

**MOTIONS FOR DEBATE FROM INDIVIDUAL MEMBERS**

To consider the following Motions of which notice has been given in accordance with Standing Order 4(A)

**Councillors Neil Eustace and Paul Tilsley have given notice of the following motion:-**

“This Council

- notes concerns about damage to grass verges raised by residents and Councillors of all parties;
- notes initiatives taken by the Executive to test new ways of tackling the problem;
- believes there needs to be a thorough investigation of the scope of the Council's powers to prevent parking on grass verges;
- calls for an examination of a range of solutions to the problem;
- calls for a full assessment of the costs of damage caused by verge parking and of the level of public concern.

This Council proposes that a scrutiny review of the subject - and of other forms of anti-social behaviour on the highways - would assist the Executive in devising a way forward; such a review should include examination of the impact of delays in dropped kerb installation and charges for this service.”
