Birmingham B5 4RT, this Sub-Committee determines:

- that the licence be suspended pending a review of the licence, such a review to be held within 28 days of receiving the Chief Officer of Police's application, and
- that Jasdeep Kaul be removed as the Designated Premises Supervisor

Members heard the submissions of West Midlands Police, namely that the certificate issued by Superintendent Fox under s53A(1)(b) of the Act related to two instances of wounding under section 18 of the Offences Against the Person Act 1861 which had happened at the premises. There had also been an outbreak of disorder, and an arrest for affray had been made.

The evidence was that on the day in question it was poor management control which had led to the incident. The Police recommended that the Sub-Committee should impose the interim step of suspension of the licence, pending the full review hearing.

The Sub-Committee then heard from the company which held the licence, via its counsel. The licence holder did not oppose the suspension of the licence, and stated an intention to cooperate with the Police in their investigation. The director of the licence holder company had recently taken the premises on, but did not have any previous experience of running licensed premises.

In deliberating, the Sub-Committee determined that the failure to uphold a safe style of operation had led to an outbreak of serious crime, and agreed with the Police that the causes of the serious crime appeared to originate from unsatisfactory internal management procedures at the premises.

The Sub-Committee found the Police evidence relating to the s18 wounding incidents to be alarming, and not something that inspired the slightest confidence in the operating style at Bambu. The Sub-Committee determined that it had no confidence in the management to ensure safe operation. All in all, the Sub-Committee considered the licence holder to have failed to take its responsibilities seriously.

The Sub-Committee determined that it was both necessary and reasonable to impose the interim step of suspension to address the immediate problems with the premises, namely the likelihood of further serious crime.

The Sub-Committee considered whether it could impose other interim steps, including modification of licence conditions, but considered that this would offer little to address the real issue, which was the lack of proper management control shown by the licence holder, which was a significant risk to the upholding of the licensing objectives.

However, the Sub-Committee determined that the removal of the designated premises supervisor was a very important safety feature, given that it was this individual who was responsible for the day to day running of the premises. Therefore, the risks could only be properly addressed first by the suspension of the licence, and secondly by the removal of the designated premises supervisor, pending the full Review hearing.

In reaching this decision, the Sub-Committee has given due consideration to the City Council's Statement of Licensing Policy, the Guidance issued by the Home Office under s182 of the Act, and the submissions made by the licence holder via its counsel, and by West Midlands Police, at the hearing.

All parties are advised that the premises licence holder may make representations against the interim steps taken by the Licensing Authority. On receipt of such representations, the Licensing Authority must hold a hearing within 48 hours.

All parties are advised that there is no right of appeal to a Magistrates' Court against the Licensing Authority's decision at this stage.

BIRMINGHAM CITY COUNCIL
LICENSING SUB COMMITTEE - A
FRIDAY 1 OCTOBER 2021

That, having considered the representations made on behalf of Arcadian Wrotesley Entertainment Ltd, the premises licence holder for Bambu, 1st Floor Kotwall House, Wrotesley Street, Birmingham B5 4RT, in respect of the interim steps imposed on the 15 September 2021, this Sub-Committee hereby determines that

- the suspension of the licence is lifted, and
- the licence shall be modified in that all the proposed conditions (agreed between the premises licence holder and West Midlands Police in advance of the meeting) shall form part of the licence until the determination of the Review hearing.

The agreed conditions are as follows:

- The licence holder shall maintain and operate an ID Scan to all persons entering the premises whenever licensable activities are being carried on. The premises is to adopt and display a clear notice to the effect that there is a strict policy of "NO ID, NO ENTRY"
- All persons (including staff, DJs and entertainers) entering the premises whenever licensable activities are being carried on will be subject to a search. This search will include a full body search AND metal detection. Each of those activities will be undertaken by a separate door supervisor
- The licence holder will have available for use a working bleed kit whenever licensable activities are carried on from the premises
- No person will be allowed entry to the premises after 03:00, save for re-entry for persons who were on the premises before 03:00. Every person re-entering the premises will be strictly subject to the body and metal detection search
- The licence holder will consult with WMP when they intend to vary the DPS on the premises licence
- The licence holder will consult with WMP before changing the company that provides door security at the premises

It is further agreed that the authorised hours on the premises licence will be modified by reducing the terminal hour for licensable activities on a Friday and Saturday as follows:

- the sale of alcohol by retail to 04:00, and
- regulated entertainment and late night refreshment to 04:30 on a Friday and Saturday.

