Exception Report Quarter 1 2016/17

The following measures missed their targets and scored a 'Red' rating.
The services responsible have provided the following exception report.

Leasehold and Right to Buy (Sukvinder Kalsi)

Measure: Right to Buy compliance to statutory timescales Page: 10
Target: 100%
Performance: 2%
Commentary provided by: Louise Fletcher

The statutory deadlines and targets have not been achieved due to the backlog of RTB applications which were outstanding from 2015/16. The service is being restructured to cope with the additional demand on this team, however this will not be completed until later in the year.

Asset Management and Maintenance (John Jamieson)

Measure: Percentage of gas servicing completed against period profile Page: 45
Target: 98.0%
Performance: 89.6%
Commentary provided by: Gary Nicholls

All Contractors are in red apart from Keepmoat who are in green

The contractors have experienced problems with the lettering process which has created some difficulties. There have also been issues with access to the 0800 number on the Wates contractor area. These issues are now largely resolved but the problems earlier in the quarter have impacted on Quarter 1 performance". However performance is generally getting better overall.

Asset Management and Maintenance (John Jamieson)

Measure: KPI007 - Appointments made

Page: 51

Target 98.1%

Performance: 94.9%

Commentary provided by: Gary Nicholls

Keepmoat, Willmott Dixon Partnerships and Wates East are all in Amber. Wates West are in red but only fractionally outside Amber. Further work is ongoing to continue to increase the amount of appointments made.

Measure: KPI008 - Appointments kept

Page: 52

Target 98.1%

Performance: 64.2%

Commentary provided by: Gary Nicholls

All contractors are in red and this is an area where significant improvement is required. There have been some examples of service failure but these issues are being tackled. There have also been some training issues with the use of PDAs and other data issues.
