7.1

1. These terms of reference are subject to change by Cabinet as and when necessary to reflect the changing shape of the devolution and Future Council, agenda. The City Council is committed to the ongoing development of devolved community governance through a process of reviewing devolved

ways of working and considering new innovations; it is recognised that further devolution is necessary given the scale size and diversity of challenges, opportunities and varied needs across the city.

2. The Cabinet Committee will conduct a review of the existing devolved arrangements consulting and engaging with the community, other stakeholders and Members. During the period of review local areas will be supported in bringing forward and piloting new ways of working in relation to devolved arrangements; the Cabinet Committee with the Assistant Leaders will support, oversee and evaluate the new ways of working for potential wider use within the City.
3. The Cabinet will set out the detailed coverage of this review, but it will include assessing the effectiveness of all existing arrangements for local engagement and partnership working, preparations for the new ward arrangements to be introduced in 2018 and new ways of working such as parish councils.
4. The Assistant Leaders with the Cabinet Committee will play a leading role in taking forward the following council strategic priorities:
 - Local Leadership - conducting the review set out above at paragraphs 2 and 3 and reporting to Full Council and Cabinet as appropriate
 - Every Place Matters – overseeing the development of area focused policies and programmes to address inequalities between areas of the city
 - A Better deal for Neighbourhoods – the committee will work to improve services in neighbourhoods and responsiveness to local communities and individual service users and to support local initiatives to improve the environment and street scene
 - Supporting local councillors – through the devolution process
 - Fostering and applying new approaches to local leadership.