The Sub-Committee carefully considered the application. The premises licence holder company made submissions via its counsel, and the company director. The licence holder had held discussions with West Midlands Police, and a comprehensive suite of modified conditions had been agreed between the premises licence holder and the Police. The director had also invested a significant sum into improvements, such as ID scanner equipment.

Members then heard the submissions of West Midlands Police, who agreed that the new conditions were satisfactory and observed that they had been impressed with the cooperative attitude of, and prompt action taken by, the director.

Upon hearing this, the Sub-Committee formed the view that the suspension of the licence could be lifted pending the final Review hearing. The suspension had been imposed at the original meeting to safeguard public protection after two instances of wounding under section 18 of the Offences Against the Person Act 1861 which had happened at the premises; however it was the Police who were the experts in crime and disorder, and accordingly the Sub-Committee took their comments on board.

In reaching this decision, the Sub-Committee has given due consideration to the guidance issued by the Home Office under s182 of the Act, the original certificate issued by West Midlands Police under Section 53A of the Licensing Act 2003 and the application for review, the City Council's Statement of Licensing Policy, the documents submitted on behalf of the premises licence holder, and the submissions made by the licence holder company via its counsel and the company director, and by West Midlands Police, at the hearing.

All parties are advised that there is no right of appeal to a Magistrates' Court against the decision of the Licensing Authority at this stage.

Subject: Representation - Bambu, 1st Floor Kotwall House, Wrotesley Street, Birmingham B5 4RT

Good morning,

I am aware that West Midlands Police (WMP) have called for a review of the Premises Licence number 447 issued to Arcadian Wrotesley Entertainment Limited in respect of the Premises known as Bambu, 1st Floor Kotwall House, Wrotesley Street, Birmingham B5 4RT. WMP have stated that they are of the opinion the premises is associated with serious crime and disorder following an incident inside the premises in the early hours of 11/9/21 which resulted in two persons receiving stab wounds. WMP only became aware of the incident after officers who were outside the premises were flagged down by one of the individuals who had been stabbed. All the information I have received from the WMP in relation to this incident has been submitted to the Committee and therefore the committee will be aware of their reasons for calling for a review of the licence which I fully support and which I do need to repeat.

The Designated Premises Supervisor (DPS) Mr Jasdeep Kaul issued with a Personal Licence number 5030 by Birmingham City Council (BCC) was spoken to by WMP and he denied being at the premises when the incident took place. Mr Kaul has been involved with the premises either as the DPS since 14/5/2009 when the premises licence was held by Baron Leisure Limited and then by Leisure Nights Limited and as the DPS and Premises Licence Holder since 2/4/2014 when the Licence was transferred from Leisure Nights Limited to China Town Leisure Limited (dissolved 26/1/2021, Mr Kaul was the person with significant control). The Licence was then transferred to Kotwall One Limited (Mr Kaul person with significant control) and then to Arcadian Wrotesley Entertainment Limited (Mr Kaul was person with significant control until 31/5/2021 but now it is Mr Abdul Kadir).

The premises licence was previously reviewed on 8/7/2019 when Mr Kaul was the DPS and following this the licence conditions were modified and some new committee conditions were added. The following conditions were added;

Management have also taken the decision that all staff and performers (DJ's) will be searched on the front entrance the same as patrons attending the venue. The security deployment plan will be revisited to take this into account of extra security on the entrance for searching. Security deployment and search plan will be in place before Friday 21st June 2019. A copy of this document will be made available to West Midlands Police.

The removal of the current Designated Premises Supervisor and replaced with a new DPS. An application to change the DPS has been submitted. The new DPS has been put forward as Callum James Davis.

On 13/8/2021 a transfer request to remove Mr Davis as the DPS from the licence and to replace him with Mr Kaul was received by licensing. Mr Davis was removed on 13/9/2021 and Mr Kaul once again took over the DPS role. Mr Kaul was the DPS at the premises when the licence was reviewed in 2019 and he was again the DPS when the stabbing incidents took place and the reason why the review has been called for now. Clearly the above conditions have not been complied with because if there was a proper search carried out on the customers and staff then the knives should not have got through the premises and Mr Kaul should not have been the DPS as the above condition asked for his removal and having removed himself he has then reinstated himself as the DPS.

The reasons given by WMP for calling for a review of the Premises Licence are in my opinion fully justified as they have stated there was no call to the emergency services made by the managements or staff of the premises and the staff who were working at the premises at the time of the incident have not been forthcoming with information when questioned. This shows a serious concern that the management of the premises and those responsible for the day to day running of the premises have little regard to for the

Prevention of Crime and Disorder and for the safety of the public and are not able to operate the premises in accordance with the conditions of the licence.

Please accept this as my representation in support of the Review of the Premises Licence submitted by WMP.
