The case for change

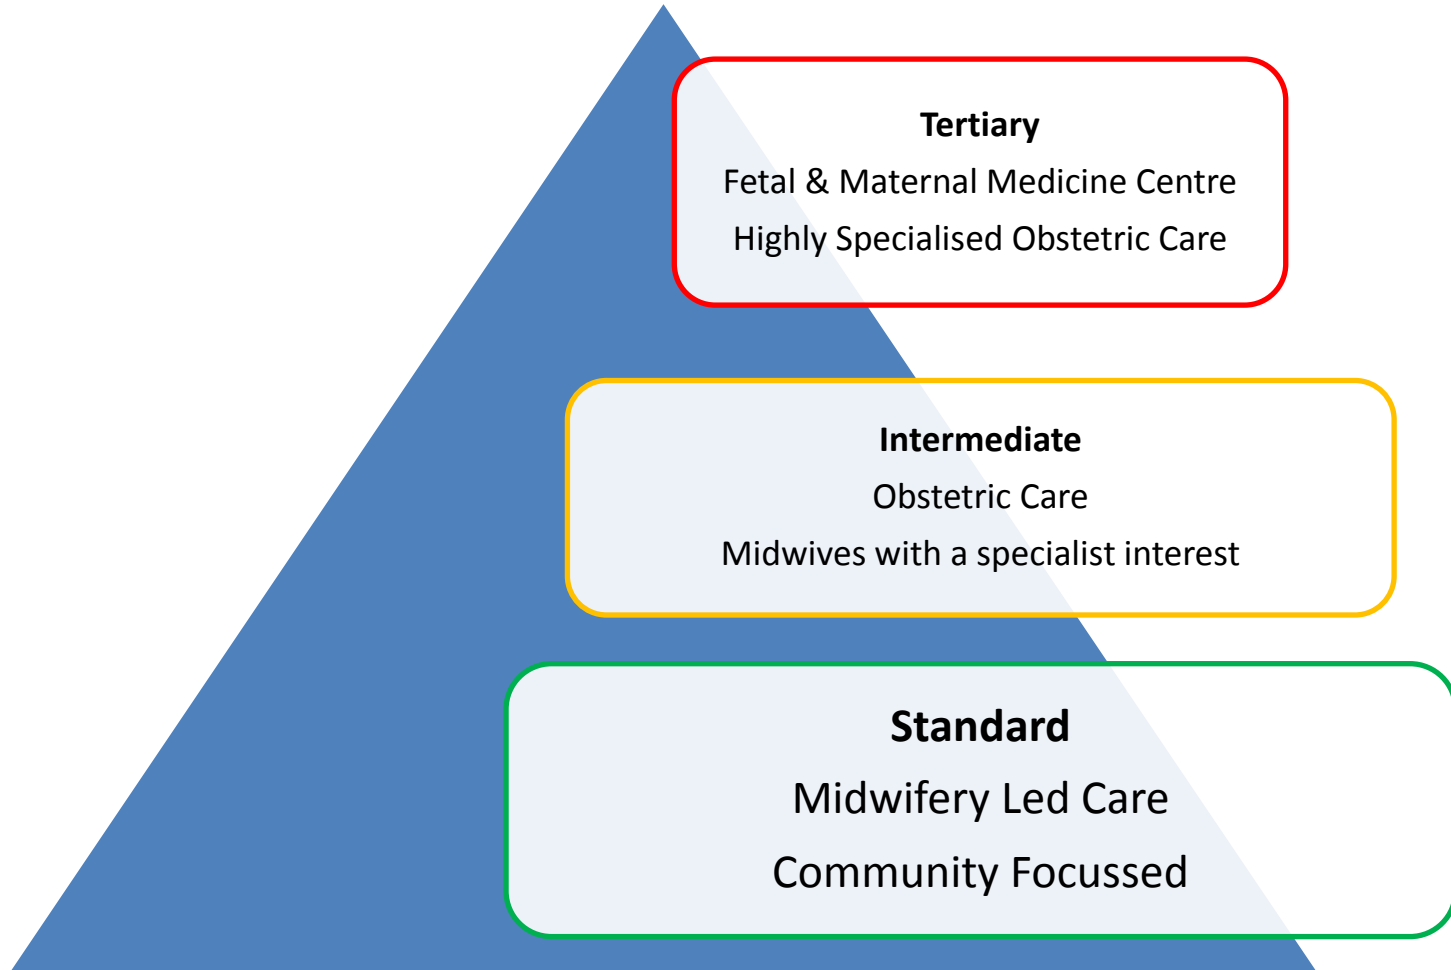

Our future vision

A collage of images showing children playing with colorful toys, overlaid with a semi-transparent text box. The text box contains the following text:

‘Deliver a consistent world class holistic service that empowers women and families to make informed choices enabling them to access high quality care from a range of providers most suited to their personal choice and clinical need.’

Delivering revised pathways of care

Over the next three years

Year 1

Revised contracting and financial model

Development of joint commissioning of Neonatal & Maternity services

Implement consistent criteria, guidelines, & pathways across BSol

Year 2

Establish the new care model across BSol

Deliver a uniform Electronic Patient Record

Year 3

Appropriate capacity where women want it

Begin phased roll out of the model of care across the wider West Midlands

To improve outcomes and experience

Outcome	Metric inc. baseline	Delivery
Decrease in Mortality (Perinatal/Infant)	20% reduction	2020
Increase in homebirths and MLU births	Of total deliveries <ul style="list-style-type: none"> • Home birth rate $\geq 5\%$ • MLU birth $\geq 25\%$ 	2020
Improved patient experience	<ul style="list-style-type: none"> • Increase in the % of women achieving their chosen place of birth • Increase in % of women actively using their PMCB (personalised budget) • CQC rating of good or outstanding 	2018 2020 2020
A skilled MDT/workforce to deliver the model	<ul style="list-style-type: none"> • Safe staffing • Use of agency/locums 	2020
