# POLICY REPORTS

#### **Birmingham Development Plan**

The Director of Planning and Regeneration and the Team Manager, Planning Strategy, introduced the report.

A Member welcomed the fact that the sustainable drainage policy had been revised to reflect the new sustainable urban drainage requirements. It was also noted that there would be a reduction in the developable area of the site at Peddimore from 80 to 71 hectares in order to reduce its visual impact. In response to a question the Director of Planning and Regeneration briefly explained the assessment that had been undertaken to identify overall housing requirements and the Council's approach to working with neighbouring Councils regarding the shortfall.

#### 3965 **RESOLVED**:-

That the report considered by Cabinet at its meeting on 27 July 2015 be noted and that Members' comments be referred to the Director of Planning and Regeneration.

#### **Community Infrastructure Levy**

The Director of Planning and Regeneration introduced the report.

In referring to the report, a Member commented on the fact that Erdington was considered to be a low market value area. The Director of Planning and Regeneration responded thereto.

Upon being put to a vote it was 9 in favour, 2 against and 0 abstentions.

#### 3966 **RESOLVED**:-

That the report considered by Cabinet at its meeting on 27 July 2015 and the proposed adoption date of the Community Infrastructure Levy Charging Schedule be noted.

#### Service Redesign

3967 The Director of Planning and Regeneration gave a verbal update on the service redesign including the savings that had been made, the number of staff that had left the department and the impact that had had on performance.

He advised that there had recently been four new appointments and that a further four were proposed in the near future.

He pointed out that it was hoped to establish a planning graduate hub and briefly explained how it would operate with graduates undertaking a two year programme. A letter had been sent to local universities informing them of the job opportunities and encouraging suitable graduates to apply for the posts. It was hoped that the hub would provide a successful pathway for graduates in the future.

Members welcomed the proposed planning graduate hub and recognised its importance for the future of the city.
