No

Your comments:

The reason for closure is attributed to "low funding is putting a strain on the school budget".

As of 31st March 2019, the school had a carry forward of £429,360.

This a carry forward of 22.6% of the 2018-19 budget, considerably more than the recommended 8% carry forward,

This does not seem to be a budget under strain.

Your comments:

It is a short sighted proposal in that the need will go up & down annually. If you withdraw places for 3 year olds pressure will be put on other schools. Just find schools according to needs & allow them to operate efficiently. Invest in our children's education from nursery age.
