Subject: Application for premises

Dear Licensing Person

I'm writing this to complain about a grant for a license premises, Anna Stores
96 Reservoir Road,
Erdington
Birmingham
B23 6DL.

This store is intending the sale of alcohol between 06:00- 23:00 Monday through to Sunday, I live
this shop, my address is
Chudleigh Road
Erdington
Birmingham
B23

We already have a lot of issues around here with drugs, people parking up to sell or receive drugs, cars
continuously parked around, my daughters have to park down the street when they come to look after me,
I'm not well so I need the area around my house clear for my home help. We don't need the noise from
1- The shop itself
2- deliveries
3- Cars parking up ie: doors banging
4- Customers

We also have a license premises at the bottom of Chudleigh Road, also on Reservoir Road at Stockland
Green which is 5 minutes down the road.

We don't need another in this area to cause disruption to our road.
Please take this into consideration when you are looking at this application for premises.

Your
Sincerely

Dear sir

I am writing to you regarding the new shop at 96 Reservoir rd Erdington. I have lived on this road for 50 years so I think you can safely say I know the area well, please do not grant this shop permission to sell alcohol, it's the last thing that we need right now in this area. This road and surrounding area suffer from the effects of drug and alcohol missuse there are more than enough late night shops selling alcohol already. This will encourage crime and anti social behaviour. Please do the right thing and deny permission for this shop to sell alcohol. Thank you for your time

Subject: Re: Licensing Act 2003 (Grant) RE: Anna Store, 96 Reservoir Road, Erdington, Birmingham, B23 6DL

Dear Bhapinder Nandhra,

For Submission Knowing That This Will Be In The Public Domain:

I am resident of Reservoir Road, doors away from the premises which have requested a licence to sell alcohol. As you know from my previous email I have some concerns regarding the proposal to have a licenced retail outlet open seven days a week from 6.00 hours until 23.00 hours. I contacted the agent and greatly appreciated a phone call in which he reassured me that his client was a responsible, experienced and community thinking person. I understand from him that the store would be selling groceries.

I would hope the licensing authorities are well aware of the existing alcohol provision in the Stockland Green area. I would also hope that the licensing authorities are aware of the social problems which we have with people accessing alcohol at all times in the day. Hardly a day goes by where I do not see somebody passing my house early in the morning clearly under the influence of alcohol evidenced by can or bottle in hand. I am forever clearing cans and bottles, sometimes broken, from my garden. The next road along from the premises has notices which display 'alcohol restricted zone'.

Many young people on their way to and from school pass by these premises... As a parent and minister of religion, I am all too aware of parents concerns about the safety of their children, not least those from Stockland Green secondary school as they encounter people under the influence of alcohol/drugs.

Overall I support the opening on a convenience store to serve the local residential community and indeed would probably use it myself, not least to buy the odd bottle of wine. However, I do have reservations about the hours the premises would be licensed to serve alcohol. I am not convinced that it is in the communities interest to encourage the purchase of alcohol at 6am or after 10pm. I am aware that the licensing authority has already granted licences to other premises not far from the applicants premises for similar hours to those being requested and would suggest that these be reviewed so as to provide a 'level playing field' for community focused provision of alcohol. I do think a licence from 9am to 10pm would be fair and reasonable and in the interests of the vast majority of local residents.

With all good wishes,

Subject: Representation against Alcohol Licence at 96 Reservoir Road, Birmingham, B23 6DL

Dear Birmingham Licencing Department,

My email today is in regards to an application for an alcohol licence at the premises of 96 Reservoir Road, Erdington, Birmingham, B23 6DL.

Erdington already has plenty of places which sell alcohol and we have been hit hard with HMO's over the past few years this has slowly caused our area to become rundown, on Reservoir Road there is more than enough outlets which allow the sales of alcohol, by adding more outlets will only add more problems in the area. I live to the property that is applying for the licence and all this is going to do is cause issues. I would be highly grateful if some consideration can be given into this. The property hasn't even opened and already it has been subject to criminal damage over the past day with graffiti so only one can imagine the issue this will cause if the sales of alcohol was permitted.
Thank you for taking your time in reading my concerns.

Good Afternoon

I have been allocated the inspection of the above premises with regard to your application for the grant of a licence.

You will appreciate that conditions attached to the premises licence should not only be enforceable but also effectively promote the four licensing objectives.

In considering the application submitted the Licensing Enforcement Team has applied the tests of necessity and reasonableness in order to promote the four licensing objectives and I have there attached a condition which the Licensing Enforcement Team will require the applicant to accept as a condition attached to the premises licence.

Subject to the applicant or you as their authorised agent confirming in writing they agree to accept the attached condition there will be no need to the Licensing Enforcement Team to make a representation regarding the application submitted.

Should you wish to contact me to discuss the matter further my contact details are shown below.

Please can we add as a new General Condition

General

All members of staff must receive training regarding the:-

- . The conditions attached to the premises
 - . Four licensing principles contained in the Licensing Act 2003
 - . Responsible retailing of alcohol, and the law
 - . Protection of children from harm and this must include how to competently check customers identification where necessary
 - . Authorised hours for licensable activities and the conditions attached to the premises licence

All training provided to staff will be recorded and each member of staff will sign and date the training records to confirm they have received and understood the training and on-going refresher training every six months.

The staff training records will be maintained at the premises and made available to any Responsible Authority upon request.

This means the last Child Condition could be removed as this would already be covered

Doug Wright
